The Boys of My Youth 2009-12-19 Jo Ann Beard The "utterly compelling, uncommonly beautiful" collection of personal essays (Newsweek) that established Jo Ann Beard as one of the leading writers of her generation. Cousins, mothers, sisters, dolls, dogs, best friends: these are the fixed points in Jo Ann Beard's universe, the constants that remain when the boys of her youth -- and then men who replace them -- are gone. This widely praised collection of autobiographical essays summons back, with astonishing grace and power, moments of childhood epiphany as well as the cataclysms of adult life: betrayal, divorce, death. The Boys of My Youth heralded the arrival of an immensely gifted and influential writer and its essays remain surprising, original, and affecting today. "A luminous, funny, heartbreaking book of essays about life and its defining moments." --Harper's Bazaar

Festival Days 2021-03-16 Jo Ann Beard A searing and exhilarating new collection from the award-winning author of The Boys of My Youth and In Zanesville, who "honors the beautiful, the sacred, and the comic in life" (Sigrid Nunez, National Book Award winner for The Friend). A New York Times Notable Book A New York Times Book Review Editors' Choice A Boston Globe and LitHub Best Book of the Year When "The Fourth State of Matter," her now famous piece about a workplace massacre at the University of Iowa was published in The New Yorker, Jo Ann Beard immediately became one of the most influential writers in America, forging a path for a new generation of young authors willing to combine

the dexterity of fiction with the rigors of memory and reportage, and in the process extending the range of possibility for the essay form. Now, with Festival Days, Beard brings us the culmination of her groundbreaking work. In these nine pieces, she captures both the small, luminous moments of daily existence and those instants when life and death hang in the balance, ranging from the death of a beloved dog to a relentlessly readable account of a New York artist trapped inside a burning building, as well as two triumphant, celebrated pieces of short fiction. Here is an unforgettable collection destined to be embraced and debated by readers and writers, teachers and students. Anchored by the title piece--a searing journey through India that brings into focus questions of mortality and love--Festival Days presents Beard at the height of her powers, using her flawless prose to reveal all that is tender and timeless beneath the way we live now.

How to Be a Man by Harvey Newcomb 2018-01-29 Harvey Newcomb "Who reads a preface?" Many do not; but jump at once into the middle of a book. But it is well to know something about a book, before reading it; and who so likely to give you information respecting the contents of a book as the Author himself? I wish to see the youth of my country come forward upon the stage of life, models of excellence, with characters formed for the times in which they are to act. How much influence my book may have, in securing such a result, I cannot tell; but my design in writing it has been, to contribute something toward forming the character of some of those who are to be our future electors, legislators, governors,[4] judges, ministers, lawyers, and physicians,-after the best model; and, from the kind reception of my former attempts to benefit American youth, I trust they will give a candid hearing to the few hints

contained in the following pages. It is intended for boys,-or, if you please, for young gentlemen,-in early youth, from eight or ten to fifteen or sixteen years of age. It covers substantially the same ground occupied by a work for girls issued simultaneously with it; and some of the chapters are identical in the two books, while others are entirely different, and some partially so. It is the hope of the Author, that every one who reads it, will strive to be a man, in the highest sense of the term.

OF THE YEAR BY The New York Times Book Review • O: The Oprah Magazine • The Washington Post • People • Entertainment Weekly • Vogue • Los Angeles Times • San Francisco Chronicle • Chicago Tribune • New York • Newsday • Library Journal • Publishers Weekly In a profound work that pivots from the biggest questions about American history and ideals to the most intimate concerns of a father for his son, Ta-Nehisi Coates offers a powerful new framework for understanding our nation's history and current crisis. Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? Between the World and Me is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, Between the World and Me clearly illuminates the past, bravely confronts our present, and offers a transcendent vision for a way forward.

Fortress of My Youth 2011-09-01 Jana Renée Friesová Jana Renée Friesová was fifteen when she was imprisoned by the Nazis in the Czech ghetto town of Terezín. Her memoir tells the poignantly familiar story of a young girl who, even under the most abominable circumstances, engages in intense adolescent friendships, worries with her companions over her looks, and falls in love. Anne Frank's diary ends with deportation to a concentration camp; Fortress of My Youth, in contrast, takes the reader deep into the horrors of daily life in a camp that were faced by a young girl and her family. But Friesová also tells of love, joy,

sacrifice, and the people who shared in the most profound experiences of her life.

Trifles Make Perfection 1999 Joseph Wechsberg "Wechsberg was a connoisseur in the old Continental sense of the word, a man who valued perfection for its own sake, seeing its quest as worthy and its attainment as eminently possible. Born in 1907 into a wealthy, assimilated Jewish family, he saw his comfortable life threatened by World War I and then extinguished by Hitler's annexation of his native Czechoslovakia. He came to America with only a basic command of English but an impressive understanding of what was happening in Europe. His most powerful essays, describing the tragic political fragmentation of Europe at the end of World War II, are never strident or bitter; his appreciations of Europe's finer offerings are a sheer delight."--BOOK JACKET.

Barney Miller and the Files of the Ol' One-Two Otto W. Bruno Delve into the files of the 12th Precinct and learn more than you ever imagined about Barney, Wojo, Nick, Harris, and the rest of the gang in that dingy little squad room in Greenwich Village. With producer Danny Arnold at the helm, this intelligently written workplace narrative provided audiences with one of the most realistic, sensitive, and hilarious sitcoms in a decade of revolutionary TV comedy. In these files are the stories of the actors who brought the 12th Precinct to life as well as the numerous oddball victims, criminals, and visitors that passed through over eight laugh-filled seasons. Also included are little known facts about the behind-the-scenes struggles as well as never-before-seen photos of the cast and crew in action. All in all, a plethora of evidence for fans to peruse and enjoy. "Thanks for the memories, and for a lot I didn't remember, and for a lot I never knew. You plugged into the "funny." As actors we plugged into the "real," and let the "funny" happen. What is amazing is that after forty plus years, it's still relevant and courageous!" Hal Linden "Wonderfully researched and written, Otto's straightforward sharing of what he has learned comes from a deep and genuine curiosity and appreciation for collaborative creativity whether it's on the baseball diamond, the music bandstand, or the film and television studio." Max Gail

Canada's Residential Schools: The History, Part 1, Origins to 1939 2016-01-01 Commission de vérité et réconciliation du Canada Between 1867 and 2000, the Canadian government sent over 150,000 Aboriginal children to residential schools across the country. Government officials and missionaries agreed that in order to "civilize and Christianize" Aboriginal children, it was necessary to separate them from their parents and their home communities. For children, life in these schools was lonely and alien. Discipline was harsh, and daily life was highly regimented. Aboriginal languages and cultures were denigrated and suppressed. Education and technical training too often gave way to the drudgery of doing the chores necessary to make the schools self-sustaining. Child neglect was institutionalized, and the lack of supervision created situations where students were prey to sexual and

physical abusers. Legal action by the schools' former students led to the creation of the Truth and Reconciliation Commission of Canada in 2008. The product of over six years of research, the Commission's final report outlines the history and legacy of the schools, and charts a pathway towards reconciliation. Canada's Residential Schools: The History, Part 1, Origins to 1939 places Canada's residential school system in the historical context of European campaigns to colonize and convert Indigenous people throughout the world. In post-Confederation Canada, the government adopted what amounted to a policy of cultural genocide: suppressing spiritual practices, disrupting traditional economies, and imposing new forms of government. Residential schooling quickly became a central element in this policy. The destructive intent of the schools was compounded by chronic underfunding and ongoing conflict between the federal government and the church missionary societies that had been given responsibility for their day-to-day operation. A failure of leadership and resources meant that the schools failed to control the tuberculosis crisis that gripped the schools for much of this period. Alarmed by high death rates, Aboriginal parents often refused to send their children to the schools, leading the government adopt ever more coercive attendance regulations. While parents became subject to ever more punitive regulations, the government did little to regulate discipline, diet, fire safety, or sanitation at the schools. By the period's end the government was presiding over a nation-wide series of firetraps that had no clear educational goals and were economically dependent on the unpaid labour of underfed and often sickly children.
