How to Seduce Hot Women Online Kent Lamarc 2013-06-08 I've been banned more than 5 times, nearly always in less than 2 weeks, and for one reason only – I was picking all the women I wanted from many online platforms. Most of these websites were not for dating, and many of the women I met had boyfriends or husbands, but this didn't stop them from contacting me and go out on a date. In this book, I reveal the secret that allowed me to pick-up dozens of beautiful women from many websites, and that allowed acquaintances to do it faster than me from Facebook and other more popular platforms. The secrets here revealed are so effective that quickly draw the attention of everyone, both jealous men and competitive women. In the end, it's a race against time, while the men try to put you out of the competition in every

way they can, and women make you so popular that you start reciving invitations to talk privately online and go on dates with those you haven't had to say whatsoever. This is about a female magnet that works every single time, even though it will eventually make you get banned as well. But, who cares about being banned, once your mobile is full of numbers of hot women and most of them expect to become your girlfriend or at least sleep with you? Don't be fooled about how simple these strategies may seem! Every single pick-up artist that teaches you online dating is either using part of them or all at the same time. Game on!

The Journal of Mortifying Moments Robyn Harding 2005 Ever revealed your true feelings about your best-friend's ex, only to have them get back together? Or discovered that the looks of admiration you've been getting because of your sexy new outfit are really because you've got your skirt tucked in to your knickers? This book is for you. Kerry Spence is stuck in a dead end ad-agency job and a holding pattern with an ex-boyfriend who won't quite stay ex. Every time she lets the 'gorgeous Sam' back into her bed, Kerry swears it's the last but somehow she can't resist. Everyone has an opinion about what Kerry's next move should be. Her mother thinks handsome, successful Sam may be 'the best she can do'. Kerry's favourite self-help book says that she needs to find inner peace before she finds Mr Right, and her friends think the road to fulfilment should be paved with more mojitos. Meanwhile Kerry's therapist recommends that she keep a 'diary of past encounters with men that may be contributing to a dysfunctional quasi-relationship' - or, as Kerry sees it, a journal of mortifying moments. In these pages, amid the laugh-out-loud hilarity of Kerry's exploits, emerges the story of a woman who needs to learn how to stop trying.

How to Get Your Ex Girlfriend Back ARX Reads It's the plot of basically every romantic comedy, country song, and sugar-free gum commercial: The one that got away. Whether or not you did the dumping or were the dumpee, saying goodbye to the person you're pretty sure was your soul mate is up there with forgetting it was picture day in middle school. It majorly blows. And chances are, you've probably thought about trying to rekindle things too. But instead of drunk texting your ex or sending them all the gifts from "The 12 Days of Christmas" like in that episode of *The Office*, there are a few things you might wanna consider before trying to win your former flame back. This is why I have created this book that you need to consider if you're thinking about "catching up" with the person whose name is on your phone as "Do Not Text." Read carefully, please.

Dear Lowdown Dirty Scumbag: a Journal Mix Books LLC 2014-05-04 So you've had a nasty break-up. You want to scream, cry, hide in a dark room for the next week or 10. Most of all you want to hurt your ex the way you're hurting right now and tell him what a good-for-nothing piece of you-know-what he is. Well, don't. You're better than that. Bring on some of that steely strength of character and rise above the pain. Let the bitter part of you free by writing the letters you'd like to send him, but keep them in your own private book instead. Remember, you can't get ahead if you're trying to get even. Don't give him the satisfaction of watching you suffer. The best revenge of all is happiness - even if you have to fake it for a while.

'Til There Was You Jerry Cole 2020-12-14 Austin Janssen-Dirk is a struggling writer with little ambition, and no real purpose in life other than trying to get his ex back. Everything he does revolves around his ex, and as such, every other aspect of his life has come to a stall. Austin's life needs a reboot. He just doesn't know how. Finn Connor is a life coach who is single and loves it... or rather, he used to love it. At thirty-two years of age, Finn has come to realize that all the things he used to love about being single - one-night stands with no purpose other than getting off, no one to rely on other than himself, total independence in every sense of the word - are now the things he hates. He wants a boyfriend, only he doesn't know how. Austin and Finn meet by pure coincidence and in Austin, Finn sees the potential for a new client. He knows that if he injects a little confidence into Austin, and gives him a little push, Austin will be able to get over his ex and put his life back on track. Austin, with nothing to lose, agrees. Besides, he finds Finn so damn hot that even if the life coach thing fails, he'll have someone to look at. What starts as a working relationship soon turns into a friendship. As Austin transforms before Finn's eyes, Finn begins to see someone he might actually be interested in romantically. The only problem is he doesn't know how to make that transition... or if he even wants to! Will Finn be able to decide what he wants and make a move on Austin before it's too late? And will Austin realize his own worth, and that Finn is in to him before their time together is over? Two men, totally different yet seemingly perfect for one another. They both just need to realize it. Please Note: This book contains adult language and steamy adult activities, it is intended for 18+ Adults Only. Novel, approximately 76,000 words in length.
