Tales & Poems ... Edgar Allan Poe 1900

Savage Beauty Nancy Milford 2002-09-10 Thirty years after the smashing success of *Zelda*, Nancy Milford returns with a stunning second act. *Savage Beauty* is the portrait of a passionate, fearless woman who obsessed American ever as she tormented herself. If F. Scott Fitzgerald was the hero of the Jazz Age, Edna St. Vincent Millay, as flamboyant in her love affairs as she was in her art, was its heroine. The first woman ever to win the Pulitzer Prize, Millay was dazzling in the

performance of herself. Her voice was likened to an instrument of seduction and her impact on crowds, and on men, was legendary. Yet beneath her studied act, all was not well. Milford calls her book "a family romance"—for the love between the three Millay sisters and their mother was so deep as to be dangerous. As a family, they were like real-life *Little Women*, with a touch of *Mommie Dearest*. Nancy Milford was given exclusive access to Millay's papers, and what she found was an extraordinary treasure. Boxes and boxes of letter flew back and forth among the

three sisters and their mother—and Millay kept the most intimate diary, one whose ruthless honesty brings to mind Sylvia Plath. Written with passion and flair, *Savage Beauty* is an iconic portrait of a woman's life.

Against Silence Frank Bidart 2021-11-02 An urgent new collection from the winner of the Pulitzer Prize and the National Book Award and “one of the undisputed master poets of our time” (Craig Morgan Teicher, NPR) Words, voices reek of the worlds from which they emerge: different worlds, each with its all but palpable aroma, its parameters, limitations, promise. Words—there is a gap, nonetheless always and forever, between words and the world— slip, slide, are imprecise, BLIND, perish. • Set up a situation,— . . . then reveal an abyss. For more than fifty years, Frank Bidart has given voice to the inner self, to the depths of his own psyche and the unforgettable characters that populate his poems. In *Against Silence*, the Pulitzer Prize winner’s eleventh collection of poetry, Bidart writes of the cycles we cannot escape and the feelings we cannot forget. Our history is not a tabula rasa but a repeating, refining story of love and hate, of words spoken and old cruelties enacted. Moving among the dead and the living, the figures of his life and of his past, Bidart calls reality forth—with nothing settled and nothing forgotten, we must speak.

La Vita Nuova (Vita Nova - The New Life) Dante Alighieri 2018-08-27 *La Vita Nuova* - in English The New Life - is a poem by Dante Alighieri which expresses the virtues of Medieval courtship and love. First published in 1295 during the dawn of the Italian Renaissance period, this work discusses the praiseworthy aspects of courtship which first appeared during the Medieval era. Dante was a great admirer of this practice, feeling that the tradition elevated both love and courteous behaviour in a manner befitting an

experience of such emotive depth. Dante first authored this book during his own association with Beatrice Portinari, a paramour who was to symbolise human love for the artist in both life and death. La Vita Nuova is distinct from other, later works by Dante in that it was authored in his native Italian, rather than the Latin he employed in The Divine Comedy and other works.

Sing-song Christina Georgina Rossetti 1915 A collection of poems and rhymes about childhood activities, flowers, animals, and seasons.

Living Weapon Rowan Ricardo Phillips

2020-02-18 Award-winning essayist and poet Rowan Ricardo Phillips presents a bracing renewal of civic poetry in *Living Weapon*. . . . and we'd do this again And again and again, without ever Knowing we were the weapon ourselves, Stronger than steel, story, and hydrogen. — from "Even Homer Nods" A revelation, a shoring up, a transposition: Rowan Ricardo Phillips's *Living Weapon* is a love song to the imagination, a new blade of light honed in on our political moment. A winged man plummets from the troposphere; four NYPD officers enter a cellphone store; concrete sidewalks hang overhead. Here, in his third collection of poems, Phillips offers us ruminations on violins and violence, on hatred, on turning forty-three, even on the end of existence itself. *Living Weapon* reveals to us the limitations of our vocabulary, that our platitudes are not enough for the brutal times in which we find ourselves. But still, our lives go on, and these are poems of survival as much as they are an indictment. Couched in language both wry and ample, *Living Weapon* is a piercing addition from a "virtuoso poetic voice" (Granta).

The Mayor of Casterbridge Thomas Hardy 2003
Drunk and bitter at the world, the young Michael Henchard sells his wife to a sailor at Weydon Priors fair. Awaking the next morning, he makes a vow to give up drink and mend his ways. Twenty years later, he is the Mayor of Casterbridge: a

Orwell and England George Orwell 2021-01-07
George Orwell, perhaps one of the most perceptive writers of the twentieth century, wrote extensively about English life and politics. This selection of his essays and journalism brings together his most provocative and insightful writing on England and Englishness. Part of the Macmillan Collector's Library; a series of stunning, clothbound, pocket-sized classics with gold foiled edges and ribbon markers. These beautiful books make perfect gifts or a treat for any book lover. This edition is edited and introduced by Professor Michael Gardiner. Orwell's interests were broad. He often wrote about everyday concerns such as transport, food and the weather. Turning to social issues, he exposed the plight of the poor and the unemployed. He dissected the idea of nationalism and he examined the failings of the Left. What emerges from his acute observation of English rituals, habits and attitudes is his belief that these are the very things with which the English people can defend themselves against oppression. His writing remains insightful and prescient to this day.

The thirty stories here range from exuberant early works such as 'The Tinderbox' and 'The Emperor's New Clothes' through poignant masterpieces such as 'The Little Mermaid', 'The Little Match Girl' and 'The Ugly Duckling', to more subversive later tales such as 'The Ice Maiden' and 'The Dryad'.

Daughters-in-Law Joanna Trollope 2011-04-05 An elegant, wry, and superbly nuanced story about a woman with three sons—and three daughters in law—who must come to terms with the new configuration of her family. As Anthony and Rachel Brinkley welcome their third daughter-in-law to the family, they don't quite realize the profound shift that is about to take place. For different reasons, the Brinkleys' two previous daughters-in-law hadn't been able to resist Rachel's maternal control and Anthony's gentle charm and had settled into their husbands' family without rocking the boat. But Charlotte—very young, very beautiful, and spoiled—has no intention of falling into step with the Brinkleys and wants to establish her own household. Soon Rachel's sons begin to think of their own houses as home and of their mother's house as simply the place where their parents live—a necessary

and inevitable shift of loyalties that threatens Rachel's sense of herself, breaks Anthony's heart, and causes unexpected consequences in all the marriages. Then a crisis brings these changes to the surface, and everyone has to learn what family love means all over again.

Heart of Darkness and Other Tales Joseph Conrad 2008-05-08 HEART OF DARKNESS * AN OUTPOST OF PROGRESS * KARAIN * YOUTH The finest of all Conrad's tales, 'Heart of Darkness' is set in an atmosphere of mystery and menace, and tells of Marlow's perilous journey up the Congo River to relieve his employer's agent,

the renowned and formidable Mr Kurtz. What he sees on his journey, and his eventual encounter with Kurtz, horrify and perplex him, and call into question the very bases of civilization and human nature. Endlessly reinterpreted by critics and adapted for film, radio, and television, the story shows Conrad at his most intense and sophisticated. The other three tales in this volume depict corruption and obsession, and question racial assumptions. Set in the exotic surroundings of Africa, Malaysia. and the east, they variously appraise the glamour, folly, and rapacity of imperial adventure. This revised edition uses the English first edition texts and has a new chronology and bibliography. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

Because she does not love him, she does not even attempt to make him marry her, but returns to her home village pregnant and disgraced in the eyes of the local community. The baby dies in infancy, and after regaining her emotional strength, Tess goes to work as a milkmaid in a different valley. Here she meets the true love of her life, Angel Clare, but even though he loves her too, they are unable to escape from the consequences of her past. One of the great Classics of Nineteenth Century literature, Tess of the D'Urbervilles recounts an unforgettable powerful tragedy.

Voices of Justice George Ella Lyon 2020-10-13 A bold, lyrical collection of poems that highlight some of the most celebrated activists from around the world and throughout history. In the face of injustice, the world has always looked to brave individuals to speak up and spark change. Nelson Mandela used his voice to bring down Apartheid. Jane Goodall, Dian Fossey, and Biruté Galdikas gave a voice to the primates who couldn't speak for themselves. The Women of Greenham Common used their collective voice to fight against preparations for nuclear war. And today's youth—like Xiuhtezcatl Martinez, the students of Stoneman Douglas High School, and Greta Thunberg—unite their voices to stop gun violence, save the planet, and so much more. Through enlightening poems by award-winning poet and author George Ella Lyon and stunning portraits by artist Jennifer M. Potter, *Voices of Justice* introduces young readers to the groundbreaking work of people who fought—and continue to fight—to make the world a better place. Featuring those mentioned above along with Virginia Woolf, Dolores Huerta, Shirley Chisholm, Jasilyn

Charger, Jeannette Rankin, and more, each portrait offers a vision of action and love that gets up and does something, no matter the forces ranged against it, no matter the odds.

I Find You in the Darkness Alfa 2018-08-14 A book of poetry about love, loss, and healing.

Love Letters of Great Men Ursula Doyle

2008-08-05 From the private papers of Mark Twain and Mozart to those of Robert Browning and Nelson, *Love Letters of Great Men* collects together some of the most romantic letters in history. For some of these great men, love is a 'delicious poison' (William Congreve); for others, 'a nice soft wife on a sofa with good fire, & books & music' (Charles Darwin). Love can scorch like the heat of the sun (Henry VIII), or penetrate the depths of one's heart like a cooling rain (Flaubert). Every shade of love is here, from the exquisite eloquence of Oscar Wilde and the simple devotion of Robert Browning, to the wonderfully modern misery of the Roman Pliny the Younger, losing himself in work to forget how much he misses his beloved wife, Calpurnia.

Taken together, these *Love Letters of Great Men* show that perhaps men haven't changed so very much over the last 2,000 years; passion, jealousy, hope and longing are all represented here – as is the simple pleasure of sending a letter to, and receiving one from, the person you love most.

Tales Edgar Allan Poe 1845

Queer Lyrics J. Vincent 2016-09-23 *Queer Lyrics* fills a gap in queer studies: the lyric, as poetic genre, has never been directly addressed by queer theory. Vincent uses formal concerns, difficulty and closure, to discuss innovations specific to queer American poets. He traces a genealogy based on these queer techniques from Whitman, through Crane and Moore, to Ashbery

and Spicer. *Queer Lyrics* considers the place of form in queer theory, while opening new vistas on the poetry of these seminal figures.

Songs of Innocence and of Experience William Blake 2019-08-08 William Blake's *Songs of Innocence and of Experience* includes some of the visionary poet's finest and best-loved poems such as 'The Lamb', 'The Chimney-Sweeper' and 'The Tiger'. Part of the Macmillan Collector's Library, a series of stunning, clothbound, pocket-sized classics with gold-foiled edges and ribbon markers. These beautiful books make perfect gifts or a treat for any book lover. This edition has a foreword by Peter Harness. Blake's work is instantly recognizable by its flamboyance and inventiveness. This gorgeous edition contains stunning reproductions of the fifty-four plates of the poems and illustrations together, which Blake etched himself and coloured by hand. Each has the poem printed on the facing page. Whilst *Songs of Innocence* captures the innocence of childhood, *Songs of Experience* is its contrasting sequel.

Poems on Nature Gaby Morgan 2019-10-03 The poems in *Poems on Nature* are divided into spring, summer, autumn and winter to reflect in verse the changes of the seasons and the passing of time. Part of the Macmillan Collectors Library series, featuring expert introductions for your favourite classics. This edition features an introduction by Helen Macdonald, author of the

international bestseller, *H is for Hawk*. Since poetry began, there have been poems about nature; it's a complex subject which has inspired some of the most beautiful poetry ever written. Poets from Andrew Marvell to W. B. Yeats to Emily Brontë have sought to describe the natural environment and our relationship with it. There is also a rich tradition of songs and rhymes, such as 'Scarborough Fair', that hark back to a rural way of life which may now be lost, but is brought back to life in the lyrical verses included in this collection.

NICOMACHEAN ETHICS Aristotle 2017-04-20
□ EVERY art and every inquiry, and similarly every action and pursuit, is thought to aim at some good; and for this reason the good has rightly been declared to be that at which all things aim. But a certain difference is found among ends; some are activities, others are products apart from the activities that produce them. Where there are ends apart from the actions, it is the nature of the products to be better than the activities. Now, as there are many actions, arts, and sciences, their ends also are many; the end of the medical art is health, that of shipbuilding a vessel, that of strategy victory, that of economics wealth. But where such arts fall under a single capacity- as bridle-making and the other arts concerned with the equipment of horses fall under the art of riding, and this and every military action under strategy, in the same way other arts fall

under yet others- in all of these the ends of the master arts are to be preferred to all the subordinate ends; for it is for the sake of the former that the latter are pursued. It makes no difference whether the activities themselves are the ends of the actions, or something else apart from the activities, as in the case of the sciences just mentioned. □

Three Poems Hannah Sullivan 2020-01-14 Three Poems, Hannah Sullivan's debut collection, which won the 2018 T. S. Eliot Prize, reinvents the long poem for a digital age. "You, Very Young in New York" paints the portrait of a great American city, paying close attention to grand designs as well as local details, and coalescing in a wry and tender study of romantic possibility, disappointment, and the obduracy of innocence. "Repeat Until Time" shifts the scene to California and combines a poetic essay on the nature of repetition with an enquiry into pattern-making of a personal as well as a philosophical kind. "The Sandpit After Rain" explores the birth of a child and death of a father with exacting clarity.

The Golden Treasury of the Best Songs and Lyrical Poems in the English Language Francis Turner Palgrave 2018-07-04 The Golden Treasury Of the Best Songs and Lyrical Poems in the English Language By Francis Turner Palgrave POET LAUREATE. This book in its progress has recalled often to my memory a man with whose friendship we were once honoured, to whom no

region of English literature was unfamiliar, and who, whilst rich in all the noble gifts of nature, was most eminently distinguished by the noblest and the rarest, -just judgment and high-hearted patriotism. It would have been hence a peculiar pleasure and pride to dedicate what I have endeavoured to make a true national Anthology of three centuries to Henry Hallam. But he is beyond the reach of any human tokens of love and reverence; and I desire therefore to place before it a name united with his by associations which, whilst Poetry retains her hold on the minds of Englishmen, are not likely to be forgotten. Your encouragement, given while traversing the wild scenery of Treryn Dinas, led me to begin the work; and it has been completed under your advice and assistance. For the favour now asked I have thus a second reason: and to this I may add, the homage which is your right as Poet, and the gratitude due to a Friend, whose regard I rate at no common value. Permit me then to inscribe to yourself a book which, I hope, may be found by many a lifelong fountain of innocent and exalted pleasure; a source of animation to friends when they meet; and able to sweeten solitude itself with best society, -with the companionship of the wise and the good, with the beauty which the eye cannot see, and the music only heard in silence. If this Collection proves a store-house of delight to Labour and to Poverty, -if it teaches those indifferent to the Poets to love them, and

those who love them to love them more, the aim and the desire entertained in framing it will be fully accomplished. F.T.P. May, 1861. PREFACE. This little Collection differs, it is believed, from others in the attempt made to include in it all the best original Lyrical pieces and Songs in our language, by writers not living, -and none beside the best. Many familiar verses will hence be met with; many also which should be familiar: -the Editor will regard as his fittest readers those who love Poetry so well, that he can offer them nothing not already known and valued. For those who take up the book in a serious and scholarly spirit, the following remarks on the plan and the execution are added. The Editor is acquainted with no strict and exhaustive definition of Lyrical Poetry; but he has found the task of practical decision increase in clearness and in facility as he advanced with the work, whilst keeping in view a few simple principles. Lyrical has been here held essentially to imply that each Poem shall turn on some single thought, feeling, or situation. In accordance with this, narrative, descriptive, and didactic poems, -unless accompanied by rapidity of movement, brevity, and the colouring of human passion, -have been excluded. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing

The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. dayliGht Roya Marsh 2020-03-31 *dayliGht* is a dazzling collection of poems from a necessary new voice, at once a clarion call for stories of Black women and a rebuke of broken notions of sexuality and race. Growing up, Roya Marsh was considered “tomboy passing.” With an affinity for baggy clothes, cornrows, and bandanas, she came of age in an era when the wide spectrum of gender and sexuality was rarely acknowledged or discussed. She knew she was “different,” her family knew she was “different,” but anything outside of the heteronorm was either disregarded or disparaged. In her stunning debut, written in protest to an absence of representation, Marsh recalls her early life and the attendant torments of a butch Black woman coming of age in America. In lush, powerful, and vulnerable verses, *dayliGht* unpacks traumas to unearth truths, revealing a deep well of resilience, a cutting sense of irony, and an astonishing fresh talent.

Sex, Time and Place Simon Avery 2016-10-06

Sex, Time and Place extensively widens the scope of what we might mean by 'queer London studies'. Incorporating multidisciplinary perspectives – including social history, cultural geography, visual culture, literary representation, ethnography and social studies – this collection asks new questions, widens debates and opens new subject terrain. Featuring essays from an international range of established scholars and emergent voices, the collection is a timely contribution to this growing field. Its essays cover topics such as activist and radical communities and groups, AIDS and the city, art and literature, digital archives and technology, drag and performativity, lesbian Londons, notions of bohemianism and deviancy, sex reform and research and queer Black history. Going further than the existing literature on Queer London which focuses principally on the experiences of white gay men in a limited time frame, *Sex, Time and Place* reflects the current state of this growing and important field of study. It will be of great value to scholars, students and general readers who have an interest in queer history,

London studies, cultural geography, visual

cultures and literary criticism.
