The Rape of the Lock and Other Major Writings Alexander Pope 2011-06-30 Alexander Pope (1688-1744) was the greatest English poet of his age, whose acerbic insights into human nature have entered the language, and whose verse still astonishes with its energy and inventiveness centuries after his death. This new selection of Pope's work follows the path of his poetic genius over his lifetime. It contains early poems including the masterly mock-epic 'The Rape of the Lock', which satirizes a notorious society scandal through glorious heroic couplets, the brilliantly aphoristic 'An Essay on Criticism' and excerpts from his translation of the Iliad. Later poems represented include Pope's ironic adaptations of Horace's Epistles, Satires and Odes, and the remarkable 'Dunciad', a stinging attack on his literary rivals and the mediocrity of Grub Street hacks. Here too are selected prose works and letters from Pope to his contemporaries such as John Gay and Jonathan Swift.

The Cambridge Companion to British Romantic Poetry Maureen N. McLane 2008-09-04 More than any other period of British literature, Romanticism is strongly identified with a single genre. Romantic poetry has been one of the most enduring, best loved, most widely read and most frequently studied genres for two centuries and remains no less so today. This Companion offers a comprehensive overview and interpretation of the poetry of the period in its literary and historical contexts. The essays consider its metrical, formal, and linguistic features; its relation to history; its influence on other genres; its reflections of empire and nationalism, both within and outside the British Isles; and the various implications of oral transmission and the rapid expansion of print culture and mass readership. Attention is given to the work of less well-known or recently rediscovered authors, alongside the achievements of some of the greatest poets in the English language: Wordsworth, Coleridge, Blake, Scott, Burns, Keats, Shelley, Byron and Clare.

Metaphysical Poetry Colin Burrow 2013-07-04 A key anthology for students of English literature, Metaphysical

Poetry is a collection whose unique philosophical insights are some of the crowning achievements of Renaissance verse, edited with an introduction and notes by Colin Burrow in Penguin Classics. Spanning the Elizabethan age to the Restoration and beyond, Metaphysical poetry sought to describe a time of startling progress, scientific discovery, unrivalled exploration and deep religious uncertainty. This compelling collection of the best and most enjoyable poems from the era includes tightly argued lyrics, erotic and libertine considerations of love, divine poems and elegies of lament by such great figures as John Donne, George Herbert, Andrew Marvell and John Milton, alongside pieces from many other less well known but equally fascinating poets of the age, such as Anne Bradstreet, Katherine Philips and Thomas Traherne. Widely varied in theme, all are characterized by their use of startling metaphors, imagery and language to express the uncertainty of an age, and a profound desire for originality that was to prove deeply influential on later poets and in particular poets of the Modernist movement such as T. S. Eliot. In his introduction, Colin Burrow explores the nature of Metaphysical poetry, its development across the seventeenth century and its influence on later poets and includes A Very Short History of Metaphysical Poetry from Donne to Rochester. This edition also includes detailed notes, a chronology and further reading. Colin Burrow is Reader in Renaissance and Comparative Literature at Gonville and Caius College, Cambridge. He has edited Shakespeare's Sonnets for OUP and The Complete Works of Ben Jonson, and is working on the Elizabethan volume of the Oxford English Literary History. If you enjoyed Metaphysical Poetry, you might like John Donne's Selected Poems, also available in Penguin Classics.

The Cambridge Introduction to British Romantic Poetry Michael Ferber 2012-04-26 The best way to learn about Romantic poetry is to plunge in and read a few Romantic poems. This book guides the new reader through this experience, focusing on canonical authors - Wordsworth, Coleridge, Byron, Keats, Blake and Shelley - whilst also including less familiar figures as well. Each chapter explains the history and development

of a genre or sets out an important context for the poetry, with a wealth of practical examples. Michael Ferber emphasizes connections between poets as they responded to each other and to great literary, social and historical changes around them. A unique appendix resolves most difficulties new readers of works from this period might face: unfamiliar words, unusual word order, the subjunctive mood and meter. This enjoyable and stimulating book is an ideal introduction to some of the most powerful and pleasing poems in the English language, written in one of the greatest periods in English poetry.

The Broadview Anthology of Romantic Poetry Joseph Black 2016-08-11 Intended for courses with a major focus on poetry during the Romantic period, this volume includes all the poetry selections from Volume 4 of The Broadview Anthology of British Literature, along with a number of works newly edited for this volume. The Broadview Anthology of Romantic Poetry maintains the Broadview Anthology of British Literature's characteristic balance of canonical favorites and lesser-known gems, featuring a breadth of poetry from William Blake to Phillis Wheatley, from Ebenezer Elliott to Felicia Hemans. To give a sense of the full sweep of the Romantic period, the anthology incorporates important early figures from William Collins to Phillis Wheatley, as well as works by Victorians—such as Elizabeth Barrett Browning and Alfred, Lord Tennyson—for whom Romanticism was a formative force. “Contexts” sections provide valuable background on cultural matters such as “The Natural and the Sublime” and “The Abolition of Slavery,” while the companion website offers a wealth of additional resources and primary works. Longer works newly prepared for the bound book include Byron's *Manfred* and *The Giaour*, Keats's *Hyperion*, and substantial selections from Wordsworth's fourteen-book *Prelude*; authors newly added for this volume include Hannah Cowley, Hannah More, Ann Yearsley, Robert Southey, and Thomas Moore.

The Penguin Book of Victorian Verse 1998-10-19 Daniel Karlin has selected poetry written and published during the reign of Queen Victoria, (1837-1901). Giving pride of place to Tennyson, Robert Browning, and Christina Rossetti, the volume offers generous selections from other major poets such as Arnold, Emily Bronte, Hardy and Hopkins, and makes room for several poem-sequences in their entirety. It is wonderful, too, in its discovery and inclusion of eccentric, dissenting, un-Victorian voices, poets who squarely refuse to 'represent' their period. It also includes the work of Elizabeth Barrett Browning, George Meredith, James Thomson and Augusta Webster.

The Penguin Book of French Poetry 2005-02-24 This collection illuminates the uniquely fascinating era between 1820 and 1950 in French poetry - a time in which diverse aesthetic ideas conflicted and converged as poetic forms evolved at an astonishing pace. It includes generous selections from all the established giants - among them Baudelaire, Verlaine, Rimbaud and Breton - as well as works from a wide variety of less well-

known poets such as Claudel and Cendrars, whose innovations proved vital to the progress of poetry in France. The significant literary schools of the time are also represented in sections focusing on such movements as Romanticism, Symbolism, Cubism and Surrealism. Eloquent and inspirational, this rich and exhilarating anthology reveals an era of exceptional vitality.

The New Penguin Book of Romantic Poetry Jonathan Wordsworth 2005 The years following the American and French revolutions of 1776 and 1789 saw a matchless flowering of poetry, in which a new mood emerged. Romanticism was an exaltation of the imagination, a celebration of creativity and an expression of feeling in its most elevated form, which is at the root of our modern understanding of nature, beauty and love. Organised by theme and genre, this collection reveals unexpected connections and shared preoccupations and allows us to see the Romantics in a fresh light. Thus Blake, Wordsworth and Shelley appear as masters of comedy; Burns and Byron speak of the relationship between man and nature; and Coleridge, Keats and Clare explore the Gothic and surreal. And the acknowledged genius of Blake's 'Tyger', Coleridge's 'Kubla Khan', and Shelley's 'Ozymandias' is set alongside verse from less familiar figures, including a strong representation of women poets, among them Charlotte Smith, Felicia Hemans & Letitia Elizabeth Landon.

On Love and Barley Matsuo Basho 1985-08-29 Basho, one of the greatest of Japanese poets and the master of haiku, was also a Buddhist monk and a life-long traveller. His poems combine 'karumi', or lightness of touch, with the Zen ideal of oneness with creation. Each poem evokes the natural world - the cherry blossom, the leaping frog, the summer moon or the winter snow - suggesting the smallness of human life in comparison to the vastness and drama of nature. Basho himself enjoyed solitude and a life free from possessions, and his haiku are the work of an observant eye and a meditative mind, uncluttered by materialism and alive to the beauty of the world around him.

First World War Poetry Jon Silkin 1997-02-01 A selection of poetry written during World War I. In the introduction Jon Silkin traces the changing mood of the poets - from patriotism through anger and compassion to an active desire for social change. The book includes work by Sassoon, Owen, Blunden, Rosenberg, Hardy and Lawrence.

Timaeus and Critias Plato 2008-08-28 *Timaeus and Critias* is a Socratic dialogue in two parts. A response to an account of an ideal state told by Socrates, it begins with Timaeus's theoretical exposition of the cosmos and his story describing the creation of the universe, from its very beginning to the coming of man. Timaeus introduces the idea of a creator God and speculates on the structure and composition of the physical world. Critias, the second part of Plato's dialogue, comprises an account of the rise and fall of Atlantis, an ancient,

mighty and prosperous empire ruled by the descendents of Poseidon, which ultimately sank into the sea.

The New Oxford Book of Romantic Period Verse Jerome J. McGann 2002 This anthology explores the full range of verse published in Britain between 1785 and 1832, one of the most fertile periods for English poetry. Selections from all the major and minor poets are included, as well as examples of the many other kinds of verse which continued to be written during the period: political and satirical verse, 'sentimental' verse, regional and dialect verse, and verse in translation. Organizing the book by date of first publication, Jerome J. McGann calls attention to the historical and cultural contexts in which the poetry is embedded. Old familiar poems are thrown into new relationships, and traditional views of the poetry of the period challenged.

The Penguin Book of Modern African Poetry Gerald Moore 2007-08-30 'Poetry, always foremost of the arts in traditional Africa, has continued to compete for primacy against the newer forms of prose fiction and theatre drama.' This wonderfully comprehensive anthology of African poetry has been expanded to include ninety-nine poets from twenty-seven countries, thirty-one of whom appear for the first time. Equally wide-ranging is the content of the poetry itself: war songs and political protests jostle with poems about human love, African nature and the surprises that life offers; all are represented in these rich and colourful pages.

The Penguin Book of Love Poetry Jon Stallworthy 1973 Digte.

Blue Rose Carol Muske-Dukes 2018-04-03 A new collection of emotionally rich, issue-oriented poems from an award-winning poet whose work "has long been essential reading" (Jorie Graham) Carol Muske-Dukes has won acclaim for poetry that marries sophisticated intelligence, emotional resonance, and lyrical intensity. The poems in her new collection, *Blue Rose*, navigate around the idea of the unattainable – the elusive nature of poetry, of knowledge, of the fact that we know so little of the lives of others, of the world in which we live. Some poems respond to matters of women, birth, and the struggle for reproductive rights, or to issues like gun control and climate change, while others draw inspiration from the lives of women who persisted outside of convention, in poetry, art, science: the painter Paula Modersohn-Becker, the scientist and X-ray crystallographer Rosalind Franklin, and the Californian poet and writer Ina Coolbrith, the first poet laureate ever appointed in America.

The Penguin Book of Romantic Poetry Jonathan Wordsworth 2001 A collection of romantic poetry.

The Romantic Poets Uttara Natarajan 2008-04-15 This welcome addition to the Blackwell Guides to Criticism series provides students with an invaluable survey of the critical reception of the Romantic poets. Guides readers through the wealth of critical material available on the Romantic poets and directs them to the most influential readings Presents key critical texts on each of the major Romantic poets – Blake, Wordsworth, Coleridge, Byron, Shelley and Keats – as well as on poets of more marginal canonical standing Cross-

referencing between the different sections highlights continuities and counterpoints

English Romantic Verse David Wright 1973-08-30 English Romantic poetry from its beginnings and its flowering to the first signs of its decadence. Nearly all the famous pièces de résistance will be found here - 'Intimations of Immortality', 'The Ancient Mariner', 'The Tyger', excerpts from 'Don Juan' - as well as some less familiar poems. As far as possible the poets are arranged in chronological order, and their poems in order of composition, beginning with eighteenth-century precursors such as Gray, Cowper, Burns and Chatterton. Naturally most space has been given over to the major Romantics - Blake, Wordsworth, Coleridge, Byron, Shelley, Clare and Keats - although their successors, poets such as Beddoes and Poe, are included too, as well as early poems by Tennyson and Browning. In an excellent introduction David Wright discusses the Romantics as a historical phenomenon, and points out their central ideals and themes.

The New Penguin Book of Romantic Poetry Jonathan Wordsworth 2001 Organized by theme and genre, this collection reveals unexpected connections and shared preoccupations, which should enable the reader to view the Romantics in a fresh light. Thus Blake, Wordsworth and Shelley appear as masters of comedy; Burns and Byron speak of the relationship between man and nature; and Coleridge, Keats and Clare explore the Gothic and surreal. The acknowledged genius of Blake's Tyger, Coleridge's Kubla Khan and Shelley's Ozymandias is set alongside verse from less familiar figures, including a strong representation of women poets such as Charlotte Smith, Felicia Hemans and Letitia Elizabeth Landon.

The Penguin Book of English Song Richard Stokes 2016-04-07 The Penguin Book of English Song anthologizes the work of 100 English poets who have inspired a host of different composers (some English, some not) to write vocal music. Each of the chapters, arranged chronologically from Chaucer to Auden, opens with a precis of the poet's life, work and, often, approach to music. Richard Stokes's notes and commentaries constantly illuminate the language and themes of the poems and their settings in unexpected ways. An awareness of how Ben Jonson based his famous poem 'Drinke to me, onely, with thine eyes' on a Greek original, for example, increases our enjoyment of both the poem and the traditional song; knowledge of Thomas Hardy's relationships with women deepens our appreciation of songs by Ireland, Finzi, Britten and others; Charles Dibdin's 'Tom Bowling', played each year at the Last Night of the Proms, takes on a deeper resonance when we know that it was written after the death of his brother Tom, a sea captain struck by lightning in the Indian Ocean. Many composers of different nationalities appear, but the book remains quintessentially British, and includes pieces that have an established place in our national consciousness: 'Rule, Britannia' (James Thomson), 'Abide with me' (Henry Francis Lyte), 'Auld lang syne' (Robert Burns), 'Jerusalem' (William Blake), 'Once in royal David's city' (Mrs C. F. Alexander), and even 'Twinkle, twinkle, little

star' (Jane Taylor). The poems are printed in their original versification and spelling, enabling us to trace the development of the English language as the book progresses. The volume presents a huge amount of information about English Song that will enlighten all those who delight in the fusion of words and music. The presence of minor as well as major poets and the unique principle of selection make *The Penguin Book of English Song* a highly original anthology of English verse.

The Penguin Book of Romantic Poetry Jonathan Wordsworth 2005-05-26 The Romanticism that emerged after the American and French revolutions of 1776 and 1789 represented a new flowering of the imagination and the spirit, and a celebration of the soul of humanity with its capacity for love. This extraordinary collection sets the acknowledged genius of poems such as Blake's 'Tyger', Coleridge's 'Kubla Khan' and Shelley's 'Ozymandias' alongside verse from less familiar figures and women poets such as Charlotte Smith and Mary Robinson. We also see familiar poets in an unaccustomed light, as Blake, Wordsworth and Shelley demonstrate their comic skills, while Coleridge, Keats and Clare explore the Gothic and surreal.

The Penguin Book of Haiku 2018-05-31 The first Penguin anthology of Japanese haiku, in vivid new translations by Adam L. Kern. Now a global poetry, the haiku was originally a Japanese verse form that flourished from the sixteenth to nineteenth centuries. Although renowned for its brevity, usually running three lines long in seventeen syllables, and by its use of natural imagery to make Zen-like observations about reality, in fact the haiku is much more: it can be erotic, funny, crude and mischievous. Presenting over a thousand exemplars in vivid and engaging translations, this anthology offers an illuminating introduction to this widely celebrated, if misunderstood, art form. Adam L. Kern's new translations are accompanied here by the original Japanese and short commentaries on the poems, as well as an introduction and illustrations from the period.

The Penguin Book of Hell Scott G. Bruce 2018-09-04 "From the Bible through Dante and up to Treblinka and Guantánamo Bay, here is a rich source for nightmares." --The New York Times Book Review Three thousand years of visions of Hell, from the ancient Near East to modern America A Penguin Classic From the Hebrew Bible's shadowy realm of Sheol to twenty-first-century visions of Hell on earth, *The Penguin Book of Hell* takes us through three thousand years of eternal damnation. Along the way, you'll take a ferry ride with Aeneas to Hades, across the river Acheron; meet the Devil as imagined by a twelfth-century Irish monk--a monster with a thousand giant hands; wander the nine circles of Hell in Dante's *Inferno*, in which gluttons, liars, heretics, murderers, and hypocrites are made to endure crime-appropriate torture; and witness the debates that raged in Victorian England when new scientific advances cast doubt on the idea of an eternal hereafter. Drawing upon religious poetry, epics, theological treatises, stories of miracles, and accounts of

saints' lives, this fascinating volume of hellscapes illuminates how Hell has long haunted us, in both life and death. For more than seventy-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. This is a collection of some of the best romantic poems, from some of the world's greatest poets. In just a few words, a romantic poet tells a story that would otherwise require a full length book. 'No, no!' she cried. 'Indeed I'm not! I'm feeling devilishly hot!' These 38 words generate full length stories within the mind of each reader. The Nightfields Joanna Klink 2020-07-07 A WASHINGTON POST BEST POETRY COLLECTION OF 2020 A new collection from a poet whose books "are an amazing experience: harrowing, ravishing, essential, unstoppable" (Louise Glück) Joanna Klink's fifth book begins with poems of personal loss--a tree ripped out by a windstorm, a friendship broken off after decades, the nearing death of parents. Other poems take on the cost of not loving fully, or are written from bewilderment at the accumulation of losses and at the mercilessness of having, as one ages, to rule things out. There are elegies for friends, and a group of devotional poems. The Nightfields closes with thirty-one metaphysical poems inspired by the artist James Turrell's Roden Crater, an extinct volcano in Arizona that Turrell has been transforming into an observatory for the perception of time. The sequence unfolds as a series of revelations that begin in psychic fear and move gradually toward the possibility of infinitude and connection.

The Penguin Anthology of Twentieth-century American Poetry Rita Dove 2011 This collection of modern American poetry features the most significant and compelling work by the most influential voices of the twentieth century.

The Penguin Book of Russian Poetry Robert Chandler 2015-02-26 An enchanting collection of the very best of Russian poetry, edited by acclaimed translator Robert Chandler together with poets Boris Dralyuk and Irina Mashinski. In the late eighteenth and early nineteenth centuries, poetry's pre-eminence in Russia was unchallenged, with Pushkin and his contemporaries ushering in the 'Golden Age' of Russian literature. Prose briefly gained the high ground in the second half of the nineteenth century, but poetry again became dominant in the 'Silver Age' (the early twentieth century), when belief in reason and progress yielded once more to a more magical view of the world. During the Soviet era, poetry became a dangerous, subversive activity; nevertheless, poets such as Osip Mandelstam and Anna Akhmatova continued to defy the censors. This anthology traces Russian poetry from its Golden Age to the modern era, including work by several great poets - Georgy Ivanov and Varlam Shalamov among them - in captivating modern translations by Robert Chandler and others. The volume also includes a general introduction, chronology and individual introductions to each poet. Robert Chandler is an acclaimed poet and translator. His many translations from Russian include works by Aleksandr Pushkin, Nikolay Leskov, Vasily Grossman and Andrey Platonov, while his anthologies of Russian Short Stories from Pushkin to Buida and Russian Magic Tales are both published in Penguin Classics. Irina Mashinski is a bilingual poet and co-founder of the StoSvet literary project. Her most recent

collection is 2013's *Ophelia i masterok* [*Ophelia and the Trowel*]. Boris Dralyuk is a Lecturer in Russian at the University of St Andrews and translator of many books from Russian, including, most recently, Isaac Babel's *Red Cavalry* (2014).

The Book of Taliesin Rowan Williams 2019-06-27 The great work of Welsh literature, translated in full for the first time in over 100 years by two of its country's foremost poets Tennyson portrayed him, and wrote at least one poem under his name. Robert Graves was fascinated by what he saw as his work's connection to a lost world of deeply buried folkloric memory. He is a shapeshifter; a seer; a chronicler of battles fought, by sword and with magic, between the ancient kingdoms of the British Isles; a bridge between old Welsh mythologies and the new Christian theology; a 6th-century Brythonic bard; and a legendary collective project spanning the centuries up to *The Book of Taliesin's* compilation in 14th-century North Wales. He is, above all, no single 'he'. The figure of Taliesin is a mystery. But of the variety and quality of the poems written under his sign, of their power as exemplars of the force of ecstatic poetic imagination, and of the fascinating window they offer us onto a strange and visionary world, there can be no question. In the first volume to gather all of the poems from *The Book of Taliesin* since 1915, Gwyneth Lewis and Rowan Williams's accessible translation makes these outrageous, arrogant, stumbling and joyful poems available to a new generation of readers.

The Penguin Book of the Prose Poem Jeremy Noel-Tod 2018-11-01 The last decades have seen an explosion of the prose poem. More and more writers are turning to this peculiarly rich and flexible form; it defines Claudia Rankine's *Citizen*, one of the most talked-about books of recent years, and many others, such as Sarah Howe's *Loop of Jade* and Vahni Capildeo's *Measures of Expatriation*, make extensive use of it. Yet this fertile mode which in its time has drawn the likes of Charles Baudelaire, Oscar Wilde, T. S. Eliot, Gertrude Stein and Seamus Heaney remains, for many contemporary readers, something of a mystery. The history of the prose poem is a long and fascinating one. Here, Jeremy Noel-Tod reconstructs it for us by selecting the essential pieces of writing - by turns luminous, brooding, lamentatory and comic - which have defined and developed the form at each stage, from its beginnings in 19th-century France, through the 20th-century traditions of Britain and America and beyond the English language, to the great wealth of material written internationally since 2000. Comprehensively told, it yields one of the most original and genre-changing anthologies to be published for some years, and offers readers the chance to discover a diverse range of new poets and new kinds of poem, while also meeting famous names in an unfamiliar guise.

Oceanic Aimee Nezhukumatathil 2018-05-01 "Nezhukumatathil's poems contain elegant twists of a very sharp knife. She writes about the natural world and how we live in it, filling each poem, each page with a true sense of wonder." –Roxane Gay "Cultural strands are woven into the DNA of her strange, lush... poems.

Aphorisms...from another dimension." –The New York Times "With unparalleled ease, she's able to weave each intriguing detail into a nuanced, thought-provoking poem that also reads like a startling modern-day fable." –The Poetry Foundation "How wonderful to watch a writer who was already among the best young poets get even better!" –Terrance Hayes With inquisitive flair, Aimee Nezhukumatathil creates a thorough registry of the earth's wonderful and terrible magic. In her fourth collection of poetry, she studies forms of love as diverse and abundant as the ocean itself. She brings to life a father penguin, a C-section scar, and the Niagara Falls with a powerful force of reverence for life and living things. With an encyclopedic range of subjects and unmatched sincerity, *Oceanic* speaks to each reader as a cooperative part of the earth, an extraordinary neighborhood to which we all belong. From "Starfish and Coffee": And that's how you feel after tumbling like sea stars on the ocean floor over each other. A night where it doesn't matter which are arms or which are legs or what radiates and how— only your centers stuck together. Aimee Nezhukumatathil is the author of four collections of poetry. Recipient of a National Endowment for the Arts fellowship and the prestigious Eric Hoffer Grand Prize, Nezhukumatathil teaches creative writing and environmental literature in the MFA program at the University of Mississippi.

Decadent Poetry Lisa Rodensky 2006 The poems collected in this volume are expressions of a spirit of self-indulgence, eroticism and moral rebelliousness that emerged in the late Victorian age. They deal with eternal themes of transition, artifice and the ravages of time. It presents the works of writers as Oscar Wilde, Arthur Symons, Rosamund Marriott Watson, and W B Yeats.

The Penguin Book of Irish Poetry Patrick Crotty 2018-11-08 The Penguin Book of Irish Poetry features the work of the greatest Irish poets, from the monks of the ancient monasteries to the Nobel laureates W.B. Yeats and Seamus Heaney, from Jonathan Swift and Oliver Goldsmith to Eiléan Ní Chuilleanáin and Nuala Ní Dhomhnaill, along with a profusion of lyrics, love poems, satires, ballads and songs. Reflecting Ireland's complex past and lively present, this collection of Irish verse is an indispensable guide to the history, culture and romance of one of Europe's oldest civilizations. In his introduction to this new Penguin Classics edition, Patrick Crotty explores the traditions of poetry in Ireland, and relates the rich variety of the poems to the long and frequently troubled history of the island.

The Penguin Book of First World War Poetry Matthew George Walter 2006-10-26 This anthology reflects the diversity of voices it contains: the poems are arranged thematically and the themes reflect the different experiences of war not just for the soldiers but for those left behind. This is what makes this volume more accessible and satisfying than others. In addition to the established canon there are poems rarely anthologised and a selection of soldiers' songs to reflect the voices of the soldiers themselves.

Love Poems Peter Washington 1993-11-02 It has often been said that love, both sacred and profane, is the only true subject of the lyric poem. Nothing better justifies this claim than the splendid poems in this volume, which range from the writings of ancient China to those of modern-day America and represent, at its most piercing, a universal experience of the human soul. Includes poems by John Donne, Christina Rossetti, W. H. Auden, Edna St. Vincent Millay, Robert Graves, e. e. cummings, Dorothy Parker, William Shakespeare, Sappho, Bhartrhari, Anna Akhmatova, and W. B. Yeats, among many others.
