Leftovers Laura Wiess 2008-01-01 A devastating novel of desperation and revenge from Laura Wiess. In this follow-up to her heartbreaking debut, *Such a Pretty Girl*, once again spins a shattering tale of the tragedies that befall young women who are considered society's Leftovers. Blair and Ardith are best friends who have committed an unforgivable act in the name of love and justice. But in order to understand what could drive two young women to such extreme measures, first you'll have to understand why. You'll have to listen as they describe parents who are alternately absent and smothering,

classmates who mock and shun anyone different, and young men who are allowed to hurt and dominate without consequence. You will have to learn what it's like to be a teenage girl who locks her bedroom door at night, who has been written off by the adults around her as damaged goods. A girl who has no one to trust except the one person she's forbidden to see. You'll have to understand what it's really like to be forgotten and abandoned in America today. Are you ready?

Charlotte's Web E. B. White 2015-03-17 Don't miss one of America's top 100 most-loved novels, selected by PBS's The Great American Read. This beloved book by E. B. White, author of

Stuart Little and The Trumpet of the Swan, is a classic of children's literature that is "just about perfect." Illustrations in this ebook appear in vibrant full color on a full-color device and in rich black-and-white on all other devices. Some Pig. Humble. Radiant. These are the words in Charlotte's Web, high up in Zuckerman's barn. Charlotte's spiderweb tells of her feelings for a little pig named Wilbur, who simply wants a friend. They also express the love of a girl named Fern, who saved Wilbur's life when he was born the runt of his litter. E. B. White's Newbery Honor Book is a tender novel of friendship, love, life, and death that will continue to be enjoyed by generations to come. It contains illustrations by Garth Williams, the acclaimed illustrator of E. B. White's Stuart Little and Laura Ingalls Wilder's Little House series, among many other books. Whether enjoyed in the classroom or for homeschooling or independent reading, Charlotte's Web is a proven favorite.

Social Warming Charles Arthur 2021-06-24

Nobody meant for this to happen. Facebook didn't mean to facilitate a genocide. Twitter didn't want to be used to harass women. YouTube never planned to radicalise young men. But with billions of users, these platforms need only tweak their algorithms to generate more 'engagement'. In so doing, they bring unrest to previously settled communities and erode our relationships. Social warming has happened gradually – as a by-

product of our preposterously convenient digital existence. But the gradual deterioration of our attitudes and behaviour on- and offline – this vicious cycle of anger and outrage – is real. And it can be corrected. Here's how.

Leftover in China: The Women Shaping the World's Next Superpower Roseann Lake

2018-02-13 Factory Girls meets The Vagina

Monologues in this fascinating narrative on China's single women—and why they could be the source of its economic future. Forty years ago, China enacted the one-child policy, only recently relaxed. Among many other unintended consequences, it resulted in both an enormous gender imbalance—with a predicted twenty million more men than women of marriage age by 2020—and China's first generations of only-daughters. Given the resources normally reserved for boys, these girls were pushed to study, excel in college, and succeed in careers, as if they were sons. Now living in an economic powerhouse, enough of these women have decided to postpone marriage—or not marry at all—to spawn a label: "leftovers." Unprecedentedly well-educated and goal-oriented, they struggle to find partners in a society where gender roles have not evolved as vigorously as society itself, and where new professional opportunities have made women less willing to compromise their careers or concede to marriage for the sake of being wed. Further complicating their search for a

mate, the vast majority of China's single men reside in and are tied to the rural areas where they were raised. This makes them geographically, economically, and educationally incompatible with city-dwelling "leftovers," who also face difficulty in partnering with urban men, given the urban men's general preference for more dutiful, domesticated wives. Part critique of China's paternalistic ideals, part playful portrait of the romantic travails of China's trailblazing women and their well-meaning parents who are anxious to see their daughters snuggled into traditional wedlock, Roseann Lake's *Leftover in China* focuses on the lives of four individual women against a backdrop of colorful anecdotes, hundreds of interviews, and rigorous historical and demographic research to show how these "leftovers" are the linchpin to China's future.

[Love and Leftovers](#) Sarah Tregay 2012-01-03 Romantic and bittersweet, *Love and Leftovers* captures one girl's experience with family, friends, and love. Dragged to New Hampshire for the summer, Marcie soon realizes that her mom has no plans for them to return to Marcie's father in Idaho. As Marcie starts at a new school, without her ragtag group of friends called the Leftovers, a new romance heats up, but she struggles to understand what love really means. Perfect for fans of romances like *Anna and the French Kiss* and those by Sarah Dessen as well as readers of poetry, *Love and Leftovers* is a beautiful and

fresh take on love.

Food Hygiene and Toxicology in Ready-to-Eat Foods Parthena Kotzekidou 2016-07-29 *Food Hygiene and Toxicology in Ready-to-Eat Foods* is a solid reference for anyone in the food industry needing to understand the complex issues and mechanisms of biological control and chemical hazards to ensure food safety. Infectious and non-infectious contaminants in raw, minimally processed, and prepared foods are covered in detail, as well as effective measures to avoid foodborne infections and intoxications. The book is written by an international team of experts presenting the most up-to-date research in the field, and provides current applications and guidance to enhance food safety in the food industry. Strategies and recommendations for each food category include, among others, how to avoid cross-contamination of pathogens, the proper uses of antimicrobial coatings and spray cleanings of fresh produce, and acrylamide reduction during processing. Leafy vegetables, fruit juices, nuts, meat and dairy products are some of the ready-to-eat foods covered. Provides the latest on research and development in the field of food safety incorporating practical real life examples for microbiological risk assessment and reduction in the food industry. Includes specific aspects of potential contamination and the importance of various risks associated with ready-to-eat foods. Describes potential harmful agents

that may arise in foods during processing and packaging Presents information on psychotropic pathogens and food poisoning strains, effect of temperature, Salmonella, Listeria, Escherichia coli, Bacillus cereus, Norovirus, parasites, fungal microbiota, enterotoxins, and more

Sloppy Seconds Tucker Max 2012-02-07 Tucker Max's books-I Hope They Serve Beer In Hell, Assholes Finish First, and Hilarity Ensues-are a uniquely engaging trilogy composed of his best, craziest stories. They've sold millions of copies to fans all over the world. Their success has meant his success. As a thank you to those who have loved the stories and supported him for so long, Tucker has gone back through his massive archive of material one last time, culled out what you might call the "best of the rest," and arranged it here, in *Sloppy Seconds*, like a book version of Deleted Scenes. Unlike most deleted scenes, however, these don't suck. So enjoy.

Take Control of PDFpen, 3rd Edition Michael E. Cohen 2021-05-03 Edit and enhance your PDFs easily with PDFpen 13! Version 3.0, updated May 3, 2021 This book tells you how create, edit, and enhance PDF documents on your Mac with PDFpen 13 and PDFpenPro 13, and on the go with PDFpen for iPad & iPhone. These days, an ever-increasing amount of "paper"—contracts, tax forms, bills, reports, and more—comes into our lives as PDF files. We generate this virtual paper too, since it's so much easier to save a document

as a PDF and send it to a colleague via email than it is to print and send via fax or email. To read, edit, and manipulate all these PDFs, you need the appropriate tools and skills. Given the high price of Adobe Acrobat DC Pro, many Mac users have turned to Smile's affordable PDFpen apps to help them sign PDF forms, handle scanned documents, make changes in existing PDFs, create new PDFs from a variety of sources, and to export PDFs to other file formats (including Word and Excel). With *Take Control of PDFpen*, you'll learn how to do all these tasks and more on your Mac with PDFpen or PDFpenPro or on the go with PDFpen for iPad & iPhone. If you haven't used PDFpen before, this free book is an excellent way to find out what it has to offer. TidBITS members can save 20% on all Smile products purchased through the Smile cart, including PDFpen 13 and PDFpenPro 13. To learn more, visit the Membership Benefits page. To access the coupon code, make sure you've logged in and click through from the Your Member Benefits page. *Take Control of PDFpen* begins with a guide to purchasing options: PDFpen versus PDFpenPro, from Smile versus the Mac App Store, and the advantages of the iOS/iPadOS version. Next, you'll meet PDFpen with an overview of the PDF format and a tour of the interface. With the basics out of the way, highlights of what you'll learn to do include: • Add and remove pages, and combine pages from

multiple files into one PDF. • Mark up a PDF with highlights, comments, editing marks, and more. • Compare two different parts of a PDF with the Split View. • Edit a PDF by fixing typos, adding text, formatting text, and redacting confidential text. • Scan a document into a PDF, and make the text editable with OCR—with single or multiple documents. • Add photos or scans to a PDF quickly with Continuity Camera and an iOS/iPadOS device. • View and work with OCR'd text in the OCR layer (PDFpenPro only) • Add clickable links, headers, footers, page numbers, and images. • Annotate a document with lines, shapes, text, and callouts. • Make a clickable table of contents (PDFpenPro only). • Add a watermark to each page of a PDF. • Password-protect a PDF. And (PDFpenPro only), prevent others from printing or editing a PDF. • Turn a PDF into a formatted Microsoft Word document, or (PDFpenPro only) export it in Excel or PowerPoint format. • Reduce the size of your PDFs. • Create blank PDFs with stationery. • Add a digital signature with DocuSign (PDFpenPro only). And, you'll find directions for working with PDF forms: • Fill out forms with ease. • Add a handwritten signature. • Apply a digital signing certificate. • Print just form entries on a pre-printed form. • Create an interactive PDF form (PDFpenPro only) that can collect data and send it to you via email or the web. You can add an interactive signature field, which makes it

easy for the form to be signed online. An appendix describes the useful AppleScripts that ship with PDFpen. This ebook was created in collaboration with Smile, with PDFpen's developers tech editing the book.

Out of the Dust (Scholastic Gold) Karen Hesse
2012-09-01 Acclaimed author Karen Hesse's Newbery Medal-winning novel-in-verse explores the life of fourteen-year-old Billie Jo growing up in the dust bowls of Oklahoma.

Interesting Facts about Animals Arshad Iqbal
Interesting Facts about Animals: Mammals, Amphibians & Reptiles Fun Facts for Kids & Adults (Amazing Facts about Everything) covers encyclopedia terminology with more than 2000 awesome facts and details about animals (mammals, reptiles and amphibians). The chapter 'Amphibians Facts' includes amazing facts about Axolotyl, Goliath, Frog, Poison Dart Frogs, and Hellbender. Enjoy quick learning with Amazing Facts!

The Coming Revolution Ben Reynolds 2018-06-29

A technological revolution is driving capitalism toward crisis and collapse. Can our society evolve in time to rescue the future? Radical advances in automation, robotics, and computer technology have thrown millions out of work and will only continue to do so in the years to come. At the same time, cheap, individually-accessible machines will wrestle for primacy with both gleaming highly-automated factories and sweatshops alike, ultimately eroding the dominance of industrial production. Economic growth is slowing down, and it is not going to speed up again. The pressures fueling today's global unrest will not go away and are only going to get worse as wages stagnate in many countries, solid employment becomes harder to find, and cuts to social benefits continue. Competing radical and reactionary ideologies will clash as political consensus crumbles and the

world's peoples search for answers to these challenges. In its opening decades, the 21st will be a century of war and revolution. By the end of the 21st century, capitalism will be consigned to the history books. Despite the seeming darkness of our era, our future is filled with incredible possibility. If working people join together, we can create a world of freedom, beauty, and abundance, where poverty and tyranny are merely distant memories for our grandchildren. This is the story of The Coming Revolution.

Good and Cheap Leanne Brown 2015-07-14

A perfect and irresistible idea: A cookbook filled with delicious, healthful recipes created for everyone on a tight budget. While studying food policy as a master's candidate at NYU, Leanne Brown asked a simple yet critical question: How well can a person eat on the \$4 a day given by SNAP, the U.S. government's Supplemental Nutrition Assistance Program informally known as food stamps? The answer is surprisingly well: Broiled Tilapia with Lime, Spicy Pulled Pork, Green Chile and Cheddar Quesadillas, Vegetable Jambalaya, Beet and Chickpea Salad—even desserts like Coconut Chocolate Cookies and Peach Coffee Cake. In addition to creating nutritious recipes that maximize every ingredient and use economical cooking methods, Ms. Brown gives tips on shopping; on creating pantry basics; on mastering certain staples—pizza dough, flour tortillas—and saucy extras that make everything

taste better, like spice oil and tzatziki; and how to make fundamentally smart, healthful food choices. The idea for Good and Cheap is already proving itself. The author launched a Kickstarter campaign to self-publish and fund the buy one/give one model. Hundreds of thousands of viewers watched her video and donated \$145,000, and national media are paying attention. Even high-profile chefs and food writers have taken note—like Mark Bittman, who retweeted the link to the campaign; Francis Lam, who called it “Terrific!”; and Michael Pollan, who cited it as a “cool kickstarter.” In the same way that TOMS turned inexpensive, stylish shoes into a larger do-good movement, Good and Cheap is poised to become a cookbook that every food lover with a conscience will embrace.

Design of the Unfinished Luciano Crespi
2021-07-07 The book aims to provide city administrators and planners with a tool to accompany them in experimenting with the regeneration of no longer used parts of the built heritage, called leftovers, by adopting an innovative approach. A new and radically different form of project, with the task of proposing a new aesthetic code and a style of thought aimed at creating shelters for nomads of the third millennium. In the design field, the 21st century will be destined to measure itself against temporariness and precariousness, also in terms of aesthetic practices. Based on this hypothesis,

the text identifies the design of the unfinished as the perspective for attributing to the leftovers a character, which is representative of the conditions of the just begun century. Through a transdisciplinary, exhibition-like and reversible approach, the elements of degradation of the existing work are welcomed in the project as a "gift", to be translated into a syntax aimed at giving form and meaning to the internal and external environments, with the inclusion of "additional components".

Little Children Tom Perrotta 2007-04-01 Tom Perrotta's thirty-ish parents of young children are a varied and surprising bunch. There's Todd, the handsome stay-at-home dad dubbed "The Prom King" by the moms of the playground; Sarah, a lapsed feminist with a bisexual past, who seems to have stumbled into a traditional marriage; Richard, Sarah's husband, who has found himself more and more involved with a fantasy life on the internet than with the flesh and blood in his own house; and Mary Ann, who thinks she has it all figured out, down to scheduling a weekly roll in the hay with her husband, every Tuesday at 9pm. They all raise their kids in the kind of sleepy American suburb where nothing ever seems to happen—at least until one eventful summer, when a convicted child molester moves back to town, and two restless parents begin an affair that goes further than either of them could have imagined. Unexpectedly suspenseful, but written with all the

fluency and dark humor of Perrotta's previous novels, *Little Children* exposes the adult dramas unfolding amidst the swingsets and slides of an ordinary American playground.

Nations in Transit 2014 Freedom House
2014-09-24 Since 1995, Freedom House's Nations in Transit series has monitored the status of democratic change from Central Europe to Eurasia, pinpointing the region's greatest reform opportunities and challenges for the benefit of policymakers, researchers, journalists, and democracy advocates alike.

Bad Haircut Tom Perrotta 1994 Witty, wise coming of age stories. Wonderful. DSWashington Post Book World

Joe College Tom Perrotta 2006-09-19 For many college students, Spring Break means fun and sun in Florida. For Danny, a Yale junior, it means two weeks behind the wheel of the Roach Coach, his father's lunch truck, which plies the parking lots of office parks in central New Jersey. But Danny can use the time behind the coffee urn to try and make sense of a love life that's gotten a little complicated. There's loyal and patient hometown honey Cindy and her recently dropped bombshell to contend with. And there's also lissome Polly back in New Haven--with her shifting moods, perfect thrift store dresses and inconvenient liaison with a dashing professor. If girl problems aren't enough, there's the constant menace of the Lunch Monsters, a group of thugs

who think Danny has planted the Roach Coach in their territory. *Joe College* is Tom Perrotta's warmest and funniest fiction yet, a comic journey into the dark side of love, higher education and food service.

Apocalyptic Fiction Andrew Tate 2017-01-26
Visions of post-apocalyptic worlds have proved to be irresistible for many 21st-century writers, from literary novelists to fantasy and young adult writers. Exploring a wide range of texts, from the works of Margaret Atwood, Cormac McCarthy, Tom Perrotta and Emily St. John Mandel to young adult novels such as Suzanne Collins's *The Hunger Games* series, this is the first critical introduction to contemporary apocalyptic fiction. Exploring the cultural and political contexts of these writings and their echoes in popular media, *Apocalyptic Fiction* also examines how contemporary apocalyptic texts looks back to earlier writings by the likes of Mary Shelley, H.G. Wells and J.G. Ballard. *Apocalyptic Fiction* includes an annotated guide to secondary readings, making this an essential guide for students of contemporary fiction at all levels.

Unions and the City Ian Thomas MacDonald
2017-06-13 Labor unions remain the largest membership-based organizations in major North American cities, even after years of decline. Labor continues to play a vital role in mobilizing urban residents, shaping urban conflict, and crafting the policies and regulations that are

transforming our urban spaces. As unions become more involved in the daily life of the city, they find themselves confronting the familiar dilemma of how to fold union priorities into broader campaigns that address nonunion workers and the lives of union members beyond the workplace. If we are right to believe that the future of the labor movement is an urban one, union activists and staffers, urban policymakers, elected officials, and members of the public alike will require a fuller understanding of what impels unions to become involved in urban policy issues, what dilemmas structure the choices unions make, and what impact unions have on the lives of urban residents, beyond their members. Unions and the City serves as a road map toward both a stronger labor movement and a socially just urbanism. The book presents the findings of a collaborative project in which a team of labor researchers and labor geographers based in New York City and Toronto investigated how and why labor unions were becoming more involved in urban regulation and urban planning. The contributors assess the effectiveness of this involvement in terms of labor goals—such as protecting employment levels, retaining bargaining relationships with employers, and organizing new workforces—as well as broader social consequences of union strategies, such as expanding access to public services, improving employment equity, and making neighborhoods

more affordable. Focusing on four key economic sectors (film, hospitality, green energy, and child care), this book reveals that unions can exert a surprising level of influence in various aspects of urban policymaking and that they can have a significant impact on how cities are changing and on the experiences of urban residents.

Contributors Simon Black, Brock University; Maria Figueroa, Cornell University; Lois S. Gray, Cornell University; Ian Thomas MacDonald, University of Montreal; James Nugent, University of Toronto; Susanna F. Schaller, City College Center for Worker Education; Steven Tufts, York University; K. C. Wagner, Cornell University; Mildred Warner, Cornell University; Thorben Wieditz, York University

The Leftovers Tom Perrotta 2011-08-30 A New York Times Notable Book for 2011 A Washington Post Notable Fiction Book for 2011 A USA Today 10 Books We Loved Reading in 2011 Title One of NPR's 10 Best Novels of 2011 What if—whoosh, right now, with no explanation—a number of us simply vanished? Would some of us collapse? Would others of us go on, one foot in front of the other, as we did before the world turned upside down? That's what the bewildered citizens of Mapleton, who lost many of their neighbors, friends and lovers in the event known as the Sudden Departure, have to figure out. Because nothing has been the same since it happened—not marriages, not friendships, not

even the relationships between parents and children. Kevin Garvey, Mapleton's new mayor, wants to speed up the healing process, to bring a sense of renewed hope and purpose to his traumatized community. Kevin's own family has fallen apart in the wake of the disaster: his wife, Laurie, has left to join the Guilty Remnant, a homegrown cult whose members take a vow of silence; his son, Tom, is gone, too, dropping out of college to follow a sketchy prophet named Holy Wayne. Only Kevin's teenaged daughter, Jill, remains, and she's definitely not the sweet "A" student she used to be. Kevin wants to help her, but he's distracted by his growing relationship with Nora Durst, a woman who lost her entire family on October 14th and is still reeling from the tragedy, even as she struggles to move beyond it and make a new start. With heart, intelligence and a rare ability to illuminate the struggles inherent in ordinary lives, Tom Perrotta's *The Leftovers* is a startling, thought-provoking novel about love, connection and loss.

[Five Feet Apart](#) Rachael Lippincott 2019-02-05

Now a major motion picture starring Cole Sprouse and Haley Lu Richardson! Goodreads Choice Winner, Best Young Adult Fiction of 2019 In this #1 New York Times bestselling novel that's perfect for fans of John Green's *The Fault in Our Stars*, two teens fall in love with just one minor complication—they can't get within a few feet of each other without risking their lives. Can you

love someone you can never touch? Stella Grant likes to be in control—even though her totally out of control lungs have sent her in and out of the hospital most of her life. At this point, what Stella needs to control most is keeping herself away from anyone or anything that might pass along an infection and jeopardize the possibility of a lung transplant. Six feet apart. No exceptions. The only thing Will Newman wants to be in control of is getting out of this hospital. He couldn't care less about his treatments, or a fancy new clinical drug trial. Soon, he'll turn eighteen and then he'll be able to unplug all these machines and actually go see the world, not just its hospitals. Will's exactly what Stella needs to stay away from. If he so much as breathes on Stella she could lose her spot on the transplant list. Either one of them could die. The only way to stay alive is to stay apart. But suddenly six feet doesn't feel like safety. It feels like punishment. What if they could steal back just a little bit of the space their broken lungs have stolen from them? Would five feet apart really be so dangerous if it stops their hearts from breaking too?

I Know Why the Caged Bird Sings Maya Angelou 2010-07-21 Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. *I Know Why the Caged Bird Sings* captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is

a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. "I Know Why the Caged Bird Sings liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin From the Paperback edition.

Sex Segregation in the Workplace National Research Council 1984-01-01 How pervasive is sex segregation in the workplace? Does the concentration of women into a few professions reflect their personal preferences, the "tastes" of employers, or sex-role socialization? Will greater enforcement of federal antidiscrimination laws reduce segregation? What are the prospects for the decade ahead? These are among the important policy and research questions raised in

this comprehensive volume, of interest to policymakers, researchers, personnel directors, union leadersâ"anyone concerned about the economic parity of women.

Election Tom Perrotta 1998-10-01 From the New York Times bestselling author of *The Leftovers* and *Tracy Flick Can't Win* comes a darkly hilarious novel about a high school election that brings out the worst in everyone—the basis for the film starring Reese Witherspoon! Tracy Flick wants to be President of Winwood High. She's one of those ambitious girls who finds time to do it all: edit the yearbook, star in the musical, sleep with her English teacher. But another teacher, staunch idealist Jim McAllister, aka "Mr. M.," thinks the students deserve better. So he persuades Paul Warren—a well-liked, good-hearted jock—to throw in his hat. But that puts Paul's sister Tammy in a snit. So she runs too, on an apathy platform, before starting a real campaign...to get herself kicked out of school.

The idea was to educate the students at this suburban New Jersey school in the democratic process and the American way. But with all the sex scandals, smear campaigns, and behind-the-scenes power brokers at Winwood High, it doesn't look as if they need any lessons....

The Thing About Leftovers C.C. Payne 2017-07-04 With the humor and poignancy of Joan Bauer and Lynda Mullaly Hunt, this story reminds readers that they have a right to a voice,

that it's okay to say how you feel, and that some leftovers are absolutely delicious! Fizzy is a good Southern girl who just wants to be perfect. And win the Southern Living cook-off. The being perfect part is hard though, since her parents' divorced and everything in her life has changed. Wary of her too-perfect stepmom and her mom's neat-freak, dismissive boyfriend, she's often angry or upset and feels like a guest in both homes. She tells herself to face facts: She's a "leftover" kid from a marriage that her parents want to forget. But she has to keep all of that to herself, because a good Southern girl never yells, or throws fits, or says anything that might hurt other people's feelings—instead she throws her shoulders back, says yes ma'am, and tries to do better. So Fizzy tries her best, but it's hard to stay quiet when her family keeps getting more complicated. Fortunately, the Southern Living cook-off gives her a welcome distraction, as do her new friends Miyoko and Zach, who have parent issues of their own.

Monsters of the Week Zack Handlen 2018-10-16
The complete critical companion to The X-Files, covering every episode and both films and featuring interviews with screenwriters and stars. In *Monsters of the Week: The Complete Critical Companion to The X-Files*, TV critics Zack Handlen and Emily Todd VanDerWerff look back at exactly what made the long-running cult series so groundbreaking. Packed with insightful reviews

of every episode—including the tenth and eleventh seasons and both major motion pictures—*Monsters of the Week* leaves no mystery unsolved and no monster unexplained. This crucial collection includes a foreword by series creator Chris Carter as well as exclusive interviews with some of show's stars and screenwriters, including Carter, Vince Gilligan, Mitch Pileggi, James Wong, Robert Patrick, Darin Morgan, and more. *Monsters of the Week* is the definitive guide to *The X-Files*—whether you're a lifelong viewer or a new fan uncovering the conspiracy for the first time. "This rich critical companion provides what every X-Files fan deserves." —*Entertainment Weekly* "The X-Files is my favorite show and Zack and Emily are my favorite reviewers of my favorite show and this is my favorite quote about it." —Kumail Nanjiani, writer and star of *The Big Sick*; creator of *The X-Files Files* podcast "If Mulder and Scully had access to this terrific book, they would've solved every mystery of *The X-Files* in a single season. . . The truth is in here!" —Damon Lindelof, co-creator of *Lost* and *The Leftovers*

PHP Advanced for the World Wide Web Larry Edward Ullman 2002 An intermediate-to-advanced users guide to PHP, the Web scripting language in use on over six million Web sites. An excellent companion book to the "PHP Visual QuickStart Guide." The book focuses specifically on real-life PHP projects, as determined by

frequent PHP questions asked in newsgroups, e-mails, chat rooms, and Web sites.

Sam the Cooking Guy: Recipes with Intentional Leftovers Sam Zien 2020-11-10 20 master recipes, more than 100 dishes—weeknight cooking has never been so exciting or so easy! Say goodbye to fourth-night-in-a-row meat loaf and identical containers of tragically “meal-prepped” chicken thighs. YouTube cooking sensation and restaurateur Sam the Cooking Guy is here to save us from mediocre leftovers. With 20 bulk-cooking master dishes, each featuring a main protein, with corresponding follow-up meals that all benefit from the work you’ve already done, Sam ensures that you’ll never be bored in the kitchen again! Sam’s recipes are simple and quick, but never tired. Your Mexican Meat Loaf from Sunday can shapeshift into Tuesday night’s Tacos or Thursday’s Sloppy Joes. Monday’s Roast Chicken becomes Wednesday’s Thai Chicken Curry or Friday’s Baked Taquitos. “Aw man, Beer-Braised Short Ribs again?” “Nah: Short Rib Egg Rolls!” Sam’s genuine and engaging personality, along with vibrant color photography, makes this book a lifesaver for busy folks who are looking for dinners that they can finally be excited about.

Out of Balance Angela Lam Turpin 2011-04-06 Former stay-at-home wife and mother, Beverly Mael, turns her life upside down in Out of

Balance, a hilarious new novel about bank shenanigans and underground cyber societies. Caught between her husband, the ultimate prankster, and her boss, the charmingly seductive President and CEO of Vine Valley Bank, Beverly struggles to keep her husbands secret and help her boss blind ambition without losing her marriage or her job. Floundering through dictation during the day and falling asleep in her dinner at night, Beverly needs to get away from it all. But a surprise date turns sour when Beverly discovers her unemployed husband has developed a computer program that can change the world for better or worse. To complicate matters, the banks president keeps lavishing praise on Beverly, giving her the attention she desperately craves from home. Armed only with a gift for numbers and a steadfast faith in God, Beverly must stop her husbands pact with the cyber underworld and uncover the truth before its too late. Out of Balance was recently awarded the prestigious Editors Choice recognition for writing excellence from iUniverse. The book was also nominated for the 2012 Indie Excellence Award for Chick Lit. **Television and Serial Adaptation** Shannon Wells-Lassagne 2017-01-20 As American television continues to garner considerable esteem, rivalling the seventh art in its "cinematic" aesthetics and the complexity of its narratives, one aspect of its development has been relatively unexamined. While film has long acknowledged its tendency to

adapt, an ability that contributed to its status as narrative art (capable of translating canonical texts onto the screen), television adaptations have seemingly been relegated to the miniseries or classic serial. From remakes and reboots to transmedia storytelling, loose adaptations or adaptations which last but a single episode, the recycling of pre-existing narrative is a practice that is just as common in television as in film, and this text seeks to rectify that oversight, examining series from M*A*S*H to Game of Thrones, Pride and Prejudice to Castle.

Gateway to Chinese Culture (2019 Edition -

PDF) Geraldine Chay, Y N Han, Chunjiang Fu

Have you ever wonder about the significance of the various vibrant festivals celebrated by the Chinese people every year, or why the Chinese eat with Chopsticks? How did the intricate characters of their written language come to be? Ancient Chinese thinkers like Confucius and Sun-zi have left their mark on the Chinese Culture, but who were they? And with the Chinese cuisine that is available in Chinese restaurants all across the world, there's hardly any needs for introductions! Join us on a tour of the ancient and colourful Chinese culture in this part of this Montage Culture Series!

Corporate Social Responsibility in the Hospitality

and Tourism Industry Guliani, Lipika Kaur

2016-03-04 Increased tourism benefits local economies by creating more revenue and

employment options as interest in the location grows. However, as the hospitality and travel industry continues to grow and adapt, it becomes imperative that they implement socially responsible procedures. Corporate Social Responsibility in the Hospitality and Tourism Industry discusses issues and challenges faced by organizations implementing responsible business practices within the travel, hotel, leisure and hospitality industries. Featuring best practices and theoretical concepts on the support of local economies, ethical sourcing of native goods, and sustainability procedures, this publication is a vital source for policy makers, academicians, researchers, students, technology developers, and government officials interested in emergent ethical and moral practices within the travel industry.

Uglies Scott Westerfeld 2011-05-03 A fresh

repackaging of the bestselling Uglies boks...the series that started the whole dystopian trend!

Everything I Never Told You Celeste Ng

2014-06-26 The acclaimed debut novel by the author of Little Fires Everywhere and Our Missing Hearts “A taut tale of ever deepening and quickening suspense.” —O, the Oprah Magazine “Explosive . . . Both a propulsive mystery and a profound examination of a mixed-race family.” —Entertainment Weekly “Lydia is dead. But they don’t know this yet.” So begins this exquisite novel about a Chinese American family living in

1970s small-town Ohio. Lydia is the favorite child of Marilyn and James Lee, and her parents are determined that she will fulfill the dreams they were unable to pursue. But when Lydia's body is found in the local lake, the delicate balancing act that has been keeping the Lee family together is destroyed, tumbling them into chaos. A profoundly moving story of family, secrets, and longing, *Everything I Never Told You* is both a gripping page-turner and a sensitive family portrait, uncovering the ways in which mothers and daughters, fathers and sons, and husbands and wives struggle, all their lives, to understand one another.

The Death and Life of Great American Cities

Jane Jacobs 2016-07-20 Thirty years after its publication, *The Death and Life of Great American Cities* was described by *The New York Times* as "perhaps the most influential single work in the history of town planning....[It] can also be seen in a much larger context. It is first of all a work of literature; the descriptions of street life as a kind of ballet and the biting satiric account of traditional planning theory can still be read for pleasure even by those who long ago absorbed and appropriated the book's arguments." Jane Jacobs, an editor and writer on architecture in New York City in the early sixties, argued that urban diversity and vitality were being destroyed by powerful architects and city planners.

Rigorous, sane, and delightfully epigrammatic,

Jacobs's small masterpiece is a blueprint for the humanistic management of cities. It is sensible, knowledgeable, readable, indispensable. The author has written a new foreword for this Modern Library edition.

The City of Ember Jeanne DuPrau 2003-05-13 A

modern-day classic. This highly acclaimed adventure series about two friends desperate to save their doomed city has captivated kids and teachers alike for almost fifteen years and has sold over 3.5 MILLION copies! The city of Ember was built as a last refuge for the human race. Two hundred years later, the great lamps that light the city are beginning to flicker. When Lina finds part of an ancient message, she's sure it holds a secret that will save the city. She and her friend Doon must race to figure out the clues before the lights go out on Ember forever!

Nominated to 28 State Award Lists! An American Library Association Notable Children's Book A New York Public Library 100 Titles for Reading and Sharing Selection A Kirkus Reviews Editors' Choice A Child Magazine Best Children's Book A Mark Twain Award Winner A William Allen White Children's Book Award Winner "A realistic post-apocalyptic world. DuPrau's book leaves Doon and Lina on the verge of undiscovered country and readers wanting more." —USA Today "An electric debut." —Publishers Weekly, Starred "While Ember is colorless and dark, the book itself is rich with description." —VOYA, Starred "A

harrowing journey into the unknown, and cryptic messages for readers to decipher.” –Kirkus Reviews, Starred

The Leftovers Tom Perrotta 2011-08-30 When a bizarre phenomenon causes the cataclysmic disappearances of numerous people all over the world, Kevin Garvey, the new mayor of a once-comfortable suburban community, struggles to help his neighbors heal while enduring the fanatical religious conversions of his wife and son. By the best-selling author of *Little Children*. 300,000 first printing.

The Collector of Leftover Souls Eliane Brum 2019-10-15 Longlisted for the National Book Award for Translated Literature Urgent investigative essays covering a wide range of humanity in Brazil, from the Amazon to the favelas Eliane Brum is a star journalist in Brazil, known for her polyphonic writing that gives voice to people often underrepresented in popular literature. Brum’s reporting takes her into Brazil’s most marginalized communities: she visits the Amazon to understand the practice of indigenous midwives, stays in São Paulo’s favelas to witness the joy of a marriage and the tragedy of young men dying due to drugs and guns, and wades through the mud to capture the boom and bust of modern-day gold rushes. Brum is an enormously sensitive and perceptive interlocutor, and as she visits these places she provides intimate glimpses into both everyday and extraordinary lives: a poor

father on the way to bury his son, a street performer who eats glass, a woman living out her final 115 days, and a hoarder rescuing the “leftover souls” of the city. *The Collector of Leftover Souls* showcases the best of Brum’s work from two books, combining short profiles with longer reported pieces. These vibrant missives range across current issues such as the human cost of exploiting natural resources, the Belo Monté Dam’s eradication of a way of life for those on the banks of the Xingu River, and the contrast between urban centers and remote villages. Told in the vibrant and idiomatic language of the people Brum writes about, *The Collector of Leftover Souls* is a vital work of investigative journalism from an internationally acclaimed author.

The Diving Bell and the Butterfly Jean-Dominique Bauby 2008-03-06 A celebration of the liberating power of consciousness—a triumphant book that lets us witness an indomitable spirit and share in the pure joy of its own survival. In 1995, Jean-Dominique Bauby was the editor-in-chief of *French Elle*, the father of two young children, a 44-year-old man known and loved for his wit, his style, and his impassioned approach to life. By the end of the year he was also the victim of a rare kind of stroke to the brainstem. After 20 days in a coma, Bauby awoke into a body which had all but stopped working: only his left eye functioned, allowing him to see and, by blinking it,

to make clear that his mind was unimpaired. Almost miraculously, he was soon able to express himself in the richest detail: dictating a word at a time, blinking to select each letter as the alphabet was recited to him slowly, over and over again. In the same way, he was able eventually to compose this extraordinary book. By turns wistful, mischievous, angry, and witty, Bauby bears witness to his determination to live as fully in his mind as he had been able to do in his body. He explains the joy, and deep sadness, of seeing his children and of hearing his aged father's voice on the phone. In magical sequences, he imagines traveling to other places and times and of lying next to the woman he loves. Fed only intravenously, he imagines preparing and tasting the full flavor of delectable dishes. Again and again he returns to an "inexhaustible reservoir of sensations," keeping in touch with himself and the life around him. Jean-Dominique Bauby died two days after the French publication of *The Diving Bell and the Butterfly*. This book is a lasting testament to his life.

Gender Equality in Law Barbara Havelková

2017-06-01 "Since the fall of the Berlin wall there has been a surprising dearth of high quality of scholarship on legal culture in the communist successor states of East Central Europe. In this excellent book Barbara Havelkova engages with the reversal of many of the advances the socialist period made in gender relations, examining the

historical roots of the current failure of Czech law to engage with the discriminatory practices that have negatively affected the lives of women. She does this by a forensic excavation of law, discourses and practices of the socialist era revealing the patriarchal assumptions underpinning them that became deeply embedded in Czech legal culture, and that have been carried forward to the present day. The book is a compelling read. It provides answers to many of the questions that have perplexed feminists about the post-soviet transition and at the same time speaks more generally to the debates surrounding the troubling rightward shift in the politics of the communist successor states of Europe." Professor Judith Pallot, President of the British Association for Slavonic and East European Studies "In *Gender Equality in Law: Uncovering the Legacies of Czech State Socialism*, Barbara Havelková offers a sober and sophisticated socio-legal account of gender equality law in Czechia. Tracing gender equality norms from their origins under state socialism, Havelková shows how the dominant understanding of the differences between women and men as natural and innate combined with a post-socialist understanding of rights as freedom to shape the views of key Czech legal actors and to thwart the transformative potential of EU sex discrimination law. Havelková's compelling feminist legal genealogy of gender equality in

Czechia illuminates the path dependency of gender norms and the antipathy to substantive gender equality that is common among the formerly state-socialist countries of Central and Eastern Europe. Her deft analysis of the relationship between gender and legal norms is especially relevant today as the legitimacy of gender equality laws is increasingly precarious." Professor Judy Fudge, Kent Law School Gender equality law in Czechia, as in other parts of post-socialist Central and Eastern Europe, is facing serious challenges. When obliged to adopt, interpret and apply anti-discrimination law as a condition of membership of the EU, Czech legislators and judges have repeatedly expressed hostility and demonstrated a fundamental lack of understanding of key ideas underpinning it. This important new study explores this scepticism to gender equality law, examining it with reference to legal and socio-legal developments that started

in the state-socialist past and that remain relevant today. The book examines legal developments in gender-relevant areas, most importantly in equality and anti-discrimination law. But it goes further, shedding light on the underlying understandings of key concepts such as women, gender, equality, discrimination and rights. In so doing, it shows the fundamental intellectual and conceptual difficulties faced by gender equality law in Czechia. These include an essentialist understanding of differences between men and women, a notion that equality and anti-discrimination law is incompatible with freedom, and a perception that existing laws are objective and neutral, while any new gender-progressive regulation of social relations is an unacceptable interference with the 'natural social order'. Timely and provocative, this book will be required reading for all scholars of equality and gender and the law.
