Mahatma Gandhi Aditya Mukherjee

2008-12-08 RSS, School Texts and the

Murder of Mahatma Gandhi undertakes the novel experiment of juxtaposing three apparently quite different issues, the nature of the RSS school textbooks, the murder of the Mahatma and the basic ideology of Savarkar and Golwalkar. While deeply delving into all three aspects, it brings out the deep connection between them. The book, which brings out the basic ideological underpinnings of the Hindu Communal Project, is divided into three parts. Part I discusses how this ideology is propagated among young impressionable minds through school textbooks. Part II studies the role of the Sangh combine in the murder of Mahatma Gandhi and Part III analyses the basic elements of the Hindu communal ideology, as propounded by some of its founders like Savarkar and Golwalkar.

The Times of India Directory and Year Book Including Who's who 1964

The Spiritual Heritage of India Swami Prabhavananda 2019-04-09 This book, first published in 1962, is an analysis of the history of the philosophy of a country that has never distinguished philosophy from religion. Indian philosophy is not merely metaphysical speculation, but has its foundation in immediate perception. This insistence upon immediate perception rather than abstract reasoning is what distinguishes the Indian philosophy of religion from philosophy as Western nations know it.
