Beyond the Grey Sky

2019-11-28 Dustin Ruge Suicide claims over one million lives world-wide each year. In the United States alone, suicide has become the second leading cause of death amongst people ages ten to thirty-five and has literally become a national epidemic resulting in 47,000 deaths per year, or more than twice the number of homicides. Beyond the Grey Sky is the first major publication of its kind to truly help explain the impacts of suicide on both our physical and spiritual beings by telling the incredible true story of a tragic death and a survivor’s unique journey that will forever change what we believe and know about suicide. PRAISE FOR BEYOND THE GREY SKY “Dustin Ruge, departing from his previous best-selling books, pours his heart out in “Beyond the Grey Sky.” Approaching the 17th anniversary of his brother David’s death by suicide, with unvarnished prose and rich anecdotes, he captures the essence of their relationship and his personal journey of healing. Like so many who die by suicide, “David didn’t always feel like he ‘fit in’ to the world we live in.” Ruge is a gifted writer – I was transported from laughing out loud (ala David Sedaris) into being moved to tears. This book is a must-read for everyone, not just survivors of suicide loss.”– Michael F Myers, MD Professor of Clinical Psychiatry, SUNY Downstate Medical Center, Brooklyn, NY and author of “Touched by Suicide: Hope and Healing After Loss” (with Carla Fine) and “Why Physicians Die by Suicide: Lessons Learned from Their Families and Others Who Cared.” “This is one of the most powerful books on suicide we have ever read. We believe that if everybody could read this incredible story they would not consider suicide.” –Dale and Dar (Darlene) Emme, Founders of Yellow Ribbon Suicide Prevention Program. "Beyond the Gray Sky" by Dustin Ruge is his own soul-searching journey in the aftermath of his step brother's suicide. He shares the experience of his shattered world and the Spirit World's subsequent intervention with candor and awe. Ruge's search for meaning in his own life and in his brother's life is compelling. Other suicide loss survivors will relate to his story and will read with curiosity and wonder."–Iris Bolton, Author, Grief Counselor, Director Emeritus of the Link Counseling Center in Atlanta, Georgia. Bolton wrote, "My Son, My Son, A Guide to Healing after Death, Loss or Suicide and recently Bolton Press Atlanta published "Voices of Healing and Hope, Conversations on Grief after Suicide." www.boltonpress.com “Dustin’s story is a heartfelt account about love, grief and our life-long connection we have to our loved ones who have left this world.”–Friends for Survival, Inc.“Beyond the Grey Sky brings to light the “human factor” and a real look at how suicide impacts not only loved ones, but even acquaintances will be impacted to some degree over such a loss. As a Suicidology Researcher and I know firsthand the tragedy that follows a death by suicide. The “ripple effect” never ceases, the ripples just become less pronounced. However, I know lives can be saved by reading this book.”–Olivia Johnson, DM, Blue Wall Institute “Dustin Ruge has written a book about surviving the loss of his brother to suicide that is personal, engaging and poignant. He gives us a clear picture of the devastation of the death, as well as the strong bond they shared and the growth Dustin experiences after grieving. It is a lovely example of how we can and often do engage with life in a richer way after we work through the heart wrenching aspects of our losses to suicide.”–Vanessa L. McGann, Ph.D, Survivors Division Chair, American Association of Suicidology

The Kill of It All

2022-02-22 Diane Vallere National bestselling cozy mystery author Diane Vallere brings you murder, strippers, and an ice cream parlor decorating project in this latest satisfying installment in the feel-good, amateur sleuth Madison Night mystery series! A diva found dead on a commercial set. A decorator tasked to take her place. Can Madison Night remember her lines before the killer erases her too? Madison Night's star is on the rise. Thanks to a series of TV spots to promote her decorating business's grand reopening, she's busier than ever. The police commissioner, impressed with her screen presence, engages her to replace the original actress in his feel-good campaign for local law enforcement. But when the first spokeswoman's body is found on set after Madison's testimonial airs, the last thing the police need is publicity. Madison steers clear of the controversy by focusing on her company relaunch, but when gossip links the victim to someone special in her life, she gets involved by proxy. She uses her soapbox to draw out suspects, but if she's not careful, it might serve as a coffin instead. Can Madison reveal a hidden killer before the bubble bursts on her newfound success? The Kill of It All is the ninth book in the delightful Madison Night mystery series. If you like Doris Day movies, traditional mysteries, and quirky sleuths, you'll love this charming cozy mystery. What People Are Saying about Madison Night Mysteries: "Make room for Vallere's tremendously fun homage. Imbuing her story with plenty of mid-century modern decorating and fashion tips, not to mention a steady patter of Doris Day trivia, Vallere debuts a well-paced cozy series. Her disarmingly honest lead and two hunky sidekicks will appeal to all fashionistas and antiques types and have romance crossover appeal." - Library Journal "If you are looking for an unconventional mystery with a snarky, no-nonsense main character, this is it. Madison is a strong leading lady who lands in lots of quirky situations. Instead of clashing, humor and danger meld perfectly, and there's a cliffhanger that will make your jaw drop. You'll look forward to the second Madison Night mystery." - RT Book Reviews "A charming modern tribute to Doris Day movies and the retro era of the 50s, including murders, escalating danger, romance... and a puppy!" - Linda O. Johnston, Author of the Pet Rescue Mysteries "It was fast and furious, had a lot of info, characters, suspects, and even a few tangled romances. I love mysteries where I can't figure out who the real killer is until the end, and this was one of those. The novel was well-written, moved at a smooth pace, and Madison's character was a riot." - ChickLit Plus "This was a delightful read for me. I particularly enjoy and like Doris Day and was so surprised that Pillow Talk was mentioned in the book along with Doris Day. It's nice having a cute, cozy mystery to read, I look forward to more in the series!" - Bookreporter.com "If you love the Technicolor movies of Doris Day and Rock Hudson and watch Mad Men for fashion tips, author Diane Vallere has written a mystery that will appeal to the mid-century modern heart." - ReaderToReader.com "An intricately plotted and well-written book, I really enjoyed the story. I can't imagine decorating a house in the style from Doris Day's movies but it makes fine reading." - Fresh Fiction Keywords: humorous mysteries, cozy mysteries, amateur sleuths, women sleuths, mystery with humor, fashionable fiction, fashionable mysteries, friendship fiction, traditional mysteries, Dallas, Texas, vintage, Doris Day, stylish sleuths, funny mysteries, mysteries set in Texas, funny cozy mysteries, humorous cozy mysteries, traditional mystery, designer mystery, cozy hobby mystery, animal mystery, dog, determined sleuth, female sleuth, women sleuth, fearless sleuth, crime, crime fiction, murder mystery, amateur detective, sleuthing in style, stylish sleuthing, suspense, thriller, over-50 Madison Night Mad for Mod Mysteries (cozy/traditional mysteries winking at Doris Day movies) Midnight Ice (Prequel) Pillow Stalk That Touch of Ink With Vics you get Eggroll The Decorator Who Knew Too Much The Pajama Frame Lover Come Hack Apprehend Me No Flowers Teacher's Threat The Kill of it All Love Me or Grieve Me (Oct 2022)
