Overthrow Stephen Kinzer 2007-02-06 Offers a narrative history of the role of the U.S. in a series of coups, revolutions, and invasions that toppled fourteen foreign governments, from the overthrow of the Hawaiian monarchy in 1893 to the 2003 war in Iraq, and examines the sometimes disastrous long-term repercussions of such operations. Reprint.

The Man from Moscow Philip McCutchan 1965

He Needed Killing Too Bill Fitts 2013-02 Dr. Douglas was often described as a man who "needed killing." When someone takes the description literally and puts a bullet through his head, the provost calls in James Crawford. As Crawford tackles his second case as a private eye, he also wrangles with the particulars of becoming a licensed detective, including

the burning question of business cards.

Dark Matter Blake Crouch 2016-07-26 A mindbending, relentlessly surprising thriller from the author of the bestselling *Wayward Pines* trilogy. "Are you happy with your life?" Those are the last words Jason Dessen hears before the masked abductor knocks him unconscious. Before he awakens to find himself strapped to a gurney, surrounded by strangers in hazmat suits. Before a man Jason's never met smiles down at him and says, "Welcome back, my friend." In this world he's woken up to, Jason's life is not the one he knows. His wife is not his wife. His son was never born. And Jason is not an ordinary college physics professor, but a celebrated genius who has achieved something remarkable. Something impossible. Is it this world or the other that's the dream? And even if the home he remembers is real, how can Jason possibly make it back to the

family he loves? The answers lie in a journey more wondrous and horrifying than anything he could've imagined—one that will force him to confront the darkest parts of himself even as he battles a terrifying, seemingly unbeatable foe. *Dark Matter* is a brilliantly plotted tale that is at once sweeping and intimate, mind-bendingly strange and profoundly human—a relentlessly surprising science-fiction thriller about choices, paths not taken, and how far we'll go to claim the lives we dream of.

Never Quit Jimmy Settle 2017-03-07 "That Others May Live" is a mantra that defines the fearless men of Alaska's 212th Pararescue Unit, the PJs, one of the most elite military forces on the planet. Whether they are rescuing citizens injured and freezing in the Alaskan wilderness or saving wounded Rangers and SEALs in blazing firefights at war, the PJs are the least known and most highly trained of America's warriors. *Never Quit* is the true story of how Jimmy Settle, an Alaskan shoe store clerk, became a Special Forces Operator and war hero. After being shot in the head during a dangerous high mountain operation in the rugged Watapur Valley in Afghanistan, Jimmy returns to battle with his teammates for a heroic rescue, the bullet fragments stitched over and still in his skull. In a cross between a suicide rescue mission and an against-all-odds mountain battle, his team of PJs risk their lives again in an epic firefight. When his helicopter is hit and begins leaking fuel, Jimmy finds himself in the worst possible position as a rescue specialist—forced to leave members from his own team behind. Jimmy will have to risk everything to get back into the battle and bring back his brothers. From death-defying Alaskan wilderness training, wild rescues, and vicious battles against the Taliban and Al Qaeda, this is an explosive special operations memoir unlike any that has come before, and the true story of a man from humble beginnings who became an American hero.

Halliwell's Film, Video & DVD Guide 2006

In Harm's Way Doug Stanton 2003-05-01 A harrowing, adrenaline-charged account of America's worst naval disaster -- and of the heroism of the men who, against all odds, survived. On July 30, 1945, the USS *Indianapolis* was torpedoed in the South Pacific by a Japanese submarine. An estimated 300 men were killed upon impact; close to 900 sailors were cast into the Pacific Ocean, where they remained undetected by the navy for nearly four days and nights. Battered by a savage sea, they struggled to stay alive, fighting off sharks, hypothermia, and dementia. By the time rescue arrived, all but 317 men had died. The captain's subsequent court-martial left many questions unanswered: How did the navy fail to realize the *Indianapolis* was missing? Why was the cruiser traveling unescorted in enemy waters? And perhaps most amazing of all, how did these 317 men manage to survive? Interweaving the stories of three survivors -- the captain, the ship's doctor, and a young marine -- journalist Doug Stanton has brought this astonishing human drama to life in a narrative that is at once immediate and timeless. The definitive account of a little-known chapter in World War II history, *In Harm's Way* is destined to become a classic tale of war, survival, and extraordinary courage.

Silent Sea Harry Homewood 2016-04-20 As they listened to the death throes of their sister ship *Mako* sinking in the Pacific where the waters were six miles deep, the crew of USS *Eelfish* suddenly came of age. They were a new breed: a brand-new fleet submarine crewed by draftees and reservists. Hidebound regular Navy officers believed they wouldn't fight. But fight they did with reckless abandon, proving themselves on two fronts - against the Japanese at sea, and against their own Admirals, who clung to outmoded concepts of how to wage war under the sea. This true-to-life novel moves at breathtaking speed from the invasion of Guadalcanal through the battle of the Philippine Sea and to the coast of Japan. By the end of the war, submarines such as *Eelfish* had so tightened the noose of naval blockade around Japan that the enemy was finished as an industrial nation, unable to fight effectively. But American submariners paid dearly for their victories. One out of every five men who went to sea in submarines in the Pacific died in combat, the highest percentage of any branch of the U.S. Armed Forces. This is a novel about their exploits, how they fought, how they loved, and how they died, written by a man who was there.

War with Russia Richard Shirreff 2016-09-27 The rapid rise in Russia's power over the course of the last ten years has been matched by a stunning lack of international diplomacy on the part of its president, Vladimir Putin. One consequence of this, when combined with Europe's rapidly shifting geopolitics, is that the West is on a possible path toward nuclear war. Former deputy commander of NATO General Sir Richard Shirreff speaks out about this very real peril in this call to arms, a novel that is a barely disguised version of the truth. In chilling prose, it warns allied powers and the world at large that we risk catastrophic nuclear conflict if we fail to contain Russia's increasingly hostile actions. In a

Cold War Donald Cameron Naval Thriller Book 6 Pdf Pdf
upload Suny x Grant

detailed plotline that draws upon Shirreff's years of experience in tactical military strategy, Shirreff lays out the most probable course of action Russia will take to expand its influence, predicting that it will begin with an invasion of the Baltic states. And with GOP presidential candidate Donald Trump recently declaring that he might not come to the aid of these NATO member nations were he to become president, the threat of an all-consuming global conflict is clearer than ever. This critical, chilling fictional look at our current geopolitical landscape, written by a top NATO commander, is both timely and necessary—a must-read for any fan of realistic military thrillers as well as all concerned citizens.

Beyond Convergence National Defense University (US) 2017-08-24 The world order built upon the Peace of Westphalia is faltering. State fragility or failure are endemic, with no fewer than one-third of the states in the United Nations earning a "high warning"-or worse-in the Fragile States Index, and an equal number suffering a decline in sustainability over the past decade.¹ State weakness invites a range of illicit actors, including international terrorists, globally networked insurgents, and transnational criminal organizations (TCOs). The presence and operations of these entities keep states weak and incapable of effective governance, and limit the possibility of fruitful partnerships with the United States and its allies. Illicit organizations and their networks fuel corruption, eroding state legitimacy among the governed, and sowing doubt that the state is a genuine guardian of the public interest. These networks can penetrate the state, leading to state capture, and even criminal sovereignty.² A growing number of weak and corrupt states is creating gaping holes in the global rule-based system of states that we depend on for our security and prosperity. Indeed, the chapters of this book suggest the emergence of a highly adaptive and parasitic alternative ecosystem, based on criminal commerce and extreme violence, with little regard for what we commonly conceive of as the public interest or the public good. The last 10 years have seen unprecedented growth in interactivity between and among a wide range of illicit networks, as well as the emergence of hybrid organizations that use methods characteristic of both terrorist and criminal groups. In a convergence of interests, terrorist organizations collaborate with cartels, and trafficking organizations collude with insurgents. International terrorist organizations, such as al-Qaeda and Hezbollah, engage energetically in transnational crime to raise funds for their operations. Prominent criminal organizations like Los Zetas in Mexico and D-Company in Pakistan have adopted the symbolic violence of terrorists—the propaganda of the deed—to secure their "turf." And networked insurgents, such as the Islamic State of Iraq and the Levant (ISIL), the Revolutionary Armed Forces of Colombia (FARC), and the Liberation Tigers of Tamil Eelam (LTTE), have adopted the techniques of both crime and terror.

Sailing to Redoubt C. Litka Be good. Or some dark night the sorcerers of Vente may come for you. On the islands of the Tropic Sea, parents caution naughty children to behave, or risk that some dark night the sorcerers of the Vente Islands might to carry them off. The fate of these very naughty children varies from island to island, but it is often whispered that they might end up in a stew. Navy lieutenant Taef Lang must have been a very naughty boy, since one soft, tropical night the Vente came and carried him off. And he certainly ended up in some very hot water. *Sailing to Redoubt* is the story of his adventures in the company of two Vente Island sorceresses, Sella and Lessie Raah, on a quest to discover the secret of the legendary lost outpost of the world's first people, the Founders. Equipped with a map, a golden key, and a small yacht, they set sail across the bright, blue, and sometimes deadly, Tropic Sea. *Sailing to Redoubt* is C. Litka's sixth imaginary world novel and is filled with the characters, humor, and adventure that are the hallmarks of his writing. C. Litka writes old-fashioned novels with modern sensibilities, humor, and romance. His lighthearted novels of adventure, mystery, and travel are set in richly imagined worlds and feature a colorful cast of well drawn characters. If you seek to escape, for a few hours, your everyday life, you will not find better company, nor more wonderful worlds to travel and explore, than in the novels of C. Litka.

Blood in the Water 2021-11-16 "Fascinating! [A] must-read for all concerned about how humans manage to live together. Or not."
—Margaret Atwood "Superb... an instant true crime classic." —Publishers Weekly (starred review) A masterfully told true story, perfect for fans of *Say Nothing* and *Furious Hours*: a brutal murder in a small Nova Scotia fishing community raises urgent questions of right and wrong, and even the very nature of good and evil. In his riveting and meticulously reported final book, Silver Donald Cameron offers a stunning, intricate narrative about a notorious killing and its devastating repercussions. Cameron's searing, utterly gripping story about one small community raises a

disturbing question: Are there times when taking the law into your own hands is not only understandable but the responsible thing to do? In June 2013, three upstanding citizens of a small town on Cape Breton Island murdered their neighbor, Phillip Boudreau, at sea. While out checking their lobster traps, two Landry cousins and skipper Dwayne Samson saw Boudreau in his boat, the Midnight Slider, about to vandalize their lobster traps. Like so many times before, the small-time criminal was about to cost them thousands of dollars out of their seasonal livelihood. Boudreau seemed invincible, a miscreant who would plague the village forever. Meanwhile the police and local officials were frustrated, cowed, and hobbled by shrinking budgets. One of the men took out a rifle and fired four shots at Boudreau and his boat. Was the Boudreau killing cold blooded murder, a direct reaction to credible threats, or the tragic result of local officials failing to protect the community? As many local people have said, if those fellows hadn't killed him, someone else would have...

The Snowden Files Luke Harding 2014-02-07 Now a major motion picture, directed by Oliver Stone and starring Joseph Gordon-Levitt. Edward Snowden was a 29-year-old computer genius working for the National Security Agency when he shocked the world by exposing the near-universal mass surveillance programs of the United States government. His whistleblowing has shaken the leaders of nations worldwide, and generated a passionate public debate on the dangers of global monitoring and the threat to individual privacy. In a tour de force of investigative journalism that reads like a spy novel, award-winning Guardian reporter Luke Harding tells Snowden's astonishing story—from the day he left his glamorous girlfriend in Honolulu carrying a hard drive full of secrets, to the weeks of his secret-spilling in Hong Kong, to his battle for asylum and his exile in Moscow. For the first time, Harding brings together the many sources and strands of the story—touching on everything from concerns about domestic spying to the complicity of the tech sector—while also placing us in the room with Edward Snowden himself. The result is a gripping insider narrative—and a necessary and timely account of what is at stake for all of us in the new digital age.

Crash Dive Craig DiLouie 2016-09-30 "In October 1942, Japan and America are at war, the Marines are embattled on Guadalcanal, and the U.S. Navy fights to preserve its toehold in the Japanese Empire. The war hangs in the balance. Lt. Charlie Harrison's first war patrol in the submarines is aboard the S-55, a worn-out World War I-era boat. Frustrated by faulty torpedoes and malfunctioning equipment, the captain decides on a daring raid on Rabaul, the center of Japanese power in the South Pacific. There, the crew will earn glory, and the hunter will become the hunted."--Author's website

From Blood and Ash Jennifer L. Armentrout 2020-03-30 Captivating and action-packed, *From Blood and Ash* is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel. Reviews for *From Blood and Ash*: "Dreamy, twisty, steamy escapism. Take me back!" -New York Times bestseller Wendy Higgins "Jennifer Armentrout has the power to control my emotions with every word she writes. From swooning to crying to racing through the pages to find out what happens next, I couldn't stop reading about Hawke and Poppy, and you won't be able to either." - Brigid Kemmerer, New York Times Bestselling Author of *A Curse So Dark and Lonely* "Action, adventure, sexiness, and angst! *From Blood and Ash* has it all and double that. So many feels and so many moments it made me cheer for the character. Read. This. Book! You'll be obsessed!" - Tijan NYT bestselling author "From Blood and Ash is a phenomenal fantasy novel that is filled to the brim with danger, mystery

and heart melting romance. I loved every single second of it and I couldn't get enough of this new fantastical world. A heart stopping start to what is clearly going to be a stunning series, perfect for both those who love fantasy and those who are new to the genre. A must read." Kayleigh, K-Books "If you think you are ready for *From Blood and Ash*, think again. Jennifer L. Armentrout has woven a new fantasy universe that will leave you reeling. Filled with action, heart wrenching twists and the most delicious romance, this unputdownable novel comes with a warning: keep a fan close by, because the temperatures are about to rise." Elena, The Bibliotheque Blo "In this exciting new novel by Jennifer L. Armentrout, she introduces a fantastical world filled with immense detail, and characters who are poignant and fierce, Jennifer truly has out done herself!" - BookBesties "From Blood and Ash is a fantastic fantasy that will hook you immediately from the very first page! I loved every single moment and all of the characters are ones you will fall in love with! Jennifer L. Armentrout has done it again with her amazing writing skills and lots of detail! Get this book immediately!!!" - Amanda @Stuck In YA Books "Jennifer has stepped into the fantasy genre with this absolutely amazing novel. With characters you will love and more than a few twists and turns, get ready for one amazing adventure." -Perpetual Fangirl "This magnificent book has so many pieces in it: fantasy, mystery, forbidden romance, supernatural, lies, deceit, betrayal, love, friendship, family. And so, so, so many secrets your head will be spinning. Jennifer L. Armentrout has created another masterpiece that I will be rushing to buy, and will be telling everyone to read it ASAP!" ~Jeraca @My Nose in YA Books "From Blood to Ash is the first high fantasy book from Jennifer L Armentrout, but hopefully not the last. Like all her other works, her ability to create worlds, create swoon worthy men, and feisty strong female characters is amazing. Fantasy, mystery, romance, betrayal, love, and steamy scenes, this book has it all." - Lisa @ The Blonde Book Lover "From Blood & Ash is everything we love about JLA's fantasy writing...pumped up on steroids. There's epic world building and plot twists, a strong female lead, a swoon worthy book hottie, a steamy forbidden love story, and side characters that can't help but steal your heart. My mind was blown by the end of this book." - Kris S. (frantic4romantic) "Step into an exciting new fantasy world by Jennifer L. Armentrout, *From Blood And Ash* takes you on a fantastic ride with twists and turns galore. Characters you will love to laugh and cry with. A phenomenal start to an exciting new series." - Lori Dunn an avid reader "From Blood and Ash was everything I wanted in a high fantasy novel. The myths, the legends, the epic romance, and an adventure that will keep you on your toes beginning to end. I couldn't put the book down. Truly a brilliant start to what I believe will be yet another amazing series by Jennifer L. Armentrout." -Sabrina, Books Are My Life "Jennifer L. Armentrout takes her first step into the high fantasy genre with *From Blood and Ash*. A story of forbidden love, lies, secrets, and betrayal - it will leave you wanting more after the very last page." - Love Just Is Books "From Blood and Ash is like reading my favorite book for first time." - Raquel Herrera "With *From Blood and Ash*, Jennifer Armentrout successfully takes on the genre of high fantasy, proving, once again, that she is a master of her craft. Filled with epic adventure, forbidden romance, deceit, lies, and betrayal, *FB&A* draws you in from page one and refuses to let go!" - Erica, The Rest Just Falls Away "Jennifer L. Armentrout comes trough once again with *From Blood and Ash* as it kept me enthralled throughout the full book. You won't be able to put down this epic story once you start." - Julalicious Book Paradise "From Blood and Ash strikes the perfect balance between fantasy and romance elements leaving the world feeling live in and full while allowing the relationship between the main characters feeling real and authentic." - Nads Book Nook, Nadine Bergeron "Be prepared to spend your whole day reading *From Blood and Ash*. Once you start reading this high fantasy novel, you won't want to put it down." - Love Book Triangle "From Blood and Ash is absolutely breath taking. JLA does what she does best by creating a fantastical world filled with romance, lies, betrayal, adventure and all things we love and expect from JLA characters that melt our hearts and steal our hearts and souls. I cannot wait for the next one!" - Pia Colon "From Blood and Ash, Jennifer L. Armentrout brought to life a high fantasy that is enthralling. Another masterful addition to my collection. Get ready to stay on your toes from start to end." - Amy Oh, Reader by the Mountains "From Blood and Ash is the first high fantasy novel by Jennifer L Armentrout and she absolutely nails it. This is fantasy for skeptics and unbelievers because it makes you want to be a fantasy fan! This page turner makes you want to devour it in one night and at the same time savor every detail. Heart stopping and inspiring and grips you from page one." - Tracy Kirby "An intriguing puzzle of a world, a ruthless hero, a determine heroin, and a plot that will keep you up late, this book is one of

the best I've read this year." – Valerie from Stuck In Books "From Blood and Ash, a thrilling high fantasy that packs a punch, each page will leave you wanting more!" - Tracey, Books & Other Pursuits

Reckless Chrissie Hynde 2015-09-08 Chrissie Hynde, for nearly four decades the singer/songwriter/ undisputed leader of the Pretenders, is a justly legendary figure. Few other rock stars have managed to combine her swagger, sexiness, stage presence, knack for putting words to music, gorgeous voice and just all-around kick-assedness into such a potent and alluring package. From "Tattooed Love Boys" and "Brass in Pocket" to "Talk of the Town" and "Back on the Chain Gang," her signature songs project a unique mixture of toughness and vulnerability that millions of men and women have related to. A kind of one-woman secret tunnel linking punk and new wave to classic guitar rock, she is one of the great luminaries in rock history. Now, in her no-holds-barred memoir *Reckless*, Chrissie Hynde tells, with all the fearless candor, sharp humor and depth of feeling we've come to expect, exactly where she came from and what her crooked, winding path to stardom entailed. Her All-American upbringing in Akron, Ohio, a child of postwar power and prosperity. Her soul capture, along with tens of millions of her generation, by the gods of sixties rock who came through Cleveland—Mitch Ryder, David Bowie, Jeff Back, Paul Butterfield and Iggy Pop among them. Her shocked witness in 1970 to the horrific shooting of student antiwar protestors at Kent State. Her weakness for the sorts of men she calls "the heavy bikers" and "the get-down boys." Her flight from Ohio to London in 1973 essentially to escape the former and pursue the latter. Her scuffling years as a brash reviewer for *New Musical Express*, shop girl at the Malcolm McLaren and Vivienne Westwood boutique 'Craft Must Wear Clothes But The Truth Loves To Go Naked', first-hand witness to the birth of the punk movement, and serial band aspirant. And then, at almost the last possible moment, her meeting of the three musicians who comprised the original line-up of The Pretenders, their work on the indelible first album "The Pretenders," and the rocket ride to "Instant" stardom, with all the disorientation and hazards that involved. The it all comes crashing back down to earth with the deaths of lead guitarist James Honeyman Scott and bassist Peter Farndon, leaving her bruised and saddened, but far from beaten. Because Chrissie Hynde is, among other things, one of rock's great survivors. We are lucky to be living in a golden age of great rock memoirs. In the aptly titled *Reckless*, Chrissie Hynde has given us one of the very best we have. Her mesmerizing presence radiates from every line and page of this book.

Phoenix Island John Dixon 2014-01-07 When a tough sixteen-year-old boxing champ sentenced to an isolated boot camp discovers it is actually a mercenary training facility turning "throwaway children" into scientifically enhanced killers, he risks everything to save his friends and stop a madman bent on global destruction.

The Espionage Filmography Paul Mavis 2015-06-08 From Sean Connery to Roy Rogers, from comedy to political satire, films that include espionage as a plot device run the gamut of actors and styles. More than just "spy movies," espionage films have evolved over the history of cinema and American culture, from stereotypical foreign spy themes, to patriotic star features, to the Cold War plotlines of the sixties, and most recently to the sexy, slick films of the nineties. This filmography comprehensively catalogs movies involving elements of espionage. Each entry includes release date, running time, alternate titles, cast and crew, a brief synopsis, and commentary. An introduction analyzes the development of these films and their reflection of the changing culture that spawned them.

Island Stories: An Unconventional History of Britain David Reynolds 2019-10-31 'Concise, elegant and lucid ... A very useful primer on the delusions of an English mentality' Guardian What do we get wrong about Britain's history and its place in the world?

Command Antony Melville-Ross 2021-04-22 The navy of Nazi Germany are under orders to destroy HMS Trigger, but how much will it take before Harding and his men surrender to the enemy? A thrilling, nautical adventure, this is a heart-warming tale of the brotherhood of the Royal Navy.

Halliwell's Film Guide Leslie Halliwell 1992 For movie fans, trivia buffs, and film students, here is the most popular and matchless film reference boasting over 17,000 entries, including 1,000 of the latest releases. That Inevitable Victorian Thing E.K. Johnston 2017-10-03 Speculative fiction from the acclaimed bestselling author of *Exit*, *Pursued by a Bear* and *Star Wars: Ahsoka*. Victoria-Margaret is the crown princess of the

empire, a direct descendent of Victoria I, the queen who changed the course of history. The imperial tradition of genetically arranged matchmaking will soon guide Margaret into a politically advantageous marriage. But before she does her duty, she'll have one summer of freedom and privacy in a far corner of empire. Posing as a commoner in Toronto, she meets Helena Marcus, daughter of one of the empire's greatest placement geneticists, and August Callaghan, the heir to a powerful shipping firm currently besieged by American pirates. In a summer of high-society debutante balls, politically charged tea parties, and romantic country dances, Margaret, Helena, and August discover they share an extraordinary bond and maybe a one-in-a-million chance to have what they want and to change the world in the process. Set in a near-future world where the British Empire was preserved not by the cost of blood and theft but by the effort of repatriation and promises kept, *That Inevitable Victorian Thing* is a surprising, romantic, and thought-provoking story of love, duty, and the small moments that can change people and the world. ★ "This witty and romantic story is a must-read."—SLJ, starred review ★ "Compelling and unique—there's nothing else like it."—Booklist, starred review. ★ "[A] powerful and resonant story of compassion, love, and finding a way to fulfill obligations while maintaining one's identity."—PW, starred review

The Novels of World War II Desmond Taylor 1993

The Ill-Made Knight Christian Cameron 2013-08-01 'Brilliantly evoked' SUNDAY TIMES Discover the first medieval adventure in the action-packed Chivalry series! Perfect for fans of Bernard Cornwell, Simon Scarrow and Conn Iggulden. September, 1356. Poitiers. The greatest knights of the age were ready to give battle. On the English side, Edward, the Black Prince, who'd earned his spurs at Crecy. On the French side, the King and his son, the Dauphin. With 12,000 knights. And then there is William Gold. A cook's boy - the lowest of the low - who had once been branded as a thief. William dreams of being a knight, but in this savage new world of intrigue, betrayal and greed, first he must learn to survive. As rapacious English mercenaries plunder a country already ravaged by plague, and the peasantry take violent revenge against the French knights who have failed to protect them, is chivalry any more than a boyish fantasy? 'A sword-slash above the rest' IRISH EXAMINER 'One of the finest writers of historical fiction in the world' BEN KANE

Hara-Kiri Craig DiLouie 2018-06-14 Charlie Harrison finally achieves his dream of commanding the Sandtiger, leading her able crew on a war patrol to the Philippines in September 1944. Along the way, he faces the challenges of command, a malfunctioning boat, and a patrol area that appears devoid of enemy ships. When a massive fleet materializes on the horizon, he identifies it as Admiral Halsey's Third Fleet. America is invading the Philippines to cut off Japan from its colonial resources. The Japanese Combined Fleet responds, culminating in the largest naval battle in history and Charlie facing the ultimate test.

The Paper Daughters of Chinatown Heather B. Moore 2021-09-07 Based on true events, *The Paper Daughters of Chinatown* is a powerful story about a largely unknown chapter in history and the women who emerged as heroes. In the late nineteenth century, San Francisco is a booming city with a dark side, one where a powerful underground organization—the criminal tong—buys and sells young Chinese women into prostitution and slavery. These "paper daughters," so called because fake documents gain them entry to America but leave them without legal identity, generally have no recourse. But the Occidental Mission Home for Girls is one bright spot of hope and help. Told in alternating chapters, this rich narrative follows the stories of young Donaldina "Dolly" Cameron, who works in the mission home, and Mei Lien, a "paper daughter" who thinks she is coming to America for an arranged marriage but instead is sold into a life of shame and despair. Dolly, a real-life pioneering advocate for social justice, bravely fights corrupt officials and violent gangs, helping to win freedom for thousands of Chinese women. Mei Lien endures heartbreak and betrayal in her search for hope, belonging, and love. Their stories merge in this gripping account of the courage and determination that helped to shape a new course of women's history in America.

Open Carry Marc Cameron 2021-01-25 From the New York Times bestselling author of *Tom Clancy: Code of Honor* (The Jack Ryan Universe) comes the first in the acclaimed Arliss Cutter series set in the beautiful and deadly wilds of Alaska. U.S. Marshal Arliss Cutter is a born tracker. After enlisting in the military and fighting in the Middle East, Cutter is sent to the icy wastelands of southeast Alaska. Three people have disappeared on Prince of Wales Island. Two are crew members of the reality TV show, *Alaska Adventure Jobs*. The other is a Tlingit Indian girl who had the misfortune of witnessing their murders. Cutter's job is to find the bodies, examine the crew's footage for clues, and track down the men who killed

them. Easier said than done. Especially when the whole town is hiding secrets, the trail leads to a dead end – and the hunter becomes the prey. A gritty thriller set in one of the toughest climates on Earth from master author Marc Cameron, perfect for fans of Lee Child, Mark Greaney and James Deegan. Praise for Marc Cameron 'A double-barreled blast of action' C.J. Box 'Cameron's books are riveting page turners' Mark Greaney 'One of the hottest new authors in the thriller genre' Brad Thor *A Foreign Affair* Gerd Gemünden 2008-04-30 With six Academy Awards, four entries on the American Film Institute's list of 100 greatest American movies, and more titles on the National Historic Register of classic films deemed worthy of preservation than any other director, Billy Wilder counts as one of the most accomplished filmmakers ever to work in Hollywood. Yet how American is Billy Wilder, the Jewish émigré from Central Europe? This book underscores this complex issue, unpacking underlying contradictions where previous commentators routinely smoothed them out. Wilder emerges as an artist with roots in sensationalist journalism and the world of entertainment as well as with an awareness of literary culture and the avant-garde, features that lead to productive and often highly original confrontations between high and low.

Tomorrow, and Tomorrow, and Tomorrow Gabrielle Zevin 2022-07-05 NEW YORK TIMES BEST SELLER • Sam and Sadie—two college friends, often in love, but never lovers—become creative partners in a dazzling and intricately imagined world of video game design, where success brings them fame, joy, tragedy, duplicity, and, ultimately, a kind of immortality. It is a love story, but not one you have read before.

"Delightful and absorbing." —The New York Times • "Utterly brilliant." —John Green One of the Best Books of the Year: The New York Times, Entertainment Weekly, TIME, GoodReads, Oprah Daily From the best-selling author of *The Storied Life of A. J. Fikry*: On a bitter-cold day, in the December of his junior year at Harvard, Sam Masur exits a subway car and sees, amid the hordes of people waiting on the platform, Sadie Green. He calls her name. For a moment, she pretends she hasn't heard him, but then, she turns, and a game begins: a legendary collaboration that will launch them to stardom. These friends, intimates since childhood, borrow money, beg favors, and, before even graduating college, they have created their first blockbuster, *Ichigo*. Overnight, the world is theirs. Not even twenty-five years old, Sam and Sadie are brilliant, successful, and rich, but these qualities won't protect them from their own creative ambitions or the betrayals of their hearts. Spanning thirty years, from Cambridge, Massachusetts, to Venice Beach, California, and lands in between and far beyond, Gabrielle Zevin's *Tomorrow, and Tomorrow, and Tomorrow* examines the multifarious nature of identity, disability, failure, the redemptive possibilities in play, and above all, our need to connect: to be loved and to love.

The New York Times Book Review 1989-07

The House We Grew Up In Lisa Jewell 2014-08-12 When their picture-perfect Cotswold village family life with a perpetually young father and hippy mother is shattered by a tragic Easter weekend, four siblings pursue separate adult lives before a reunion reveals astonishing truths. By the author of *Before I Met You*.

Flight of the Intruder Stephen Coonts 2006-06-27 A smash bestseller that spent over six months on the New York Times bestseller list, *Flight of the Intruder* became an instant classic. No one before or since ever captured the world of Navy carrier pilots with the gripping realism of Vietnam veteran Stephen Coonts, who lived the life he wrote about. More than a flying story, *Flight of the Intruder* is also one of the best novels ever written about the Vietnam experience. It's all here—the flying, the dying, the blood and bombs and bullets, and the sheer joy—and terror—of life at full throttle. "Gripping...Smashing." —The Wall Street Journal Grazing the Vietnam treetops at night at just under the speed of sound, A-6 Intruder pilot Jake "Cool Hand" Grafton knows exactly how precarious life is. Landing on a heaving aircraft carrier, dodging missiles locked on his fighter, flying through clouds of flak—he knows each flight could be his last. Yet he straps himself into a cockpit every day. "Extraordinary!"—Tom Clancy Then a bullet kills his bombardier while they're hitting another 'suspected' truck depot. Jake wonders what his friend died for—and why? Hitting pointless targets selected by men piloting desks just doesn't make sense. Maybe it's time to do something worthwhile. Something that will make a difference... "Superbly written." — Washington Times Jake and his new bombardier, ice-cold Tiger Cole, are going to pick their own target and hit the enemy where it hurts. But to get there and back in one piece is going to take a lot of nerve, even more skill, and an incredible amount of raw courage. Before it's over, they're going to fly into hell. "When Grafton is at the controls of his *Intruder*, the novel comes alive with a jolt." — Washington Post Book World

The Long Sword Christian Cameron 2014-11-20 'One of the finest historical fiction writers in the world' Ben Kane Pisa, May 1364. Sir William Gold is looking forward to a lucrative career as a hired sword in the endless warring between Italy's city states. But when a message comes from the Grand Master of the Hospitaliers, William is forced to leave his dreams of fame and fortune behind him. The Hospitaliers are gathering men for a crusade, and Sir William must join them. Yet before they set out for the holy land, the knights face deadly adversaries much closer to home . . . In the twisting politics of Italy, no one can be trusted. And there are those who would be pleased to see the crusade fail . . . Can Sir William and his knights survive this impossible mission into the heart of the enemy?

Final Harbor Harry Homewood 1982

The Cold War Konrad H. Jarausch 2017-02-06 The traces of the Cold War are still visible in many places all around the world. It is the topic of exhibits and new museums, of memorial days and historic sites, of documentaries and movies, of arts and culture. There are historical and political controversies, both nationally and internationally, about how the history of the Cold War should be told and taught, how it should be represented and remembered. While much has been written about the political history of the Cold War, the analysis of its memory and representation is just beginning. Bringing together a wide range of scholars, this volume describes and analyzes the cultural history and representation of the Cold War from an international perspective. That innovative approach focuses on master narratives of the Cold War, places of memory, public and private memorialization, popular culture, and schoolbooks. Due to its unique status as a center of Cold War confrontation and competition, Cold War memory in Berlin receives a special emphasis. With the friendly support of the Wilson Center.

Jubilee Trail Gwen Bristow 2014-05-20 A willful New York debutante travels the rugged Great Plains for a future in the flourishing American West in this New York Times bestseller. Charting the trail across the Great Plains from New York City to the Mexican territory of California, a headstrong couple embarks on a new life in this classic work of historical fiction as unforgiving, moving, and unpredictable as the frontier. A recent finishing school graduate, eighteen-year-old Garnet Cameron is desperate for direction. Too driven for the restrictive manners of the upper class, Garnet is naturally drawn to Oliver Hale, a frontier trader. Unlike the men Garnet is accustomed to, Oliver treats her as his equal and respects her independence. His tales of adventure on the plains thrill her. And his proposal of marriage is accepted. Garnet eagerly grabs hold of the promise and prospect of an exciting future, only to discover how ill-prepared she is for the punishing landscape of the Jubilee Trail and the even harsher realities of human nature. Adapted into a feature film, *Jubilee Trail* is a classic novel of a woman in the West, beloved not only for the rebelliousness and resilience of its heroine, but for its authenticity, grand sweep, unsparing intimacy, and honest portrayal of the survivors and victims—as well as the victors and villains—of a defiant American wilderness.

The Blooding of the Guns Alexander Fullerton 2017-07-03 "This excellent oil-powered sea story" set during the largest naval battle of WWI launches a series of military adventures featuring a family of sailors (Kirkus Reviews). Jutland, 1916: In the icy waters of the North Sea, the Royal Navy awaits the challenge of the Kaiser's High Sea Fleet Sub-lieutenant Nick Everard could never have imagined the terror he would face as his destroyer races to launch its torpedoes into the blazing guns of a horizon obscured by dreadnoughts. But when the steering-gear on HMS *Warspite* jams, it is up to Nick, along with his brother, Hugh, to save thousands of lives. Praise for the Nick Everard naval thrillers: "A particularly rousing brand of naval fiction . . . Brimming with action, suspense, and authentic historical detail." —Booklist "Impeccable in detail and gripping in impact." —Irish Independent "The research is unimpeachable and the scent of battle quite overwhelming." —Sunday Times "Has the ring of truth and the integrity proper to a work of art." —The Daily Telegraph "The prose has a real sense of urgency, and so has the theme. The tension rarely slackens." —Times Literary Supplement "Fullerton again proves his talent for combining historical fact with rousing fiction. . . . [His] presentation of naval action, customs, traditions and life at sea shines with authenticity, and his portrayal of men under fire is breathtaking." —Publishers Weekly "A thoroughly likeable hero." —Kirkus Reviews

Tom Chatto, Apprentice Philip McCutchan 1995 First vol in a naval adventure series, as Tom Chatto embarks at Liverpool in the 1890s on his first voyage as an apprentice at sail.

The Great Santini Pat Conroy 1987 A novel about the fictional family of an American fighter pilot.

The Sam Reilly Collection Chris Cartwright Three bestselling Sam Reilly novels by the new Master of Action and Adventure, Christopher Cartwright! 1. *The Last Airship* In 1939 a secret airship departed Nazi Germany in the dark of night filled with some of the most influential people of its time. Its cargo: a complement of rich Jewish families carrying their most valuable possessions. One such item amongst them was as dangerous as it was priceless. The airship never reached its destination. In 2015 Sam Reilly, a marine biologist and wealthy son of shipping mogul James Reilly discovers a missing clue about the lost airship and what follows is a violent treasure hunt, kept secret by the most powerful men in the world today, driven by their greed and need for that which all are motivated: the opportunity for unlimited power. 2. *The Mahogany Ship* An ancient shipwreck. A two hundred year old mystery. A plague that's destroying all marine life. A pyramid half a mile below the sea. And a puzzle that must be solved before it destroys the human race. On the 18th of February, 1812, the *Emily Rose* became shipwrecked on the southern coast of Australia. The survivors are forced to walk nearly a thousand miles through the unexplored land to reach the only settlement, Sydney Cove. Nearly two hundred miles inland, they come across the remains of a monstrous ship, far bigger than anything the British Navy had ever constructed. Through basic communication achieved with the

natives, they learned that the ship had been there for a very long time... Maybe a thousand years? Despite the details of the mysterious ship in the journals from the survivors of the *Emily Rose*, no evidence that the Mahogany Ship ever existed was found - until now. Present day: A mining exploration in Australia takes a core sample 500 feet below the surface of a deserted mountain. The sample returns no evidence of gold deposits, but something much more valuable - a single Spanish Gold coin, dated 1518. Could the origins of this coin finally reveal the existence of the fabled Mahogany Ship? At the same time, Sam Reilly and his team of ocean investigators are exploring the cause of a widespread death of sea life within the Gulf of Mexico. In a race against time to stop the irrevocable destruction of the world's marine life, the two mysteries may just be entangled, and failure to solve them both will result in the greatest threat to ever face the human race. 3. *Atlantis Stolen* A civilization stolen from the history books. A billionaire's obsession to unlock its secrets. A brotherhood determined to hide the truth. And time is running out. Only a handful of people know what destroyed the ancient Atlantians, whose very existence is a secret that they will kill to protect. Unfortunately, the very same catastrophe that destroyed that once proud civilization is drawing near once more. The question is, can marine biologist Sam Reilly discover the truth in time to prevent it?
