First Love that Never Fades

Anna never forgot her first love, Leo. They met when they were both 16, at a summer camp. They spent every day together, laughing, talking, kissing. They promised to stay in touch, to wait for each other, to love each other forever. But life had other plans. They lost contact, they moved on, they married other people. Years later, they met again, by chance, at a reunion. They felt the same spark, the same connection, the same love. But they also felt the same pain, the same guilt, the same regret. They had to make a choice, between their past and their present, between their hearts and their minds, between their first love and their last.
