War on Xmas - The Field Manual Tom Schecker 2006-11-01 War On Xmas - The Field Official Manual is a 'phony' manual purportedly followed by secularists and liberals to wage a 'war' on the Christmas holiday. Right Wing commentators and slicked-back evangelical ministers, who contrived the phony war, have pledged to 'fight back' by exposing the warriors. We're helping them by publishing, for the first time, the actual field manual used by those warriors to attack Xmas via the use of phrases such as "Happy Holidays" and "Seasons Greetings." Illustrated with crude drawings and even cruder sophomoric humor, War On Xmas - The Field Manual embodies the right wing's paranoid fantasies and 'straw man' arguments. *Dave Barry in Cyberspace* Dave Barry 1997-09-23 "RELENTLESSLY FUNNY . . . Barry Loser twist. Perfect for sharing with friends and family and best enjoyed when read very loudly at 5am on Christmas morning. All jokes guaranteed to make you snort-laugh a mince pie through your nose. **Big Trouble** Dave Barry 2010-07-06 Dave Barry makes his fiction debut with a ferociously funny novel of love and mayhem in south Florida. In the city of Coconut Grove, Florida, these things happen: A struggling adman named Eliot Arnold drives home from a meeting with the Client From Hell. His teenage son, Matt, fills a Squirtmaster 9000 for his turn at a high school game called Killer. Matt's intended victim, Jenny Herk, sits down in front of the TV with her mom for what she hopes will be a peaceful evening for once. Jenny's alcoholic and secretly embezzling stepfather, Arthur, emerges from the maid's room, angry at being rebuffed. Henry and Leonard, two hit men from New Jersey, pull

up to the Herks' house for a real game of Killer, Arthur's embezzlement apparently not having been quite so secret to his employers after all. And a homeless man named Puggy settles down for the night in a treehouse just inside the Herks' yard. In a few minutes, a chain of events that will change the lives of each and every one of them will begin, and will leave some of them wiser, some of them dead, and some of them definitely looking for a new line of work. With a wicked wit, razor-sharp observations, rich characters, and a plot with more twists than the Inland Waterway, Dave Barry makes his debut a complete and utter triumph.

Lunatics Dave Barry 2012-01-10 Philip Horkman is a happy man, the owner of a pet store called The Wine Shop, and on Sundays a referee for a local kids' soccer league. Jeffrey Peckerman is the proud and loving father of a star athlete in the girls' ten-and-under soccer league, and he's not exactly happy with the ref. The two of them are about to collide in a swiftly escalating series of events that will send them running for their lives, pursued by the police, soldiers, subversives, bears, revolutionaries, pirates, and a black ops team that does not exist. Where all that takes them you can't even begin to guess, but the literary journey there is a masterpiece of inspiration, chaos, and

unadulterated, well, lunacy. And they might even learn a lesson or two along the way.

The Twelve Days of Christmas Barry Popkin 2019-10-15 The title is based on the Twelve Days of Christmas song. However, this book is not meant for kids twelve and under. It is meant for adults. During Christmas time many people act-like children, remembering when we were young, and everything was in wonderment! This book is a collection of my short stories. Some are Christmas stories meant to be funny and lighthearted, making fun of the human spirit that we see in all of us. It starts out hoping to find ourself laughing but in the collection of stories, some are meant to be funny; others are serious. One or two, I believe are profound, about our history or our past Some are relatable fiction and are about the future.

But I hope to find an audience that never gives up the heart of a child.

Dave Barry's Book of Bad Songs Dave Barry 2012-11-06 The humorist asked his readers to share their least favorite tunes and chronicles the hilarious responses. When funnyman Dave Barry asked readers about their least favorite tunes, he thought he was penning just another installment of his weekly syndicated humor column. But the witty writer was flabbergasted by the response when over 10,000 readers voted. "I have never written a column that got a bigger response than the one announcing the Bad Song Survey," Barry wrote. Based on the results of the survey, Dave Barry's Book of Bad Songs is a compilation of some of the worst songs ever written. Dave Barry fans will relish his quirky take. Music buffs too will appreciate this humorous stroll through the world's worst lyrics. The only thing wrong with this book is that readers

Kay's Anatomy Adam Kay 2022-07-26 This complete (and completely gross) guide to the human body is the hilarious debut nonfiction children's book from world-wide multi-million bestselling author and former doctor Adam Kay! Do you ever think about your body and how it works? Like really, really think about it? The human body is extraordinary and fascinating and, well...pretty weird. Yours is weird, mine is weird, your math teacher's is even weirder. This book is going to tell you what's actually going on in there, and answer the really important questions, like: Are

boogers safe to eat? Look, if your nose is going to all that effort of creating a snack, the least we can do is check out its nutritional value. (Yes, they're safe. Chew away!) And how much of your life will you spend on the toilet? About a year—so bring a good book. (I recommend this one.) Sit back, relax, put on some rubber gloves, and let a doctor take you on (slightly repulsive) tour of your insides. Welcome to Kay's Anatomy*. *A fancy word for your body.

See, you're learning already.
