Eva had always been captivated by the realm of magic, but she never anticipated that she would uncover her own magical heritage. She had spent her childhood in a typical family, living in a unassuming town, devoid of any signs of the supernatural. However, on her sixteenth birthday, her life took an unexpected turn. A mysterious package arrived, sent by her grandmother, who had passed away years ago. Within the package lay an timeworn leather-bound book, its cover adorned with the inscription, "The Book of Shadows". As Eva opened the book, a wave of energy coursed through her veins. She realized that the book held the arcane knowledge of her family's magical lineage, and that she was the last descendant of a long line of powerful witches. But she also discovered that she was not alone. There were others like her, individuals who possessed similar abilities, and some of them sought to wield their magic for malevolent purposes. Eva faced a pivotal decision: embrace her destiny as a witch and delve into the world of sorcery, or reject her newfound powers and continue living her life as she had always known it. Regardless of her choice, she knew that her life would forever be transformed from that moment forward.

Galactic Conflicts that Altered Past

It had been the time 2023, and the earth stood at the edge of war. The USA and China, the two world powers, were locked in a fierce competition, vying for resources, dominance, and control. They had created sophisticated arms, such as laser weapons, unmanned aerial vehicles, and satellites, that can attack any place, any time. They had clandestinely established space stations, which can deploy atomic weapons, which can destroy the planet. They were both ready to employ these weapons, if at all necessary. But they were not alone. There was a third power, a concealed entity, that had monitoring them both, waiting for them both, preparing for them. They were the extraterrestrials, and they had arrived to stop them both. They had come to protect the world, or to end it all. They had come to begin the space wars which altered history.
