About this unicorn coloring book: Contains 25 completely unique coloring pages. There are NO duplicate images in this book. The pages are single-sided to prevent bleed-through, and so that pages can be removed and displayed without losing an image on the back. We have carefully designed each page to be entertaining and suitable for children in the 4 to 8 year-old age range. We have avoided overly-intricate designs as well as overly-simplistic ones. We believe children of this age love coloring fun scenes that fire up their imaginations, not a book full of simple shapes. The pages are a nice, large 6x9 size.
