Until Tuesday 2011-05-03 Luis Carlos Montalvan A heartwarming dog story like no other: Tuesday, a lovable golden retriever, changes a former soldier’s life forever. A highly decorated captain in the U.S. Army, Luis Montalván never backed down from a challenge during his two tours of duty in Iraq. After returning home from combat, however, his physical wounds and crippling post-traumatic stress disorder began to take their toll. He wondered if he would ever recover. Then Luis met Tuesday, a sensitive golden retriever trained to assist people with disabilities. Tuesday had lived among prisoners and at a home for troubled boys, and he found it difficult to trust in or connect with a human being—until Luis. Until Tuesday is the story of how two wounded warriors, who had given so much and suffered the consequences, found salvation in each other. It is a story about war and peace, injury and recovery, psychological wounds and spiritual restoration. But more than that, it is a story about the love between a man and dog, and how, together, they healed each other’s souls.

Discursos, mujeres y artes. ¿Construyendo o derribando fronteras?. 2021-12 Romina Grana Este libro nace de un llamado que convoca, que reúne e interpela. Un llamado surgido del deseo de poner en diálogo espacios de saber al interior de los cuales se tienden puentes para la interpretación de los fenómenos sociales. De allí su importancia y vitalidad.Los textos aquí reunidos habilitan miradas retrospectivas y prospectivas sobre temas convocantes desde muchos puntos de vista; así, discursos, mujeres y artes son los grandes tópicos que organizan este volumen. Sin embargo, y muy sutilmente, se inmiscuyen otros temas que guardan alguna relación con aquellos tales como la violencia entre pares, el rol de las mujeres profesionales o cabeza de familia en la actualidad, los análisis literarios sobre frontera o exilio y la función de los medios en un mundo globalizado. Éstas y otras cuestiones se cruzan en los artículos que funcionan como sede de profundas reflexiones.

Four Seasons of Love 2017-12-25 Nacarid Portal Hi, my name is Christopher, and this is my story, maybe It's just like yours, or maybe it isn't. We might not have anything in common, but, we may be very similar and have questions without answers. I'm sure we are both constatly hunted by our past. Although we may not, I don't think I'm like you, my shy friend, invisible in the crowd, addicted to be an addict. In the end, it doesn't matter whom I look like, or who I truly am. What you have in your hands is my journal and it is welcoming you to live inside of a "MAYBE," and to fall in love as much as to end up ignoring it. Life introduced her to me, to show me my desire of living through her eyes. Everything started in May, but I can't tell you what day is today. I'd like to welcome you to my life, filled with excess and fun. I invite you to a world merged with crisis, and to a life filled with music, concerts and poetry.

In the Time of the Butterflies 2010-01-12 Julia Alvarez It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leonidas Trujillo’s dictatorship. It doesn’t have to. Everybody knows of Las Mariposas—“The Butterflies.” In this extraordinary novel, the voices of all four sisters—Minerva, Patria, María Teresa, and the survivor, Dedé—speak across the decades to tell their own stories, from hair ribbons and secret crushes to gunrunning and prison torture, and to describe the everyday horrors of life under Trujillo’s rule. Through the art and magic of Julia Alvarez’s imagination, the martyred Butterflies live again in this novel of courage and love, and the human cost of political oppression.

Una mujer en la garganta 2021 Marwan Un libro que es una reivindicación de los amores pasionales y de la belleza, pero también una autorreivindicación poética, mundo en el que Marwán se siente un apátrida al no reconocerse dentro de ninguna tradición. De todos sus poemarios es el más rebelde, tanto en su manera de subrayar el frenesí amoroso y la lucura del poeta como en la búsqueda de no encajar en ningún molde, ni siquiera en los suyos propios. Poesía a contracorriente, que es lo que siempre ha hecho Marwán desde que capitalizó el cambio que en los últimos años vivió el mundo poético y del que hoy nos trae su cuarto libro. Amores que caminan por el angosto filo de la insensatez y no acatan las normas, legiones de sentimientos, delitos que se cometen a espaldas de la rutina, sonetos, aforismos, reflexiones en torno al quehacer poético, el vuelo de un poeta llamado Ícaro. Eso es este libro. -- Publisher's description.

The Only Road 2016-10-04 Alexandra Diaz PURA BELPRÉ HONOR BOOK ALA NOTABLE BOOK “An important, must-have addition to the growing body of literature with immigrant themes.” —School Library Journal (starred review) Twelve-year-old Jaime makes the treacherous and life-changing journey from his home in Guatemala to live with his older brother in the United States in this “powerful and timely” (Booklist, starred review) middle grade novel. Jaime is sitting on his bed drawing when he hears a scream. Instantly, he knows: Miguel, his cousin and best friend, is dead. Everyone in Jaime’s small town in Guatemala knows someone who has been killed by the Alphas, a powerful gang that’s known for violence and drug trafficking. Anyone who refuses to work for them is hurt or killed—like Miguel. With Miguel gone, Jaime fears that he is next. There’s only one choice: accompanied by his cousin Ángela, Jaime must flee his home to live with his older brother in New Mexico. Inspired by true events, The Only Road is an individual story of a boy who feels that leaving his home and risking everything is his only chance for a better life. The story is “told with heartbreaking honesty,” Booklist raved, and “will bring readers face to face with the harsh realities immigrants go through in the hope of finding a better, safer life, and it will likely cause them to reflect on what it means to be human.”

Unbreakable 2013-07-02 Jenni Rivera The story behind Telemundo’s Jenni Rivera: Mariposa del Barrio series, now streaming. A New York Times bestseller, this is the official biography from the beloved Mexican-American singer who lost her life in a tragic plane crash. The only autobiography authorized by Jenni Rivera "I can't get caught up in the negative because that destroys you. Perhaps trying to move away from my problems and focus on the positive is the best I can do. I am a woman like any other, and ugly things happen to me like any other woman. The number of times I have fallen down is the number of times I have gotten up." These are the last words that beloved Mexican American singer Jenni Rivera spoke publicly before boarding the plane that would crash and cut her life short on December 9, 2012. However, they are not the final words that La Diva de la Banda had for the world. Those are found in the pages you hold in your hands, Jenni’s own account of the highs and lows of her extraordinary journey. She became the most acclaimed Spanish-language singer in the United States and sold more than 15 million records

worldwide. A single mother of five and grandmother of two, she was also an actress, a television producer, the star of her own reality show, and an entrepreneur. But for all its immense success, Jenni’s life often seemed to be a series of personal battles in which perseverance was her only weapon. As her fame grew, she made it her mission to speak about her struggles, forging an intimate connection with her fans. She became a figure of strength and a source of encouragement to women of all ages. In Unbreakable, Jenni recounts the crucial moments in her past, revealing her experiences with domestic and sexual abuse, divorce, body image issues, making her way in a male-dominated industry, raising her children as a single mother, and learning that she could depend only on herself. Though she is no longer with us, Jenni will always be the "Rivera rebel from Long Beach," the girl who maintained her sense of humor and fighting spirit in every circumstance. In this remarkable memoir, Jenni leaves behind a legacy of inspiration and determination that will forever live on through her precious family, friends, and fans.

Nineteen Eighty-Four 2021-01-09 George Orwell "Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

A veces es solo a veces 2018-03-21 Lorena Franco Jordá Cosas que solo pasan a veces a lo largo de tu vida, personas que son puente hacia la estabilidad, sentimientos tóxicos y tardes de invierno en pleno agosto. La vida gira en torno a progresiones, a evolucionar, un cambio constante. Ese cambio se ve reflejado en textos de auto ayuda con los que pretendo cambiar la toxicidad de una relación, o en este caso desprenderme del idilio.

La lira de las masas 2019-03-20 Martín Rodríguez-Gaona Rodríguez-Gaona, que, además de reconocido poeta, es uno de los más lúcidos analistas de los últimos sucesos culturales y literarios -como ya ha ido demostrando en trabajos previos-, se enfrenta en este libro a una situación inédita y apenas estudiada: la irrupción de la primera promoción de nativos digitales en la creación literaria, con todo lo que ha supuesto dicho fenómeno. La intención de La lira de las masas, obra por la que obtuvo el X Premio Málaga de Ensayo, es analizar la poesía contemporánea desde la perspectiva de los nuevos soportes tecnológicos que van condicionando su distribución, forma y discurso. Los poetas jóvenes como prosumidores, ejerciendo una óptima alfabetización digital, han capitalizado la interactividad y la oralidad electrónicas, hasta despertar el interés de lo corporativo, desplazando a autores antes más prestigiosos, creando una crisis en los valores y las prácticas de la ciudad letrada. La consagración de la autorrepresentación y la autogestión, de lo superficial y lo efímero, el liderazgo femenino en las comunidades virtuales y, finalmente, la pugna entre una poesía escrita para el libro y otra escrita para el recital o la representación en Facebook, YouTube o Instagram, son algunos de los aspectos que atraviesan el presente ensayo, en el que nombres como Luna Miguel, Marwan, Irene X o Elvira Sastre provocan reflexiones y preguntas latentes y soslayadas desde hace décadas: ¿Cómo se decide la visibilidad mediática, la recepción y el consumo en la poesía española? ¿Es factible controlar la institucionalización y el posterior canon? ¿Nos aproximamos a estos autores solo con excusas para subestimarlos? ¿Estaremos perdiendo el dinamismo y la intensidad que caracterizan al campo literario español en un periodo de transición como el actual?

Comunicación y lectoescritura: nuevos paradigmas 2021-07-13 Clua Serena, Josep Antoni La comunicación humana en el siglo xxi se establece a partir de nuevos paradigmas que engloban prácticas de lectura y escritura diversas: desde aquellas que recuperan y actualizan elementos y realidades estrechamente relacionados con la mitología hasta las que tienen que ver con nuevas formas de lectoescritura, que exigen una nueva comunicación lingüística en contextos diversos, entre los que se encuentran todos aquellos vinculados con las competencias digitales y la puesta en práctica de estas en las aulas universitarias. Todo ello sin olvidar los lenguajes y discursos que nos ofrece la literatura, entendida como un canal de comunicación estética y en consonancia con la creación literaria y la globalización, sin que ello quiera decir que la literatura resulte una mera mercancía. Este libro está dirigido a docentes y estudiantes universitarios que quieran acercarse, con una mirada más actual, a lo que en el siglo xxi significan los conceptos de comunicación y las prácticas lectoras-escritoras asociados a esta. La discusión y el conocimiento de estas es lo que pretenden cada uno de los capítulos que conforman esta obra, así como iniciar una discusión que estimule la capacidad crítica ante los modelos de lectura y escritura aquí mostrados. Más que teorías, que sin duda son necesarias para fundamentar una práctica significativa, lo que se pretende es pasar a la acción a partir de ejemplos y pautas concretos que quieran ser debatidos en contextos universitarios.

Nuevas poéticas y redes sociales 2018 Remedios Sánchez García La incorporación de la llamada generación millenial al ámbito de la literatura en general y de la poesía en particular, ha provocado un cambio en los modos de producción y recepción del poema. Los jóvenes utilizan ahora las herramientas digitales como algo inherente a su cotidianidad, como la fórmula para comunicarse con el mundo (la amistad en ese entorno virtual se mide ahora en número de seguidores o de likes), especialmente en contextos no formales que al final son los que sustentan el día a día. Y con esos parámetros miran también la literatura. Las

estructuras de difusión de la poesía han sufrido una evolución tan rápida y tan ágil hacia este camino de lo digital que ha pillado desprevenidos tanto al lector tradicional como a los autores que responden a parámetros canónicos.

Into the Wild 2009-09-22 Jon Krakauer NATIONAL BESTSELLER • In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. Four months later, his decomposed body was found by a moose hunter. This is the unforgettable story of how Christopher Johnson McCandless came to die. "It may be nonfiction, but Into the Wild is a mystery of the highest order." —Entertainment Weekly McCandless had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Not long after, he was dead. Into the Wild is the mesmerizing, heartbreaking tale of an enigmatic young man who goes missing in the wild and whose story captured the world's attention. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding—and not an ounce of sentimentality. Into the Wild is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page.

Iron John 2004-07-28 Robert Bly In this deeply learned book, poet and translator Robert Bly offers nothing less than a new vision of what it is to be a man.Bly's vision is based on his ongoing work with men and reflections on his own life. He addresses the devastating effects of remote fathers and mourns the disappearance of male initiation rites in our culture. Finding rich meaning in ancient stories and legends, Bly uses the Grimm fairy tale "Iron John," in which the narrator, or "Wild Man," guides a young man through eight stages of male growth, to remind us of archetypes long forgotten-images of vigorous masculinity, both protective and emotionally centered.Simultaneously poetic and down-to-earth, combining the grandeur of myth with the practical and often painful lessons of our own histories, Iron John is a rare

One of the most debated issues between the East and the West is the use of acupuncture as a western means of medical treatment. Even though this form of medicine has been used as an effective method for over five thousand years in China, there is no concrete evidence from scientific research studies that have proven the healing properties of acupuncture.

Acupuncture For All Those Simple Aches And Pains

If, like me, you have quite a fear of needles and injections, then acupuncture, that practice of sticking needles onto different parts of your body to cure sicknesses might seem scary at first.

However, if you've been long been suffering from some problems like headaches or chronic pains and your regular visits to the doctor don't seem to be helping you, then why not consider a trip to an acupuncture specialist? After all, who hasn't heard of somebody's aunt somewhere suffering from arthritis and trying out everything that the doctors recommended all to no avail, only to finally be cured by a really good acupuncturist?

Perhaps you were wondering if it could actually work for you. You might feel a bit skeptical since traditional Chinese medicine doesn't immediately coincide with theories in modern Western medicine. In fact, the use of needles to cure people was discovered thousands of years ago in China long before microscopes or x-ray machines were invented or before bacteria and germs were discovered.

Acne in Adolescents

Acne is one of the most common problems in adolescent teens affecting nearly seventeen million people in the United States. Acne is nothing but a disorder involving sebaceous glands and hair follicles. Acne results from the clogging of sebaceous glands leading to the formation of pimples and cysts. The condition usually begins with the onset of puberty. Going by the facts, as teens attain puberty the androgens also called male sex hormones are produced in high number leading to sebaceous glands becoming over active which results in sebum being produced in high proportions.

If the hair follicles are partially blocked it results in blackheads. If the follicles are completely blocked they result in whiteheads. But if these plugged follicles are not treated they ultimately burst causing the oil, bacteria and skin cells to spill all over the skin resulting in irritation and formation of pimples.
