The Bishop's Man Linden MacIntyre 2010-09-10 Father Duncan MacAskill has spent most of his priesthood as the "Exorcist"—an enforcer employed by his bishop to discipline wayward priests and suppress potential scandal. He knows all of the devious ways that lonely priests persuade themselves that their needs trump their vows, but he's about to be sorely tested himself. While sequestered by his bishop in a small rural parish to avoid an impending public controversy, Duncan must confront the consequences of past cover-ups and the suppression of his own human needs. Pushed to the breaking point by loneliness, tragedy, and sudden self-knowledge, Duncan discovers how hidden obsessions and guilty secrets either find their way to the light of understanding or poison any chance we have for love and spiritual peace.

In the Sea There are Crocodiles Fabio Geda 2011-08-09 When ten-year-old Enaiatollah Akbari's small village in Afghanistan falls prey to Taliban rule in early 2000, his mother shepherds the boy across the border into Pakistan but has to leave him there all alone to fend for himself. Thus begins Enaiat's remarkable and often punishing five-year ordeal, which takes him through Iran, Turkey, and Greece before he seeks political asylum in Italy at the age of fifteen. Along the way, Enaiat endures the crippling physical and emotional agony of dangerous border crossings, trekking across bitterly cold mountain pathways for days on end or being stuffed into the false bottom of a truck. But not

everyone is as resourceful, resilient, or lucky as Enaiat, and there are many heart-wrenching casualties along the way. Based on Enaiat's close collaboration with Italian novelist Fabio Geda and expertly rendered in English by an award-winning translator, this novel reconstructs the young boy's memories, perfectly preserving the childlike perspective and rhythms of an intimate oral history. Told with humor and humanity, *In the Sea There Are Crocodiles* brilliantly captures Enaiat's moving and engaging voice and lends urgency to an epic story of hope and survival.

The operation takes less than two minutes. Luke will wake up at The Institute, in a room that looks just like his own, except there's no window. And outside his door are other doors, behind which are other kids with special talents--telekinesis and telepathy--who got to this place the same way Luke did: Kalisha, Nick, George, Iris, and 10-year-old Avery Dixon. They are all in Front Half. Others, Luke learns, graduated to Back Half, "like the roach motel," Kalisha says. "You check in, but you don't check out." In this most sinister of institutions, the director, Mrs. Sigsby, and her staff are ruthlessly dedicated to extracting from these children the force of their extranormal gifts. There are no scruples here. If you go along, you get tokens for the vending machines. If you don't, punishment is brutal. As each new victim disappears to Back Half, Luke becomes more and more desperate to get out and get help. But no one has ever

escaped from The Institute.

Nonna Raccontami Francesco Marini 2013 "Grandma, do you remember the house where you were born? Tell me about your first school day! On what occasion did you meet grandpa'..." Ninety questions and many blank spaces to fill: the opportunity of bringing grandmothers and grandchildren closer, to preserve the historical memory of your family and to transmit it. A grandmother is an important figure of everyone's childhood, a great resource of good advices and wisdom, an irreplaceable part of our lives; yet, we sometimes realize that we do not know much about her. Francesco Marini has addressed his grandmother a series of questions and now he invites us to do the same. The result is a book that is both a diary and a scrapbook, with plenty of white spaces just waiting to be filled with notes, family trees and photos. Everything you need is a pen and a grandmother willing to tell her stories, to talk about herself, to offer something that will stay on paper forever. The questions form a path that gives order to memories through emotions and feelings: a simple but extraordinary gift for today, when too many stories from the past are lost. Extinction Thomas Bernhard 2013-08-21 From the late Thomas Bernhard, arguably Austria's most influential novelist of the postwar period, and one of the greatest artists in all twentieth-century literature in the German language, his magnum opus. Extinction, Bernhard's last work of fiction, takes the form of the autobiographical testimony of Franz-Josef Murau, the intellectual black sheep of a powerful Austrian land-owning family. Murau lives in Rome in self-imposed exile from his family, surrounded by a coterie of artistic and intellectual friends. On returning from his sister's wedding to the "wine-cork manufacturer" on the family estate of Wolfsegg, having resolved never to go home again, Murau receives a telegram informing him of the death of his parents and brother in a car crash. Not only must he now go back, he must do so as the master of Wolfsegg. And he must decide its fate. Divided into two halves, Extinction explores Murau's rush of memories of Wolfsegg as he stands at his Roman window considering the fateful telegram, in counterpoint to his return to Wolfsegg and the preparations for the funeral itself. Written in the seamless style for which Bernhard became famous, Extinction is the ultimate proof of his extraordinary literary genius. It is his summing-up against Austria's treacherous past and -- in unprecedented fashion -- a revelation of his own incredibly complex personality, of his relationship with the world in which he lived, and the one he left behind. A literary event of the first magnitude.

The Cloak Nikolai Gogol 2021-03-11 "The Cloak" tells the story of the life and death of Akaky Akakievich Bashmachkin, an unremarkable and indeed pathetic middle-aged titular councillor and copying clerk serving in an unnamed department of the Russian civil service. Though Akaky has very little and is cruelly picked on by his coworkers, Akaky displays no discontentment with his plight, in fact even openly relishing his copying work, in which he appears to find some interesting world of his own. His life is thrown into disarray, however, when he finds that he must buy a new overcoat, a great expense for which he is unprepared. Though he is initially upset by the need for the new overcoat, he soon finds in the quest to save up for and design the new overcoat a higher purpose. The thought of the new overcoat becomes a deep comfort to him, like having a steady companion. The day he receives the coat is the happiest day of his life. However, a turn of events leads to the sudden loss of his coat, and shortly thereafter, of his own life. After his death, Akaky returns as a ghost to haunt St. Petersburg for a time, stealing coats, and in particular the coat of a general who had refused to help Akaky.

The Curious Incident of the Dog in the Night-Time Mark Haddon 2009-02-24 A bestselling modern classic—both poignant and funny—narrated by a fifteen year old autistic savant obsessed with Sherlock Holmes, this dazzling novel weaves together an old-fashioned mystery, a contemporary coming-of-age story, and a fascinating excursion into a mind incapable of processing emotions. Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. Although gifted with a superbly logical brain, Christopher is autistic. Everyday interactions and admonishments have little meaning for him. At fifteen, Christopher’s carefully constructed world falls apart when he finds his neighbour’s dog Wellington impaled on a garden fork, and he is initially blamed for the killing. Christopher decides that he will track down the real killer, and turns to his favourite fictional character, the impeccably logical Sherlock Holmes, for inspiration. But the investigation leads him down some unexpected paths and ultimately brings him face to face with the dissolution of his parents’ marriage. As Christopher tries to deal with the crisis within his own family, the narrative draws readers into the workings of Christopher’s mind. And herein lies the key to the brilliance of Mark Haddon’s choice of narrator: The most wrenching of emotional moments are chronicled by a boy who cannot fathom emotions. The effect is dazzling, making for one of the freshest debut in years: a comedy, a tearjerker, a mystery story, a novel of exceptional literary merit that is great fun to read.

The Secret of San Miniato Renzo Manetti 2018-03-09 An ancient secret is enshrined in a mysterious inscription dated 1207, still to be seen on the ornate marble floor of the Basilica of San Miniato in Florence. This story holds the key to that secret. The narrative unfolds in the latter part of the 12th century when Frederick Barbarossa, the Holy Roman Emperor, was forcefully seeking to bring the Italian communes to heel under his rule in Europe, and the Latin Kingdom of Jerusalem was reeling under the mortal blows of Saladin in the Holy Land. Against the backdrop of these dramatic events, Yosef, a young Florentine Jew, pursues his search for the mysterious "stone" capable of imparting an understanding of the whole of creation: the legendary Grail. Gathering pace with every page turned, picking up speed as it rushes headlong towards its arcane ending, the story hurtles along amid Yosef's heroic deeds and the moving love that binds him for eternity to the beautiful Miriam. "Questo romanzo sta alla pletora di opere di questo genere come i Promessi Sposi stanno al romanzo storico italiano di inizio Ottocento... Se Manetti in persona abbia o meno trovato la pietra filosofale, difficile dirlo, e comunque non lo rivelerebbe: di certo però ha trovato la strada per un capolavoro..." Domenico Del Nero "Manetti riesce a parlare dell'indescrivibile, spesso ricorrendo ad accenti di pura poesia..." Anna Giacomini I Italian edition: October 2006 I reprint: November 2007 I English edition: November 2017 (translation by Stephen Tobin)
