The book "Analyzing Casual Conversation" by Suzanne Eggins and Diana Slade, originally issued in 1997, develops a organized model for the study and portrayal of casual conversation in English. The writers argue that despite its occasionally aimless seeming and ostensibly unstructured content, casual conversation is a extremely structured task and has a crucial function in the social construction of reality. The publication works through real examples of casual conversations involving participants varying in age, gender, ethnicity, and socio-economic class¹². Drawing on understandings from sociology, linguistics, and critical semiotics, the work provides readers with the analytic skills to describe the strata of structure and critical interpretive frameworks to clarify the 'social work' that occurs on through chat.
