Love Bi the Way

2016-09-02 Bhaavna Arora
Rihana is a painter who is trying to find inspiration in love. Zara is a businesswoman trying to make a niche for her company in a male-dominated world. Rihana is fire, Zara is ice; Rihana is openly sensual, while Zara is more cautious with her heart—they are opposites that attract. They are different people bound together by their house—'Cupid'—and their pet golden retriever, Tiger. As both of them navigate their fulfilling careers and try to leave behind troubled pasts, they find solace in each other. But Tiger's not

the only male in their lives. Rihana finds herself a string of sexy men, while Zara emerges out of her shell and meets an actual prince who sweeps her off her feet. But can these relationships last? And what road will they take when love happens bi the way?

rings, and investigating questioned deaths. Now he turns his considerable investigative skill toward the paranormal, researching the most well-known and mysterious phenomena all over the world—spontaneous human combustion, UFO visitations, auras, electronic poltergeists, and many, many more—with an eye toward solving these mysteries rather than promoting or dismissing them. *Real-Life X-Files: Investigating the Paranormal* examines the cases of over forty paranormal mysteries. Using a hands-on approach, Nickell visits the scene of the so-called unexplainable activity whenever possible and attempts to physically duplicate the miraculous. Whether he's inflicting stigmata on himself or recreating the liquefying blood of Saint Januarius, Nickell does whatever necessary to eliminate the probable before considering the supernatural. What is left is that much more fascinating. Nickell reports on familiar legends from American

history such as the supernatural events surrounding Abraham Lincoln's death and the supposed crash landing of an alien spacecraft near Roswell, New Mexico. He closely examines claims of the miraculous, from rose petals bearing the likeness of Jesus to photographs of a "golden door" to heaven. Controversial mysteries such as clairvoyance and "spirit painting," haunted places, and freaks of nature are just a few of the many topics covered. Suspenseful, engrossing, funny, and grounded in scientific methodology, *Real-Life X-Files* provides real explanations for the "paranormal" activities that have intrigued human beings for centuries.

marriage would meet all of your needs and unlock God's purposes for you. But God has far more planned for you than your future marriage. Not Yet Married is not about waiting quietly in the corner of the world for God to bring you "the one," but about inspiring you to live and date for more now. If you follow Jesus, the search for a spouse is no longer a pursuit of the perfect person, but a pursuit of more of God. He will likely write a love story for you different than the one you would write for yourself, but that's because he loves you and knows how to write a better story. This book was written to help you find real hope, happiness, and purpose in your not-yet-married life.

What Is True Temperance? The Temperance of Christ Or the Temperance of Mohammed?

2018-01-21 Jean Paul Huter
Excerpt from What Is True Temperance? The Temperance of Christ or the Temperance of Mohammed?: God in the War AS Christ Is the Measure in All Things for all men and especially for Christians, we may now, after having examined his standpoint on the question of temperance, and more particularly with regard to drinking wine, make a direct and summarized comparison of his attitude with that of our prohibitionists. Christ invoked even his supernatural powers (habitually, says Lyman Abbott) to supply wine to the people, and he did not in a Single instance utter a word against the sale of wine. **Downloaded from**

prohibitionists would make the selling, buying and giving away of wine and liquor, in any form and even in the smallest quantities, a crime, and they brand all those as sinners and criminals who supply liquor to the public, thus making according to their notions, christ him self appear AS A deliberate sinner and themselves superior TO him and better than he. Christ himself indulged freely in wine, thus showing by his own example, which is always forcible and to the point, that this indulgence is as natural as harmless, and that it is good to drink in moderation to make the heart glad. It had been the time 2023, and the earth was at the brink of battle. The United States and Peoples Republic of China, the pair of global powers, were locked in a fierce competition, contending for assets, power, and control. They had both developed advanced armaments, like laser weapons, unmanned aerial vehicles, and orbiters, that can hit anywhere, any time. They had also covertly established orbital stations, which could deploy atomic weapons, which could obliterate the earth. They were ready to use these weapons, if at all necessary. But they were alone. There existed a third power, a secret entity, which had observing them, waiting for them both, preparing for them both. They were aliens, and they had come to prevent them. They had come arrived to protect the world, or to finish it. They had come arrived to start the galactic wars which changed history.
