Calling Invisible Women Jeanne Ray 2012 A delightful, funny, commercial novel that packs a clever punch, from the author of the “New York Times”-bestselling “Julie and Romeo” about a mother who suddenly turns invisible.

The Serpent King Jeff Zentner 2017-06-06 Named to ten BEST OF THE YEAR lists and selected as a William C. Morris Award Winner,The Serpent King is the critically acclaimed, much-beloved story of three teens who find themselves--and each other--while on the cusp of graduating from high school with hopes of leaving their small-town behind. Perfect for fans of John Green’s Turtles All the Way Down. “Move over, John Green; Zentner is coming for you.” —The New York Public Library “Will fill the infinite space that was left in your chest after you finished The Perks of Being a Wallflower.” —BookRiot.com Dill isn’t the most popular kid at his rural Tennessee high school. After his father fell from grace in a public scandal that reverberated throughout their small town, Dill became a target. Fortunately, his two fellow misfits and best friends, Travis and Lydia, have his back. But as they begin their senior year, Dill feels the coils of his future tightening around him. His only escapes are music and his secret feelings for Lydia—neither of which he is brave enough to share. Graduation feels more like an ending to Dill than a beginning. But even before then, he must cope with another ending—one that will rock his life to the core. Debut novelist Jeff Zentner provides an unblinking and at times comic view of the hard realities of growing up in the Bible belt, and an intimate look at the struggles to find one’s true self in the wreckage of the past. “A story about friendship, family and forgiveness, it’s as funny and witty as it is utterly heartbreaking.” —PasteMagazine.com “A brutally honest portrayal of teen life . . . [and] a love letter to the South from a man who really understands it.” —Mashable.com “I adored all three of these characters and the way they talked to and loved one another.”—New York Times

I Dreamed I Was a Very Clean Tramp Richard Hell 2013-03-12 The sharp, lyrical, and no-holds-barred autobiography of the iconoclastic writer and musician Richard Hell, charting the childhood, coming of age, and misadventures of an artist in an indelible era of rock and roll... From an early age, Richard Hell dreamed of running away. His father died when he was seven, and at seventeen he left his mother and sister behind and headed for New York City, place of limitless possibilities. He arrived penniless with the idea of becoming a poet; ten years later he was a pivotal voice of the age of punk, starting such seminal bands as Television, the Heartbreakers, and Richard Hell and the Voidoids—whose song “Blank Generation” remains the defining anthem of the era. Hell was significantly responsible for creating CBGB as punk ground zero; his Voidoids toured notoriously with the Clash, and Malcolm McLaren would credit Hell as inspiration for the Sex Pistols. There were kinetic nights in New York’s club demi-monde, descent into drug addiction, and an ever-present yearning for redemption through poetry, music, and art. “We lived in the suburbs in America in the fifties,” Hell writes. “My roots are shallow. I’m a little jealous of people with strong ethnic and cultural roots. Lucky Martin Scorsese or Art Spiegelman or Dave Chappelle. I came from Hopalong Cassidy and Bugs Bunny and first grade at ordinary Maxwell Elementary.” How this legendary downtown artist went from a prosaic childhood in the idyllic Kentucky foothills to igniting a movement that would take over New York’s and London’s restless youth cultures—and spawn the careers of not only Hell himself, but a cohort of friends such as Tom Verlaine, Patti Smith, the Ramones, and Debbie Harry—is just part of the fascinating story Hell tells. With stunning powers of observation, he delves into the details of both the world that shaped him and the world he shaped. An acutely rendered, unforgettable coming-of-age story, I Dreamed I Was a Very Clean Tramp evokes with feeling, clarity, and piercing intelligence that classic journey: the life of one who comes from the hinterlands into the city in search of art and passion.

M Train Patti Smith 2015-10-06 From the National Book Award–winning author of Just Kids: a “sublime collection of true stories ... and wild imaginings that take us to the very heart of who Patti Smith is” (Vanity Fair), told through the cafés and haunts she has worked in around the world. Patti Smith calls this bestselling work “a roadmap to my life.” M Train begins in the tiny Greenwich Village café where Smith goes every morning for black coffee, ruminates on the world as it is and the world as it was, and writes in her notebook. Through prose that shifts fluidly between dreams and reality, past and present, we travel to Frida Kahlo’s Casa Azul in Mexico; to the fertile moon terrain of Iceland; to a ramshackle seaside bungalow in New York’s Far Rockaway that Smith acquires just before Hurricane Sandy hits; to the West 4th Street subway station, filled with the sounds of the Velvet Underground after the death of Lou Reed; and to the graves of Genet, Plath, Rimbaud, and Mishima. Woven throughout are reflections on the writer’s craft and on artistic creation. Here, too, are singular memories of Smith’s life in Michigan and the irremediable loss of her husband, Fred Sonic Smith. Braiding despair with hope and consolation, illustrated with her signature Polaroids, M Train is a meditation on travel, detective shows, literature, and coffee. It is a powerful, deeply moving book by one of the most remarkable multiplatform artists at work today. Featuring a postscript with five new photos from Patti Smith

Patti Smith Victor Bockris 1999 “Patti Smith” came to New York at the age of nineteen, determined to become someone. And she did -- with a vengeance. Patti’s intensely dramatic style, her sensuality, and her outrageous acts set her apart from other performers of the 1970s. She was an astonishingly bold and powerful artist. In “Patti Smith,” Victor Bockris, the much-respected biographer of Lou Reed and Keith Richards, and Roberta Bayley present the first full-length biography of one of the most revered female rock artists of all time -- as well as a fascinating portrait of the frenzied New York scene in which she rocketed to fame. From her roots in New Jersey to her reemergence after the death of her husband in the 1990s, this remarkable biography documents Patti Smith’s life within the larger context of the ebullient artistic climate of the 1970s and examines her influence on the generation of women artists who followed. Bockris and Bayley explore Patti’s complicated and intriguing relationships with Robert Mapplethorpe and Sam Shepard and her friendships with Bob Dylan, John Cale, Lou Reed, and many other avant-garde musicians and artists, placing her at the heart of the New York art scene. But as quickly as she rose to acclaim, she did the unexpected: She dropped out of sight and moved to Detroit to marry and raise a family. Filled with little-known stories and anecdotes about some of rock’s most famous names, Bockris and Bayley’s stunning profile of this cultural icon confirms what Ingrid Sischy wrote in an article in “Interview” magazine: “[Smith] gives us something that music and words are supposed to but, in fact, rarely deliver: the power to transport ourselves.”

Good and Cheap Leanne Brown 2015-07-14 A perfect and irresistible idea: A cookbook filled with delicious, healthful recipes created for everyone on a tight budget. While studying food policy as a master’s candidate at NYU, Leanne Brown asked a simple yet critical question: How well can a person eat on the \$4 a day given by SNAP, the U.S. government’s Supplemental Nutrition Assistance Program informally known as food stamps? The answer is surprisingly well: Broiled Tilapia with Lime, Spicy Pulled Pork, Green Chile and Cheddar Quesadillas, Vegetable Jambalaya, Beet and Chickpea Salad—even desserts like Coconut Chocolate Cookies and Peach Coffee Cake. In addition to creating nutritious recipes that maximize every ingredient and use economical cooking methods, Ms. Brown gives tips on shopping; on creating pantry basics; on mastering certain staples—pizza dough, flour tortillas—and saucy extras that make everything taste better, like spice oil and tzatziki; and how to make fundamentally smart, healthful food choices. The idea for Good and Cheap is already proving itself. The author launched a Kickstarter campaign to self-publish and fund the buy one/give one model. Hundreds of thousands of viewers watched her video and donated \$145,000, and national media are paying attention. Even high-profile chefs and food writers have taken note—like Mark Bittman, who retweeted the link to the campaign; Francis Lam, who called it “Terrific!”; and Michael Pollan, who cited it as a “cool kickstarter.” In the same way that TOMS turned inexpensive, stylish shoes into a larger do-good movement, Good and Cheap is poised to become a cookbook that every food lover with a conscience will embrace.

Just Kids Patti Smith 2010-01-19 It was the summer Coltrane died, the summer of love and riots, and the summer when a chance encounter in Brooklyn led two young people on a path of art, devotion, and initiation. Patti Smith would evolve as a poet and performer, and Robert Mapplethorpe would direct his highly provocative style toward photography. Bound in innocence and enthusiasm, they traversed the city from Coney Island to Forty-second Street, and eventually to the celebrated round table of Max’s Kansas City, where the Andy Warhol contingent held court. In 1969, the pair set up camp at the Hotel Chelsea and soon entered a community of the famous and infamous—the influential artists of the day and the colorful fringe. It was a time of heightened awareness, when the worlds of poetry, rock and roll, art, and sexual politics were colliding and exploding. In this milieu, two kids made a pact to take care of each other. Scrappy, romantic, committed to create, and fueled by their mutual dreams and drives, they would prod and provide for one another during the hungry years. Just Kids begins as a love story and ends as an elegy. It serves as a salute to New York City during the late sixties and seventies and to its rich and poor, its hustlers and hellions. A true fable, it is a portrait of two young artists’ ascent, a prelude to fame.

The New Jerusalem Patricia Lee Smith 2018 The New Jerusalem, the latest book by Patti Smith - poet, punk legend and author of the bestsellers Just Kids and M Train. A stunning long prose poem in the tradition of St. John and William Blake, The New Jerusalem presents a prophetic vision of art and humanity, faith and freedom; a vision of escape from the rituals of power and the mechanisms of social control. Illustrated with colour photographs and art work by Patti Smith, this beautiful hardbound volume is a true collector’s item. With an introduction by Rob Riemen exploring the connection between art and spirituality in Patti Smith’s poem and in art more broadly, The New Jerusalem can serve as a reminder of the prophetic power of poetry and a guide to all who need it in these times of resistance. The New Jerusalem was presented at the Nexus Symposium with Patti Smith “An Education in Counterculture”, 26 May 2018 in Amsterdam.

The One Inside Sam Shepard 2018-01-16 This searing, extraordinarily evocative narrative opens with a man in his house at dawn, surrounded by aspens, coyotes cackling in the distance as he quietly navigates the distance between present and past. As memory overtakes him, he sees the bygone America of his childhood: the farmland and the feedlots, the railyards and the diners—and, most hauntingly, his father’s young girlfriend, with whom he also became involved, setting into motion a tragedy that has stayed with him. His complex interiority is filtered through views of mountains and deserts as he drives across the country, propelled by Benzadrine, rock and roll, and a restlessness born out of exile. The rhythms of theater, the language of poetry, and a flinty humor combine in this stunning meditation on the nature of experience, at once celebratory, surreal, poignant, and unforgettable.

The Best Christmas Pageant Ever Barbara Robinson 1983 The six mean Herdman kids lie, steal, smoke cigars (even the girls) and then become involved in the community Christmas pageant.

Devotion Patti Smith 2017-01-01 “In lyric essays, a story, poems, and photographs, Smith illuminates the whirl of chance and choice that stokes a writer’s imagination, recounting her fascination on the eve of a trip to Paris with Simone Weil and an evocative, accidentally discovered film about Stalin’s mass deportation of Estonians. In

France, a gravestone, a televised figure-skating competition, a meal, and a garden all converge in what becomes Devotion, [a] ... fairy tale about a young, displaced Estonian skater and a solitary dealer in rare objects and arms. This ... fable about creativity and obsession, possession and freedom is followed by a meditation on how a work of art is, for other artists, a call to action”--Booklist, 08/01/2017.

A Library Book for Bear Bonny Becker 2016-09-13 Curmudgeonly Bear succumbs to Mouse’s entreaties and discovers the joy of books in a hilarious story that fans will covet for their own library. Features an audio read-along! Bear does not want to go to the library. He is quite sure he already has all the books he will ever need. Yet the relentlessly cheery Mouse, small and gray and bright-eyed, thinks different. When Bear reluctantly agrees to go with his friend to the big library, neither rocket ships nor wooden canoes are enough for Bear’s picky tastes. How will Mouse ever find the perfect book for Bear? Children will giggle themselves silly as Bear’s arguments give way to his inevitable curiosity, leading up to a satisfying story hour and a humorously just-right library book.

The Musical Brain: And Other Stories César Aira 2015-03-03 A delirious collection of short stories from the Latin American master of micro-fiction. A delirious collection of short stories from the Latin American master of microfiction, César Aira—the author of at least eighty novels, most of them barely one hundred pages long—The Musical Brain & Other Stories comprises twenty tales about oddballs, freaks, and loonies. Aira, with his fuga hacia adelante or “flight forward” into the unknown, gives us imponderables to ponder and bizarre and seemingly out-of-context plot lines, as well as thoughtful and passionate takes on everyday reality. The title story, first published in the New Yorker, is the creme de la creme of this exhilarating collection.

Dancing Barefoot Dave Thompson 2011-08-01 Dancing Barefoot is the full and true story of Patti Smith, widely acknowledged as one of the most significant American artists of the rock ‘n’ roll era, a performer whose audience and appeal reach far beyond the parameters of rock. An acclaimed poet, a respected artist, and a figurehead for many liberal political causes, Patti Smith soared from an ugly-duckling childhood in postwar New Jersey to become queen of the New York arts scene in the 1970s. This book traces the brilliant trajectory of her career, including the fifteen reclusive years she spent in Detroit in the 1980s and ‘90s, as well as her triumphant return to New York. But it is primarily the story of a performer growing up in New York City in the early and mid-1970s. Dancing Barefoot is a measured, accurate, and enthusiastic account of Smith’s career. Guided by interviews with those who have known her—including Ivan Kral, Tom Verlaine, Richard Lloyd, John Cale, and Jim Carroll—it relies most of all on Patti’s own words. This is Patti’s story, told as she might have seen it, had she been on the outside looking in.

They Both Die at the End Adam Silvera 2017-09-05 Adam Silvera reminds us that there’s no life without death and no love without loss in this devastating yet uplifting story about two people whose lives change over the course of one unforgettable day. #1 New York Times bestseller * 4 starred reviews * A School Library Journal Best Book of the Year * A Kirkus Best Book of the Year * A Booklist Editors’ Choice * A Bustle Best YA Novel * A Paste Magazine Best YA Book * A Book Riot Best Queer Book * A Buzzfeed Best YA Book of the Year * A BookPage Best YA Book of the Year On September 5, a little after midnight, Death-Cast calls Mateo Torrez and Rufus Emeterio to give them some bad news: They’re going to die today. Mateo and Rufus are total strangers, but, for different reasons, they’re both looking to make a new friend on their End Day. The good news: There’s an app for that. It’s called the Last Friend, and through it, Rufus and Mateo are about to meet up for one last great adventure—to live a lifetime in a single day. In the tradition of Before I Fall and If I Stay, They Both Die at the End is a tour de force from acclaimed author Adam Silvera, whose debut, More Happy Than Not, the New York Times called “profound.” Plus don’t miss The First to Die at the End: #1 New York Times bestselling author Adam Silvera returns to the universe of international phenomenon They Both Die at the End in this prequel. New star-crossed lovers are put to the test on the first day of Death-Cast’s fateful calls.

Lord of Misrule Jaimy Gordon 2011 In the early 1970s, trainer Tommy Hansel attempts a horse racing scam at a small, backwoods track in West Virginia, but nothing goes according to his plan when the horses refuse to cooperate and nearly everyone at the track seems to know his scheme.

Stop-Time Frank Conroy 1977-02-24 First published in 1967, Stop-Time was immediately recognized as a masterpiece of modern American autobiography, a brilliant portrayal of one boy’s passage from childhood to adolescence and beyond. Here is Frank Conroy’s wry, sad, beautiful tale of life on the road; of odd jobs and lost friendships, brutal schools and first loves; of a father’s early death and a son’s exhilarating escape into manhood.

Stupid Kids John C. Russell 1999 THE STORY: In rapid, highly stylized, music-video-like scenes, STUPID KIDS follows four students at Joe McCarthy High School as they make their way from first through eighth period and beyond, struggling with the fears, frustrations, and longings p

Plugged In Patti M. Valkenburg 2017-04-25 An illuminating study of the complex relationship between children and media in the digital age Now, as never before, young people are surrounded by media—thanks to the sophistication and portability of the technology that puts it literally in the palms of their hands. Drawing on data and empirical research that cross many fields and continents, authors Valkenburg and Piotrowski examine the role of media in the lives of children from birth through adolescence, addressing the complex issues of how media affect the young and what adults can do to encourage responsible use in an age of selfies, Twitter, Facebook, and Instagram. This important study looks at both the sunny and the dark side of media use by today’s youth, including why and how their preferences change throughout childhood, whether digital gaming is harmful or helpful, the effects of placing tablets and smartphones in the hands of toddlers, the susceptibility of young people to online advertising, the legitimacy of parental concerns about media multitasking, and more.

Robert Mapplethorpe Frances Terpak 2016-03-15 Celebrated photographer Robert Mapplethorpe challenged the limits of censorship and conformity, combining technical and formal mastery with unexpected, often provocative content that secured his place in history. Mapplethorpe’s artistic vision helped shape the social and cultural fabric of the 1970s and ‘80s and, following his death in 1989 from AIDS, informed the political landscape of the 1990s. His photographic works continue to resonate with audiences all over the world. Throughout his career, Mapplethorpe preserved studio files and art from every period and vein of his production, including student work, jewelry, sculptures, and commercial assignments. The resulting archive is fascinating and astonishing. With over 400 illustrations, this volume surveys a virtually unknown resource that sheds new light on the artist’s motivations, connections, business acumen, and talent as a curator and collector.

Please Look After Mom Kyung-Sook Shin 2011-04-05 WINNER OF THE MAN ASIAN LITERARY PRIZE When sixty-nine-year-old So-nyo is separated from her husband among the crowds of the Seoul subway station, her family begins a desperate search to find her. Yet as long-held secrets and private sorrows begin to reveal themselves, they are forced to wonder: how well did they actually know the woman they called Mom? Told through the piercing voices and urgent perspectives of a daughter, son, husband, and mother, Please Look After Mom is at once an authentic picture of contemporary life in Korea and a universal story of family love.

Early Work, 1970-1979 Patti Smith 1994 Collected here are selections from Patti Smith’s writings over the decade in which she made a lasting impact on America’s underground literary and rock scene. Smith’s work evokes the experimentation and the desire to break boundaries of those pre-punk days. Over one-quarter of the works selected are unpublished pieces from journals, performances, and Smith’s personal papers. Heavily illustrated with photographs by Judy Linn, Robert Mapplethorpe, Edward Maxey, and others, Early Work brings together all sides of Patti Smith, from the thoughtful intellectual to the explosive performer.

Eleanor & Park Rainbow Rowell 2013-02-26 #1 New York Times Best Seller! ‘Eleanor & Park reminded me not just what it’s like to be young and in love with a girl, but also what it’s like to be young and in love with a book.’-John Green, The New York Times Book Review Bono met his wife in high school, Park says. So did Jerry Lee Lewis, Eleanor answers. I’m not kidding, he says. You should be, she says, we’re 16. What about Romeo and Juliet? Shallow, confused, then dead. I love you, Park says. Wherefore art thou, Eleanor answers. I’m not kidding, he says. You should be. Set over the course of one school year in 1986, this is the story of two star-crossed misfits-smart enough to know that first love almost never lasts, but brave and desperate enough to try. When Eleanor meets Park, you’ll remember your own first love-and just how hard it pulled you under. A New York Times Best Seller! A 2014 Michael L. Printz Honor Book for Excellence in Young Adult Literature Eleanor & Park is the winner of the 2013 Boston Globe Horn Book Award for Best Fiction Book. A Publishers Weekly Best Children’s Book of 2013 A New York Times Book Review Notable Children’s Book of 2013 A Kirkus Reviews Best Teen Book of 2013 An NPR Best Book of 2013

Ask Again, Yes Mary Beth Keane 2019-05-28 The triumphant New York Times Bestseller *The Tonight Show Summer Reads Pick* Named one of the Best Books of the Year by People, Vogue, Parade, NPR, and Elle “A gem of a book.” —Taylor Jenkins Reid, author of The Seven Husbands of Evelyn Hugo How much can a family forgive? Francis Gleeson and Brian Stanhope, rookie NYPD cops, are neighbors in the suburbs. What happens behind closed doors in both houses—the loneliness of Francis’s wife, Lena, and the instability of Brian’s wife, Anne, sets the stage for the explosive events to come. In Mary Beth Keane’s extraordinary novel, a lifelong friendship and love blossoms between Kate Gleeson and Peter Stanhope, born six months apart. One shocking night their loyalties are divided, and their bond will be tested again and again over the next thirty years. Heartbreaking and redemptive, Ask Again, Yes is a gorgeous and generous portrait of the daily intimacies of marriage and the power of forgiveness.

Acid for the Children Flea 2020-11-03 New York Times BestsellerA #1 LA Times BestsellerA USA Today BestsellerOne of NPR’s ‘Favorite Books of 2019’ With “virtuosic vulnerability” (The Atlantic), the iconic bassist and Red Hot Chili peppers co-founder pens a love letter to a youth spent wild in Los Angeles in his raw and riveting coming-of-age memoir, now in paperback. In Acid for the Children, Flea takes readers on a deeply personal and revealing tour of his formative years, spanning from Australia to the New York City suburbs to, finally, Los Angeles. Through hilarious anecdotes, poetical meditations, and occasional flights of fantasy, Flea deftly chronicles the experiences that forged him as an artist, a musician, and a young man. His dreamy, jazz-inflected prose makes the Los Angeles of the 1970s and 80s come to gritty, glorious life, including the potential for fun, danger, mayhem, or inspiration that lurked around every corner. It is here that young Flea, looking to

escape a turbulent home, found family in a community of musicians, artists, and junkies who also lived on the fringe. He spent most of his time partying and committing petty crimes. But it was in music where he found a higher meaning, a place to channel his frustration, loneliness, and love. This left him open to the life-changing moment when he and his best friends, soul brothers, and partners-in-mischief came up with the idea to start their own band, which became the Red Hot Chili Peppers. Acid for the Children is the debut of a stunning new literary voice, whose prose is as witty, entertaining, and wildly unpredictable as the author himself. It's a tenderly evocative coming-of-age story and a raucous love letter to the power of music and creativity from one of the most renowned musicians of our time.

Just Kids Patti Smith 2011-01-04 A prelude to fame, Just Kids recounts the friendship of two young artists—Patti Smith and Robert Mapplethorpe - whose passion fueled their lifelong pursuit of art. In 1967, a chance meeting between two young people led to a romance and a lifelong friendship that would carry each to international success never dreamed of. The backdrop is Brooklyn, Chelsea Hotel, Max's Kansas City, Scribner's Bookstore, Coney Island, Warhol's Factory and the whole city resplendent. Among their friends, literary lights, musicians and artists such as Harry Smith, Bobby Neuwirth, Allen Ginsberg, Sandy Daley, Sam Shepherd, William Burroughs, etc. It was a heightened time politically and culturally; the art and music worlds exploding and colliding. In the midst of all this two kids made a pact to always care for one another. Scrappy, romantic, committed to making art, they prodded and provided each other with faith and confidence during the hungry years--the days of cous-cous and lettuce soup. Just Kids begins as a love story and ends as an elegy. Beautifully written, this is a profound portrait of two young artists, often hungry, sated only by art and experience. And an unforgettable portrait of New York, her rich and poor, hustlers and hellions, those who made it and those whose memory lingers near.

Woolgathering Patti Smith 2012-05-10 In this small, luminous memoir, the National Book Award-winner Patti Smith revisits the most sacred experiences of her early years, with truths so vivid they border on the surreal. The author entwines her childhood self - and its 'clear, unspeakable joy' - with memories both real and envisioned from her twenties on New York's MacDougal Street, the street of cafés. Woolgathering was completed in Michigan, on Patti Smith's 45th birthday and originally published in a slim volume from Raymond Foye's Hanuman Books. Twenty years later, Bloomsbury is proud to present it in a much augmented edition, featuring writing that was omitted from the book's first printing, along with new photographs and illustrations.

Poems William Blake 2016-12-13 William Blake is one of England's most fascinating writers; he was not only a groundbreaking poet, but also a painter, engraver, radical, and mystic. Although Blake was dismissed as an eccentric by his contemporaries, his powerful and richly symbolic poetry has been a fertile source of inspiration to the many writers and artists who have followed in his footsteps. In this collection Patti Smith brings together her personal favorites of Blake's poems, including the complete Songs of Innocence and Songs of Experience, to give a singular picture of this unique genius, whom she calls in her moving introduction "the spiritual ancestor" of generations of poets.

Year of the Monkey Patti Smith 2020-09-01 From the National Book Award-winning author of Just Kids and M Train, a profound, beautifully realized memoir in which dreams and reality are vividly woven into a tapestry of one transformative year. Following a run of concerts at San Francisco's legendary Fillmore, Patti Smith finds herself tramping the coast of Santa Cruz. Unfettered by logic or time, she draws us into her private wonderland as a surreal lunar year begins, bringing with it unexpected turns, heightened mischief, and inescapable sorrow. In a stranger's words, "Anything is possible: after all, it's the year of the monkey." For Smith—inveterately curious, always exploring—the year evolves as one of reckoning with the changes in life's gyre: with loss, aging, and a dramatic shift in the political landscape of America. Smith melds the Western landscape with her own dreamscape. Taking us from California to the Arizona desert; to a Kentucky farm as the amanuensis of a friend in crisis; to the hospital room of a valued mentor; and by turns to remembered and imagined places, this haunting memoir blends fact and fiction with poetic mastery. The unexpected happens; grief and disillusionment set in. But as Smith heads toward a new decade in her own life, she offers this balm to the reader: her wisdom, wit, gimlet eye, and above all, a rugged hope for a better world. Riveting, elegant, often humorous, illustrated by Smith's signature Polaroids, Year of the Monkey is a moving and original work, a touchstone for our turbulent times.

A Book of Days Patti Smith 2022-11-15 A deeply moving and brilliantly idiosyncratic visual book of days by the National Book Award–winning author of Just Kids and M Train, featuring more than 365 images and reflections that chart Smith's singular aesthetic—inspired by her wildly popular Instagram. In 2018, without any plan or agenda for what might happen next, Patti Smith posted her first Instagram photo: her hand with the simple message "Hello Everybody!" Known for shooting with her beloved Land Camera 250, Smith started posting images from her phone including portraits of her kids, her radiator, her boots, and her Abyssinian cat, Cairo. Followers felt an immediate affinity with these miniature windows into Smith's world, photographs of her daily coffee, the books she's reading, the graves of beloved heroes—William Blake, Dylan Thomas, Sylvia Plath, Simone Weil, Albert Camus. Over time, a coherent story of a life devoted to art took shape, and more than a million followers responded to Smith's unique aesthetic in images that chart her passions, devotions, obsessions, and whims. Original to this book are vintage photographs: anniversary pearls, a mother's keychain, and a husband's Mosrite guitar. Here, too, are photos from Smith's archives of life on and off the road, train stations, obscure cafés, a notebook always nearby. In wide-ranging yet intimate daily notations, Smith shares dispatches from her travels around the world. With over 365 photographs taking you through a single year, A Book of Days is a new way to experience the expansive mind of the visionary poet, writer, and performer. Hopeful, elegiac, playful—and complete with an introduction by Smith that explores her documentary process—A Book of Days is a timeless offering for deeply uncertain times, an inspirational map of an artist's life.

Funny in Farsi Firoozeh Dumas 2007-12-18 NEW YORK TIMES BESTSELLER • Finalist for the PEN/USA Award in Creative Nonfiction, the Thurber Prize for American Humor, and the Audie Award in Biography/Memoir This Random House Reader's Circle edition includes a reading group guide and a conversation between Firoozeh Dumas and Khaled Hosseini, author of The Kite Runner! "Remarkable . . . told with wry humor shorn of sentimentality . . . In the end, what sticks with the reader is an exuberant immigrant embrace of America."—San Francisco Chronicle In 1972, when she was seven, Firoozeh Dumas and her family moved from Iran to Southern California, arriving with no firsthand knowledge of this country beyond her father's glowing memories of his graduate school years here. More family soon followed, and the clan has been here ever since. Funny in Farsi chronicles the American journey of Dumas's wonderfully engaging family: her engineer father, a sweetly quixotic dreamer who first sought riches on Bowling for Dollars and in Las Vegas, and later lost his job during the Iranian revolution; her elegant mother, who never fully mastered English (nor cared to); her uncle, who combated the effects of American fast food with an army of miraculous American weight-loss gadgets; and Firoozeh herself, who as a girl changed her name to Julie, and who encountered a second wave of culture shock when she met and married a Frenchman, becoming part of a one-couple melting pot. In a series of deftly drawn scenes, we watch the family grapple with American English (hot dogs and hush puppies?—a complete mystery), American traditions (Thanksgiving turkey?—an even greater mystery, since it tastes like nothing), and American culture (Firoozeh's parents laugh uproariously at Bob Hope on television, although they don't get the jokes even when she translates them into Farsi). Above all, this is an unforgettable story of identity, discovery, and the power of family love. It is a book that will leave us all laughing—without an accent. Praise for Funny in Farsi "Heartfelt and

hilarious—in any language."—Glamour "A joyful success."—Newsday "What's charming beyond the humor of this memoir is that it remains affectionate even in the weakest, most tenuous moments for the culture. It's the brilliance of true sophistication at work."—Los Angeles Times Book Review "Often hilarious, always interesting. . . Like the movie My Big Fat Greek Wedding, this book describes with humor the intersection and overlapping of two cultures."—The Providence Journal "A humorous and introspective chronicle of a life filled with love—of family, country, and heritage."—Jimmy Carter "Delightfully refreshing."—Milwaukee Journal Sentinel "[Funny in Farsi] brings us closer to discovering what it means to be an American."—San Jose Mercury News

Year of the Monkey Patti Smith 2019-09-24 From the National Book Award-winning author of Just Kids and M Train, a profound, beautifully realized memoir in which dreams and reality are vividly woven into a tapestry of one transformative year. Following a run of New Year's concerts at San Francisco's legendary Fillmore, Patti Smith finds herself tramping the coast of Santa Cruz, about to embark on a year of solitary wandering. Unfettered by logic or time, she draws us into her private wonderland with no design, yet heeding signs—including a talking sign that looms above her, prodding and sparring like the Cheshire Cat. In February, a surreal lunar year begins, bringing with it unexpected turns, heightened mischief, and inescapable sorrow. In a stranger's words, "Anything is possible: after all, it's the Year of the Monkey." For Smith—inveterately curious, always exploring, tracking thoughts, writing--the year evolves as one of reckoning with the changes in life's gyre: with loss, aging, and a dramatic shift in the political landscape of America. Smith melds the western landscape with her own dreamscape. Taking us from California to the Arizona desert; to a Kentucky farm as the amanuensis of a friend in crisis; to the hospital room of a valued mentor; and by turns to remembered and imagined places, this haunting memoir blends fact and fiction with poetic mastery. The unexpected happens; grief and disillusionment set in. But as Smith heads toward a new decade in her own life, she offers this balm to the reader: her wisdom, wit, gimlet eye, and above all, a rugged hope for a better world. Riveting, elegant, often humorous, illustrated by Smith's signature Polaroids, Year of the Monkey is a moving and original work, a touchstone for our turbulent times.

Powers of Two Joshua Wolf Shenk 2014 A curator and essayist surveys the inner workings of creative duos, from John Lennon and Paul McCartney to Marie and Pierre Curie to Steve Jobs and Steve Wozniak, and describes how their creative techniques can be adapted and used in everyday life. 50,000 first printing.

Reckless Chrissie Hynde 2015-09-08 Chrissie Hynde, for nearly four decades the singer/songwriter/ undisputed leader of the Pretenders, is a justly legendary figure. Few other rock stars have managed to combine her swagger, sexiness, stage presence, knack for putting words to music, gorgeous voice and just all-around kick-assedness into such a potent and alluring package. From "Tattooed Love Boys" and "Brass in Pocket" to "Talk of the Town" and "Back on the Chain Gang," her signature songs project a unique mixture of toughness and vulnerability that millions of men and women have related to. A kind of one- woman secret tunnel linking punk and new wave to classic guitar rock, she is one of the great luminaries in rock history. Now, in her no-holds-barred memoir Reckless, Chrissie Hynde tells, with all the fearless candor, sharp humor and depth of feeling we've come to expect, exactly where she came from and what her crooked, winding path to stardom entailed. Her All-American upbringing in Akron, Ohio, a child of postwar power and prosperity. Her soul capture, along with tens of millions of her generation, by the gods of sixties rock who came through Cleveland—Mitch Ryder, David Bowie, Jeff Back, Paul Butterfield and Iggy Pop among them. Her shocked witness in 1970 to the horrific shooting of student antiwar protestors at Kent State. Her weakness for the sorts of men she calls "the heavy bikers" and "the get-down boys." Her flight from Ohio to London in 1973 essentially to escape the former and pursue the latter. Her scuffling years as a brash reviewer for New Musical Express, shop girl at the Malcolm McLaren and Vivienne Westwood boutique 'Craft Must Wear Clothes But The Truth Loves To Go Naked', first-hand witness to the birth of the punk movement, and serial band aspirant. And then ,at almost the last possible moment, her meeting of the three musicians who comprised the original line-up of The Pretenders, their work on the indelible first album "The Pretenders," and the rocket ride to "Instant" stardom, with all the disorientation and hazards that involved. The it all comes crashing back down to earth with the deaths of lead guitarist James Honeyman Scott and bassist Peter Farndon, leaving her bruised and saddened, but far from beaten. Because Chrissie Hynde is, among other things, one of rock's great survivors. We are lucky to be living in a golden age of great rock memoirs. In the aptly titled Reckless, Chrissie Hynde has given us one of the very best we have. Her mesmerizing presence radiates from every line and page of this book.

Auguries of Innocence Patti Smith 2009-10-06 Auguries of Innocence is the first book of poetry from Patti Smith in more than a decade. It marks a major accomplishment from a poet and performer who has inscribed her vision of our world in powerful anthems, ballads, and lyrics. In this intimate and searing collection of poems, Smith joins in that great tradition of troubadours, journeymen, wordsmiths, and artists who respond to the world around them in fresh and original language. Her influences are eclectic and striking: Blake, Rimbaud, Picasso, Arbus, and Johnny Appleseed. Smith is an American original; her poems are oracles for our times.

Astragal Albertine Sarrazin 2013-04-26 As alive as a Godard movie, this lost classic of '60s French literature is back As if the reader were riding shotgun, this intensely vivid novel captures a life on the lam. "L'astragale" is the French word for the ankle bone Albertine Sarrazin's heroine Anne breaks as she leaps from her jail cell to freedom. As she drags herself down the road, away from the prison walls, she is rescued by Julien, himself a small-time criminal, who keeps her hidden. They fall in love. Fear of capture, memories of her prison cell, claustrophobia in her hideaways: every detail is fiercely felt. Astragal burst onto the French literary scene in 1965; its fiery and vivacious style was entirely new, and Sarrazin became a celebrity overnight. But as fate would have it, Sarrazin herself kept running into trouble with the law, even as she became a star. She died from a botched surgery at the height of her fame. Sarrazin's life and work (her novels are semi-autobiographical) have been the subject of intense fascination in France; a new adaptation of Astragal is currently being filmed. Patti Smith, who brought Astragal to the attention of New Directions, contributes an enthusiastic introduction to one of her favorite writers.

Study Guide Supersummary 2019-09-07 SuperSummary, a modern alternative to SparkNotes and CliffsNotes, offers high-quality study guides for challenging works of literature. This 64-page guide for "Just Kids" by Patti Smith includes detailed chapter summaries and analysis, as well as several more in-depth sections of expert-written literary analysis. Featured content includes commentary on major characters, 25 important quotes, essay topics, and key themes like Becoming an Artist and New York City in the 1960s and 1970s.

The Coral Sea Patti Smith 1997 In linked pieces, singer/songwriter Patti Smith tells the story of a man on a journey to see the Southern Cross, who is reflecting upon his life and fighting the illness that is consuming him. Through this collection of metaphoric and dreamy poems, "a singular, glowing vision of Robert Mapplethorpe develops and emerges" (William S. Burroughs). Photos.

Twentieth-Century Boy Duncan Hannah 2019-03-26 A rollicking account of a celebrated artist's coming of age, full of outrageously bad behavior, naked ambition, fantastically good music, and evaporating barriers of taste and decorum, and featuring cameos from David Bowie, Andy Warhol, Patti Smith, and many more. "A phantasmagoria of alcohol, sex, art, conversation, glam rock, and New Wave cinema. Hannah's writing combines self-aware humor with an intoxicating punk energy." —The New Yorker Painter Duncan Hannah arrived in New York City from Minneapolis in the early 1970s as an art student hungry for experience, game for almost anything, and with a prodigious taste for drugs, girls, alcohol, movies, rock and roll, books, parties, and everything else the city had to offer. Taken directly from the notebooks Hannah kept throughout the decade, Twentieth-Century Boy is a fascinating, sometimes lurid, and incredibly entertaining report from a now almost mythical time and place.
