Beethoven David Benjamin Levy 2003-01-01 Beethoven's Ninth Symphony, a masterpiece that has influenced virtually every Western composer since its premiere, has become associated with the marking of momentous public occasions. In 1989, Chinese students played its finale through loudspeakers in Tiananmen Square, and Leonard Bernstein led a performance in Berlin to celebrate the razing of the Berlin Wall. This lively and up-to-date book focuses on Beethoven's Ninth, exploring the cultural and musical meanings that surround this powerful work of genius. David B. Levy sets the scene with a brief survey of nineteenth-century Germanic culture and society, then analyzes the Ninth symphony in detail with special emphasis on the famous choral finale. He discusses the initial performances in 1824 under Beethoven's direction and traces the symphony's critical reception and legacy. In the final chapter of the book, Levy examines interpretations of the work by prominent conductors, including Wagner, Mahler, and Weingartner. A fully annotated discography of selected recordings completes this comprehensive volume.

Beethoven, Symphony No. 9 in D Minor, Op. 125 Jonathan Del Mar 2022

Ode to Joy (Theme from 9th Symphony) 1997-06 This nicely filled-out arrangement of the famous theme from Beethoven's 9th Symphony is especially appropriate as a performance piece for an intermediate level pianist, featuring elements of the symphonic work intertwined with the theme. It is presented in D major, has a wide keyboard range, and nice extremes in dynamics.

Beethoven symphonies Ludwig van Beethoven 2001-01-01 Includes Symphony No. 6 in F major, Op. 68; Symphony No. 7 in A major, Op. 92; Symphony No. 8 in F major, Op. 93; and Symphony No. 9 in D minor, Op. 125.

Beethoven Symphony No. 9 Ludwig van Beethoven 1946

The Critical Reception of Beethoven's Compositions by His German Contemporaries Wayne M. Senner 1999-05-25 Compiled here are reviews, reports, notes, and essays found in German-language periodicals published between 1783 and 1830. The documents are translated into English with copious notes and annotations, an introductory essay, and indexes of names, subjects, and works. This volume contains a general section and documents on specific opus numbers up to opus 54, with musical examples redrawn from the original publications. ø The collection brings to light contemporary perceptions of Beethoven's music, including matters such as audience, setting, facilities, orchestra, instruments, and performers as well as the relationship of Beethoven's

music to theoretical and critical ideas of the eighteenth and nineteenth centuries. These documents, most of which appear in English for the first time, present a wide spectrum of insights into the perceptions that Beethoven's contemporaries had of his monumental music.

Includes Symphony No. 5 in C Minor, Op. 67; Symphony No. 6 in F Major ("Pastoral"), Op. 68; Symphony No. 7 in A Major, Op. 92. Lists of instruments.

The Ninth Harvey Sachs 2011-11-08 The premier of Beethoven's Ninth Symphony in Vienna on May 7, 1824, was the most significant artistic event of the year—and the work remains one of the most precedent-shattering and influential compositions in the history of music. Described in vibrant detail by eminent musicologist Harvey Sachs, this symbol of freedom and joy was so

unorthodox that it amazed and confused listeners at its unveiling—yet it became a standard for subsequent generations of creative artists, and its composer came to embody the Romantic cult of genius. In this unconventional, provocative book, Beethoven's masterwork becomes a prism through which we may view the politics, aesthetics, and overall climate of the era. Part biography, part history, part memoir, *The Ninth* brilliantly explores the intricacies of Beethoven's last symphony—how it brought forth the power of the individual while celebrating the collective spirit of humanity.

Beethoven's Symphonies Martin Geck 2017-05 In the years spanning from 1800 to 1824, Ludwig van Beethoven completed nine symphonies, now considered among the greatest masterpieces of Western music. Yet despite the fact that this time period, located in the wake of the Enlightenment and at the peak of romanticism, was one of rich intellectual exploration and social change, the influence of such threads of thought on Beethoven's work has until now remained hidden beneath the surface of the

notes. *Beethoven's Symphonies* presents a fresh look at the great composer's approach and the ideas that moved him, offering a lively account of the major themes unifying his radically diverse output. Martin Geck opens the book with an enthralling series of cultural, political, and musical motifs that run throughout the symphonies. A leading theme is Beethoven's intense intellectual and emotional engagement with the figure of Napoleon, an engagement that survived even Beethoven's disappointment with Napoleon's decision to be crowned emperor in 1804. Geck also delves into the unique ways in which Beethoven approached beginnings and finales in his symphonies, as well as his innovative use of particular instruments. He then turns to the individual symphonies, tracing elements—a pitch, a chord, a musical theme—that offer a new way of thinking about each work and will make even the most devoted fans of Beethoven admire the symphonies anew. Offering refreshingly inventive readings of the work of one of history's greatest composers, this book shapes a fascinating picture of the symphonies as a cohesive oeuvre and of Beethoven as a master symphonist.
