Law in Social Work Practice Andrea Saltzman 2015-01-01 Written by an author team educated in both the law and social work, this book acquaints readers with major state and federal laws, regulations, and court opinions that directly affect social work practice. LAW IN SOCIAL WORK PRACTICE, 3rd Edition helps readers understand how to work within the legal system to benefit clients and further client interests, recognize certain client problems as legal, and work effectively with lawyers, as well as how the law shapes and restricts clients' actions. It also addresses how the law regulates social work practice, and how to recognize and respect the rights of clients and others affected by a practitioner's actions. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Legal Issues in Social Work Practice and Research Sana Loue 2018-05-17 This highly practical text surveys the myriad legal and ethical issues that social workers encounter both in daily practice and under special circumstances. Its initial section presents concepts in law and ethics that unite practitioners, researchers, and academics in the field, such as confidentiality, informed consent, and the interplay between social work and administrative and judicial systems. A selection of representative cases illustrates legal aspects involved in providing services to families, children, elders, and persons with disabilities. Also included are chapters on advocacy in social work, both in its potential to influence policy and on the global stage as part of the ongoing struggle for human rights and dignity. Among the topics covered: Confidentiality and the social worker-client relationship Liability issues for social workers in the clinical context Legal issues arising in the context of social work research The social worker and forensic social work Social worker involvement in access to school and school services Social work in the context of health care Legal issues working with immigrants, refugees, and asylees The interface between social work and human rights Legal Issues in Social Work Practice and Research is an interdisciplinary text aimed at social work, mental health, and legal professionals. It enhances the power of social work as an integrative system to support clients' rights and agency.

Principles of Social Work Practice Molly R Hancock 2012-12-06 Principles of Social Work Practice is the first textbook to deal exclusively and thoroughly with the significant principles of social work practice and methods that integrate these principles into the common base of practice. You will learn from case examples how to apply crucial ethical, personal, and methodological principles to different practice areas. As you increase your understanding of the nature of professional social work and the essence of its value base and Code of Ethics, you also learn to develop approaches to social work practice that are sensitive to a multicultural clientele. You will leave this book with useful skills and a flexibility that allow you to work not only with individuals but also with families, couples, groups, organizations, and communities. As you read Principles of Social Work Practice, you will heighten your sensitivity to the professional worker-client relationship and its role as a primary instrument of positive change. Using this book as a guide, you can develop your own strategies for facilitating change and growth that will result in the satisfaction of long-term personal and social goals. Simultaneously, you will build a framework for social work practice that has at its foundation a strong sense of individual worth and dignity. A unique combination of theory and practice, readers gain insight into: confidentiality the nonjudgmental attitude controlled emotional involvement self-determination respect for the individual empowerment Principles of Social Work Practice illustrates for advanced undergraduates and graduate students how to effectively intervene in the conflicts that evolve between clients' needs for well-being and development and the demands or restrictions of public attitudes or social policy. You will sharpen your skills and construct indispensable methods for helping individuals establish vital links with their communities.

Forensic Social Work Tina Maschi 2009-07-20 Print+CourseSmart
Law and Social Work Practice Raymond Albert, MSW, JD 2000-02-16 This completely rewritten and updated new edition of a practical text continues to provide a firm introduction to law and legal processes and their relation to social work practice. Using Clinton's welfare reform act of 1996, Albert provides a conceptual framework to illustrate how socio-legal problems emerge in the welfare state, and presents the skills base necessary for effective social work response. A new section on socio-legal issues highlights many fields where social worker-lawyer partnerships can occur, such as civil rights and advocacy, the death penalty, liability for neglect in nursing homes, informed consent and medical treatment, and much more. Filled with techniques for reading and understanding judicial opinion, legislative statutes, and bills, this new edition will appeal to all professors of law and social work courses, as well as courses on the welfare state.

Social Work Practice and the Law Dr. Lyn Slater, PhD 2011-10-17 Print+CourseSmart
Practising Social Work Law Suzy Braye 2017-09-16 This fully revised fourth edition of a well-respected textbook seeks to build social workers' confidence in legal interpretation and implementation - practitioners must not only know the law; they must also have a critical appreciation of its implications for human rights, civil liberties and social justice. With a focus on promoting knowledge and skills in recognising, locating and articulating legal issues, it also demonstrates how the law can be used to inform practice standards and deliver positive outcomes for service users. This is essential reading for social work law modules at undergraduate and postgraduate level. Practitioners and educators will also find it an invaluable resource to guide them through a complex, yet vital, aspect of their work."> New to this Edition: - Combines up-to-date statute, case law and guidance with extended practice examples and questions for reflection

Working in Social Work Jessica Rosenberg 2009-09-25 This text provides graduate students going into the social work field with real world and practical information about what it is really like to work as a social worker. Each chapter presents a true picture of what to expect as a front-line social worker in the given practice setting.
Law for Social Workers Caroline Ball 2017-07-05 The fourth edition of this popular text has been expanded to accommodate social workers' continuing need for a thorough grounding in the statutory framework of local authority practice and the wider legal context of social work in the statutory and voluntary sectors. The separate chapter on social work law in Scotland addresses continuing developments in relation to devolved government and new legislation. Since 1996, the pace of change has been remorseless. Part IV of the Family Law Act has been implemented; youth justice in England and Wales has been substantially reformed; the Human Rights Act 1998 impacts on areas of social work practice; and social security law has been significantly amended. The Adoption and Children Act 2002 will both radically reform the law relating to the adoption of children and significantly amend the Children Act 1989. All these important changes, central to social work practice, are addressed in detail.

Democratizing Legal Services Laura Snyder 2016-10-11 This book responds to the common objections to alternative business structures, describes the opportunities that such structures offer, exposes how lawyer self-regulation operates to obstruct the modernization of legal services, and includes interviews with persons who have experience with alternative legal service providers in other countries.
Social Work and the Courts Daniel Pollack 2015-10-05 Social Work and the Courts is a collection of important and cutting-edge court decisions in the field of human services, now in its third edition. Pollack and Kleinman present an array of legal cases in everyday language, with clear explanation of the facts and issues, and in-depth examinations of the reasoning and implications of each decision. This new edition includes over twenty new cases, all of which happened between 2010 and 2014, making this one of the most significant and timely investigations of how social work and the law intersect. Special attention is paid to recent rulings in child welfare and social worker liability. The dissection and analysis of these influential cases makes this volume an excellent teaching tool and an essential resource for both social workers and policy makers.

The Role of Law in Social Work Practice and Administration Theodore J. Stein 2004-07-06 This book addresses this relationship between the professions of social work and law and helps social workers develop the knowledge necessary to practice in a legal environment. The author focuses on how the law affects the day-to-day practice of social work; the creation, administration, and operation of social service agencies; and the ways in which social workers and attorneys collaborate to serve the public.
In the Shadow of the Law Phillip A. Swain 2002 All those who work in the human services sector are constrained in what can be done by legislative and statutory requirements, and by the ethical imperatives of the legal system. Social workers, however, need to not just know the law, but to understand how law and legal systems can be utilised.
Practical Social Work Law Siobhan E. Laird 2014-05-01 Practical Social Work Law: analysing court cases and inquiries presents legal issues associated with social work in an accessible format. It

approaches the law in a way that is less daunting and more engaging by examining actual court cases and public inquiries, and explores the stories of real people and the legal and ethical dilemmas practitioners will face. The text adopts a problem-centred approach to learning by introducing the reader to key aspects of the law through a series of real-life situations; it addresses basic principles regarding the operation of the law and explores the lessons for good practice. Each chapter addresses a specific area of social work law including family breakdown, safeguarding children, youth justice, adults with disabilities, mental health and mental capacity. Landmark cases, cases drawn from the lower courts, tribunals, and ombudsman's decisions are included throughout presenting an accessible account of the application of the law. Practical Social Work Law is an essential text for undergraduate, postgraduate and recently qualified social workers who are wrestling with the complexity of the law and the professional dilemmas it poses for their practice. "This book is unusual for a law book in that it is not only a reference book but also a very readable volume...[It] is set out clearly and provides a sound basis for student social workers new to the law and a refresher for qualified practitioners." Catherine Poulter. RSW. Integrated Community Services. Carmarthenshire County Council
Just Practice Janet L. Finn 2020-12-15 "Welcome to the complex and dynamic terrain of social work. Some of you will be reading this book because you are planning to pursue a career in social work.

Perhaps your image of the field is still fuzzy, waiting to be developed in the coming weeks and months. Others may encounter this book after years of experience in the social work profession. Perhaps your own life and work experiences, political commitments, or concerns about people's everyday struggles for survival, rights, and dignity have brought you to these pages. You may have a clear image of social work practice in mind. Depending on your experience, you may wish to emulate this image or you may wish to change it"--

Law for Social Work Practice Robert Johns 1999-11-11 In adopting an innovative case-study approach to social work law and practice, this text fills a genuine need for a book which applies legal knowledge to the practice predicaments social workers face in their daily work. Focusing on an area of law not covered in depth in standard texts currently available, it offers clear and accessible coverage of care in the community and protection of the most vulnerable in our society in a stimulating practice-focused way.

Practical Child Law for Social Workers Clare Seymour 2013-02-01 The English legal system in the area of social work with children and families can be bewildering and complex and it is vital therefore that any textbook on the subject uses case law, case studies and research to critically-engage social workers and students alike. This book does just that - by examining, and putting into clear practical context, the current law and policy relating to social work with children and families. A guide for both students on placement as well as Newly Qualified Social Workers (NQSWs) entering their first roles within children and families teams, Practical Child Law for Social Workers is essential reading for a fast-paced and complex area of social work.

Courtroom and Report Writing Skills for Social Workers Clare Seymour 2011-07-07 This new text will build on Courtroom Skills for Social Workers, by updating the legal and research content and strengthening the material on recording. There will also be additional contributions from service users and more practice examples, so as to make the book interesting and relevant for qualified social workers. It will assist social workers in meeting their CPD requirements for continuing registration and also offer a framework for short in-service training courses on court skills and recording, both areas in which social workers' performance comes under the scrutiny of other professionals.

Using the Law in Social Work Robert Johns 2017-06-24 A core function of social work is to assist, empower and protect the most vulnerable in society. Every day social workers make difficult decisions in complex and challenging situations. They work in organisations that have clear statutory duties. It is essential therefore, that social work students know what their responsibilities are. Familiarity with law, legislation and legal processes is consequently fundamental to sound social work practice. This bestselling book helps social work students gain this foothold in understanding law as it applies to social work practice. It avoids complicated legal jargon remote from the everyday realities of practice, offering instead a grounding in legally-appropriate, rights-based social work. It covers the full range of social work law, including services for children and families and child protection, adult care law, youth justice, court work, professional regulation and human rights.

Cases in Macro Social Work Practice David P. Fauri 2008 The Third Edition of Cases in Macro Social Work Practice provides relevant, contemporary, macro practice case scenarios that reflect practice dilemmas and challenges typically experienced by social workers in organizational, community, and policy practice areas. It emphasizes the change process in both domestic and international settings by using a theoretical and practice perspective, and follows the outline of the Fourth Edition of Social Work Macro Practice--written by F. Ellen Netting, Peter Kettner, and Steven McMurtry. Please Note: Cases in Macro Social Work Practice may be value-packaged with Social Work Macro Practice at a special discount. In the Shadow of the Law the Legal Context of Social Work Practice 19??

Social Work Practice and the Law Dr. Lyn K. Slater, PhD 2011-10-17 "This is the first book to give social workers the tools to understand their clients' legal needs and rights and to address them collaboratively and effectively, Lyn Slater and Kara Finck ground their text in a comprehensive grasp of the legal system and the inequities of race, class, and gender that shape clients' experiences. Social Work Practice and the Law is a powerful call for social workers to be passionate and skillful advocates for their clients. Essential reading for social workers and lawyers alike who serve low-income people entangled in systems that so often fail them." Dorothy Roberts, JD Kirkland & Ellis Professor, Northwestern University School of Law Author, Shattered Bonds: The Color of Child Welfare Based on the author's innovative and nationally recognized prototype for inter-professional work at Fordham University, this is the only volume about social work and the legal system that is written from the social worker's perspective. Devoid of "legalese," the book is designed to help social workers develop the ability to reappraise, question, and challenge the law to best serve their clients. It aims to promote the development of a more strategic relationship with the legal system-a partnership that can achieve more creative and just solutions to social problems. Exhaustive in scope, Social Work and the Law identifies current national and international trends and legal movements that support and invite inter-professional, critically competent social work participation. The book also identifies and explains the essential knowledge, skills, values, and attitudes necessary for the attainment of collaborative critical competence when interacting with the legal system. Each chapter includes vivid case studies based on actual collaborations that illustrate the application of theory to practice. Chapters also include legal, social work, and evidence-based resources. Key Features: Promotes a proactive approach to the ways in which social workers can use law to promote clients' best interests Addresses all domains of social work practice-child welfare, housing law, educational access, disability law, benefits, and more Offers abundant case studies taken from the authors' real-life work Devoid of "legalese" and written from a social worker's perspective

Courtroom Skills for Social Workers Clare Seymour 2007-06-28 This book throws light on legal and courtroom processes and procedures, encouraging readers to see involvement with the courts as a positive element of their practice, rather than something to be afraid of. By encouraging social workers to develop the skills to perform confidently in the court environment, they will be better able to support service users faced with court involvement. This guide is presented within an integrated framework of law and social work and gives a unique opportunity to demystify courtroom and legal procedures and to identify the skills required of social workers involved in court work.

The Practice of Social Work Charles Zastrow 1985

Police Social Work George T. Patterson 2021-12-31 Grounded in contemporary social work practice approaches such as trauma-informed practice, cultural competency and systems theory, this book develops a model for developing, implementing and evaluating police social work and social service collaboration within the context of contemporary policing strategies. The practice of professional social work in law enforcement agencies is increasingly becoming an important area of practice. Police social work, as it is known, benefits community residents and assists law enforcement agencies with accomplishing community policing and other problem-solving initiatives. Throughout 13 chapters, this book covers: The practice of professional social work within law enforcement agencies The types of social problems addressed and characteristics of police social work collaborations Ethical and other practice issues that arise when collaborating with law enforcement agencies and required practice skills to address these issues An examination of collaborations formed between law enforcement agencies and social services agencies in which the service providers are not professional social workers A model for developing police social work collaborations and investigating collaboration effectiveness Expanded roles for police social work practice such as consultation, officer selection, training recruits and police officers, and assisting their families Police Social Work provides a wealth of case-studies and other reference material to prepare students for police social work practice, as well as serving as a

resource for police officers, recruits and students majoring in policing.

Social Welfare Policy in a Changing World Shannon R. Lane 2019-12-03 Social Welfare Policy in a Changing World is an approachable and student-friendly text that links policy and practice and employs a critical analytic lens to U.S. social welfare policy. With particular attention to disparities based on class, race/ethnicity, ability, sexual orientation and gender, authors Shannon R. Lane, Elizabeth Palley, and Corey Shdaimah assess the impact of policies at the micro, meso, and macro levels.

Clinical Social Work Rachelle A. Dorfman 2013-04-15 Published in 1996, Clinical Social Work is a valuable contribution to the field of Psychiatry/Clinical Psychology.

Social Work and the Law Ira Arthell Neighbors 2014-03-18 Examine cutting-edge research on the social worker's role in the legal system! Social Work and the Law: Proceedings of the National Organization of Forensic Social Work, 2000 addresses the issues and concerns facing social workers who deal with law and the legal system. This comprehensive research collection is essential for providing diagnosis, treatment, and recommendations on legal issues and litigation, both criminal and civil. The findings are invaluable for social workers called upon for consultation, education, and training insights when dealing with legal personnel. As the relatively new field of forensic social work grows, the issues related to its expansion become more complex. Social Work and the Law presents thoughtful commentary on those issues, taken from cutting-edge research findings on the links between animal, child, and domestic abuse; the psychology of stalkers (and their targets); empowering the drug courts; determining competency to stand trial; and much more! Vital for social work practitioners, the book is also an important resource for medical, legal, and criminal justice professionals, educators, and counselors. Social Work and the Law is a valuable guide for anyone dealing with: the assessment and treatment of criminal and juvenile justice populations the civil rights of the mentally ill and mentally impaired the social work aspects of marriage, divorce, and annulment the termination of parental rights and much more! More and more, social workers will need legal knowledge as they advocate for clients who have legal problems and/or are involved in the judicial system. Social Work and the Law provides essential information on dealing with issues confronted by the civil and criminal justice systems.

The Strengths Perspective in Social Work Practice Dennis Saleebey 2006 "The Strengths Perspective in Social Work Practice" presents an unrivaled collection of essays that explain the strengths-based philosophy, demonstrate how it works, and provide clear and practical tools for its application. It presents a balanced approach to social work practice, in contrast to a problems-based approach, that takes into account the strengths and assets of clients and their environments. Highlights of the Fourth Edition Six New Chapters "Shifting our Habits of Mind: Learning to Practice from a Strengths Perspective" (Chapter 2) examines how social work practice was historically a more problem-focused profession and the how the current shift towards strengths plays an important part in our work. "Solving Problems from a Strengths Perspective" explores, with relevant examples, how a practitioner can take a perspective on problems that leads to strengths-based and solution-focused practices. "Strengths-Based Case Management: Enhancing Work with Persons with Substance Abuse Problems" (Chapter 8) explores the further extensions of and developments in this important and ground-breaking work. "The Resilience of Families" (Chapter11) examines those factors that promote family resilience and how they can be applied in practice. "Consciousness and Commitment: Slave Narratives in Today's Movement to End Poverty" (Chapter12) applies the lessons of the resistance movements of slaves in order to develop effective and strengths-based strategies for ending poverty. "Honoring Philosophical Traditions: The Strengths Model and the Social Environment" (Chapter 14) presents the strongest and clearest relationship between environmental resources and individual strengths in practicing from the strengths perspective. Extensive revisions of existing chapters make this a fresh, more up-to-date book that retains the passion and sensibilities of the previous editions but with innovative examples and revised, more current bibliographies. Don't Miss This Exciting Value-Added Option! Social Work Skills Demonstrated: Beginning Direct Practice CD-ROM with Student Manual, Second Edition Linda K. Cummins, "Barry University" Judith A. Sevel, "Illinois State University" Laura Pedrick, "University of Wisconsin, Milwaukee" A practical guide to development of crucial social work skills including basic counseling and interviewing techniques, in a CD-ROM format with companion student manual that allows students to work at their own pace. "Social Work Skills Demonstrated: Beginning Direct Practice CD-ROM with Student Manual" is available at a discount when packaged with this text: 0-205-47316-4.

Social Work with Immigrants and Refugees, Second Edition Fernando Chang-Muy, JD 2015-10-08 Praise for the first edition: "This book is an optimal tool for instructors and students of graduate classes in social work and related disciplines." -Journal of Immigrant and Minority Health "This book is a major contribution to social workers and their clients as it addresses advocacy on behalf of immigrants and refugees during a social, economic, and political period that restricts immigrants' rights and service access." -Dr. Diane Drachman, Associate Professor, University of Connecticut School of Social Work "This text is a great tool toward raising awareness of the many issues immigrants face, and helping them find solutions." -Frank Sharry, Executive Director, America's Voice The leading textbook on social work with immigrants and refugees, this is the only book to address the intersection of legal, policy, and advocacy issues, in addition to the clinical skills needed to help these populations. This second edition has been updated to reflect key policy changes at the state and federal levels affecting social work with immigrants and refugees. The authors have expanded their coverage of transnationalism, microaggressions, and public health and community issues, and each chapter features updated case studies on the most critical issues immigrants face today: legal processes, physical and mental health issues, employment difficulties, family conflicts, and more. Key Features: Completely updated to reflect the latest developments in immigration law and policy Includes updated case studies, discussion questions, and abundant reference material Provides the multidisciplinary perspective of lawyers, social workers, clinicians, administrators, and academics Addresses issues specific to elderly immigrants, immigrant children, LGBT immigrants, and victims of international trafficking All-new appendix features sample questions asked at naturalization interviews

Practical and Political Approaches to Recontextualizing Social Work Boulet, Jacques 2021-02-19 Currently there is an enduring and changing meaning of social work in a world where new crises are being confronted and new opportunities are arriving in the evolving context of social work and the related disciplines. There is a question on how to manage the transformation of social work both productively and creatively during this global shift. Practitioners and educators can experience a tragic disorientation when confronted by the diversity and depth of these crises endured and can face doubts about their role in social work throughout all these changes and difficult situations. Alternatives to this disorientation, a comfort with uncertainty, and a capability to take risks need to urgently be developed on a professional and personal level for success in the evolving field. Through historical lens and a review of policies and value-based approaches, the recontextualization of social work can be explored. Practical and Political Approaches to Recontextualizing Social Work explores practical and political ways in which social work practice has been reconstructed. Chapters identify this recontextualization of social work and how it is changing, adapting, and transforming the profession along with providing the potential implications for the profession. This book grants insight on the reconstruction of social work on the personal and interpersonal level ("case" work) and also on those intending to impact social work on the local/global environment level in all dimensions: politically, economically, socially, and ecologically. In addition, the book includes a shift from the present short-term and micro/personal view to a future and much broader and encompassing perspective and practice vision. This book is essential for social workers, practitioners, policymakers, government officials, researchers, academicians, and students who want to learn more about the recontextualizing of modern social work in a shifting global environment.

Social Work Law Michelle Evans 2022-05-23 Designed with the student in mind, this contemporary and creative textbook takes the fear out of learning law, and enables students to apply it to their social work practice with confidence. Social Work Law is an exciting new textbook that supports students who are often intimidated by law as a subject. It helps them remember all the relevant Acts and legislation, and illustrates how the law can be applied in practice. Learning features such as mindmaps, end of chapter tests, and personal reflection boxes provide powerful tools for understanding and recall. It also explores key study skills to help students with essay preparation and taking a social work law exam. Mapped to modules and based on teaching needs, it supports lectures too with up to date content and worked examples to follow throughout. Accessible and engaging, this introduction guides readers through the modern professional and legal context of Social Work, equipping them with the tools they need to be able to think critically and adapt to whatever situation they may encounter in their practice. Whether a qualifying student on an undergraduate degree course, an Social Work degree apprentice, or a newly qualified social worker, this is the go-to textbook for being able to understand , think critically, and apply law to your social work practice.

Forensic Social Work Robert L. Barker 2014-02-04 Explore the legalities and pitfalls of forensic social work! Forensic Social Work: Legal Aspects of Professional Practice, Second Edition examines the professional specialty of forensic social work which involves testifying in court as an expert witness, investigating cases of possible criminal conduct, and assisting the legal system in such issues as child custody disputes, divorce, child support, juvenile delinquency, spouse or child abuse, and placing individuals in mental hospitals. As a student or professional social worker, you will explore a variety of ethical and legal issues, such as malpractice, licensing, credentialing, marketing for forensic clients, and presenting effective courtroom testimony. Current and fact-filled, this new edition discusses the origins of forensic social work and offers implications for future practice. New material in this edition includes a chapter on how to establish a forensic social work practice, with information on how to bring in clients, generate new referrals and make other important contacts. Another new chapter expands on the first edition's discussion of implanted memory versus recovered memory and the ways that social workers use and often misuse this information. A third new chapter examines credentialing requirements for forensic social work. Forensic Social Work details legal conflicts you may face and offers suggestions on how to deal with these situations. Rich with examples, some aspects of forensic social work that you will learn about are: separating the role of the expert witness from the role of the fact witness while testifying understanding the motivations, payments, and positive incentives for entering the field of forensic social work avoiding malpractice lawsuits by understanding the criteria for liability guidelines for action when laws and ethics collide preparing for litigation duty-to-warn laws writing reports and contracts for the litigious society using the problem-oriented (SOAP) record distinguishing implanted memory from recovered memory and understanding how witnesses and social workers may misuse remembered information Complete with a glossary, case examples, and information on how to obtain clients, new referrals, and other contacts, Forensic Social Work gives you a thorough look at the profession of forensic social work. You will explore the legal and ethical issues that come with this profession, learn the credentials needed to become a forensic social worker, and discover how to adequately market yourself in the field. Forensic Social Work will prepare you for the circumstances that may arise and help you to professionally and successfully overcome future challenges.

Social Work and Law Sunny Harris Rome 2013 Helping social workers understand how to operate within the complex legal environment. Social Work and Law exposes students to the ways in which social work and law intersect. Students will explore the judiciary's contributions to important social policy issues and the knowledge social workers need to effectively participate in the judicial process. An introductory unit presents basic legal concepts, describes the workings of the court system, and shares strategies for avoiding malpractice. The units that follow cover a variety of topics to give instructor's options for their course and allow students to study their interests. These topics include issues related to children, domestic violence, older adults, the death penalty, health, discrimination, LGBT rights, and the rights of students and immigrants. Upon completing this book readers will be able to: Understand how social workers operate within the complex legal environment Identify the role of law in shaping human experience and explore how competent social work practice can influence legal processes and outcomes Examine how law and social work intersect in relation to particular populations and fields of practice Assess the conformity of judicial decisions with social work values and ethics, while understanding the underpinnings of judicial decisions and why they might differ from social work decision-making Distinguish between case law and statutory law, understand the role of each, and recognize how their dynamic interaction contributes to the development of social policy Note: MySearchLab does not come automatically packaged with this text. To purchase MySearchLab, please visit: www.mysearchlab.com or you can purchase a ValuePack of the text + MySearchLab (at no additional cost): ValuePack ISBN-10: 0205223508 / ValuePack ISBN-13: 9780205223503.

Essential Law for Social Workers Robert G. Madden 2003 This book explores legal concepts, legal reasoning, and legal processes -- illustrated with case vignettes from social work practice -- in order to provide social work practitioners and students with practical and accessible legal knowledge. It introduces readers to scholarship about the law and to conceptual knowledge that can be applied to any interaction with the legal system. The volume features a discussion of recent reform movements, including Alternative Dispute Resolution, and an appendix of sources for legal information and research on the law.

Social Work Practice Veronica Coulshed 1998 'The book has always been a perfect jumping off point for students... Social Work Practice maintains its bestseller status with this edition.' - Rachel Wooler, Community Care This third edition of Veronica Coulshed's classic text retains the strengths of the original text but has been meticulously revised to reflect recent changes in social work. Including new material on empowering practice, user involvement, community work and community social work, Joan Orme has also increased the book's relevance for workers in the criminal justice service. The original format is maintained, with case examples illustrating the application of theory and practice throughout. An extensive bibliography and suggestions for further reading will also ensure that this remains the most popular introduction to social work available.

An A-Z of Social Work Law Robert Johns 2021-09-15 Puzzled by terminology, skills, law, or theory? Revising for your placement or exam? Then look no further! This series of concise and easy-to-use A-Zs will be your guide. Designed for both students and newly-qualified social workers, this book will introduce you to over 300 key laws, legal terms, and legal processes in a concise and no-nonsense way. It covers all areas of social work practice - adults, children and families, mental health, and youth justice - ensuring you have the knowledge you need to apply the law appropriately, ethically and with confidence.

The Law and Social Work Lesley-Anne Long 2017-09-16 This is an essential text for all those undertaking social work training. Updated to reflect recent changes in legislation and practice in working with children and families, domestic violence, human rights and social services, the second edition contains new chapters to provide comprehensive coverage of the key themes of social work law.

Clinical Social Work Practice and Regulation Laura W. Groshong 2009-10-27 This book describes the mental health treatment being provided by over 200,000 licensed clinical social workers in the United States and a summary of the fifty-one licensure laws and regulations which govern licensed clinical social work practice. The author seeks to standardize clinical social work licensure laws and regulations.

Using the Law in Social Work Robert Johns 2022-10-29 Familiarity with law, legislation and legal processes is fundamental to sound social work practice. This book helps social work students gain this foothold in understanding law as it applies to social work practice.
