La Fama. Giornale di scienze, lettere, arti, in. dustria e teatri 1855

Storia naturale illustrata del regno animale traita dalle opere dei pui distini e moderni naturalisti italiani e stranieri: Storia naturale degli animali invertebrati 1858

The Silent Duchess Dacia Maraini 2000-01-01 The stunning English translation of the International Man Booker Prize Finalist novel hailed as “a story of grace and endurance, not mere survival” (The New York Times Book Review). Winner of the Premio Campiello, short-listed for the Independent Foreign Fiction Award, and published to critical acclaim in fourteen languages, this “spellbinding” historical novel by one of Italy’s premier authors is now available in this luminous new translation (Booklist). In early 18th century Sicily, noblewoman Marianna Ucria is trapped in a world of silence after a terrible childhood trauma left her deaf and mute. Married off to a lecherous uncle, she struggles to educate and elevate herself against all convention—and find her true place in a world that sees her as little more than property. In language that conveys the keen vision and deep human insight possessed by her protagonist, Dacia Maraini captures the splendor and the corruption of Marianna’s world, as well as the strength of her unbreakable spirit, in “one of those rare, rich, deep, strange novels that create a world so fantastic and so real you want to start reading it again as soon as you come to the last page” (Newsday).

Il canzoniere patriottico 1915

La Secchia Rapita Alessandro Tassoni 1827

Inscribing Sorrow Christos Tsagalis 2008-12-10 Fourth-century Attic grave epigrams reflect a transitional phase in the evolution of the genre of epigram. They testify to a shift of interest towards social issues such as the family, the deceased’s age and profession. In a turbulent period of restlessness and uncertainty that followed the devastating Peloponnesian war, the commemoration of the departed in private monuments became an effective mechanism of displaying publicly a new set of social concerns. This book explores this decisive phase in the evolution of the epigram by reconstructing as many ancient contexts as possible on the one hand, and studying sepulchral epigrams as a poetic art on the other.

Giardino De Gli Epiteti, Traslati, & Aggiunti Poetici Italiani Gio. Battista Spada 1652

Translating Children's Literature Gillian Lathey 2015-07-24 Translating Children’s Literature is an exploration of the many developmental and linguistic issues related to writing and translating for children, an audience that spans a period of enormous intellectual progress and affective change from birth to adolescence. Lathey looks at a broad range of children’s literature, from prose fiction to poetry and picture books. Each of the seven chapters addresses a different aspect of translation for children, covering: · Narrative style and the challenges of translating the child’s voice; · The translation of cultural markers for young readers; · Translation of the modern picture book; · Dialogue, dialect and street language in modern children’s literature; · Read-aloud qualities, wordplay, onomatopoeia and the translation of children’s poetry; · Retranslation, retelling and reworking; · The role of translation for children within the global publishing and translation industries. This is the first practical guide to address all aspects of translating children’s literature, featuring extracts from commentaries and interviews with published translators of children’s literature, as well as examples and case studies across a range of languages and texts. Each chapter includes a set of questions and exercises for students. Translating Children’s Literature is essential reading for professional translators, researchers and students on courses in translation studies or children’s literature.

La divina commedia Dante Alighieri 1874

An Elementary Grammar of the Italian Language Antonio Marinoni 1912

The Ragionamenti Pietro Aretino 1972

Blood Brotherhoods John Dickie 2014-04-22 MAFIA. CAMORRA. 'NDRANGHETA. The Sicilian mafia, known as Cosa Nostra, is far from being Italy’s only dangerous criminal fraternity. The country hosts two other major mafias: the camorra from Naples; and, from the poor and isolated region of Calabria, the mysterious 'ndrangheta, which has now risen to become the most powerful mob group active today. Since they emerged, the mafias have all corrupted Italy’s institutions, drastically curtailed the life-chances of its citizens, evaded justice, and set up their own self-interested meddling as an alternative to the courts. Yet each of these brotherhoods has its own methods, its own dark rituals, its own style of ferocity. Each is uniquely adapted to corrupt and exploit its own specific environment, as it collaborates with, learns from, and goes to war with the other mafias. Today, the shadow of organized crime hangs over a country racked by debt, political paralysis, and widespread corruption. The 'ndrangheta controls much of Europe’s wholesale cocaine trade and, by some estimates, 3

percent of Italy's total GDP. Blood Brotherhoods traces the origins of this national malaise back to Italy's roots as a united country in the nineteenth century, and shows how political violence incubated underworld sects among the lemon groves of Palermo, the fetid slums of Naples, and the harsh mountain villages of Calabria. Blood Brotherhoods is a book of breathtaking ambition, tracing for the first time the interlocking story of all three mafias from their origins to the present day. John Dickie is recognized in Italy as one of the foremost historians of organized crime. In these pages, he blends archival detective work, passionate narrative, and shrewd analysis to bring a unique criminal ecosystem—and the three terrifying criminal brotherhoods that have evolved within it—to life on the page.

Teatro universale 1847

Gli Asolani (1808) Pietro Bembo 2009-02 This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high quality, modern editions that are true to the original work.

Le case, le cose, le carte Elena Carandini Albertini 2007

The Business of Books James Raven 2007-08-22 In 1450 very few English men or women were personally familiar with a book; by 1850, the great majority of people daily encountered books, magazines, or newspapers. This book explores the history of this fundamental transformation, from the arrival of the printing press to the coming of steam. James Raven presents a lively and original account of the English book trade and the printers, booksellers, and entrepreneurs who promoted its development. Viewing print and book culture through the lens of commerce, Raven offers a new interpretation of the genesis of literature and literary commerce in England. He draws on extensive archival sources to reconstruct the successes and failures of those involved in the book trade—a cast of heroes and heroines, villains, and rogues. And, through groundbreaking investigations of neglected aspects of book-trade history, Raven thoroughly revises our understanding of the massive popularization of the book and the dramatic expansion of its markets over the centuries.

Plays Four Caryl Churchill 2008 Includes a revival of her best-known play, Cloud Nine and a new translation, Bliss.

Natura ed arte rivista illustrata quindicinale italiana e straniera di scienze, lettere ed arti

Vinegar Tom Caryl Churchill 1982 The play examines gender and power relationships through the lens of 17th-century witchcraft trials in England.

Grande dizionario della lingua italiana Salvatore Battaglia 1961

Adaptation and Appropriation Julie Sanders 2015-11-19 From the apparently simple adaptation of a text into film, theatre or a new literary work, to the more complex appropriation of style or meaning, it is arguable that all texts are somehow connected to a network of existing texts and art forms. In this new edition Adaptation and Appropriation explores: multiple definitions and practices of adaptation and appropriation the cultural and aesthetic politics behind the impulse to adapt the global and local dimensions of adaptation the impact of new digital technologies on ideas of making, originality and customization diverse ways in which contemporary literature, theatre, television and film adapt, revise and reimagine other works of art the impact on adaptation and appropriation of theoretical movements, including structuralism, post-structuralism, postcolonialism, postmodernism, feminism and gender studies the appropriation across time and across cultures of specific canonical texts, by Shakespeare, Dickens, and others, but also of literary archetypes such as myth or fairy tale. Ranging across genres and harnessing concepts from fields as diverse as musicology and the natural sciences, this volume brings clarity to the complex debates around adaptation and appropriation, offering a much-needed resource for those studying literature, film, media or culture.

The Early Baroque Era Curtis Price 1993-11-09

A Century of Catholic Mission Stephen B. Bevens 2015-01-12 A Century of Catholic Mission surveys the complex and rich history and theology of Roman Catholic Mission in the one hundred years since the 1910 Edinburgh World Mission Conference. Essays written by an international team of Catholic mission scholars focus on Catholic Mission in every region of the world, summarize church teaching on mission before and after the watershed event of the Second Vatican Council, and reflect on a wide variety of theological issues. A Century of Catholic Mission is a missiological feast with the table richly spread with everything one needs to know about Catholic mission. -Gemma Tulud Cruz, Senior Lecturer, School of Theology, Australian Catholic University This book is a magisterial project, wider than the Magisterium. Stephen B Bevens has gathered and shaped an extraordinary resource for theological students, as well as for students of mission. To understand the beginning of a Catholic new era, with Pope Francis I, immerse yourself in this immense book. -The Rt Revd Dr Graham Kings, Bishop of Sherborne This book is a wonderful gift to world Christianity. The breadth of its missiology, the scope of its historical survey, and the representation of the world church among its writers mean that this work is truly catholic in its scholarship and purpose. -Dr Cathy Ross, Lecturer in Mission, Regent's Park College, University of Oxford The scope and depth of A Century of Catholic Mission is astounding. It is an essential book both for reference and as a reliable text to introduce students from all churches to this important area. I know of no other book that gives a panoramic view of world Catholicism, bringing into relief both its mountains and valleys. -William R Burrows, Research Professor of Missiology, New York Theological Seminary Certainly the most comprehensive survey on mission as done and reflected upon in a Roman Catholic context! Prof. Dr. Annemarie Mayer, Roman Catholic Consultant, World Council of Churches Stephen B. Bevens, SVD, is a priest in the Society of the Divine Word, a Roman Catholic missionary congregation. After ordination in 1971 he spent nine years as a missionary in the Philippines and since 1986 he has taught at Catholic Theological Union in Chicago, USA, where he is currently the Louis J. Luzbetak, SVD Professor of Mission and Culture. Among his publications are Models of Contextual Theology (2002), Constants in Context and Prophetic Dialogue (with Roger P. Schroeder, 2004 and 2011), and Evangelization and Religious Freedom (with Jeffrey Gros, 2009). He is past president of the American Society of Missiology, serves on the editorial board

Madonna pellegrina Pileria Pellegrino 1998

Gabriele Rossetti: a Versified Autobiography Gabriele Rossetti 1902

Dizionario pittoresco della storia naturale e delle manifatture ad uso della gioventu Ercole Marenesi 1841

Historical Atlas of Medieval Music Vera Minazzi 2020-11-03 Music is rooted in the heart of Western culture. The absence of music from the usual publications of medieval history and history of art of the Middle Ages is understandable, considering the rarity of sources. And yet, throughout the last decades, an intense activity of historico-musicological research has been carried out internationally by a select group of specialized scholars. The ambitious goal of this work is to set medieval music within its historical and cultural context and to provide readers interested in different disciplines with an overall picture of music in the Middle Ages; multi-faceted, enjoyable, yet scientifically rigorous. To achieve this goal, the most prominent scholars of medieval musicology were invited to participate, along with archaeologists, experts of acoustics and architecture, historians and philosophers of medieval thought. The volume offers exceptional iconography and several maps, to accompany the reader in a fascinating journey through a network of places, cultural influences, rituals and themes.

Vita Nuova Dante Alighieri 1892

L'illustrazione italiana 1877

Peregrina y extranjera Marguerite Yourcenar 1992 Peregrina y extranjera es una recopilación póstuma de ensayos en los que Marguerite Yourcenar ciudadana del país de la inteligencia, de gira por el mundo trata, desde su particular punto de vista, los más diversos temas relacionados con la cultura. Los escritos reunidos aquí son el fiel reflejo de un recorrido intelectual que va desde los años 30 hasta los últimos hasta los últimos días de 1987. Las música del joven Mozart; sus pintores favoritos Rembrandt, Poussin, Ruysdael... ; su admiración por la obra de Virginia Wolf, Henry James, Oscar Wilde, Jorge Luis Borges; sus opiniones sobre el mundo de la Grecia antigua, en relación con la época actual, y hasta su discurso de ingreso en la Academia Francesa, configuran un libro de múltiples, cambiantes y profundos atractivos.

Economy of the Unlost Anne Carson 2009-04-11 The ancient Greek lyric poet Simonides of Keos was the first poet in the Western tradition to take money for poetic composition. From this starting point, Anne Carson launches an exploration, poetic in its own right, of the idea of poetic economy. She offers a reading of certain of Simonides' texts and aligns these with writings of the modern Romanian poet Paul Celan, a Jew and survivor of the Holocaust, whose "economies" of language are notorious. Asking such questions as, What is lost when words are wasted? and Who profits when words are saved? Carson reveals the two poets' striking commonalities. In Carson's view Simonides and Celan share a similar mentality or disposition toward the world, language and the work of the poet. Economy of the Unlost begins by showing how each of the two poets stands in a state of alienation between two worlds. In Simonides' case, the gift economy of fifth-century b.c. Greece was giving way to one based on money and commodities, while Celan's life spanned pre- and post-Holocaust worlds, and he himself, writing in German, became estranged from his native language. Carson goes on to consider various aspects of the two poets' techniques for coming to grips with the invisible through the visible world. A focus on the genre of the epitaph grants insights into the kinds of exchange the poets envision between the living and the dead. Assessing the impact on Simonidean composition of the material fact of inscription on stone, Carson suggests that a need for brevity influenced the exactitude and clarity of Simonides' style, and proposes a comparison with Celan's interest in the "negative design" of printmaking: both poets, though in different ways, employ a kind of negative image making, cutting away all that is superfluous. This book's juxtaposition of the two poets illuminates their differences—Simonides' fundamental faith in the power of the word, Celan's ultimate despair--as well as their similarities; it provides fertile ground for the virtuosic interplay of Carson's scholarship and her poetic sensibility.

Imagini Delli Dei de Gl'antichi Vincenzo Cartari 1647

Esilio Ada Negri 2015-10-02 Esilio

A Critique of Modern Textual Criticism Jerome J. McGann 1983 This work initiated a major shift in literary theory and method when it was first published in 1983. Starting from a critical inquiry into certain specialised issues in the practice of editing, A Critique of Modern Textual Criticism gradually unfolds an argument for a general revaluation of the grounds of literary study as a whole. McGann's point of departure is the controversy he opens with the once-dominant line of traditional textual and editorial scholarships as it evolved through the fundamental work of W.W. Greg, Fredson Bowers and G. Thomas Transelle. In departing from the canonical approach to the technical question of copy-text, McGann argues that theory of text must ground itself in a recovery of the entire productive and reproductive history of the text. His book proposes combining literary criticism and bibliographical scholarship with social, institutional and collaborative models of creation and production.

The Ranuzzi Manuscripts Maria Xenia Zevelechi Wells 1980

My Brilliant Friend Elena Ferrante 2020 The story of Elena and Lila begins in the 1950s in a poor but vibrant neighbourhood on the outskirts of Naples. Growing up on these tough streets the two girls learn to rely on each other ahead of anyone or anything else, as their friendship, beautifully and meticulously rendered, becomes a not-always-perfect shelter from hardship. A memorable portrait of two women, My Brilliant Friend is also the story of a nation. Through the lives of Elena and Lila, Ferrante gives her readers the story of a city and a country undergoing momentous change.

Multiple Authorship and the Myth of Solitary Genius Jack Stillinger 1991-08-15 This is a study of the collaborative creation behind literary works that are usually considered to be written by a single author. Although most theories of interpretation and editing depend on a concept of single authorship, many works are actually developed by more than one author. Stillinger examines case histories from Keats, Wordsworth, Coleridge, Mill, and T.S. Eliot, as well as from American fiction, plays, and films, demonstrating that multiple authorship is a widespread phenomenon. He shows that the reality of how an author produces a work is often more complex than is expressed in the romantic notion of the author as solitary genius. The cumulative evidence revealed in this engaging study indicates that collaboration deserves to be included in any account of authorial achievement.

La Moda. Giornale dedicato al bel sesso. (Estensore: Francesco Lampato) 1842

Teatro universale raccolta enciclopedica e scenografica
