

The Journey Continues The Mayan Passover Haggadah Pdf

Women Remaking American Judaism

2007 Riv-Ellen Prell The rise of Jewish feminism, a branch of both second-wave feminism and the American counterculture, in the late 1960s had an extraordinary impact on the leadership, practice, and beliefs of American Jews. Women Remaking American Judaism is the first book to fully examine the changes in American Judaism as women fought to practice their religion fully and to ensure that its rituals, texts, and liturgies reflected their lives. In addition to identifying the changes that took place, this volume aims to understand the process of change in ritual, theology, and clergy across the denominations. The essays in Women Remaking American Judaism offer a paradoxical understanding of Jewish feminism as both radical, in the transformational sense, and accomodationist, in the sense that it was thoroughly compatible with liberal Judaism. Essays in the first section, Reenvisioning Judaism, investigate the feminist challenges to traditional understanding of Jewish law, texts, and theology. In Redefining Judaism, the second section, contributors recognize that the changes in American Judaism were ultimately put into place by each denomination, their law committees, seminaries, rabbinic courts, rabbis, and synagogues, and examine the distinct evolution of women's issues in the Orthodox, Conservative, Reform, and Reconstructionist movements. Finally, in the third section, Re-Framing Judaism, essays address feminist innovations that, in some cases, took place outside of the synagogue. An introduction by Riv-Ellen Prell situates the essays in both American and modern Jewish history and offers an analysis of why Jewish feminism was revolutionary. Women Remaking American Judaism raises provocative questions about the changes to Judaism following the feminist movement, at every turn asking what change means in Judaism and other American religions and how the fight

for equality between men and women parallels and differs from other changes in Judaism. Women Remaking American Judaism will be of interest to both scholars of Jewish history and women's studies.

My People's Passover Haggadah

2008 Lawrence A. Hoffman This empowering resource for the spiritual revival of our times enables us to find deeper meaning in one of Judaism's most beloved traditions, the Passover Seder. This Haggadah commentary adds layer upon layer of new insight to the age-old celebration of the journey from slavery to freedom and makes its power accessible to all. It features traditional Hebrew text with a new translation designed to let people know exactly what the Haggadah says. Introductory essays help the reader understand the historical roots of the ancient holiday, the development of the Haggadah and how to make sense out of texts and customs that evolved over more than a thousand years. Framed with beautifully designed Talmud-style pages, My People's Passover Haggadah features commentaries by scholars from all denominations of Judaism. Readers are treated to insights by experts in such fields as the Haggadah's history; its biblical roots; its confrontation with modernity; and its relationship to rabbinic midrash and Jewish law, feminism, Chasidism, theology and kabbalah. No other

volume provides the English language reader with such wide-ranging understanding of the Haggadah, the key to having the most meaningful Seder ever.

The Passover Haggadah

2020-03-17 Vanessa L. Ochs The life and times of a treasured book read by generations of Jewish families at the seder table Every year at Passover, Jews around the world gather for the seder, a festive meal where family and friends come together to sing, pray, and enjoy traditional food while retelling the biblical story of the Exodus. The Passover Haggadah provides the script for the meal and is a religious text unlike any other. It is the only sacred book available in so many varieties—from the Maxwell House edition of the 1930s to the countercultural Freedom Seder—and it is the rare liturgical work that allows people with limited knowledge to conduct a complex religious service. The Haggadah is also the only religious book given away for free at grocery stores as a promotion. Vanessa Ochs tells the story of this beloved book, from its emergence in antiquity as an oral practice to its vibrant proliferation today. Ochs provides a lively and incisive account of how the foundational Jewish narrative of liberation is remembered in the Haggadah. She discusses the book's origins in biblical and rabbinical literature, its flourishing in illuminated manuscripts in the medieval period, and its mass production with the advent of the printing press. She looks at Haggadot created on the kibbutz, those reflecting the Holocaust, feminist and LGBTQ-themed Haggadot, and even one featuring a popular television show, *The Marvelous Mrs. Maisel*. Ochs shows how this enduring work of liturgy that once served to transmit Jewish identity in Jewish settings continues to be reinterpreted and reimagined to share the message of freedom for all.

The Impact of Social Media on Mental Health

Social media has become an integral part of our lives, especially for the younger generation. We use it to communicate, to share, to learn, to entertain, and to express ourselves. But what are the effects of social media on our mental health? How does it affect our mood, our self-esteem, our relationships, our well-being, and our behavior? This book aims to answer these questions, by reviewing the latest research and evidence on the topic. It will explore the positive and negative aspects of social media, the risk factors and protective factors, the interventions and strategies, and the future directions and implications. It will also provide practical tips and advice for users, parents, educators, and professionals, on how to use social media in a healthy and responsible way.
