The Inheritance Games Jennifer Lynn Barnes 2020-09-01 OVER 2 MILLION COPIES SOLD OF THE #1 BESTSELLING SERIES! Don't miss this New York Times bestselling "impossible to put down" (Buzzfeed) novel with deadly stakes, thrilling twists, and juicy secrets—perfect for fans of *One of Us is Lying* and *Knives Out*. Avery Grambs has a plan for a better future: survive high school, win a scholarship, and get out. But her fortunes change in an instant when billionaire Tobias Hawthorne dies and leaves Avery virtually his entire fortune. The catch? Avery has no idea why—or even who Tobias Hawthorne is. To receive her inheritance, Avery must move into sprawling, secret passage-filled Hawthorne House, where every room bears the old man's touch—and his love of puzzles, riddles, and codes. Unfortunately for Avery, Hawthorne House is also occupied by the family that Tobias Hawthorne just dispossessed. This includes the four Hawthorne grandsons: dangerous, magnetic, brilliant boys who grew up with every expectation that one day, they would inherit billions. Their apparent Grayson Hawthorne is convinced that Avery must be a conwoman, and he's determined to take her down. His brother, Jameson, views her as their grandfather's last hurrah: a twisted riddle, a puzzle to be solved. Caught in a world of wealth and privilege with danger around every turn, Avery will have to play the game herself just to survive. **Avery's story continues in *The Hawthorne Legacy* and *The Final Gambit*

The Billionaire's Forgotten Fiancee Nadia Lee 2015-05-13 A Pryce Family Novel The last thing wedding photographer Ginger Maxwell wants to do is face her high school sweetheart, who shattered her world when he disappeared after proposing. But when his powerful family wants her to bring him home or suffer utter financial ruin, she has no choice. Dark Money Jane Mayer 2017-01-24 NATIONAL BESTSELLER ONE OF THE NEW YORK TIMES 10 BEST BOOKS OF THE YEAR Who are the immensely wealthy right-wing ideologues shaping the fate of America today? From the bestselling author of *The Dark Side*, an electrifying work of investigative journalism that uncovers the agenda of this powerful group. In her new preface, Jane Mayer discusses the results of the most recent election and Donald Trump's victory, and how, despite much discussion to the contrary, this was a huge victory for the billionaires who have been pouring money in the American political system. Why is America living in an age of profound and widening economic inequality? Why have even modest attempts to address climate change been defeated again and again? Why do hedge-fund billionaires pay a far lower tax rate than middle-class workers? In a riveting and indelible feat of reporting, Jane Mayer illuminates the history of an elite cadre of plutocrats—headed by the Kochs, the Scaifes, the Olins, and the Bradleys—who have bankrolled a systematic plan to fundamentally alter the American political system. Mayer traces a byzantine trail of billions of dollars spent by the network, revealing a staggering conglomeration of think tanks, academic institutions, media groups, courthouses, and government allies that have fallen under their sphere of influence. Drawing from hundreds of exclusive interviews, as well as extensive scrutiny of public records, private papers, and court proceedings, Mayer provides vivid portraits of the secretive figures behind the new American oligarchy and a searing look at the carefully concealed agendas steering the nation. *Dark Money* is an essential book for anyone who cares about the future of American democracy. Ask a Manager Alison Green 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone

is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

UNSCRIPTED MJ DeMarco 2017-05-23 What if Life Wasn't About 50 Years of Wage-Slavery, Paying Bills and then Dying? Tired of sleepwalking through a mediocre life bribed by mindless video-gaming, redemptive weekends, and a scant paycheck from a soul-suffocating job? Welcome to the SCRIPTED club— where membership is neither perceived or consented. The fact is, ever since you've been old enough to sit obediently in a classroom, you have been culturally engineered for servitude, unwittingly enslaved into a Machiavellian system where illusionary rules go unchallenged, sanctified traditions go unquestioned, and lifelong dreams go unfulfilled. As a result, your life is hijacked and marginalised into debt, despair, and dependence. Life's death sentence becomes the daily curse of the trivial and mundane. Fun fades. Dreams die. Don't let life's consolation prize become a car and a weekend. Recapture what is yours and make a revolutionary repossession of life-and-liberty through the pursuit of entrepreneurship. A paradigm shift isn't needed—the damn paradigm needs to be thrown-out altogether. The truth is, if you blindly follow conventional wisdom pushed by conventional people living conventional lives, can you expect to be anything but conventional? Rewrite life's script: ditch the job, give Wall Street the bird, and escape the insanity of trading your life away for a paycheck and an elderly promise called retirement. UNSCRIPT today and start leading life— instead of life leading you.

The Billionaire's Secret Nadia Lee 2018-12-26 Restaurateur and bartender Blaine Davis has avoided contact with the father he's hated since childhood. When a bombshell brunette shows up, clearly a fish out of water in his sleepy little town, Blaine is suspicious. But he finds it impossible to stay away from the most intriguing woman he's ever met. Beautiful socialite Catherine Fairchild has been given a mission: help a powerful

billionaire reconcile with his son. In exchange, he's going to make all her money problems go away. But Catherine starts to feel too much for the one man who sees beyond her pretty face to trick him into joining the shallow, selfish world that ruined her. Will the lies and secrets that brought them together end up tearing them apart?

The Moment of Lift Melinda Gates 2019-04-23 NEW YORK TIMES BESTSELLER “In her book, Melinda tells the stories of the inspiring people she’s met through her work all over the world, digs into the data, and powerfully illustrates issues that need our attention—from child marriage to gender inequity in the workplace.” — President Barack Obama “The Moment of Lift is an urgent call to courage. It changed how I think about myself, my family, my work, and what’s possible in the world. Melinda weaves together vulnerable, brave storytelling and compelling data to make this one of those rare books that you carry in your heart and mind long after the last page.” — Brené Brown, Ph.D., author of the New York Times #1 bestseller *Dare to Lead* “Melinda Gates has spent many years working with women around the world. This book is an urgent manifesto for an equal society where women are valued and recognized in all spheres of life. Most of all, it is a call for unity, inclusion and connection. We need this message more than ever.” — Malala Yousafzai “Melinda Gates's book is a lesson in listening. A powerful, poignant, and ultimately humble call to arms.” — Tara Westover, author of the New York Times #1 bestseller *Educated* A debut from Melinda Gates, a timely and necessary call to action for women's empowerment. “How can we summon a moment of lift for human beings – and especially for women? Because when you lift up women, you lift up humanity.” For the last twenty years, Melinda Gates has been on a mission to find solutions for people with the most urgent needs, wherever they live. Throughout this journey, one thing has become increasingly clear to her: If you want to lift a society up, you need to stop keeping women down. In this moving and compelling book, Melinda shares lessons she’s learned from the inspiring people she’s met during her work and travels around the world. As she writes in the introduction, “That is why I had to write this book—to share the stories of people who have given focus and urgency to my life. I want all of us to see ways we can lift women up where we live.” Melinda’s unforgettable narrative is backed by startling data as she presents the issues that most need our attention—from child marriage to lack of access to contraceptives to gender inequity in the workplace. And, for the first time, she writes about her personal life and the road to equality in her own marriage. Throughout, she shows how there has never been more opportunity to change the world—and ourselves. Writing with emotion, candor, and grace, she introduces us to remarkable women and shows the power of connecting with one another. When we lift others up, they lift us up, too.

The 9.9 Percent Matthew Stewart 2021-10-12 A “brilliant” (The Washington Post), “clear-eyed and incisive” (The New Republic) analysis of how the wealthiest group in American society is making life miserable for everyone—including themselves. In 21st-century America, the top 0.1% of the wealth distribution have walked away with the big prizes even while the bottom 90% have lost ground. What’s left of the American Dream has taken refuge in the 9.9% that lies just below the tip of extreme wealth. Collectively, the members of this group control more than half of the wealth in the country—and they are doing whatever it takes to hang on to their piece of the action in an increasingly unjust system. They log insane hours at the office and then turn their leisure time into an excuse for more career-building, even as they rely on an underpaid servant class to power their economic success and satisfy their personal needs. They have segregated themselves into zip codes designed to exclude as many people as possible. They have made fitness a national obsession even as swaths of the population lose healthcare and grow sicker. They have created an unprecedented demand

for admission to elite schools and helped to fuel the dramatic cost of higher education. They channel their political energy into symbolic conflicts over identity in order to avoid acknowledging the economic roots of their privilege. And they have created an ethos of “merit” to justify their advantages. They are all around us. In fact, they are us—or what we are supposed to want to be. In this “captivating account” (Robert D. Putnam, author of *Bowling Alone*), Matthew Stewart argues that a new aristocracy is emerging in American society and it is repeating the mistakes of history. It is entrenching inequality, warping our culture, eroding democracy, and transforming an abundant economy into a source of misery. He calls for a regrounding of American culture and politics on a foundation closer to the original promise of America.

Clinton Cash Peter Schweizer 2016-07-26 The definitive takedown by the #1 New York Times bestselling author of *Secret Empires*. In 2000, Bill and Hillary Clinton owed millions of dollars in legal debt. Since then, they’ve earned over \$130 million. Where did the money come from? Most people assume that the Clintons amassed their wealth through lucrative book deals and high-six figure fees for speaking gigs. Now, Peter Schweizer shows who is really behind those enormous payments. In his New York Times bestselling books *Extortion* and *Throw Them All Out*, Schweizer detailed patterns of official corruption in Washington that led to congressional resignations and new ethics laws. In *Clinton Cash*, he follows the Clinton money trail, revealing the connection between their personal fortune, their “close personal friends,” the Clinton Foundation, foreign nations, and some of the highest ranks of government. Schweizer reveals the Clinton’s troubling dealings in Kazakhstan, Colombia, Haiti, and other places at the “wild west” fringe of the global economy. In this

blockbuster exposé, Schweizer merely presents the troubling facts he's uncovered. Meticulously researched and scrupulously sourced, filled with headline-making revelations, Clinton Cash raises serious questions of judgment, of possible indebtedness to an array of foreign interests, and ultimately, of fitness for high public office.

Crazy Rich Asians Kevin Kwan 2013-06-11 Crazy Rich Asians is the outrageously funny debut novel about three super-rich, pedigreed Chinese families and the gossip, backbiting, and scheming that occurs when the heir to one of the most massive fortunes in Asia brings home his ABC (American-born Chinese) girlfriend to the wedding of the season. When Rachel Chu agrees to spend the summer in Singapore with her boyfriend, Nicholas Young, she envisions a humble family home, long drives to explore the island, and quality time with the man she might one day marry. What she doesn't know is that Nick's family home happens to look like a palace, that she'll ride in more private planes than cars, and that with one of Asia's most eligible bachelors on her arm, Rachel might as well have a target on her back. Initiated into a world of dynastic splendor beyond imagination, Rachel meets Astrid, the It Girl of Singapore society; Eddie, whose family practically lives in the pages of the Hong Kong socialite magazines; and Eleanor, Nick's formidable mother, a woman who has very strong feelings about who her son should—and should not—marry. Uproarious, addictive, and filled with jaw-dropping opulence, Crazy Rich Asians is an insider's look at the Asian JetSet; a perfect depiction of the clash between old money and new money; between Overseas Chinese and Mainland Chinese; and a fabulous novel about what it means to be young, in love, and gloriously, crazily rich.

Bad Billionaire Julie Kriss 2017-05-08 I'm no one. A mechanic. A getaway driver. A thief. I was born on the streets, and I like it rough - life, sex, everything. My job is dirty. My past is dirty. So is my future. Until I get out of prison and discover I've inherited a billion dollars. I'm not a good billionaire. I don't care about penthouses, fancy dinners, or private jets. I don't care about life and death. Hell, I don't even care about money. I'm willing to spend every penny of it on one thing. Find the woman who gave me one unforgettable night before I went down. The woman who is too good for me. The woman I can never have. Find her. Get revenge on the man that hurt her. And make her mine.

Stripping the Billionaire Noelle Adams 2014-09-09 For the last eight months, Mandy has lived across the hall

from a caveman. He won't trim his beard, he mostly talks in grunts, and he'll hardly emerge from his cave of an apartment. Ben might be a grumpy mess, but she kind of likes him anyway. She's not attracted to him, of course. Not at all. Those stray feelings are merely a fluke. She's looking for a man who has it all together, and Ben isn't even close. Benjamin Damon is heir to a billion-dollar corporate empire, but he has put his family and that whole lifestyle behind him. No one knows who he is now—not even his pretty princess of a neighbor who refuses to leave him alone. When she ropes him into taking her with him to work on his mother's historic Savannah home, he knows it's a mistake. Mandy represents the world he's tried so hard to escape, and he can't let one woman strip him of the new man he's tried to become. The more he's with her, though, the more he wants her. Despite his best efforts, he's falling for her hard—and dreading the day she finds out all of his lies.

Shatter Me Tahereh Mafi 2011-11-15 The gripping first installment in New York Times bestselling author Tahereh Mafi's Shatter Me series. One touch is all it takes. One touch, and Juliette Ferrars can leave a fully grown man gasping for air. One touch, and she can kill. No one knows why Juliette has such incredible power. It feels like a curse, a burden that one person alone could never bear. But The Reestablishment sees it as a gift, sees her as an opportunity. An opportunity for a deadly weapon. Juliette has never fought for herself before. But when she's reunited with the one person who ever cared about her, she finds a strength she never knew she had. And don't miss Defy Me, the shocking fifth book in the Shatter Me series!

How to Bang a Billionaire Alexis J. Hall 2017 Rules are made to be broken ... 'f England had yearbooks, I'd probably be "Arden St. Ives: Man Least Likely to Set the World on Fire." So far, I haven't. I've no idea what I'm doing at Oxford, no idea what I'm going to do next and, until a week ago, I had no idea who Caspian Hart was. Turns out, he's brilliant, beautiful ... 'h yeah, and a billionaire. It's impossible not to be captivated by someone like that. But Caspian Hart makes his own rules. And he has a lot of them. About when I can be with him. What I can do with him. And when he'll be through with me. I'm good at doing what I'm told in the bedroom. The rest of the time, not so much. And now that Caspian's shown me glimpses of the man behind the billionaire I know it's him I want. Not his wealth, not his status. Him. Except that might be the one thing he doesn't have the power to give me.

A Hollywood Deal Nadia Lee 2019-06 A simple deal... Complicated emotions...I'm used to cleaning up after my boss, Hollywood superstar and all-around bad boy Ryder Pryce-Reed. Nothing can shock me now—not the countless "humped and dumped" women or the wreckage left in the wake of his wild ways—until he asks me to marry him.....for a year.He says it's strictly so he can claim his beloved grandfather's painting, but I know there's more. There's always more with Ryder.My instincts say no, but he's offering to take care of the baby in

my womb. Since my self-centered ex isn't going to play the father, I say yes, while steeling my heart. I can't afford to fall for a man who only wants me for a year.But how can I resist the sexiest man alive when he turns on his formidable charm to give everyone a good show? And how does a simple girl like me deal with the spotlight as his fiancée...or the scandal that explodes in our faces?

Entice Ava Harrison 2019-08-27 Eight years ago, I gave Grayson Price a piece of my heart. To him, I was the strange girl whose mom had just abandoned her. To me, he was a savior, an anchor, someone who stood beside me on that beach. The next time I saw him, I was 20, and he was 36. He didn't remember me. And when he flirted...I didn't tell him. By the time he found out, it was too late. We tried to deny our desire, but our attraction was too enticing. Eight years ago, I gave Grayson Price a piece of my heart. Too bad he's my dad's best friend.

A Billion Desires Jessa York 2021-10-14 Nick A man like me has certain tastes. And needs. I'll pay top dollar for whatever I'm craving. No price is too high if it means I get what I want. What I desire. Until one day when a certain blonde walks in and turns my life upside down. All I need is one month to get her out of my system forever. At least that's what I hope. Cherry Lying on my back for rich guys is not my idea of a dream job.

Ever since my world imploded, I've had to do what I've had to do. I'm not proud of it. But I'm a survivor. I'll do whatever it takes. Until I lay eyes on my billionaire client, Nick. The things he does to me—and the way he makes me feel, blows my mind and shakes my reality. When he asks for one month of exclusivity—I can't say no. My head tells me I can keep it professional. My heart isn't so sure. After all, it's just another job. Right?

The Initiation Nikki Sloane 2019-05-28 No one knows how new members are selected to the board of Hale Banking and Holding. But there are rumors of a sordid rite of initiation. Whispers how one woman and nine men disappear into a boardroom. This time, that woman will be me. The Hale family owns everything—the eighth largest bank in the world, everyone in our town, even the mortgage on my parents' mansion. And now Royce Hale wants to own me. He is charming. Seductive. Ruthless. But above all, he's the prince of lies. My body may tighten with white-hot desire under his penetrating gaze, but I refuse to enjoy it. I'll make a deal with the devil to save my family and sell myself to the Hales. But Royce will never own my heart.

The Obsession Nikki Sloane 2019-08-13 The Hale family is obsessed with status, power, and control. No problem is too big their money can't solve. Royce Hale manipulated me into giving him everything. My

virginity. My hand in marriage. My heart. And as soon as he got what he wanted, he callously sold me off for a cool ten million. In the boardroom and the twisted game his family plays, he says the only rule is to win at all costs. Yesterday I learned a painful lesson not to trust the prince of Cape Hill. Today I'll destroy his carefully laid plans and show him just how badly he's already lost. All the money in the world won't be able to stop me. The Obsession is the second book of the Filthy Rich Americans trilogy and should be read following The Initiation.

Tuesday Mooney Talks to Ghosts Kate Racculia 2019 "From the award-winning author of Bellweather

Rhapsody, a delightfully clever novel following one woman and a supporting cast of misfits, dreamers and foes as they race to win a treasure hunt inspired by Edgar Allan Poe, left behind by a dying billionaire" --

How Asia Works Joe Studwell 2013-07-02 "A good read for anyone who wants to understand what actually determines whether a developing economy will succeed." --Bill Gates, "Top 5 Books of the Year" An Economist Best Book of the Year from a reporter who has spent two decades in the region, and who the

Financial Times said "should be named chief myth-buster for Asian business." In How Asia Works, Joe Studwell distills his extensive research into the economies of nine countries—Japan, South Korea, Taiwan, Indonesia, Malaysia, Thailand, the Philippines, Vietnam, and China—into an accessible, readable narrative that debunks Western misconceptions, shows what really happened in Asia and why, and for once makes clear why some countries have boomed while others have languished. Studwell's in-depth analysis focuses on three main areas: land policy, manufacturing, and finance. Land reform has been essential to the success of Asian economies, giving a kick-start to development by utilizing a large workforce and providing capital for growth. With manufacturing, industrial development alone is not sufficient, Studwell argues. Instead, countries need "export discipline," a government that forces companies to compete on the global scale. And in finance, effective regulation is essential for fostering, and sustaining growth. To explore all of these subjects, Studwell journeys far and wide, drawing on fascinating examples from a Philippine sugar baron's stifling of reform to the explosive growth at a Korean steel mill. "Provocative . . . How Asia Works is a striking and enlightening book . . . A lively mix of scholarship, reporting and polemic." --The Economist
