Star Wars which Transformed Past
It was the year 2023, and the globe stood at the edge of battle. The USA and PRC, the two world powers, had been entangled in a ferocious competition, vying for assets, power, and control. They had both created high-tech weapons, such as lasers, unmanned aerial vehicles, and spacecrafts, which can strike any location, any time. They had also secretly built orbital stations, that could deploy nuclear missiles, that could annihilate the world. They were both set to use them, if ever needed. But they were not the sole ones. There was a third force, a secret power, which had been observing them both, waiting for them, getting ready for them. They were ETs, and they had come to prevent them. They had come to protect the world, or to end it all. They had arrived to start the space wars that changed history.
