English, **August** Upamanyu Chatterjee 2006-04-04 Agastya Sen, known to friends by the English name August, is a child of the Indian elite. His friends go to Yale and Harvard. August himself has just landed a prize government job. The job takes him to Madna, “the hottest town in India,” deep in the sticks. There he finds himself surrounded by incompetents and cranks, time wasters, bureaucrats, and crazies. What to do? Get stoned, shirk work, collapse in the heat, stare at the ceiling. Dealing with the locals turns out to be a lot easier for August than living with himself. English, August is a comic masterpiece from contemporary India. Like A Confederacy of Dunces and The Catcher in the Rye, it is both an inspired and hilarious satire and a timeless story of self-discovery.

The Jew of Malta Christopher Marlowe 2011-12-02 First performed by Shakespeare’s rivals in the 1590s, Christopher Marlowe’s The Jew of Malta was a trend-setting, innovative play whose black comedy and final tragic irony illuminate the darker regions of the Elizabethan cultural imagination. Although Jews were banished from England in 1291, the Jew in the form of Barabas, the play’s protagonist, returns on the stage to embody and to challenge the dramatic and cultural anti-Semitic stereotypes out of which he is constructed. The result is a theatrically sophisticated but deeply unsettling play whose rich cultural significance extends beyond the early modern period to the present day. The introduction and historical documents in this edition provide a rich context for the world of the play’s composition and production, including materials on Jewishness and anti-Semitism, the political struggles over Malta, and Christopher Marlowe’s personal and political reputation.

Critical Essays on R.K. Narayan's The Guide Krishna Sen 2004 The essays in this book have been divided into two sections. The first section examines one of Narayan’s major works, The Guide. The essays here discuss the genesis of the novel, narrative structure, use of language, humour and irony in the novel, the characters, and also the post-colonial quality of The Guide. The second section situates The Guide within the larger context of Narayan’s life and works, Narayan as a novelist, themes and characters in his novels, Narayan’s Malgudi, and Narayan as an Indian English writer. These essays will be essential reading for students who study The Guide, and also Narayan’s works as a whole.

Writer’s Nightmare R K Narayan 2000-10-14 The pick of thirty years of essays from R.K. Narayan, India’s greatest English language novelist. R.K. Narayan is perhaps better known as a novelist, but his essays are as delightful and enchanting as his stories and novels. Introducing this selection of essays, Narayan writes, ‘I have always been drawn to the personal essay in which you see something of the author himself apart from the theme...the scope for such a composition is unlimited—the mood may be sombre, hilarious or satirical and the theme may range from what the author notices from his window to what he sees in his waste-paper basket to a world cataclysm.’ A Writer’s Nightmare is the marvellous result of Narayan’s liking for the personal essay. In the book, he tackles subjects such as weddings, mathematics, coffee, umbrellas, teachers, newspapers, architecture, monkeys, the caste system, lovers—all sorts of topics, simple and not so simple, which reveal the very essence of India.

Vendor Of Sweets, The (the modern Classics) R. K. Narayan 2010

Public Women in British India Rimili Bhattacharya 2018-05-15 This book foregrounds the subjectivity of ‘acting women’ amidst violent debates on femininity and education, livelihood and labour, sexuality and marriage. It looks at the emergence of the stage actress as an artist and an ideological construct at critical phases of performance practice in British India. The focus here is on Calcutta, considered the ‘second city of the Empire’ and a nodal point in global trade circuits. Each chapter offers new ways of conceptualising the actress as a professional, a colonial subject, simultaneously the other and the model of the ‘new woman’. An underlying motif is the playing out of the idea of spiritual salvation, redemption and modernity. Analysing the dynamics behind stagecraft and spectacle, the study highlights the politics of demarcation and exclusion of social roles. It presents rich archival work from diverse sources, many translated for the first time. This book makes a distinctive contribution in intertwining performance studies with literary history and art practices within a cross-cultural framework. Interdisciplinary and innovative, it will appeal to scholars and researchers in South Asian theatre and performance studies, history and gender studies.

Swami and Friends R. K. Narayan 2012-07-25 R. K. Narayan (1906—2001) witnessed nearly a century of change in his native India and captured it in fiction of uncommon warmth and vibrancy. Swami and Friends introduces us to Narayan’s beloved fictional town of Malgudi, where ten-year-old Swaminathan’s excitement about his country’s initial stirrings for independence competes with his ardor for cricket and all other things British. Written during British rule, this novel brings colonial India into intimate focus through the narrative gifts of this master of literary realism.

Lawley Road and Other Stories R. K. Narayan 1967

My Dateless Diary R K Narayan 2000-10-14 An unusual and witty travel book about the United States of America. At the age of fifty, when most people have settled for the safety of routine, R. K. Narayan left India for the first time to travel through America. In this account of his journey, the writer’s pen unerringly captures the clamour and energy of New York city, the friendliness of the West Coast, the wealth and insularity of the Mid-West, the magnificence of the Grand Canyon...Threading their way through the narrative are a host of delightful characters—from celebrities like Greta Garbo, Aldous Huxley, Martha Graham, Cartier Bresson, Milton Singer, Edward G. Robinson and Ravi Shankar to the anonymous business tycoon on the train who dismissed the writer when he discovered Narayan had nothing to do with India’s steel industry. As a bonus, there are wry snapshots of those small but essential aspects of American life—muggers, fast food restaurants, instant gurus, subway commuters, TV advertisements, and American football. An entrancing and compelling travelogue about an endlessly fascinating land.

Films, The Black Market, Old Age, The Caste System, Gardening And Vayudoot. The Later, Longer Essays Dwell On The Cultural Ambiguities That Persist In Our Nation: Narayan S Description Of The Linguistic Confusion Between The North And The South With The Advent Of National Television Is Reminiscent Of The Misunderstood Messages In His Famous Story ‘A Horse And Two Goats’. The Highlight Of This Section Is A Scathingly Funny Essay On The Making Of The Film The Guide, A Project That Distorted Narayan S Narrative Beyond Recognition. In A Separate Section On The World Of The Writer, Narayan Describes The Predicament Of Writing In English In India, An Art Which He Pioneered, And The Pitfalls Of Being Considered For The Nobel Prize In Literature Which He Never Got. MULK RAJ ANAND KETAKI GOSWAMI 2009-02-16 Today, Indian writing in English or Indo-Anglian writing has certainly come of age, with the novel having a pride of place and names such as Salman Rushdie, V.S. Naipaul, Vikram Seth, Kiran Desai, Amitav Ghosh, Arundhati Roy, and Arvind Adiga prominently figuring in the list. But the credit for placing Indo-Anglian writing on a high pedestal should go to earlier writers like Rabindranath Tagore, Mulk Raj Anand, R.K. Narayan and Raja Rao. Among these, Mulk Raj Anand has a unique place because of the ideals and ideas he espoused through his novels. This concise book deals with Anand’s three early novels — Coolie, Untouchable, and Two Leaves and a Bud — and a few short stories, which were conceived, written and published during the colonial period — the Raj. It also includes critical essays on such themes as Life and Art, Themes and Applications, Anand and His Use of Language and a study on the Women in Anand’s Short Stories. Dr. Ketaki Goswami, with her erudition and scholarship and research findings on Mulk Raj Anand’s works, brings out the quintessential Anand — the messiah of the downtrodden, the unwanted and the unloved. For, Anand intricately weaves through his novels, the theme of exploitation and the apathy, the indifference and the condescending attitude of the affluent towards the marginalized sections of the society whose pangs and pains wrenched his heart. Anand’s life-long quest was to show love and compassion to the poor as also to alleviate their pains and

give a magic touch to the downtrodden to make their lives bearable. In all the three novels and the short stories discussed in the book, the author shows that the novelist believed that the Summun bonum of a human being is living a life with dignity which has been denied to the lower castes and the outcasts — the lower dregs of humanity — because of the repulsive attitude of the rich. Being a humanist of the highest order, Anand concerns himself with the whole man, his development, sense of dignity and decency in living. This book should be extremely useful and invaluable to the students of English Literature who opt for the paper on Indian Writing in English. The academic community also will find reading the book highly interesting, stimulating and ennobling.

Metaphor and Diaspora in Contemporary Writing J. Sell 2012-01-06 Choose ten major contemporary diasporic writers (from Abdulrazak to Zadie), ask ten leading authorities to write about their use of metaphor, and this is the result: a timely reassertion of metaphor’s unrivalled capacity to encompass sameness and difference and create understanding and empathy across boundaries of nationality, race and ethnicity.

Under the Banyan Tree and Other Stories R. K. Narayan 2001 A collection of stories about characters from every walk of Indian life - merchants, beggars, herdsmen, rogues - all of whose lives are microcosms of the human experience.

Metaphorical Ways of Knowing Sharon L. Pugh 1997 This book explores the subject of metaphor, using the imagery of cartography to set a course. It explores the creative aspects of thinking and learning through literature, writing, and word play, drawing connections between English and other content areas. Theory and practical applications meet in the book, linking activities and resources to current classroom concerns—to multiculturalism, imagination in reading and writing, critical thinking, and expanding language experiences. The first part of the book examines the uses of metaphor in constructing meaning. The second part takes up issues related to multiple perspectives—using metaphors to experience other lives, and exploring cultures through traditions. The third part of the book is devoted to a consideration of the history and current status of the English language and focuses on using cross-cultural stories in the English classroom, offering a number of resources for teaching multicultural literature in English. The fourth part examines the sensory experience of metaphors by seeing, hearing, tasting, smelling, and touching with the imagination. Contains 14 pages of references and an index. (NKA)

The Case Against Sugar Gary Taubes 2017-12-12 From the best-selling author of Why We Get Fat, a groundbreaking, eye-opening exposé that makes the convincing case that sugar is the tobacco of the new millennium: backed by powerful lobbies, entrenched in our lives, and making us very sick. Among Americans, diabetes is more prevalent today than ever; obesity is at epidemic proportions; nearly 10% of children are thought to have nonalcoholic fatty liver disease. And sugar is at the root of these, and other, critical society-wide, health-related problems. With his signature command of both science and straight talk, Gary Taubes delves into Americans’ history with sugar: its uses as a preservative, as an additive in cigarettes, the contemporary overuse of high-fructose corn syrup. He explains what research has shown about our addiction to sweets. He clarifies the arguments against sugar, corrects misconceptions about the relationship between sugar and weight loss; and provides the perspective necessary to make informed decisions about sugar as individuals and as a society.

Why Fairy Tales Stick Jack Zipes 2013-09-13 In his latest book, fairy tales expert Jack Zipes explores the question of why some fairy tales "work" and others don't, why the fairy tale is uniquely capable of getting under the skin of culture and staying there. Why, in other words, fairy tales "stick." Long an advocate of the fairy tale as a serious genre with wide social and cultural ramifications, Jack Zipes here makes his strongest case for the idea of the fairy tale not just as a collection of stories for children but a profoundly important genre. *Why Fairy Tales Stick* contains two chapters on the history and theory of the genre, followed by case studies of famous tales (including Cinderella, Snow White, and Bluebeard), followed by a summary chapter on the problematic nature of traditional storytelling in the twenty-first century.

The Dark Room R. K. Narayan 2012-07-25 R. K. Narayan (1906—2001) witnessed nearly a century of change in his native India and captured it in fiction of uncommon warmth and vibrancy. In The Dark Room, Narayan’s portrait of aggrieved domesticity, the docile and obedient Savitri, like many Malgudi women, is torn between submitting to her husband’s humiliations and trying to escape them. Written during British rule, this novel brings colonial India into intimate focus through the narrative gifts of this master of literary realism.

Chatsworth Ashwin Desai 2013 In 1960, apartheid’s planners created the ‘Indian’ township of Chatsworth, evicting people from established neighborhoods around Durban and forcibly settling them into the grid of a modern racial ghetto. Making a home within this architecture of exclusion, along streets without names, tens of thousands of new residents began building new lives and new communities, developing an urban space with a unique cultural vibrancy born of creativity and economic struggle. With the dismantling of ‘Group Areas’ legislation from 1990, and within South Africa’s continually changing political landscape, the Chatsworth township has witnessed innovations of livelihood, shifting boundaries of identity, and protracted social challenges. This book brings together an exhilarating mix of voices that collectively tell the story of Chatsworth’s origins, transformations, and ongoing rhythms of daily life. Its narrative richness is further enhanced with classic photographs, some dating back to the period of early settlement, as well as a contemporary photo essay by distinguished photographer, Jenny Gordon.

The Wrestler’s Body Joseph S. Alter 1992-08-03 The Wrestler’s Body tells the story of a way of life organized in terms of physical self-development. While Indian wrestlers are competitive athletes, they are also moral reformers whose conception of self and society is fundamentally somatic. Using the insights of anthropology, Joseph Alter writes an ethnography of the wrestler’s physique that elucidates the somatic structure of the wrestler’s identity and ideology. Young men in North India may choose to join an akhara, or gymnasium, where they subject themselves to a complex program of physical and moral fitness. Alter’s first-hand description of each detail of the wrestler’s regimen offers a unique perspective on South Asian culture and society. Wrestlers feel that moral reform of Indian national character is essential and advocate their way of life as an ideology of national health. Everyone is called on to become a wrestler and build collective strength through self-discipline.

The **Poetry Handbook** John Lennard 2006-01-05 The Poetry Handbook is a lucid and entertaining guide to the poet’s craft, and an invaluable introduction to practical criticism for students. Chapters on each element of poetry, from metre to gender, offer a wide-ranging general account, and end by looking at two or three poems from a small group (including works by Donne, Elizabeth Bishop, Geoffrey Hill, and Nobel Laureate Derek Walcott), to build up sustained analytical readings. Thorough and compact, with notes and quotations supplemented by detailed reference to the Norton Anthology of Poetry and a companion website with texts, links, and further discussion, The Poetry Handbook is indispensable for all school and undergraduate students of English. A final chapter addresses examinations of all kinds, and sample essays by undergraduates are posted on the website. Critical and scholarly terms are italicised and clearly explained, both in the text and in a complete glossary; the volume also includes suggestions for further reading. The first edition, widely praised by teachers and students, showed how the pleasures of poetry are heightened by rigorous understanding and made that understanding readily available. This second edition — revised, expanded, updated, and supported by a new companion website - confirm The Poetry Handbook as the best guide to poetry available in English.

Migrants, Refugees and the Stateless in South Asia Partha S. Ghosh 2016-03-31 A comprehensive assessment of the economic, social and cultural impacts of migration within South Asia This book addresses the concept of migration with the aim of building theory as well as drawing from existing theories to understand South Asian realities. It highlights the less-explored cultural dimensions of migration—music, literature, cinema and art—thereby extending migration research into the realms of security discourse. The author explores how ideas migrate along with people, and the extent to which the process of transformation and adaptation of these ideas is necessitated by social interactions in the adopted society. Since South Asia is culturally diverse, most migrants need to adapt themselves to unfamiliar social milieus, and this juxtaposition finds expression in rich and diverse cultural forms. The book will be indispensable to researchers and scholars of migration studies, South Asia studies, social anthropology and international relations.
