Zara had always dreamed of exploring the world, but she never imagined that she would discover a hidden civilization. She had joined an expedition to the Amazon rainforest, hoping to find clues about her missing father, who had vanished while searching for the legendary city of Z. She had inherited his passion for adventure, and his journal, which contained maps and notes about his quest. But she soon realized that she was not the only one looking for Z. A ruthless treasure hunter, who had a personal vendetta against her father, was also on her trail. He would stop at nothing to find the city and claim its secrets for himself. Zara had to race against time and danger, and rely on her courage and intelligence, to uncover the truth about Z and her father's fate. But she also had to face the mysteries of her own heart, as she found herself drawn to a mysterious native guide, who seemed to know more than he let on. Zara was about to embark on the most thrilling and dangerous journey of her life, and she would never be the same again.
