**The Cat with Boots** Charles Perrault 2021-06-02 The cat with boots. (Le Maître Chat ou le Chat bottand, in French) is a European folk tale compiled, in 1695, by Charles Perrault and published in 1697 in his book *Tales of Antañor* (Histoires ou contes du temps passand. Avec des moralitands). as Master Cat or Puss in Boots. 3. It tells the story of a cat that, based on cunning and deceit, gets the fortune and the hand of a princess for your master, totally poor. The 1695 handwritten book is dedicated to Mademoiselle, niece of Louis XIV. Puss in Boots was a hit from its first publication and remains popular, despite its ambiguous morals. The character is inspired by at least two stories previously written: the novel *The Pleasant Nights* by Gianfrancesco Straparola (1550, the first part and 1553, the second part) . and the *Pentameron* (The tale of tales), collection of stories by Giambattista Basile published in five volumes, from 1634 to 1636. Puss in Boots has inspired designers, composers, choreographers, and just about every type of artist. It appears in the third act of the ballet *The Sleeping Beauty* of Tchaikovsky. In addition, the adaptations of the story have been multiple, from theater to cinema and comics, through opera, parodies ...

**Birthday Surprise** Paul van Loon 2011-03-03 Alfie can't wait to turn seven like his friend Tim, but something strange is happening. When on his birthday, under the light of the full moon, he sprouts fur, grows fangs and develops a wolfish appetite, it's clear he's doing more than turning seven - he's turning into a WEREWOLF! But it's not all bad - now Alfie's great at gym, has the guts to stand up to the school bully and is invited to parties. Maybe being a werewolf isn't so bad after all?

*One Rainy Day / Mot Ngay Mua* Valeri Gorbachev 2017-06-29 Why is Pig all wet? Did he get caught in the rain? No, he found shelter under a great big tree. But then a mouse joined him, and then two porcupines, three buffaloes, and so on, until there were enough animals under that tree to fill a zoo! But there was room for everyone, so why is Pig dripping wet? Goat thinks he knows . . . but young readers will be tickled to find out that the answer is not what they expect!

**Nacho Lopez, Mexican Photographer** John Mraz 2003 Annotation Photographer Nacho Lopez was Mexico's Eugene Smith, fusing social commitment with searing imagery to

dramatize the plight of the helpless, the poor, and the marginalized in the pages of glossy illustrated magazines. Even today, Lopez's photographs forcefully belie the picturesque exoticism that is invariably presented as the essence of Mexico. In *Nacho Lopez, Mexican Photographer*, John Mraz offers the first full-length study in English of this influential photojournalist and provides a close visual analysis of more than fifty of Lopez's most important photographs. Mraz first sets Lopez's work in the historical and cultural context of the authoritarian presidentialism that characterized Mexican politics in the 1950s, the cult of wealth and celebrity promoted by Mexico's professional photographers, and the government's attempts to modernize and industrialize Mexico at almost any cost. Mraz skillfully explores the implications of Lopez's imagery in this setting: the extent to which his photographs might constitute further victimization of his downtrodden subjects, the relationship between them and the middle-class readers of the magazines for which Lopez worked, and the success with which his photographs challenged Mexico's economic and political structures. Mraz contrasts the photos Lopez took with those that were selected by his editors for publication. He also compares Lopez's images with his theories about documentary photography, and considers Lopez's photographs alongside the work of Robert Capa, Dorothea Lange, Henri Cartier-Bresson, and Sebastiao Salgado. Lopez's imagery is further analyzed in relation to the Mexican Golden Age cinema inspired by Sergei Eisenstein, the pioneering digital imagery of Pedro Meyer, and the work of Manuel Alvarez Bravo, who Mraz provocatively argues was the first Mexican photographer to take an anti-picturesque stance. The definitive English-language assessment of Nacho Lo.

*The North Wind and the Sun* – Aesop 2021-03-22 Who do you think is stronger – the Sun or the North Wind? They both found themselves in a dispute because they both thought that they were strongest. They saw a traveler who was just passing by and they decided that whoever made the man remove his cloak would be proclaimed the strongest. A winner is declared. Who will it be and what is the moral of the story? Find out in Aesop's fable "The North Wind and the Sun". Aesop's fables feature animals, legendary creatures, plants, inanimate objects, or forces of nature that speak, solve problems, and generally have human characteristics. All the stories lead to a particular moral lesson. Aesop (620–564 BCE) was a storyteller that was believed to have lived in Ancient Greece. He is celebrated for a number of fables now collectively known as Aesop's Fables. In the few scattered sources about his life, Aesop was described as a slave who by his cleverness acquires freedom and becomes an adviser to kings and city-states. Although Aesop's existence remains unclear, numerous tales credited to him were gathered across the centuries and in many languages in a storytelling tradition

that continues to this day.

**Snow on the Atlantic** Nacho Carretero 2018-09-06 Smuggling has been a way of life in Galicia for millennia. The Romans considered its windswept coast the edge of the world. To the Greeks it was from where Charon ferried souls to the Underworld. Since the Middle Ages, its shoreline has scuppered thousands of pirate ships. But the history of Cape Finisterre is no fiction and by the late twentieth century a new and exotic cargo flooded the cape's ports and fishing villages. In *Snow on the Atlantic*, the book the Spanish national court tried to ban, intrepid investigative journalist Nacho Carretero tells the incredible story of how a sleepy, unassuming corner of Spain became the cocaine gateway into Europe, exposing a new generation of criminals, cartels and corrupt officials, more efficient and ruthless than any

who came before.

**Coquito Clasico (2014 Edition)** Everardo Zapata-Santillana 2014-07 Coquito is an educational and scientific instructional book through which more than 38 million Spanish-speaking children have learned to read, write and think. Coquito is conceived and structured in 54 sequential lessons, with which the child is able to start reading and writing, opening a future of intellectual and emotional potential that raises their awareness and self-esteem. This provides great satisfaction to teachers and parents because the students reading comprehension is high. The Reading by Words Method, created with the book Coquito Clasico, is built on the children's vocabulary and on the unique feature of the Spanish language that is read as it is written and written as it is spoken, unlike other languages, whose phonetic complexity is remarkable. It is therefore not advisable to teach how to read in Spanish using methods from other languages such as English and French because it will extend the learning process up to fifteen months for what can be accomplished in three months using our method. The constant interest of the author and his team of specialists is to restructure and update the book according to the improvements and suggestions from teachers who use Coquito with remarkable success, exceeding expectations in most Spanish-speaking countries. Coquito Clasico brings graphic colored themes, illustrated with captivating visuals that engage and develop the child's imagination. This initiates the process of oral

expression and reading as well as writing and mathematics. We thank the teachers and parents for using our materials, and we guarantee that they have chosen a method of proven quality and excellence that develops mental processes, taking into account the linguistic features of the Spanish language."

**The Medicine Man** Francisco Rojas González 2000 In his most celebrated work, Mexican writer Francisco Rojas González offers a rare blend of literature and indigenous anthropology. Inspired by his fieldwork in Chiapas, Mexico, these 13 stories reflect the author's preoccupation with the totality of Mexican life and capture his heralded ability to penetrate the contradictions of human nature. The book is a dramatic presentation of myths, religious beliefs, and customs of Mexican Indians framed in their rigid, overpowering code of ethics. It served as the basis for the 1954 film *Roots*, which won the FIPRESCI Prize at the Cannes Film Festival of 1955.

**The Boy Who Cried Wolf** 2012 A boy tending sheep on a lonely mountainside thinks it a fine joke to cry "wolf" and watch the people come running, until the day a wolf is really there and no one answers his call. Includes a word puzzle and reading tips for parents.
