*Hymns Historically Famous*  
(Classic Reprint) Nicholas Smith  
2018-01-24 Excerpt from Hymns  
Historically Famous The purpose  
of this volume is twofold: To in  
epire a warmer love of Church  
song; and to make the reader  
better acquainted with that class  
of hymns which are noted for  
the history they have made. The  
special aim has been to take the  
more popular and useful of our  
familiar compositions and give a  
fuller and more connected story  
of the lives of the authors, the  
origin of the hymns, with  
incidents of interest and value  
illustrating their influence, than  
have yet appeared in any  
annotated hymnal either in  
America or Great Britain.

**A History Of Hymns  
Hymnists Pdf Pdf upload  
Jason x Williamson**

Twenty-three chapters are  
devoted to Church hymns and  
gospel songs which have two  
common characteristics universal  
popularity, and the power to  
make spiritual history. Many  
hymns are historic solely because  
their origin is closely related to  
some striking event, or associated  
with some hallowed experience;  
and the rule governing the scope  
of the book has been re laxed that  
a few of those having particular  
merit, might be annotated. The  
chapter - Five Lay Hymn  
Writers - was inserted for two  
important reasons First, the  
position those consecrated laymen  
occupy in Church hymnody in  
all English-speaking coun tries, is  
unique; and, second, the hymns  
selected from their writings and

Jason x Williamson**

printed in these pages, are of great poetic beauty, and add much to the pleasure and profit of public worship. There are many favorite hymns which are perfect in form, exquisite in thought and expression, and which no doubt interpret charming Christian experiences, but not being connected with noteworthy historical facts, they could not properly find a place in this volume. ### **The Hymn-Book of the Modern Church**

Arthur Edwin Gregory  
2018-02-02 Excerpt from The Hymn-Book of the Modern Church: Studies of Hymns and Hymn-Writers The present time is in many respects peculiarly appropriate for a consideration of the growth and development of the hymns of the modern Church. We are in a state of rest or pause after tumult. The great religious movements of the eighteenth and nineteenth centuries are matters of history, and we can regard even the most recent of them calmly and without the prejudice which while conflict rages may, not altogether unfairly, be regarded as patriotism. The Methodist Revival, the Evangelical Awakening, the Oxford Movement, the Salvation Army

**Hymns and Hymnody: Historical A History Of Hymns Hymnists Pdf Pdf upload Jason x Williamson**

**and Theological Introductions, Volume 1** Mark A. Lamport 2019-02-21 Hymns and the music the church sings are tangible means of expressing worship. And while worship is one of, if not the, central functions of the church along with mission, service, education, justice, and compassion, and occupies a prime focus of our churches, a renewed sense of awareness to our theological presuppositions and cultural cues must be maintained to ensure a proper focus in worship. *Hymns and Hymnody: Historical and Theological Introductions* is a 60-chapter, three-volume introductory textbook describing the most influential hymnists, liturgists, and musical movements of the church. This academically grounded resource evaluates both the historical and theological perspectives of the major hymnists and composers that have impacted the church over the course of two centuries.

Downloaded from [vla.ramtech.uri.edu](http://vla.ramtech.uri.edu) on September 24, 2023 by Jason x Williamson

Volume 1 explores the early church and concludes with the Renaissance era hymnists. Volume 2 begins with the Reformation and extends to the eighteenth-century hymnists and liturgists. Volume 3 engages nineteenth century hymnists to the contemporary movements of the twenty-first century. Each chapter contains these five elements: historical background, theological perspectives communicated in their hymns/compositions, contribution to liturgy and worship, notable hymns, and bibliography. The mission of *Hymns and Hymnody* is (1) to provide biographical data on influential hymn writers for students and interested laypeople, and (2) to provide a theological analysis of what these composers have communicated in the theology of their hymns. We believe it is vital for those involved in leading the worship of the church to recognize that what they communicate is in fact

theology. This latter aspect, we contend, is missing--yet important--in accessible formats for the current literature.

**The Hymnal** Christopher N. Phillips 2018-08-01

Understanding the culture of living with hymnbooks offers new insight into the histories of poetry, literacy, and religious devotion. It stands barely three inches high, a small brick of a book. The pages are skewed a bit, and evidence of a small handprint remains on the worn, cheap leather covers that don't quite close. The book bears the marks of considerable use. But why—and for whom—was it made? Christopher N. Phillips's *The Hymnal* is the first study to reconstruct the practices of reading and using hymnals, which were virtually everywhere in the eighteenth and nineteenth centuries. Isaac Watts invented a small, words-only hymnal at the dawn of the eighteenth century. Downloaded from

two hundred years, such hymnals were their owners' constant companions at home, school, church, and in between. They were children's first books, slaves' treasured heirlooms, and sources of devotional reading for much of the English-speaking world. Hymnals helped many people learn to memorize poetry and to read; they provided space to record family memories, pass notes in church, and carry everything from railroad tickets to holy cards to business letters. In communities as diverse as African Methodists, Reform Jews, Presbyterians, Methodists, Roman Catholics, and Unitarians, hymnals were integral to religious and literate life. An extended historical treatment of the hymn as a read text and media form, rather than a source used solely for singing, this book traces the lives people lived with hymnals, from obscure schoolchildren to Emily Dickinson. Readers will discover

a wealth of connections between reading, education, poetry, and religion in Phillips's lively accounts of hymnals and their readers.

### **A Story Behind Every Hymn**

Larry Frazier 2020-04-30 A Story Behind Every Hymn is a collection of stories about real people and God interacting together through the trials of life. One major theme found in each story is that you are not alone in life. God is with you and will provide you strength and power to overcome and to accomplish great things. These are real stories of how God moved between when Jesus lived on earth and today. The hymn writers' stories are your stories. You will be inspired by the stories of people like you, whose faith empowered them to survive life's greatest challenges at the darkest of times. Each story is a beautiful expression of growing in faith with God. You will be inspired with

how people prevailed through challenging situations because of their faith. The book includes key lyrics of each hymn. You can read all 52 stories in one sitting, or use the book as a weekly devotional guide. Each devotional connects the hymn to passages of Scripture. Your faith will grow as you relate to the power of each hymn and the word of God.

Hymn-Writers and Their Hymns S. W. Christophers  
2015-06-02 Excerpt from Hymn-Writers and Their Hymns

"What! another hymn-book? Why surely the world has hymn-books enough." Well, that may be, and yet here is something like another. It is something like another, as there are hymns in it; and yet it is rather unlike any other, in that it has the hymns interwoven with what may be called gossip, innocent, and, it is hoped, not unpleasant gossip, about the hymns and those who wrote  
***A History Of Hymns Hymnists Pdf Pdf upload Jason x Williamson***

them. Who does not like to know the why, the when, and the wherefore of men and things? Who does not love a chat about the people and the affairs which interest him? Here, then, is chat about hymns, their birth and parentage, their circumstances, their character and their influence. These pages make no pretensions to learning that is left to the doctors. Nor do they aim at criticism, that belongs to those who go up the Rhine. Neither do they affect the style of history that has been well done in other volumes. Edition of the Methodist Hymnal  
I am pleased to have a part in preparing a book for people interested in hymnody. The plan of the book is much the same as that followed in Hymn Studies, but this work is far more elaborate and valuable than that well-known book. The hymns are given in full, with careful criticism and historic notes. The book contains also biographical sketches of all the authors of hymns and composers of tunes. It is one of the duties of the pastor to be familiar with his Hymnal, and it is the privilege of the intelligent layman as well. This work contains many valuable facts and opinions, criticisms and approbations that can be found nowhere else. The Methodist Hymnal is a valuable book with a remarkable history. Before the organization of the Methodist Episcopal Church several hymn books of Wesleyan origin were used in this country. Among these were Select **Downloaded from** [vla.ramtech.uri.edu](http://vla.ramtech.uri.edu) **on** **September 24, 2023 by** *Jason x Williamson*

Hymns and Psalms, Redemption Hymns, and Mr. Wesley's first Pocket Hymn Book; but the Methodist people in America had no book in common. At the organization of the Methodist Episcopal Church, in 1784, A Collection of Psalms and Hymns for the Lord's Day was prepared for the new organization. It was printed in London in 1784, and came to America in sheets with the famous Sun day Service. The "collection," however, contained only one hundred and eighteen selections, and was altogether inadequate to meet the needs of the growing Church. About 1790 a Pocket Hymn Book, printed in Philadelphia, appeared containing a pastoral letter to the "members and friends" of the Methodist Episcopal Church, and signed by Bishops Thomas Coke and Francis Asbury. It contained some three hundred hymns, and was sold for half a dollar. This book was essentially a reprint of a Pocket Hymn Book edited and published

***A History Of Hymns  
Hymnists Pdf Pdf upload

by Robert Spence, a Methodist class leader of York, England. All subsequent official hymn books of the Methodist Episcopal Church are enlargements and improvements of the Coke-Asbury book. The editorial work of preparing this annotated edition of the Methodist Hymnal has been very great, as can readily be seen. Dr. Wilbur Fisk Tillett, of Vanderbilt University, Methodist Episcopal Church, South, has been associated with me in this work, and much of the value of the book is due to his careful and painstaking labor. We send forth this work confidently hoping that it will be appreciated and praying that it may be of some use in advancing the kingdom of our Christ in the earth. About the Publisher

Hymns: Their Authors and Origin, Being Biographical Sketches of Nearly Two Hundred of the Principal Psalm and Hymn-Writers, With Notes on Their Psalms and Hymns; A Companion to the New Congregational Hymn Book No apology is needed for a new book on Hymnology. Some authors have difficulty in proving that there is really room for their work, but it is not so with those who write on this comparatively neglected subject. In saying this, we do not overlook the valuable articles on this subject that have appeared recently in newspapers and reviews; nor the useful labours of Montgomery, Creamer, Holland, Gadsby, Belcher, and Sir Roundell Palmer; nor the more learned works of such writers as Daniel, Archbishop Trench, Dr. Mason Neale, and Dr. Bonar; yet it remains true that this theme, which is rising into notice, and which is of practical importance because of its connection with

***A History Of Hymns  
Hymnists Pdf Pdf upload  
Jason x Williamson***

our private and public devotion, has not yet received a thorough treatment. This work is to be regarded only as a contribution to the subject. It is not an attempt to go over the whole field. The subject is so large that the writer found it necessary to fix some limit to his researches. He has confined himself to the authors whose psalms and hymns are contained in one of the most comprehensive and excellent of modern collections. That collection was compiled by a competent committee in London, who were occupied from 1855 to 1859 in its preparation. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. hymnists and composers that have impacted the church over the course of twenty centuries. Volume 1 explores the early church and concludes with the Renaissance era hymnists. Volume 2 begins with the Reformation and extends to the eighteenth-century hymnists and liturgists. Volume 3 engages nineteenth century hymnists to the contemporary movements of the twenty-first century. Each chapter contains these five elements: historical background, theological perspectives communicated in their hymns/compositions, contribution to liturgy and worship, notable hymns, and bibliography. The mission of Hymns and Hymnody is (1) to provide biographical data on influential hymn writers for students and interested laypeople, and (2) to provide a theological analysis of what these composers have communicated in the theology of their hymns. We believe it is vital for those

### Wonderful Words of Life

Richard J. Mouw 2004-08-02

While many evangelical congregations have moved away from hymns and hymnals, these were once central fixtures in the evangelical tradition. This book examines the role and importance of hymns in evangelicalism, not only as a part of worship but as tools for theological instruction.

to identity formation, and as records of past spiritual experiences of the believing community. Written by knowledgeable church historians, *Wonderful Words of Life* explores the significance of hymn-singing in many dimensions of American Protestant and evangelical life. The book focuses mainly on church life in the United States but also discusses the foundational contributions of Isaac Watts and other British hymn writers, the use of gospel songs in English Canada, and the powerful attraction of African-American gospel music for whites of several religious persuasions. Includes appendixes on the American Protestant Hymn Project and on hymns in Roman Catholic hymnals. Contributors: Susan Wise Bauer Thomas E. Bergler Virginia Lieson Brereton Esther Rothenbusch Crookshank Kevin Kee Richard J. Mouw Mark A. Noll Felicia Piscitelli

**The History and Use of Hymns and Hymn-Tunes** David Riddle Breed 2015-06-02 Excerpt from *The History and Use of Hymns and Hymn-Tunes* This book is the outgrowth of my own needs, as a teacher of practical theology. I desired a text-book from which my students might obtain a comprehensive knowledge of the history and use of sacred song, without being burdened with those technical details which a beginner has neither the time to master nor the ability to understand. I also desired a book in which the study of hymns and of tunes was combined. No such book was at hand, and for several years I was compelled to refer my classes to various authors, some in hymnology, others in church music; supplementing their studies with explanatory lectures. This, however, became more and more unsatisfactory, and I therefore de

supply my own needs. In so doing I hoped to supply also the needs of others and to furnish many besides theological students with an acceptable and useful guide to a large and increasingly interesting subject. I have therefore included extended notice only of authors and composers of the first rank, or whose work bears some vital relation to the development of the hymn or of the hymn-tune. The volume is intended to be first of all a text-book, though I hope it may serve other useful purposes and be greatly blessed of Him whose praises we sing to those who would sing them "in a nobler, sweeter song." Consider the worshipful lyrics of "Holy, Holy, Holy"; the comforting assurance of "His Eye Is On the Sparrow"; the trusting submission of "Have Thine Own Way, Lord"; the bold declaration made by "O for a Thousand Tongues." They are some of our greatest hymns--and some of the most powerful words in Christendom. Lyrics that help us grasp the reality of faith, set to beautiful music that speaks to our hearts. The stories behind the hymns are powerful as well. In this book the authors have detailed the intriguing and often tragic circumstances from which many of our best-loved hymns came. They are stories about the private struggles and personal triumphs these men and women hymn writers experienced--stories that give their already-meaningful songs added significance. Great Christian Hymn Writers is a wonderful resource for worship services,

devotional talks, and **Downloaded from

many excellent books existing on the general subject of the literary history of hymns, place might be found for a book that dealt with them as illustrative of the various developments of Christian doctrine, and as reflecting the changing emphasis from generation to generation upon certain aspects and presentations of the Church's creed. For the opportunity of attempting this task he desires to express his thanks to the Editor of the present series, and to his friend, R. H. Coates, M.A., to whose suggestion the present book is primarily due. The author is well aware that much larger space would be requisite for a thorough treatment of the subject, but will be satisfied if this little volume opens a new field of study and inquiry to many who may be better able to carry it farther, and who will doubtless find in it a field of interesting and profitable investigation. Hymns can often reach hearts that sermons and

praise—singing psalms and hymns and making melody in their hearts to praise the Lord. Pastor Robert Morgan's goal is to keep these traditional hymns vital and meaningful to all generations. Then Sings My Soul will help readers reacquaint themselves with 150 beloved hymns of the faithful. These devotional-style stories show the emotion and drama behind the hymns of faith that have changed many lives throughout history—from the people whose faith led them to write these wonderful hymns to the people whose faith was affected by reading, hearing, and singing them. As we sing a new song to the Lord, let's not forget the old ones. It's the sturdy old hymns of the faith that strengthen and steady us when we are weary and worn. They're the ones we sing when rising troubled in the night. Then Sings My Soul contains: Words and music to 150
