Maverick Unchanged, Unrepentant Ram Jethmalani 2014 Ram Jethmalani, respected and feared for his candour in matters political, remains an enigma to many. As a public figure-a politician always in demand, the highest rated criminal lawyer in the country and an international legal authority-he is held in high esteem. In over fifty years of being an active politician, he has never allowed political allegiance to compromise his values. Controversy therefore neither leaves him, nor intimidates him. This volume is a compilation of the author's insights into the state of Indian politics today, expressed with clarity and frankness, laying bare the cover-ups and deception that have come to plague India's body politic. Jethmalani's arguments are incisive, often explosive, but above all, they cannot be set aside. Some of the burning issues discussed in this book are black money, governance, corruption, Kashmir, China and Pakistan, fundamentalism and the rise of terror. Maverick Unchanged, Unrepentant is a searing critique of the disease inherent in government.

Abraham Lincoln Godfrey Rathbone Benson Baron Charnwood 1997-01-01 As preserver of the Union and emancipator of the slaves, Lincoln occupies a unique niche in the pantheon of American leaders. People from around the world admire his eloquence as a spokesman for democracy and fighter for the oppressed. In this landmark biography, published fifty years after Lincoln's death, an English author recounted for his countrymen the remarkable story of Lincoln's life. Lord Charnwood's comprehensive biography, among the first major books about the sixteenth president, presents a sensitive and literate portrait, tracing Lincoln's rise from humble origins to the highest office in the land and recapturing the profound humanity of his character. From the grinding poverty of his boyhood in the backwoods of Kentucky and Indiana and his early struggles as a prairie lawyer, the author charts Lincoln's elevation to the Illinois legislature, Congress, and the presidency, culminating in his role as commander in chief during the bloodiest struggles in American history. Beautifully written, this unabridged edition also offers profound historical insights into the factors contributing to the Civil War, including economic and political conditions, territorial expansion, foreign and domestic policies, and slavery. This splendid profile of an epic figure whose relevance endures and grows with the passage of time is essential reading for admirers of Lincoln, students and scholars of American history, and anyone who appreciates a well-written, engrossing biography.

Eight years later, she is the founder, CEO, and creative director of Nasty Gal, a \$100 million plus online fashion retailer with more than 350 employees. Sophia's never been a typical CEO, or a typical anything, and she's written#GIRLBOSS for outsiders (and insiders) seeking a unique path to success, even when that path is winding as all hell and lined with naysayers. #GIRLBOSS proves that being successful isn't about how popular you were in high school or where you went to college (if you went to college). Rather, success is about trusting your instincts and following your gut, knowing which rules to follow and which to break.
