PEDIATRICS BOARD REVIEW
Ashish Goyal 2012-11-30
Pediatrics Board Review (PBR) was written by Dr. Ashish Goyal to help pediatricians pass the American Board of Pediatrics Initial Certification exam, the MOC recertification exam & the MOCA-Peds exam. The PBR offers a 100% money-back first-time pass guarantee & has had multiple consecutive years of 100% Pass Rates for the MOC exam. PBR has also achieved seemingly unattainable results, such as helping pediatricians finally pass their initial certification exam after up to SEVEN previous failed attempts. PBR's Core Study Guide is now available on mobile devices (e.g., iPhone) and tablets (e.g., iPad).

Each year 200 new pediatric residents take the pediatric board exam and currently there is only one pediatric board review text on the market. The American Board of Pediatrics recently changed the requirements for the pediatric recertification process. Now, all board-certified pediatricians (roughly 70,000) need to take a closed-book exam once every 7 years (that means around 10,000 pediatricians a year will take the test).
