**Mahala** Chris Barnard 2009 Deep in the South African bush, Delport lives alone and in fear. For nine long years, he has braved the endless nights of mosquitoes and days of scorching sun, waiting for his past to catch up with him. Now that day has come, and Delport's fate rests with a young woman with a mask that bears an unsettling resemblance to his nemesis.

**Vainglory** Ronald Firbank 2012-05-31 The fairly young and entirely alive Mrs Shamefoot wants nothing more than to have a memorial stained-glass window erected in her honour in an English cathedral. From this premise, the inimitable Ronald Firbank extends

his witty, eccentric Vainglory, with a crowded cast of hilariously drawn characters - Winsome Brooks, Lady Anne Pantry, Miss Wookie, Mrs Barrow of Dawn and Mrs Steeple - a riot of parties, and a bottomless sense of the ridiculous. Admired by Auden, Forster and Waugh, Firbank's fine comic skill, quick-fire dialogue and descriptive flights of fancy are perfectly captured in Vainglory, his first and longest novel, as well as in two novellas included here: Inclinations and Caprice.

101 Conversations in Intermediate English Olly Richards 2020-12-10 \*\*\* New Intermediate Edition! \*\*\* Improve

your spoken English from home with 101 real-world conversations in intermediate English. Real English people don't speak like your textbook... so it's no wonder you feel unprepared when it's your turn to speak! This book fixes that. For the first time, you'll learn to move beyond beginner level, and speak English in the real world! With 101 authentic conversations in intermediate English, so you'll become confident in the words, phrases and expressions you need to communicate like a local. 101 Conversations in Intermediate English transports you into a real-world story that unfolds between six English characters, told by the people themselves. Over 15,000 words of real English, you'll immerse yourself in a gripping English drama

and get an education in natural English in the process. Here's what you'll get: 101 conversations in intermediate English, so you can learn the real English spoken in the street, understand spoken English with ease, and have English roll off your tongue more fluently Over 15,000 words of dialogue - an unparalleled resource that will immerse you in English, at a level you can understand. You'll learn real spoken English without getting lost or overwhelmed Real, daily spoken English throughout - it's as if we held up a microphone and recorded the exact words coming out of people's mouths - so you can learn the expressions that real people use on the street (not in textbooks). You'll sound more authentic when you speak and make English-speaking friends

more easily. Situational dialogues from typical daily circumstances, so you can prepare yourself to survive realistic English encounters, in shops, cafés, and on the street, making meeting people second nature Conversations that are carefully written to be accessible for intermediate learners (B1-B2 on the CEFR), so you can learn from real, spoken conversations, without having to go through the rollercoaster of difficult conversations with strangers Each conversation is limited to around 15 lines of dialogue (150 words), so you can get that crucial sense of achievement and motivation when you finish each conversation, and say "I actually understood all of that!" Summaries of each conversation which contextualise each dialogue, so you can easily

follow the plot and enjoy the story without getting lost The story is set in England and includes expressions that are typical in British English. However, since the conversations use mostly "neutral" English, you'll have plenty to learn, whether you're learning the English of America, England, or Australia. Created by Olly Richards, internationally-renowned language teacher and author, 101 Conversations in Intermediate English gives you an experience in real English that you won't find anywhere else. You'll be better prepared for using English in the real world, speak with more confidence, and take a giant leap towards fluency in English! SCROLL UP AND GRAB YOUR COPY NOW

*The Development of Afrikaans* Fritz Ponelis 1993 The development of Afrikaans is investigated within its sociohistorical context from the beginnings of the Afrikaans speech community in the 17th century to the present. Language contact in the loose and heterogeneous early Cape society gave rise to a divergent variety of Dutch later to be named Afrikaans. There was extensive borrowing as well as creolisation due to the strong presence of foreigners who had to acquire Dutch rapidly and under adverse social conditions. Changes in the linguistic core and functions of Afrikaans are set forth in a number of chapters.
