**The Awakening** Kate Chopin 2012-11-06 She wanted to swim far out, where no woman had swum before. Condemned as "sordid" and "immoral" on its publication in 1899, this story of a woman trapped in her marriage effectively ended Chopin's career but was revived as a proto-feminist classic in the 1970s. What Newsweek calls Chopin's "prophetic psychology" insures its timeliness today. The Art of The Novella Series Too short to be a novel, too long to be a short story, the novella is generally unrecognized by academics and publishers. Nonetheless, it is a form beloved and practiced by literature's greatest writers. In the Art Of The Novella series, Melville House celebrates this renegade art form and its practitioners with titles that are, in many instances, presented in book form for the first time.

**The Little Red Book for Women** Anonymous 2010-02-19 The Little Red Book for Women speaks directly to women of the 21st Century who seek both the restorative powers of Twelve Step recovery and insights into the time-honored traditions of Alcoholics Anonymous. Published in 1957, The Little Red Book is known as the foremost study guide to the Big Book, Alcoholics Anonymous. However, the original volume, filled with practical advice for sober living, was written by two anonymous men who, presumably, considered their audience to be comprised predominantly, if not entirely, of men. That's why Hazelden's new edition is written expressly for women. It features the original text of The Little Red Book along with annotated passages addressing issues related to how women experience addiction and recovery. The annotations, written by best-selling author Karen Casey, introduce women to the extraordinary camaraderie of Alcoholics Anonymous and the restorative powers of Twelve Step recovery. We hope The Little Red Book for Women opens new avenues of thought and helps the AA member arrive at his or her successful interpretation of the program. The Little Red Book for Women makes frequent reference to basic matter in Alcoholics Anonymous, fourth edition.

**Self Observation** Red Hawl 2012-07-23 This book is an in-depth examination of the much needed process of "self" study known as self observation. We live in an age where the "attention function" in the brain has been badly damaged by TV and computers-up to 90 percent of the public under age 35 suffers from attention-deficit disorder! This book offers the most direct, non-pharmaceutical means of healing attention dysfunction. The methods presented here are capable of restoring attention to a fully functional and powerful tool for success in life and relationships. This is also an age when humanity has lost its connection with conscience. When humanity has poisoned the Earth's atmosphere, water, air and soil, when cancer is in epidemic proportions and is mainly an environmental illness, the author asks: What is the root cause? And he boldly answers: Failure to develop conscience! Selfobservation, he asserts, is the most ancient, scientific, and proven means to develop this crucial inner guide to awakening and a moral life. This book is for the lay-reader, both the beginner and the advanced student of self observation. No other book on the market examines this practice in such detail. There are hundreds of books on self-help and meditation, but almost none on self-study via self-observation, and none with the depth of analysis, wealth of explication, and richness of experience which this book offers. Red Hawk, author of 5 collections of poetry, was the Hodder Fellow at Princeton University (1992-93) and is currently a full professor at the University of Arkansas, Monticello. He has practiced self-observation for over 30 years, under the guidance of the Gurdjieff Society of Arkansas, meditation master Osho Rajneesh, and spiritual teacher, Lee Lozowick.

**Awakening Dignity** Phakchok Rinpoche 2022-12-20 A Buddhist master's guide to cultivating dignity through meditation to live a meaningful and fulfilling life. The notion of dignity is crucial to the question of how best to live a meaningful and fulfilling life, particularly for today's environment in which so many of us experience self-doubt, low self-esteem, and feelings of being trapped by anxiety, dissatisfaction, or even success. How, in such a circumstance, can we gain authentic and unshakeable dignity? In *Awakening Dignity*, Phakchok Rinpoche draws from the Tibetan Buddhist wisdom tradition to offer a unique and fresh approach to answer this question. From the Buddhist perspective, dignity is an inherent quality of fundamental wholeness and completeness that we all naturally possess: our true nature is pure and our heart is noble. In this guide, Phakchok Rinpoche shows how knowing that we are whole and complete already—and gaining trust and certainty in that understanding—can counteract the common feeling that we are not enough, that something is missing. Gaining unwavering trust in ourselves protects us from life's ups and downs. With genuine dignity, we are not riddled with uncertainty, anxiety, or self-doubt. Rather, we are able to face any circumstance with confidence, clarity, and compassion. Through reflections, examples, and simple meditations—such as embracing adversity and practicing compassion—*Awakening Dignity* provides all the tools necessary to fully embody our fundamental dignity.

**Spring Awakening** Frank Wedekind 2013-12-16 Wedekind's play about adolescent sexuality is as disturbing today as when it was first produced. Wedekind's notorious play *Spring Awakening* was written in 1891 but had to wait the greater part of a century before it received its first complete performance in Britain, at the National Theatre in 1974. The production was highly praised, much of its strength deriving from this translation by Edward Bond and Elisabeth Bond. 'scrupulously faithful both to Wedekind's irony and his poetry.' The Times This translation of *Spring Awakening* was first performed at the National Theatre, London on 24 May 1974. For this edition the translator, Edward Bond, has written a note on the play and a factual introduction to Wedekind's life and work.

*The Awakening of Intelligence* J. KRISHNAMURTI 2023-04-15 When thought sees that it is incapable of discovering something new, that very perception is the seed of intelligence, isn't it? That is intelligence: 'I cannot do.' I thought I could do a lot of things, and I can in a certain direction, but in a totally new direction I cannot do anything. The discovery of that is intelligence. This comprehensive record of J. Krishnamurti's teachings is an excellent, wide-ranging introduction to the insights of the great philosopher and religious teacher. Apart from existential issues such as violence, insecurity, conflict, pleasure, fear, and suffering, Krishnamurti examines larger but related questions, such as the role of the guru (with Professor Jacob Needleman); the traditional methods prescribed by Vedanta (with Swami Venkatesananda); the problem of good and evil (with Alain Naude); and the relationship between thought and intelligence (with Dr. David Bohm). First published in 1973, this book contains, apart from Krishnamurti's public talks and answers to questions from the audience, his incisive dialogues with some of the eminent minds of his time.

For a spiritual seeker, the concept of shaktipat is understood in the same way. It is a moment of pure contact with the divine that quickens the journey towards awakening and raises the state of the seeker to an entirely new level of understanding and experience. In this volume of the Essential Spiritual Training series, Mark Griffin answers four of the most salient questions a seeker can ask: What is shaktipat? Why should I be interested in it? How is shaktipat given? When does shaktipat become available to me?

**Experiencing the Cross Study Guide** Henry Blackaby 2006-01-13 Dare to Go There Although the cross is God's decisive deed in human history, the full meaning of it is far too much for a mere human mind to grasp. But through Henry Blackaby's careful examination, the cross becomes not a doctrine, but an experience. You'll be overwhelmed with the utter significance of Christ's death, leading you to a stronger sense of God's power in your daily life. Steeped in the Blackaby distinctive of constant encouragement toward your personal experience of God, and firmly rooted in Scripture, this study guide makes it impossible to keep a casual attitude toward sin. Practice surrendering to the deeper dimensions of the cross, so that nothing can block the Lord's presence and power in your life! "Whoever does not bear his own cross and come after me cannot be my disciple." Luke 14:27 Are you ready to destroy a casual attitude toward sin? To eliminate every barrier blocking the Lord's presence and power in your life? Then you are ready to make the cross your own. And it is there that God intends us to be united with Christ in His death so that we would never hate sin, abhor sin, and forsake sin. In our intimate relationship with Christ and His crucifixion, God intends for us to obtain His perspective on sin—to feel its horrors, as Christ does, and then to let God put sin to death in our

lives—as He did in the crucifixion of His Son. The victory accomplished through Christ's death and resurrection is the very same victory we can experience daily in our lives!" —Henry Blackaby
