Homemade Vegan Cheese, Yoghurt and Milk 2018-04-30 Yvonne Holzl-Singh Dairy goes vegan! The recipes in this book are all temptingly good. They are clear and simple and you are led through each process step-

by-step. In the introduction to the book, which is beautifully illustrated with colour photographs throughout, you have all the information you need about the essential ingredients (and not just soya), kitchen utensils and the various fermentation starters that are available, how to make them yourself, which other ingredients are helpful and above all where you get them. You will find all sources listed. There are basic recipes, such as cashew cheese, on which other recipes then build and a whole range of vegan 'milk classics' to make. Vegan cheese, yogurt, tofu, milk, cream and butter are surprisingly diverse and easy to prepare. The wealth of recipes spans the spectrum from tomato rosemary cheese made from almonds, fermented by Rejuvelac and herbal cream cheese from coconut cream, almond crème fraîche to chickpea tofu. There is even a recipe for cheese dip for nachos, and mac-and-cheese. In addition to the cheeses you will find plenty of spreads, butters with different flavours and full-bodied delicacies such as ricotta or mascarpone. And there are faster variants such as the 'pizza cheese'. Finally there is a chapter covering vegan drinks such as almond milk, oat drink, quick nut milk with nutmeg and soy milk. So who needs to buy drinks in the supermarket when you can make them much healthier and cheaper yourself? You'll be surprised how little effort vegan products take to make at home. Once again proof that the vegan diet is quite versatile.

My Last Continent 2016-06-21 Midge Raymond This unforgettable debut, set against the dramatic Antarctic landscape, is "refreshingly different, vivid and immediate. Midge Raymond has an extraordinary gift for description that puts the reader bang in the middle of its dangerous and endangered world" (M.L. Stedman, New York Times bestselling author of The Light Between Oceans). It is only among the glacial mountains, cleaving icebergs, and frigid waters of Antarctica that Deb Gardener and Keller Sullivan feel at home. For a few blissful weeks each year they study the habits of Emperor and Adelie penguins and find solace in their work and in one another. But Antarctica, like their fleeting romance, is a fragile place, imperiled by the world to the north. Each year, Deb and Keller play tour guide to the passengers on the small expedition ship that ferries them to their research station. But this year, when Keller fails to appear on board, Deb begins to reconsider their complicated past and the uncertainty of any future they might share. Then, shortly into the journey, Deb's ship receives an emergency signal from The Australis, a cruise liner that has hit desperate trouble in the ice-choked waters of the Southern Ocean. Soon Deb's role will change from researcher to rescuer; among the crew of that sinking ship, Deb learns, is Keller. As Deb and Keller's troubled histories collide in this "original and entirely authentic love story" (Graeme Simsion, author of The Rosie Project), Midge Raymond takes us on an unforgettable voyage deep into the wonders of the Antarctic and the mysteries of the human heart. My Last Continent is "a sensitive exploration of how the smallest action can ripple through an ecosystem—seemingly impenetrable, but as fragile as the human heart" (The Minneapolis Star-Tribune). "Atmospheric and adventurous...The story and vivid writing will keep readers glued to the pages" (Library Journal).

The Peabody Picture Vocabulary Test 4th Edition (PPVT-4) is a well-respected vocabulary test that has been in practice for almost 50 years. Developed by Lloyd M. Dunn and Douglas M. Dunn, the test is made to assess receptive vocabulary for Standard American English. It is swift and effortless to carry out, conserving important time so that concentration can be placed on applying effective approaches.

The PPVT-4 test subject matter encompasses a wide array of vocabulary comprehension ranks, extending from preschool through adult age. The evaluation problems extensively feature words that depict 20 subject fields (e.g., actions, vegetables, tools), parts of speech (nouns, verbs, attributes), and household and educational vocabulary.

The assessment offers two equal versions which hold different vocabulary terms, ensuring that the test-taker has not "mastered" the assessment. One version can be used before intervention implementation to assess test-takers' vocabulary comprehension and the other form can be used for re-assessment to assess and record progress. The PPVT-4 also includes a distinctive Growth Scale Value (GSV) which is sensitive to slight changes over time.
