The vivid life story of a Maya Indian during the last two tumultuous decades in Guatemala.  
The Diary of Ma Yan 2009-09-08 Ma Yan Wednesday, November 7 My father gave me and my brother a little money. My stomach is all twisted up with hunger, but I don't want to spend the money on anything as frivolous as food. Because it's money my parents earn with their sweat and blood. I have to study well so that I won't ever again be tortured by hunger. . . . In a drought-stricken corner of rural China, an education can be the difference between a life of crushing poverty and the chance for a better future. But money is scarce, and the low wages paid for backbreaking work aren't always enough to pay school fees. Ma Yan's heart-wrenching, honest diary chronicles her struggle to escape hardship and bring prosperity to her family through her persistent, sometimes desperate, attempts to continue her schooling. First published in France in 2002, the diary of ma yan created an outpouring of support for this courageous teenager and others like her -- support that led to the creation of an international organization dedicated to helping these children . . . all because of one ordinary girl's extraordinary diary.

The Diary of Ma Yan 2005 Yan Ma Ma Yan's diary chronicles her struggle to escape the desperate poverty

in rural China through education. But, with so little money to pay the fees, she must be persistent and resourceful.

The Diary of Ma Yan 2005 Yan Ma No more money for school this year. I till the land in order to pay for my brothers' schooling. When I think of the happy times at school, I can almost imagine myself there. How I want to study!' - Ma Yan, aged 13 When the journalist Pierre Haski was passed three small brown notebooks in a remote province in Northeastern China, an extraordinary friendship began. 'A few years ago in the remote village of Zhangjiashu in Ningxia region of northern China Ma Yan was distraught because her parents could not afford to keep her in school. Today she is the 16-year-old author of Ma Yan's Diary which has appeared in seventeen languages . Thanks to its publication, her family is no longer poor, and 250 other Ningxia youngsters, mostly girls, now have scholarships to continue studying' New York Times

Anywhere but Here 2011-05-25 Mona Simpson A national bestseller—adapted into a movie starring Natalie Portman and Susan Sarandon—Anywhere But Here is the heart-rending tale of a mother and daughter. A moving, often comic portrait of wise child Ann August and her mother, Adele, a larger-than-life American dreamer, the novel follows the two women as they travel through the landscape of their often conflicting ambitions. A brilliant exploration of the perennial urge to keep moving, even at the risk of profound disorientation, Anywhere But Here is a story about the things we do for love, and a powerful study of familial bonds.

Red Sorghum 1994-04-01 Mo Yan The acclaimed novel of love and resistance during late 1930s China by Mo Yan, winner of the 2012 Nobel Prize in Literature Spanning three generations, this novel of family and myth is told through a series of flashbacks that depict events of staggering horror set against a landscape of gemlike beauty, as the Chinese battle both Japanese invaders and each other in the turbulent 1930s. A legend in China, where it won major literary awards and inspired an Oscar-nominated film directed by Zhang Yimou, Red Sorghum is a book in which fable and history collide to produce fiction that is entirely new—and unforgettable.

Dream of Ding Village 2011-01-04 Yan Lianke "A brilliant and harrowing novel" about a deadly epidemic fueled by corruption, based on real-life events in China (Publishers Weekly, starred review). Officially censored upon its Chinese publication, Dream of Ding Village is based on a real-life blood-selling scandal in eastern China. The novel is the result of three years of

undercover work by Yan Lianke, who worked as an assistant to a well-known Beijing anthropologist in an effort to study a small village decimated by HIV/AIDS as a result of unregulated blood selling. Whole villages were wiped out with no responsibility taken or reparations paid. Dream of Ding Village focuses on one family, destroyed when one son rises to the top of the party pile as he exploits the situation, while another son is infected and dies. The result is a passionate and steely critique of the rate at which China is developing and what happens to those who get in the way. "Lianke confronts the black market blood trade and the subsequent AIDS epidemic it sparked, in a brilliant and harrowing novel." –Publishers Weekly, starred review

Popol Vuh: A Retelling 2020-11-10 Ilan Stavans An inspired and urgent prose retelling of the Maya myth of creation by acclaimed Latin American author and scholar Ilan Stavans, gorgeously illustrated by Salvadoran folk artist Gabriela Larios and introduced by renowned author, diplomat, and environmental activist Homero Aridjis. The archetypal creation story of Latin America, the Popol Vuh began as a Maya oral tradition millennia ago. In the mid-sixteenth century, as indigenous cultures across the continent were being threatened with destruction by European conquest and Christianity, it was written down in verse by members of the K'iche' nobility in what is today Guatemala. In 1701, that text was translated into Spanish by a Dominican friar and ethnographer before vanishing mysteriously. Cosmic in scope and yet intimately human, the Popol Vuh offers invaluable insight into the Maya way of life before being decimated by colonization—their code of ethics, their views on death and the afterlife, and their devotion to passion, courage, and the natural world. It tells the story of how the world was created in a series of rehearsals that included wooden dummies, demi-gods, and eventually humans. It describes the underworld, Xibalba—a place as harrowing as Dante's hell—and relates the legend of the ultimate king, who, in the face of tragedy, became a spirit that accompanies his people in their struggle for survival. Popol Vuh: A Retelling is a one-of-a-kind prose rendition of this sacred text that is as seminal as the Bible and the Qur'an, the Ramayana and the Odyssey. Award-winning scholar of Latin American literature Ilan Stavans brings a fresh creative energy to the Popol Vuh, giving a new generation of readers the

opportunity to connect with this timeless story and with the plight of the indigenous people of the Americas. Praise for Popol Vuh: A Retelling: "Salvadoran illustrator Larios provides lush images to accompany stories of the Earth and the underworld, Xibalba, and the animals and gods that inhabit them... A beautiful interpretation of pivotal Central American history told through contemporary illustration and language." —Kirkus Reviews "In these pages you will find an adroit retelling of a complex and often confusing tale with a vast and bewildering cast of characters. Approaching the Popol Vuh with a fresh eye and the necessary erudition, Ilan Stavans, the distinguished scholar of Hispanic culture, nimbly conveys the content and the sense of the original, retaining its magic and fascination, while rendering it more accessible to a wider readership. Popol Vuh: A Retelling artfully presents the case for the centrality of this magisterial story to the cultural consciousness of the Americas and for the urgency of its message." —Homero Aridjis, from the foreword "At a time when so many of us ask ourselves about the end of the world as we know it, few books could be more relevant than this sacred text of the Maya. In a mesmerizing, illuminating new translation, Ilan Stavans brings to contemporary readers this lyrical epic, with its messages from a lost civilization obsessed, as ours should be, with the inevitable cycles of catastrophe and change. The Popol Vuh encourages us to contemplate the perpetual conflict between truth and falsehood, light and darkness, so that we may find the wisdom to emerge as better people." —Ariel Dorfman, author of Death and the Maiden "Popol Vuh is one of the seminal foundational 'texts' of the Americas before it became 'America'—and one so few of us really know much about. Again, Ilan

Stavans is infusing the US of A with the cultures and stories that have been traditionally erased or ignored and forgotten. All I can say is, another amazing Stavans project!" –Julia Alvarez "The Popol Vuh is the great book of creation of the Maya K'iche' culture, and Ilan Stavans has embarked on an intrepid adventure of recreation; he returns to a myth of origin to endow it with vibrant topicality, proving that rewriting a legend is a way of bewitching time." –Juan Villoro, author of *God Is Round* "Many translators, scholars, and poets have brought us close to the radiant eminence of our Mayan origin story, the Popol Vuh. None touch its wondrous dynamism and epic elegance like Stavans and Larios. Free of the formal constraints of the K'iche' original, Stavans's delivers a masterful retelling that invites us into chimeric dreams: from the mischievous first peoples and the quests of those grown from seeds, to hybrid creatures and demi-god twins with battles lost and won. Larios's dexterous admixture of cool washes and vibrant color palettes along with a K'iche'-inspired line-work aesthetic, further unzip our minds to a shared ancestral imaginary. Only my Guatemalan abuelita could cast such storytelling spells over me. Together, Stavans and Larios invite us all to dance as the children we once were and will become. A gift!" –Frederick Luis Aldama, author of *Long Stories Cut Short: Fiction from the Borderlands* "Ilan Stavans's retelling of this ancient and sacred story of the Mayan people is as exquisitely written as it is necessary." –Eduardo Halfon, author of *Mourning Praise for Ilan Stavans*: "Ilan Stavans is an inventive interpreter of the contemporary cultures of the Americas.... Cantankerous and clever, sprightly and serious, Stavans is a voracious thinker. In his writing, life serves to illuminate literature—and vice versa: he

is unafraid to court controversy, unsettle opinions, make enemies. In short, Stavans is an old-fashioned intellectual, a brilliant interpreter of his triple heritage—Jewish, Mexican, and American." –Henry Louis Gates, Jr. "...in the void created by the death of his compatriot Octavio Paz, Ilan Stavans has emerged as Latin America's liveliest and boldest critic and most innovative cultural enthusiast." –The Washington Post "Ilan Stavans has done as much as anyone alive to bridge the hemisphere's linguistic gaps." –The Miami Herald "A canon-maker." –The Chronicle of Higher Education "Ilan Stavans is a maverick intellectual whose canonical work has already produced a whole array of marvels... His incisive essays are redefining Jewish literature." –The Forward "Ilan Stavans is the rarest of North American writers—he sees the Americas whole. Not since Octavio Paz has Mexico given us an intellectual so able to violate borders, with learning and grace." –Richard Rodriguez "In the multicultural rainbow that is contemporary America, no one may be more representative of the state of the union than Ilan Stavans." –Newsday "Ilan Stavans may very well succeed in becoming the Octavio Paz of our age." –The San Francisco Chronicle "A virtuoso critic with an exuberant, encyclopedic, restless mind." –The Forward "Ilan Stavans has the sharp eye of the internal exile. Writing about the sometimes reluctant reconquista of North America by Spanish-speaking cultures or the development of his own identity, he deals with both the life of the mind and the life of the streets." –John Sayles "Lively and intelligent, eclectic, sharp-tongued." –Peter Matthiessen "I think Stavans has one of the best grips around on what makes Spanish America tick." –Gregory Rabassa "Ilan Stavans is a disciple of Kafka and Borges.

He accepts social identity broadly, in the most cosmopolitan terms... His impulse is to broaden, not to narrow; he finds understanding through complication of identity, not through the easy gestures of ethnic politics." –The New York Times "Ilan Stavans has established himself as an invaluable commentator of literature." –Phillip Lopate

China's Son 2009-02-19 Da Chen A candid memoir of growing up during the Chinese Cultural Revolution that is sure to inspire. Da Chen grew up as an outcast in Communist China. His family's legacy had been one of privilege prior to the revolution, but now in the Chairman Mao era, they are treated with scorn. For Da Chen, that means that all of his successes and academic achievements are nullified when one teacher tells him that, because of his "family's crimes," he can never be more than a poor farmer. Feeling his fate is hopeless, Da responds by dropping out. Da's life takes a dark turn, and he soon begins hanging out with a gang. However, all is not lost. After Chairman Mao's death, Da realizes that an education and college might be possible. He begins to study—all day and into the night. His entire family rallies to help him succeed, working long hours in the rice fields and going into debt to ensure that Da has an education. Their struggle would not be in vain. When the final exam results are posted, Da has one of the highest scores in the region, earning him a place at the prestigious Beijing University and a future free from the scars of his past. These Truths: A History of the United States 2018-09-18  
Jill Lepore "Nothing short of a masterpiece." –NPR Books  
A New York Times Bestseller and a Washington Post  
Notable Book of the Year In the most ambitious one-  
volume American history in decades, award-winning  
historian Jill Lepore offers a magisterial account of  
the origins and rise of a divided nation. Widely hailed  
for its "sweeping, sobering account of the American  
past" (New York Times Book Review), Jill Lepore's one-  
volume history of America places truth itself—a devotion  
to facts, proof, and evidence—at the center of the  
nation's history. The American experiment rests on three  
ideas—"these truths," Jefferson called them—political  
equality, natural rights, and the sovereignty of the  
people. But has the nation, and democracy itself,  
delivered on that promise? These Truths tells this  
uniquely American story, beginning in 1492, asking  
whether the course of events over more than five  
centuries has proven the nation's truths, or belied  
them. To answer that question, Lepore wrestles with the  
state of American politics, the legacy of slavery, the  
persistence of inequality, and the nature of  
technological change. "A nation born in contradiction...  
will fight, forever, over the meaning of its history,"  
Lepore writes, but engaging in that struggle by studying  
the past is part of the work of citizenship. With These  
Truths, Lepore has produced a book that will shape our  
view of American history for decades to come.

The Last American Man 2009-08-17 Elizabeth Gilbert At  
the age of seventeen, Eustace Conway ditched the  
comforts of his suburban existence to escape to the  
wild. Away from the crushing disapproval of his father,  
he lived alone in a teepee in the mountains. Everything  
he needed he built, grew or killed. He made his clothes  
from deer he killed and skinned before using their sinew  
as sewing thread. But he didn't stop there. In the years  
that followed, he stopped at nothing in pursuit of  
bigger, bolder challenges. He travelled the Mississippi  
in a handmade wooden canoe; he walked the two-thousand-  
mile Appalachian Trail; he hiked across the German Alps  
in trainers; he scaled cliffs in New Zealand. One  
Christmas, he finished dinner with his family and  
promptly upped and left - to ride his horse across  
America. From South Carolina to the Pacific, with his  
little brother in tow, they dodged cars on the highways,  
ate road kill and slept on the hard ground. Now, more  
than twenty years on, Eustace is still in the mountains,  
residing in a thousand-acre forest where he teaches  
survival skills and attempts to instil in people a  
deeper appreciation of nature. But over time he has had  
to reconcile his ambitious dreams with the sobering  
realities of modernity. Told with Elizabeth Gilbert's  
trademark wit and spirit, this is a fascinating,  
intimate portrait of an endlessly complicated man: a  
visionary, a narcissist, a brilliant but flawed modern  
hero. The Last American Man is an unforgettable  
adventure story of an irrepressible life lived to the  
extreme. The Last American Man is a New York Times  
Notable Book and National Book Critics Circle Award  
Finalist.

Beijing Comrades 2016-02-22 Bei Tong The sensational

underground novel of homosexuality in late-1980s China that's been declared "one of the most significant Chinese novels of our time" (The New York Times). But when their loyalties are tested, Handong is left questioning his secrets, his choices, and his very identity . . . Beijing Comrades is the story of a tumultuous love affair set against the sociopolitical unrest of late-eighties China. Georgi Dimitrov Georgi Dimitrov (1882–1949) was a high-ranking Bulgarian and Soviet official, one of the most prominent leaders of the international Communist movement and a trusted member of Stalin's inner circle. Accused by the Nazis of setting the Reichstag fire in 1933, he successfully defended himself at the Leipzig Trial and thereby became an international symbol of resistance to Nazism. Stalin appointed him head of the Communist International (Comintern) in 1935, and he held this position until the Comintern's dissolution in 1943. After the end of the Second World War, Dimitrov returned to Bulgaria and became its first Communist premier. During the years between 1933 and his death in 1949, Dimitrov kept a diary that described his tumultuous career and revealed much about the inner working of the international Communist organizations, the opinions and actions of the Soviet leadership, and the Soviet Union's role in shaping the postwar Eastern Europe. This important document, edited and introduced by renowned historian Ivo Banac, is now available for the first time in English. It is an essential source for information about international Communism, Stalin and Soviet policy, and the origins of the Cold War.

We Are Displaced 2019-01-08 Malala Yousafzai In this powerful book, Nobel Peace Prize winner and New York Times bestselling author Malala Yousafzai introduces the people behind the statistics and news stories about the millions of people displaced worldwide. After her father was murdered, María escaped in the middle of the night with her mother. Zaynab was out of school for two years as she fled war before landing in America. Her sister, Sabreen, survived a harrowing journey to Italy. Ajida escaped horrific violence, but then found herself battling the elements to keep her family safe. Malala's experiences visiting refugee camps caused her to reconsider her own displacement – first as an Internally Displaced Person when she was a young child in Pakistan, and then as an international activist who could travel anywhere except to the home she loved. In We Are Displaced, Malala not only explores her own story, but she also shares the personal stories of some of the incredible girls she has met on her journeys – girls who have lost their community, relatives, and often the only world they've ever known. In a time of immigration crises, war, and border conflicts, We Are Displaced is an important reminder from one of the world's most prominent young activists that every single one of the 68.5 million currently displaced is a person – often a young person – with hopes and dreams. "A stirring and timely book." –New York Times

Berkshire Dictionary of Chinese Biography Volume 4

2015-05-01 Kerry Brown The Berkshire Dictionary of Chinese Biography (1979-2015) provides a riveting new way to understand twenty-first-century China and a personal look at the changes that have taken place since the Reform and Opening Up era started in 1979. One hundred key individuals from this period were selected by an international group of experts, and the stories were written by more than 70 authors in 14 countries. The authors map the paths taken by these individuals—some rocky, some meandering, some fateful—and in telling their stories give contemporary Chinese history a human face. The editors have included—with the advice of myriad experts around the world—not only the life stories of politicians and government officials, who play a crucial role in the development of the country, but the stories of cultural figures including, film directors, activists, writers, and entrepreneurs from the mainland China, Hong Kong, and also from Taiwan. The "Greater China" that comes through in this volume has diverse ideas and identities. It is often contradictory, sometimes fractious, and always full of creative human complexity. Some of the lives rendered here are heroic. Some are tragic, and many are inspirational. Some figures come in for trenchant criticism, and others are celebrated with a sense of wonder and awe. Like previous volumes of the Berkshire Dictionary of Chinese Biography, this volume includes a range of appendices, including a pronunciation guide, a bibliography, and a timeline of key events.
