Mystery of the Missing Diamond

It was a shadowy and stormy night. The downpour was falling heavily, and the breeze was whistling. In the middle of the town, there was a exhibition, where a priceless diamond was on display. The diamond was known as the African Star, and it was the largest and most stunning diamond in the globe. It was secured by a sophisticated security system, and a team of armed guards. No one could rob it, or so they assumed. But someone did. Someone managed to circumvent the protection, to evade the sentinels, to shatter the glass, and to steal the diamond.
