This collection features 50 of the best jazz standards ever, including: All the Things You Are * Autumn in New York * Body and Soul * Don't Get Around Much Anymore * Fly Me to the Moon (In Other Words) * Georgia on My Mind * The Girl from Ipanema (Garota De Ipanema) * It Could Happen to You * Misty * My Funny Valentine * Night and Day * Satin Doll * Speak Low * Summertime * The Way You Look Tonight * When I Fall in Love * You Stepped Out of a Dream * and more. *The Blue Note Label* 1988 From 1939 until the late 1960s, much of the best in recorded mainstream jazz was issued on the Blue Note label, which set the standard for excellence in both music and production. . . . The present work provides complete discographical information on every recording made or issued by Blue Note. Included is also an index of listed artists, a history of the label, and 11 pages of photographs. Although partial discographies of the Blue Note catalog have been published previously, this is the first comprehensive one to appear. One of the authors is an acknowledged authority on Blue Note and the other is a widely published discographer. Because of the importance of Blue Note in the history of jazz, this meticulously prepared book would be a worthwhile addition to any music reference section in either public or academic libraries. Choice This discography consists of a complete listing of all the sessions recorded by the Blue Note label, starting in 1939, and extending through the label's temporary demise in 1981 and subsequent revitalization in 1985. The first part of the discography details all the sessions conducted by Lion and Wolff from 1939 through mid-1967. All existing takes are listed and numbered. The next section lists all the Blue Note sessions of 1967 through 1979, when the label became part of the Liberty and then EMI recording companies. Part 3 and 4 of the discography list Blue Note reissues of material from EMI and other labels. Part 5 details Blue Note sessions made or issued by the new Blue Note series, which was started in 1985. Sessions are listed with all available information on personnel, recording locations and dates, and master and issue numbers. Part 6 lists single series, Part 7 lists album series, and both provide comprehensive lists of foreign issues along with a table of equivalent U.S. singles or albums. Foreign reissues that are identical to U.S. issues are not listed. The work then provides compact disc and cassette tape listings, and concludes with an artist index. The index contains all the names appearing in the session listings, and indicates cases where the artists appeared as sideman. *Someone Like You Sheet Music* Adele 2011-12-01 (Piano Vocal). Barbarian's Rescue Ruby Dixon 2017-06-12 Bad day? Try mine on for size.Rogue slavers have landed on the ice planet and captured the tribe. The one ones not snatched? Me, a walking human mouth with no skill except that of incoherent babbling, and Warrek, who's as silent as he is attractive. Two more unlikely people have never been paired together.And now we're supposed to form a rescue team.Saving the others is either going to bring us closer together - or drive us completely apart. I'm pretty sure the feelings I'm having for my alien companion are as unrequited as they are inappropriate, but since we aren't going to make it out alive, what harm is one teeny, tiny kiss?Who knew that one kiss could change everything?

Vince Guaraldi at the Piano Derrick Bang 2014-01-10 Although Vince Guaraldi's playful jazz piano themes for the early Peanuts animated television specials are well known, the composer himself remains largely unheralded. More than merely "the Peanutz guy," Guaraldi cut his jazz teeth as a member of combos fronted by Cal Tjader and Woody Herman, and garnered Top 40 fame with his Grammy Award-winning hit "Cast Your Fate to the Wind." This career study gives Guaraldi long-overdue recognition, chronicling his years as a sideman; his attraction to the emerging bossa nova sound of the late 1950s; his collaboration with Brazilian guitarist Bola Sete; his development of the Grace Cathedral Jazz Mass; his selection as the fellow to put the jazz swing in Charlie Brown's step; and his emergence as a respected veteran in the declining Northern California jazz club scene of the 1970s. Throughout, this welcome volume conveys the magic and legacy of one of jazz music's overlooked treasures.

Antonio Carlos Jobim Helena Jobim 2011-10-01 (Book). Charlie Byrd, Herbie Mann, and others brought in bags full of discs from a trip to Brazil in 1961. Stan Getz listened to them and recorded "Desafinado," which stayed for 70 weeks on the Billboard charts. Since then, no one can deny bossa nova's global appeal and influence upon jazz and world music. While celebrating bossa nova's 50-year presence in the United States, we can learn more about the movement's champion, Jobim, through poet and novelist Helena Jobim's Antonio Carlos Jobim: An Illuminated Man . His personal, intellectual, and professional history comes alive. With a vast, intimate, and revealing set of photographs, and an engaging, elegant and unique prose, this is the story of a true 20th-century's genius. Helena Jobim does justice to her brother's poetic voice. The composer of "Waters of March" read, questioned, and re-created the world he lived in not only through mesmerizing melodies, but also through down-to-earth poetry. The biography also reveals Antonio Carlos Jobim's serious ecological concerns. To his 400 songs of inexplicable grace he has added his own epigraph in An Illuminated Man : "Every time a tree is cut down here on Earth, I believe it will grow again somewhere else, in another world. So, when I die, it is to this place that I want to go, where forests live in peace."

Music and Translation Lucile Desblache 2019-06-14 This book explores how transformations and translations shape musical meanings, developments and the perception of music across cultures. Starting with the concept of music as multimodal text, the author understands translation as the process of transferring a text from one language – verbal or not – into another, interlingually, intralingually or intersemiotically, as well as the products that are derived from this process. She situates music and translation within their contemporary global context, examining the tensions between local and global, cosmopolitan and national, and universal and specific settings, to arrive at a celebration of the translational power of music and an in-depth study of how musical texts are translated. This book will be of interest to translation studies scholars who want to broaden their horizons, as well as to musicians and music scholars seeking to understand how cultural exchange and dissemination can be driven by translation.
