## Girls Who Bite

2011-09-15 Delilah Devlin For bad girls looking for love... fangs are more than an accessory. These are no Twilight tales — the stories in Girls Who Bite are varied, unexpected, and soul-scorching. Best-selling romance writer Delilah Devlin and her contributors investigate vampire myths from around the world, and add fresh girl-on-girl blood to the pantheon of the paranormal. Take a walk on the wild side with some of the hottest erotic romance authors out there. In "La Caida," a Mexican "salt-eater" saves a fallen angel and redeems her own soul. In "Bloody Wicked," a powerful witch's spell to lure a lover turns her into a vampire's love slave. Through a "Pet Door," a shapeshifting vampire meets the dominatrix of her dreams. South African "Impundulu" sweeps you back to a vampire's primeval beginnings. With a list of contributors that include Adele Dubois, Christine d'Abo, Paisley Smith, Myla Jackson, Shayla Kersten, and Vivi Anna, Devlin delivers a dark and sexy read you can sink your teeth into! So, sit astride the dome of St. Peter's Basilica, sail with modern-day pirates, watch a meteor fall to earth, and taste the powdery wings of a Monarch butterfly. Not things you'd expect in a vampire tale? Then sip O-positive from a femoral artery while tugging at the silky strands of your lover's hair. Eternally delicious.

## Vampires Never Get Old

2020-09-22 Zoraida Córdova "Boundary-pushing... Stories that stake a new claim on old tropes." —Publishers Weekly, starred review Eleven fresh vampire stories from young adult fiction's leading voices in this bestselling anthology! #### *Already Dead*

2007-12-18 Charlie Huston Those stories you hear? The ones about things that only come out at night? Things that feed on blood, feed on us? Got news for you: they're true. Only it's not like the movies or old man Stoker's storybook. It's worse. Especially if you happen to be one of them. Just ask Joe Pitt. There's a shambler on the loose. Some fool who got himself infected with a flesh-eating bacteria is lurching around, trying to munch on folks' brains. Joe hates shamblers, but he's still the one who has to deal with them. That's just the kind of life he has. Except afterlife might be better word. From the Battery to the Bronx, and from river to river, Manhattan is crawling with Vampyres. Joe is one of them, and he's not happy about it. Yeah, he gets to be stronger and faster than you, and he's

*Dark Angels Lesbian Vampire Erotica Pdf Pdf upload Betty i Grant*

tough as nails and hard to kill. But spending his nights trying to score a pint of blood to feed the Vyrus that's eating at him isn't his idea of a good time. And Joe doesn't make it any easier on himself. Going his own way, refusing to ally with the Clans that run the undead underside of Manhattan-it ain't easy. It's worse once he gets mixed up with the Coalition-the city's most powerful Clan-and finds himself searching for a poor little rich girl who's gone missing in Alphabet City. Now the Coalition and the girl's high-society parents are breathing down his neck, anarchist Vampyres are pushing him around, and a crazy Vampyre cult is stalking him. No time to complain, though. Got to find that girl and kill that shambler before the whip comes down . . . and before the sun comes up.

#### *Forbidden Literature*

2020-03-08 Erik Erlanson Freedom of the printed word is a defining feature of the modern world. Yet censorship and the suppression of literature never cease, and remain topical issues even in the most liberal of democracies. Today, just as in the past, advances in media technology are followed by new regulatory mechanisms. Similarly, any attempt to control cultural expression inevitably spurs fresh discussions about freedom of speech. In *Forbidden Literature* scholars from a variety of disciplines address censorship's past and present, whether in liberal democracies or totalitarian regimes. Through in-depth case studies they trace a historical continuum in which literature reveals its two-sided nature: it demands both regulation and protection. The contributors investigate the logic of literary repression, particularly in the twentieth and twenty-first centuries, and analyze why it is thought essential to control literature. Moreover, the authors determine how literary

practices are shaped and transformed by regulation and censorship.
