Focus on College and Career Success, Loose-Leaf Version Constance Staley 2017-01-01

College Success Guaranteed Malcolm Gauld 2011-05-16 As a lifelong teacher, Malcolm Gauld has watched thousands of kids go off to college. Some return to visit after their first year exuding the vibe of conquering heroes. Others look, well, pretty bummed out. This book offers a plan to help the new college student complete Year #1 as a member of the first group. With anecdotes from current college students and recent graduates, the book presents five simple rules. **Enhancing Adult Motivation to Learn** Raymond J. Wlodkowski 2017-08-17 The classic interdisciplinary reference on adult education, updated for today's learning environment **Enhancing Adult Motivation to Learn** provides adult educators with the information and strategies they need to guide non-traditional students toward positive educational outcomes. Providing a clear framework, guidelines for instructional planning, real-world examples, and cutting-edge ideas, this book fills the need for intrinsically motivating instruction targeted

specifically toward adults returning to school. This new fourth edition sharpens the focus on community colleges, where most first-generation college students and working adults begin their higher education, and explores the rising use of technology and alternative delivery methods including a new chapter covering online instruction. Since the publication of its first edition, this book has become a classic reference for understanding adult motivation in educational and training settings. As more and more adults re-enter the educational system, instructors and trainers will find extraordinary value in this exploration at the intersection of research and practice. Examine the latest neuroscience and psychological research pertaining to adult motivation and learning. Delve into alternative formats including online learning, interactive learning materials, and more. Elicit and encourage adult intrinsic motivation using the Motivational Framework for Culturally Responsive Teaching and sixty practical, research-backed strategies. Adopt a culturally responsive instructional approach for an inclusive and equitable learning environment. Adult students differ from traditional students in motivation, attitude, experience, and more; this, combined with an increasingly diverse body of students as well as electronic delivery methods, makes today's teaching environment a new landscape for instructors to navigate. *Enhancing Adult Motivation to Learn* provides a

clear guide to success for instructors and students alike.

The Pocket Guide to College Success Jamie Shushan 2019-10-25 *The Pocket Guide to College Success* provides straightforward and easily consumable coverage on all the topics typically found in a full-size college success text in a handy, affordable, highly-customizable format. Chapters on academic skills like time management, academic planning, and note-taking get students ready for success in class, while life skills like goal-setting, money management, and interpersonal communication help them throughout their entire collegiate experience and beyond. Perfect for use as a self-directed student reference outside of a first-year course (or where there is no such course), *Pocket* is also a full-course solution, available with a robust instructor's manual and suite of digital resources to empower your first-year program. The third edition is included in the Bedford Select database, making it easy to take out chapters, add pre-built modules, or include campus-specific content such as campus maps, course outcomes, letter from a dean, or directory of campus resources. Choose your binding, customize your cover, and add digital resources like the ACES self-assessment--all with transparent pricing that updates with every change. From a full-course solution to a credible print companion for your program's online modules, there is a pocket for

everyone.?

Student Success in College: Doing What Works!

Christine Harrington 2015-01-01 Raise the academic bar for your students and watch their confidence and success skills increase.

STUDENT SUCCESS IN COLLEGE: DOING WHAT WORKS!, SECOND EDITION provides an accessible and relevant way for students to move beyond opinions and advice about how to succeed in college by offering an integrated approach of research-backed student success practices paired with student success research studies. Students learn how to put skills for success into practice as they strive to accomplish their academic goals. With an overall theme of reading, critical thinking, and information literacy skills, the text helps students feel comfortable with the structure of research study articles, making it more likely that they will successfully use these higher level sources earlier in their academic careers. By increasing academic rigor, STUDENT SUCCESS IN COLLEGE: DOING WHAT WORKS!, SECOND EDITION builds research-based knowledge about what study skills work; teaches students how to engage with scholarly sources; provides opportunities for students to actively read, critically think, and enhance information literacy skills; and supports

students to increase their self-efficacy and motivation. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The Community College Experience Amy Baldwin

2012-01-29 If students don't know the "unwritten rules" for community college success - how might it impact them? This book meets students where they are and helps them develop a plan to handle any situation. The Community College Experience recognizes Student Success is determined by motivation, preparation, knowledge, persistence, and relationships, the outcome largely measured by performance in other courses from the first term throughout the college career. Students are often not prepared for the social and cultural challenges such as meeting expectations, managing pressures on time, and navigating financial issues. Many of the standards for college success are indeed those "unwritten rules" that require an experienced perspective to anticipate, understand, and overcome. This text covers the topics students need to make the transition into a community college culture, become active learners, and make intelligent choices. Course materials are realistic and supportive. They resonate with diverse student backgrounds, including first-generation college students, students of color, returning adults, and others. Once students know the "rules" - written and

unwritten - they can adapt their plan for a more successful college experience.

First-Generation College Experience Amy Baldwin

2012-08-14 The First Generation Experience is the only college success book written specifically to serve first generation students. It is for students who need a little extra attention and support to have a firm footing in the academic world. It is about helping those students who have felt disenfranchised, disengaged, and disappointed by the educational system to empower themselves with the knowledge and the skills necessary to imagine and realize a new future. It is also a book about change, specifically transformation. The word itself has multiple meanings in different academic disciplines, but the idea of transformation most closely applies to the intentional process by which we help students change as individuals, as scholars, and as citizens of their communities.

FOCUS on College Success Constance Staley

2014-01-01 With increased attention paid to resilience, teamwork, and professionalism, the fourth edition of FOCUS ON COLLEGE SUCCESS recognizes the varied experiences of today's students and guides them to be more motivated and focused. The research-based approach builds a solid foundation, allowing students see the relevancy of this course to their lives. By helping students develop realistic expectations of what it takes to learn, FOCUS ON

COLLEGE SUCCESS motivates and encourages students with direct applications and immediate results. Written by Constance Staley, one of the best-known names in the field of motivation, this text increases the credibility of the college success course by providing tools that help students succeed and thereby improve institutional retention rates. Starting with the use of the FOCUS Challenge Cases that introduce each chapter, FOCUS ON COLLEGE SUCCESS strikes a personal and informal conversation with readers--directly connecting with them and drawing them into text discussions. In a recent survey of students using FOCUS, 97% would recommend that their professor use this book again with next year's first-year students. Many students today are over-optionalized and over-obligated. FOCUS ON COLLEGE SUCCESS addresses those issues head-on, creating teachable moments--and concrete results--in every class period. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Exploring Leadership Susan R. Komives

2013-05-17 This third edition is a thoroughly revised and updated version of the bestselling text for undergraduate leadership courses. This book is designed for college students to help them understand that they are capable of being effective leaders and guide them in developing

their leadership potential. The Relational Leadership Model (RLM) continues as the major focus in this edition, and the book includes stronger connections between the RLM dimensions and related concepts, as well as visual applications of the model. The third edition includes new student vignettes that demonstrate how the major concepts and theories can be applied. It also contains new material on social justice, conflict management, positive psychology, appreciative inquiry, emotional intelligence, and new self-assessment and reflection questionnaires. For those focused on the practice of leadership development, the third edition is part of a complete set that includes a Student Workbook, a Facilitation and Activity Guide for educators, and free downloadable instructional PowerPoint® slides. The Workbook is a student-focused companion to the book and the Facilitation and Activity Guide is designed for use by program leaders and educators.

A Pocket Guide to College Success Jamie

Shushan 2016-11-11 Short and to-the-point, A Pocket Guide to College Success, offers practical coverage on the topics typically covered in a full-size college success text, from academic skills like managing your time, critical thinking, and note taking to life skills such as money management, stress reduction, and pursuing your career path.

The second edition of A Pocket Guide to College Success provides additional support on the

transition to college as well as features new coverage on motivation, mindset, and goal-setting to help students be successful from the start.

With even more emphasis on asking questions, this text focuses on helping students ask the right questions to the right people so that they can drive their own college success.

Choosing Success Rhonda Atkinson 2018

FOCUS on College and Career Success Staley 2014

FOCUS on College and Career Success Constance Staley 2016-12-05 The third edition of Staley and Staley's FOCUS ON COLLEGE AND CAREER SUCCESS recognizes the varied experiences you bring to the college classroom and guides you to build your motivation and increase your focus, driving your personal success in college -- and well beyond. All of the book's exercises are designed to help you learn more about yourself and focus on what you need to do to succeed, with learning tools that help you chart your progress. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Focus on College Success, Loose-Leaf Version

Constance Staley 2017-01-01

FOCUS on College Success Constance Staley 2010-01-01 According to recent market research, students are less academically engaged than ever before--a downward trend that has nothing

to do with intellect, but everything to do with motivation, focus, and discipline. FOCUS ON COLLEGE SUCCESS is uniquely equipped to turn the tides. Visually appealing, research-based, and highly motivational, FOCUS thoroughly engages students with direct applications and immediate results. Written by Constance Staley, one of the best-known names in the field of motivation, this text increases the credibility of the college success course by providing tools that help students succeed and thereby improve institutional retention rates. Thoroughly researched, the text covers the topics most important to student success and incorporates underlying themes of motivation and self-discipline throughout. Rather than talking down to students or speaking over their heads, FOCUS ON COLLEGE SUCCESS strikes a personal and informal conversation with readers--directly connecting with them and drawing them into text discussions. Many students today are overoptionalized and overobligated. FOCUS ON COLLEGE SUCCESS addresses those issues head-on, creating teachable moments--and concrete results--in every class period. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Navigating Your Future Success Bruce J. Colbert
2015 For Student Success courses in high school, career college, community college, or

university settings. This book takes a logical approach to student success by starting with stress management in making positive behavioral changes for academic and personal success. Navigating Your Future Success is readable and relevant to engage students in assessing their academic and workplace skills and develop a plan for success, starting with the critical foundation of stress management.

MyStudentSuccessLab

(www.mystudentsuccesslab.com) helps students to 'Start strong, Finish stronger' by acquiring the skills they need to succeed for ongoing personal and professional development. Teaching & Learning Experience: Logical Learning Outcomes How will students do well if they are "stressed out" as this impacts all aspects of their lives? Students will learn to harness stress in a positive way and set goals in their interpersonal skill areas to maximize external success skills. This program provides:

- Personalized Learning with MyStudentSuccessLab: Whether face-to-face or online, MyStudentSuccessLab helps students build the skills they need through peer-led video interviews, interactive practice exercises, and activities that provide academic, life, and professionalism skills.
- Personal Success Skills - Internal (or intrapersonal) success skills focus on how to do well "within yourself". Stress management is followed by positive attitude, time management, goal setting, learning styles,

critical/creative thinking, improving memory, and test taking. · Professional Success Skills - Skills for succeeding "within your program and beyond." These skills focus on communication, group interaction, team building, job-seeking, and leadership development. · Effective Teaching Techniques - This book includes exercises to facilitate positive behavioral changes. Affective teaching differs from cognitive (theory) teaching, so behavioral changes are presented succinctly to show quick positive results that last. Epstein 2018-07-19 Strengthen programs of family and community engagement to promote equity and increase student success!

When schools, families, and communities collaborate and share responsibility for students' education, more students succeed in school.

Based on 30 years of research and fieldwork, the fourth edition of the bestseller *School, Family, and Community Partnerships: Your Handbook for Action*, presents tools and guidelines to help develop more effective and more equitable programs of family and community engagement.

Written by a team of well-known experts, it provides a theory and framework of six types of involvement for action; up-to-date research on school, family, and community collaboration; and new materials for professional development and on-going technical assistance. Readers also will find: Examples of best practices on the six types of involvement from preschools, and elementary, middle, and high schools Checklists, templates, and evaluations to plan goal-linked partnership programs and assess progress CD-ROM with slides and notes for two presentations: A new awareness session to orient colleagues on the major components of a research-based partnership program, and a full One-Day Team Training Workshop to prepare school teams to develop their partnership programs. As a foundational text, this handbook demonstrates a proven approach to implement and sustain inclusive, goal-linked programs of partnership. It shows how a good partnership program is an essential component of good school organization

and school improvement for student success.

This book will help every district and all schools strengthen and continually improve their programs of family and community engagement.

Navigating the Research University: A Guide for First-Year Students Britt Andreatta 2011-01-01

Full of practical tips and tools and useful personal advice, *NAVIGATING THE RESEARCH UNIVERSITY: A GUIDE FOR FIRST-YEAR STUDENTS, 3E*, provides students with a comprehensive introduction to education at a research institution. While orientation sessions and other first-year programs are designed to orient students to the many aspects of university life, this text helps them navigate the university on a daily basis. Suitable for first-year experience courses, orientation, or first-year seminars, the text is designed to support students at a broad range of research universities and gives you the flexibility to easily incorporate unique features of your own institution. Britt Andreatta helps students understand research, the role it plays in the university, and the basic methodologies used in a variety of disciplines. Andreatta also guides students in developing the skills necessary for achieving academic success, including critical thinking, thoughtful analysis, and effective writing. In addition, the text includes valuable insights into the personal and working issues students may encounter as new and aspiring members of a community of scholars. Important Notice: Media

Kick Ass in College Gunnar Fox 2012-11-01 An expanded second edition of Gunnar Fox's brutally honest and entertaining guide to success in college -- and beyond. Crammed with hundreds of hacks, tips and guerrilla tactics along with snazzy new illustrations by Nick Street to keep the pages turning. Praised by students, parents and professors alike as a great read. The librarian's favorite choice for "reluctant readers."

Keys to Community College Success Carol Carter 2020 *Keys to Community College Success* is an established first year experience textbook, designed for use with courses related to the college transition and student success for two-year college students, and featuring a tried-and-true college-career-life connection and emphasis on thinking skills and problem-solving. This eighth edition adds a COVID-19 update -- a ten-page frontmatter section with up-to-the-minute information on digital and distributed learning as well as wellness and self-management strategies in the time of COVID-19. Update topics include synchronous and asynchronous learning elements, navigating technology and course websites, coping with stress in a time of crisis, and more. This text is built around a risk and reward theme, showing students how risking action to grow, thrive, and contribute can lead to

the rewards of learning, meaningful employment, and community involvement. Inspiring case studies open and close each chapter and show how a two-year college student faced and surmounted a challenge by taking a calculated risk. Thinking skills coverage is another text-wide framework; comprehensive content with research references lend credibility and perspective to concepts, targeted exercises that explore personally relevant situations in context, and sustained focus throughout each topic. The text is tailored to the two-year program experience; throughout the text, detail-level adjustments made in language, concepts, and topics have been made to reflect the needs and concerns of the two-year student. Coverage of resources, topics, and research, including work by Robert Sternberg, Carol Dweck, and Martin Seligman, supports concepts. The twelve chapters cover all major student success topics -- adjusting to college; values, goals, and time; learning how you learn; critical, creative, and practical thinking; reading and information literacy; listening and note taking; memory and studying; test taking; diversity and communication; wellness and stress management; managing money; and planning for career success. Exercises and features incorporate coaching language and intent, building accountability for the student, guiding the student to create personally relevant work, and asking powerful questions that encourage

reflection and the development of self-knowledge.

FOCUS on College Success Staley 2014

On Course Study Skills Plus Edition Skip Downing

2016-01-01 ON COURSE: STRATEGIES FOR CREATING SUCCESS IN COLLEGE AND IN LIFE, STUDY SKILLS PLUS, 3rd Edition, empowers you with the tools you need to take charge of your academic and lifelong success. A self-assessment at the beginning of the text helps you identify behaviors and beliefs you may wish to change in order to achieve more of your potential in college and in life. Through short articles and distinctive guided journal entries, the author encourages you to explore and develop eight keys to your success: personal responsibility, self-motivation, self-management, interdependence, self-awareness, lifelong

learning, emotional intelligence, and self-esteem. As you develop these skills, you'll find yourself making more effective choices and achieving greater success. The Toolbox for Active Learners provides numerous study skills that will help you excel in all of your college courses. As you learn these new strategies, you'll have the opportunity to practice applying them to solve academic challenges. With improved critical and creative problem-solving, you'll be able to achieve greater success in all parts of your life. Another self-assessment before and after the Toolbox for Active Learners will show you how much you've learned about being an effective learner.
