2. **Conduct Thorough Study:** Investigate different sources, such as articles, books, and academic journals, to gather information.
3. **Outline Your Structure:** Start with an intro that grabs the readers attention and states your argument – what your essay will debate. After that, outline what each of your body paragraphs will talk about. Be certain to add information from various sources.
4. **Write Sections with Subject Sentences:** Dedicate each section to a unique sub-topic or source. Begin with a distinct topic sentence directly linked to your thesis. Introduce the source you're combining and outline its key points. Support your claims with proof from the source, using quotes, paraphrases, or summaries.
