PROFESSIONAL RESULTS WITH CANON VIXIA CAMCORDERS is a hands-on, practical reference for these popular camcorders and a sure guide to getting professional results.

A Bigger Picture

2021-10-13 Malcolm Turnbull In A Bigger Picture, the bestselling political memoir of 2020, Malcolm Turnbull, Australia's 29th prime minister, tells the remarkable story of his life. Now in paperback, this edition is updated with an all-new foreword by the author that sheds light on the huge political and cultural changes happening today. When Malcolm Turnbull took over the nation's top job there was a sense of excitement in Australia. Sky-high opinion polls followed as the political outsider with a successful business, legal and media career took charge. The infighting that had dogged politics for the best part of a decade looked to be over. But a right-wing insurgency brutally cut down Turnbull's time in office after three years, leaving many Australians asking, 'Why?' Exceptionally candid and compelling, A Bigger Picture is the definitive narrative of Malcolm Turnbull's prime ministership. He describes how he legalised same-sex marriage, established Snowy Hydro 2.0, stood up to Donald Trump, and many more achievements - remarkable in their pace and significance, and delivered in the teeth of so much opposition. But it's far more than just politics. Turnbull's life has been filled with colourful characters and controversies, success and failure. From his early years in Sydney, growing up with a single father, to defending 'Spycatcher' Peter Wright against the UK government; the years representing Kerry Packer, leading the Republican Movement and making millions in business; and finally toppling Tony Abbott to become prime minister of

Australia. For the first time he tells it all - in his own words. With revelatory insights on the workings of Canberra and the contentious events of Turnbull's life, A Bigger Picture explores the strengths and vulnerabilities of one of Australia's best-known and most dynamic business and political leaders. Lyrically written in highly readable and entertaining prose, this is a genuine page-turner that's not just for political junkies.

Human Service Organizations and the Question of Impact

2020-06-29 Jennifer E. Mosley This volume offers empirically based insights and findings on the question of how human service organizations are reacting to the increasing need for greater impact, effectiveness, and performance. As demand for increased impact outstrips our knowledge of how best to achieve these goals, the book's contributors discuss the innovative strategies being used to ensure that multiplex goals are being met and the degree to which client and staff concerns are being sacrificed for the organizational bottom line. Taken together, these discussions demonstrate that specific management strategies and collaboration based on trust and consideration of mission may help improve the quality of some services; however, many of the pressures which organizations and managers experience are resulting in lower staff morale, compromised missions, and inefficiencies. This book will be of interest to those researching human service agencies, as well as those with a broader concern for how organizations react to doing more with less. This book was originally published as a special issue of the Human Service Organizations journal.

ABC KIDS Favourites! Colouring Book (Pink Edition)

A Life Less Ordinary

1997 John Hodge He's a down-on-his-luck janitor with aspirations of writing the great American trash novel. She's the spoiled, sharp-tongued boss's daughter, always looking for a creative way to spice up her boring life. Normally, these two would never meet, but a higher power has different plans for both of them. The major motion picture from 20th Century Fox starring Ewan McGregor, Cameron Diaz and Holly Hunter hits the box office in October.

The Impact of Social Media on Mental Health

Social media has become an integral part of our lives, especially for the younger generation. We use it to communicate, to share, to learn, to entertain, and to express ourselves. But what are the effects of social media on our mental health? How does it affect our mood, our self-esteem, our relationships, our well-being, and our behavior? This book aims to answer these questions, by reviewing the latest research and evidence on the topic. It will explore the positive and negative aspects of social media, the risk factors and protective factors, the interventions and strategies, and the future directions and implications. It will also provide practical tips and advice for users, parents, educators, and professionals, on how to use social media in a healthy and responsible way.
