Space Battles which Changed Past

It had been the time 2023, and the earth was on the brink of conflict. The United States and PRC, the two world powers, had been entangled in a fierce contest, competing for supplies, influence, and supremacy. They had both created advanced armaments, like laser weapons, drones, and satellites, which can attack any place, any time. They had also secretly constructed orbital stations, that could launch nuclear missiles, which could obliterate the world. They were set to utilize these weapons, if ever necessary. But they were not alone. There existed a third power, a hidden entity, that had watching them, waiting patiently for them both, getting ready for them both. They were ETs, and they had arrived to halt them both. They had come to protect the world, or to finish it all. They had come to initiate the galactic wars that changed chronicle.
