As her mother becomes increasingly unhinged, Lily starts to have flashbacks that she knows aren't her own. Over a sweltering London summer, all semblance of civility and propriety is lost, as Lily begins to unravel the harrowing history that has always cast a shadow on her mother. The horrifying secrets she uncovers will shake her family to its core, culminating in a shattering revelation that will finally set Lily free. Beautiful and shocking, *Bad Fruit* is as compulsive as it is thought-provoking, as nuanced as it is explosive. Confessions of a Cafeteria Catholic

Richard Phillips 2012-05 The thoughts contained here have more to do with me and my own perspective of life than the perspective of any one established religious institution, Catholic or otherwise. That is perhaps the goal of all men and women who strive to find themselves and their God while facing the joys and challenges of life, trying to find the faith that keeps them on the path of discovering who they are and what they believe. If we are true to our faith, whatever that faith is, the most important thing is to listen to God, to His revealed message for us personally. God speaks to each of us personally, uniquely, speaking to our own needs. These essays are intended to help open your mind to the possibility of asking questions, not about the veracity of the revealed Word of the Scriptures, but about how we

A Match Made in Heaven

CHAMBERS 2020 Star-studded and beautifully written, this collection offers diverse stories about love and desire by South Asian-heritage British Muslim women authors, including Ayisha Malik (*Sofia Khan Is Not Obligated*) and Shelina Janmohamed (*Love in a Headscarf*). Although outsiders often expect Muslim women to be timid, conservative, or submissive, the reality is different. While some of these authors express a quiet piety and

others use black humor and biting satire, or play with possibilities. Still others shade into the territory of a Muslim *Fifty Shades of Grey*, creating grey areas where the mainstream media sees only black and white. If grooming-gang scandals grab headlines, characters are more scandalized by suitors' sloppy personal grooming. Finding the right crimson lipstick for a date or the perfect power outfit for meeting a cheating ex-husband are commoner preoccupations than the news. Stylish but far from shallow, the stories also reflect on migration, racism, arranged marriage, gender differences, lesbian desire, bearding, and many other subjects.

Hasn't he done well? Blooming business, lovely wife, beautiful kids, bloody great house. What more could he possibly want? And then, an old photo turns up and Andrew's whole world is turned upside down. A story of lost love and lost bearings, 'A Poloroid of Peggy' is 'Bonfire of the Vanities' meets 'Love Story', with a dash of 'Mad Men' thrown in. Funny and poignant by turns, it asks the most fundamental of questions: what really matters in life? And finds the answer is distinctly - muddled.

Richard Phillips is good on nostalgia, guilt, the emotional messes people make, and the play-acting involved in both the building up or breaking down of a relationship, but the main strength of the book lies in the portrayal of the central character, a superficially shallow man desperately trying to paper over

Louisa Arceneaux is a thoughtful, observant nineteen-year-old when she transfers to Wrynn as a scholarship student, but she soon finds herself adrift in an environment that prizes novelty over beauty. Complicating matters is Louisa's unexpected attraction to her charismatic roommate, Karina Piontek, the preternaturally gifted but mercurial daughter of wealthy art collectors. Gradually, Louisa and Karina are drawn into an intense sensual and artistic relationship, one that forces them to confront their deepest desires and fears. But Karina also can't shake her fascination with Preston Utley, a senior and anti-capitalist Internet provocateur, who is publicly feuding with

visiting professor and political painter Robert Berger—a once-controversial figurehead seeking to regain relevance. When Preston concocts an explosive hoax, the fates of all four artists are upended as each is unexpectedly thrust into the cutthroat New York art world. Now all must struggle to find new identities in art, in society, and among each other. In the process, they must find either their most authentic terms of life—of success, failure, and joy—or risk losing themselves altogether. With a canny, critical eye, *Sirens & Muses* overturns notions of class, money, art, youth, and a generation's fight to own their future.
