2020-01-28 Six weeks. Just forty-two short days. That's all it takes to rip the heart out of a city and change the lives of those who live there. Forever. One such life belongs to Ryan Jarrod. In the early hours of a wet winter's morning on Tyneside, Ryan Jarrod approaches the end of his second shift as a Special Constable when he stumbles across the body of a savagely beaten Teddy McGuffie, a down-at-heel taxi driver. On the same night, an explosion rips through the heart of Newcastle upon Tyne's student community. Casualties are high; the city brought to a

standstill. And the University blast is only the beginning of a bloody reign of terror which threatens the very fabric of the region. With the McGuffie case shelved, Ryan vows to investigate it himself. Except for one man: DCI Stephen Danskin. Danskin sees a lot of himself in the young Special. He breaks protocol. Invites Jarrod into the case. Together, they dive deeper into the tangled lives of those associated with the letters - and lay a trap to lure the killer to

one of the region's most iconic landmarks: The Angel of the North. What could possibly go wrong? Think of Anne Cleaves or LJ Ross with a gritty, urban twist - that's the DC Ryan Jarrod series.

**Broadland** David Blake 2019-04-05 THE DEBUT CRIME THRILLER OF THE YEAR! "I bloody loved the book. Wow! Loved the twists and turns!" Ali Dunn A girl's body found mutilated by a boat's propeller, another dumped at the bottom of a slipway, and a disused Norfolk mill, hiding the secret to both. "A COLD DENSE shadow fell over Jane Richardson as she hurried along the concrete towpath. To her left, moonlight danced over the River Bure's untroubled surface as it slipped silently past, heading back the way she'd come. A low-hanging branch scratched at her face as she ducked underneath. From somewhere far behind her came the shriek of laughter, slicing through the air, only to fall silent a moment later to leave nothing but the sound of her high heels, click-clacking out a stark but steady beat." When a girl's body is found strangled, raped, and horrifically mutilated by a boat's propeller, deep in the heart of the Norfolk Broads, newly arrived Detective Inspector John Tanner is asked to assist with the investigation. At first, all the evidence points to a man who had a multi-million pound reason to kill her. But when an alibi is produced from an unexpected source, and another body appears at the base of a slipway, Tanner finds himself turning to local girl, Detective Constable Jenny Evans for help. As a more intimate relationship begins between them, they find themselves facing a race against time to identify a lethal adversary, one with a lust for blood and a mind set on revenge. Set within the mysterious beauty of the Norfolk Broads, this fast-paced British detective series is a cozy murder mystery that will have you guessing until the very end, when the
