Clockwork Angel

2019-12-03 Cassandra Clare The #1 New York Times and USA TODAY bestseller is now available at an incredible low price for a limited time only! Discover the “compulsively readable” (Booklist) first book in the Infernal Devices trilogy, prequel to the internationally bestselling Mortal Instruments series! Clockwork Angel is a Shadowhunters novel. When Tessa Gray crosses the ocean to find her brother, her destination is England, the time is the reign of Queen Victoria, and something terrifying is waiting for her in London’s Downworld, where vampires, warlocks, and other supernatural folk stalk the gaslit streets. Only the Shadowhunters, warriors dedicated to ridding the world of demons, keep order amidst the chaos. Kidnapped by a secret organization called The Pandemonium Club, Tessa learns that she herself is a Downworlder with a rare ability: the power to transform into another person. What’s more, the Magister, the shadowy figure who runs the Club, will stop at nothing to claim Tessa’s power for his own. Friendless and hunted, Tessa takes refuge with the Shadowhunters of the London Institute, who swear to find her brother if she will use her power to help them. She soon finds herself fascinated by—and torn between—two best friends: James, whose fragile beauty hides a deadly secret, and Will, whose caustic wit and volatile moods keep everyone in his life at arm’s length...everyone, that is, but Tessa. As their search draws them deep into the heart of an arcane plot that threatens to destroy the Shadowhunters, Tessa realizes that she may need to choose between saving her brother and helping her new friends save the world...and that love may be the most dangerous magic of all.

The Illustrated World of Mortal Engines

2018-12-06 Philip Reeve It was a dark, blustery afternoon in spring, and the city of London was chasing a small mining town across the dried-out bed of the old North Sea. So begins Philip Reeve's Mortal Engines, the first book in his epic post-apocalyptic series of giant motorized cities on wheels. But how did the world end up like this? What led to the downfall of our civilization, and to the rise of the Traction Cities that roam the Great Hunting Ground to attack and devour each other? Now, for the first time, discover the untold future history of Traction. This lavishly illustrated book contains incredible tales of fearsome Zagwan warriors riding war-zebras into battle, daring air-traders flying the Bird-Roads in search of adventure, and the mysterious plague-ridden wasteland of the Dead Continent that was formerly known as 'North America'. This definitive companion guide includes detailed maps, fascinating character profiles, and stunning colour illustrations from incredible artists, including Ian McQue, David Wyatt, Aedel Fakhrie, Maxime Plasse, Rob Turpin, Philip Varbano and Amir Zand. MORTAL ENGINES is soon to be a major motion picture.

Nightmare that Never Ends

Sam woke up screaming, covered in sweat. He had the same nightmare again, the one where he was chased by a dark figure with a knife. He looked at the clock, it was 3:15 am. He tried to calm himself down, telling himself it was just a dream. But he knew it was more than that. He knew the figure was real, and it was coming for him. He had seen it before, in the news, in the police sketches, in the faces of the victims. It was the serial killer that had been terrorizing the city for months. And Sam was his next target.
