*A Half-baked Love Story* Anurag Garg 2016-04-20 Have you ever Fallen in love at first sight? Gone to your first date with an empty wallet? Been caught kissing your girl by her father? Risked missing your IIT exam to meet her for the last time? Aarav has. Aarav is a rich brat who sleeps with every girl he is even mildly attracted to. He transforms from a shy teenager to an inconsiderate adult until an important realization hits him. Discover the pangs of his roller-coaster life as he reveals his deepest secrets. Now a national bestseller, *A Half-baked Love Story* is the story of two very different individuals as they come to terms with the pangs and pleasures of first love while battling the situations that life has placed them in. Let the characters guide you through this beautiful tale of love, loss and longing.

*The Savage Fortress* Sarwat Chadda 2012-10-01 For fans of Roshani Chokshi and Rick Riordan! "A fabulous, action-packed modern take on Indian mythology. I can't wait to read more!" -- Rick Riordan, author of the Percy Jackson series After three weeks of vacation, Ash Mistry is ready to leave the heat and dust of India behind him. Then he discovers a hidden gold arrowhead--a weapon used to defeat evil King Ravana in legend. At least, Ash is pretty sure it's only a legend. . . . But when Lord Savage comes after Ash, the legends are suddenly way too real. Savage commands an army of monstrous shapechangers called rakshasas, who want only to seize the arrowhead and restore Ravana to power. As they hunt Ash through magnificent fortresses and brutal deserts, he must learn to work with a powerful rakshasa girl named Parvati, and find the strength within himself to fight on and save the world as we know it.

*Playing It My Way* Sachin Tendulkar 2014-11-06 The greatest run-scorer in the history of cricket, Sachin Tendulkar retired in 2013 after an astonishing 24 years at the top. The most celebrated Indian cricketer of all time, he received the Bharat Ratna Award - India's highest civilian honour - on the day of his retirement. Now Sachin Tendulkar tells his own remarkable story - from his first Test cap at the age of 16 to his 100th international century and the emotional final farewell that brought his country to a standstill. When a boisterous Mumbai youngster's excess energies were channelled into cricket, the result was record-breaking schoolboy batting exploits that launched the career of a cricketing phenomenon. Before long Sachin Tendulkar was the cornerstone of India's batting line-up, his every move watched by a cricket-mad nation's devoted followers. Never has a cricketer been burdened with so many expectations; never has a cricketer performed at such a high level for so long and with such style - scoring more runs and making more centuries than any other player, in both Tests and one-day games. And perhaps only one cricketer could have brought together a shocked nation by defiantly scoring a Test century shortly after terrorist attacks rocked Mumbai. His many achievements with India include winning the World Cup and topping the world Test rankings. Yet he has also known his fair share of frustration and failure - from injuries and early World Cup exits to stinging criticism from the press, especially during his unhappy tenure as captain. Despite his celebrity status, Sachin Tendulkar has always remained a very private man, devoted to his family and his country. Now, for the first time, he provides a fascinating insight into his personal life and gives a frank and revealing account of a sporting life like no other.

**If You Could See Me Now** Cecelia Ahern 2006-06-01 From the bestselling author of *P.S. I Love You* and *Love, Rosie*, Cecelia Ahern, comes an enchanting novel that leads you to wonder if 'Not Seeing is believing!' Readers and critics alike adore Cecelia Ahern for her lighthearted yet insightful stories about modern women and their often unusual situations. In *If You Could See Me Now*, she takes that theme a step further, offering us a heroine who is entirely believable, and the new man in her life who is, well, slightly less so. Elizabeth Egan's life runs on order: Both her home and her emotions are arranged just so, with little room for spontaneity. It's how she counteracts the chaos of her family--an alcoholic mother who left when she was young, an emotionally distant father, and a free-spirited sister, who seems to be following in their mother's footsteps, leaving her own six-yearold son, Luke, in Elizabeth's care. When Ivan, Luke's mysterious new grown-up friend, enters the picture, Elizabeth doesn't know quite what to make of him. With his penchant for adventure and colorful take on things large and small, Ivan opens Elizabeth's eyes to a whole new way of living. But is it for real? Is Ivan for real? If You Could See Me Now is a love story with heart--and just a touch of magic.

*Life In Different Colours* PRATIK P SHARDA 2020-01-07 If one can safely assume something, many of us who love reading are unable to do so due to lack of time to read a full novel running into a number of pages. *Life in Different Colours* offers the readers short and captivating stories, which focus on some facets of life as seen by the author, woven into a world of fiction. Each story in this book can be read within a maximum of thirty to forty minutes. But that is not all. The author hopes that, through his imagination captured in these stories, these stories will not only make for a good read but also help the readers in some manner.

*Inspired India* Neelesh Misra 2010 About the Book : - In a country the size of India, problems too come large-sized. Many of these appear all but insurmountable. In the past few years a series of examples of innovation and creative thinking are showing how many of these problems can be solved. In the process, the lives of millions are being transformed, and millions more can suddenly hope for a better future. Inspired India is a selection of 25 initiatives in the fields of health, governance, education, urban renewal, economy and road safety, among others, that have shown the way out of what is often a dead-end situation. These are examples of innovation by individuals and institutions, some of them turning accepted wisdom on its head. Who, for instance, could ever imagine that world-class healthcare could be inexpensive, as the Narayana Hrudayalaya near Bangalore provides, following a model that could revolutionize healthcare across the country. In addition to the examples are interviews with experts on how best to act on the issues covered, and specific measures to tackle the problems described, making this a unique book on a subject, an inspired India, that touches us all. About the Authors : - Neelesh Misra was born in 1973 in Lucknow, India. He worked with the India Abroad News Service and the Associated Press before joining The Hindustan Times in New Delhi as Senior Reviewing Editor. In a career spanning seventeen years he has covered some of the biggest news stories in South Asia including the Kargil conflict, Orissa's super cyclone, the Gujarat earthquake, the massacre of the royal family in Nepal and its transition to democracy, the Asian Tsunami, and the Kashmir earthquake.He is the author of two non-fiction books: 173 Hours in Captivity: The story of the hijacking of IC 814 and End of the Line: The Story of the Killing of the Royals in Nepal . When he is not chasing the news he writes songs and scripts for Bollywood. Zara Muraó is news editor with the Hindustan Times in Mumbai. A graduate in literature from Sophia College, University of Mumbai, she earlier worked with the Indian Express, handling the city desk there and later at HT. She has written several travelogues for both newspapers and worked on a number of special series.

**Striker, Stopper** Moti Nandy 2012-08-07 Striker is the story of a young football player, Prasoon Joshi, whose father, once a top scorer in the Calcutta League, is completely sidelined after being accused by the club of deliberately throwing the winning goal. As a young player struggling to make his mark, Prasoon not only has to battle the ruthless exploitation of the football clubs, his family's straitened financial circumstances, and his own development as a player, but he has also to exorcise his father's ghosts. Stopper, on the other hand, is the story of the much older Kamal Guha, a veteran player with an eclectic record, now playing the final game of his career... Both novellas brilliantly capture the heady highs, and the crushing lows, the heroism ? and the ignominy ? of sport. However, it is always the game, and the action on the field, that is the real hero of Moti Nandy's writing.

**The Absent State** Misra Neelesh 2012-03-12 The spiralling crisis in Jammu and Kashmir; the Naxalite-Maoist menace that seems to be intensifying with every passing day; the disturbing reach of proxy governments run by militant groups in Manipur and Nagaland – today, a quarter of India is being held hostage by violence and anarchy. What has pushed the country, which has otherwise held together through seemingly insurmountable odds in the past, to the edge? Who and what is responsible for the state of affairs as it stands today? In a series of dispatches from the epicentres of what they call the country's 'battle zones', Neelesh Misra and Rahul Pandita unveil the tensions, frustrations and heartbreaks, and the challenges and justifications, that are everyday realities in these troubled regions. Civil administrators talk about the widespread misappropriation of development funds in tribal and remote areas; security and police personnel describe extreme confrontations in the face of inadequate training and equipment; rebel ranks and former insurgents reveal how unemployment, lack of education and rampant exploitation have fuelled their defiance against the establishment and encouraged secessionist activities; self-styled vigilantes assert their need to provide what they consider 'security' and 'justice' in areas that have seen little of either. And, at the heart of the on-going turmoil, ordinary people mourn the loss of their loved ones – to starvation, lack of healthcare facilities and militancy – even as they voice their demand to be heard. The stories are many; the cast varied. Yet, collectively, they present an alarming picture of systemic failure on the part of the Indian state. A potent reminder of the mistakes that the government of India cannot afford to repeat, *The Absent State* is a work of great significance – an essential read for anyone who wants to make sense of the tumult of our times.

**Storywallah** Neelesh Misra 2018 In 2011, the screenwriter, lyricist and journalist Neelesh Misra started mentoring a handpicked group of writers called the Mandali. These were men and women of all ages, backgrounds and dispositions. The Mandali soon started writing radio stories in Hindi, for Misra's show Yaodon Ka Idiotbox-

short, pithy, bittersweet narratives that immediately struck a chord with listeners across the country. Translated for the first time in English, this collection represents the Mandali at the height of its powers. These stories are blessed with a keen sense of place, attuned to the rhythms of both small-town India and rapidly expanding mega-cities like Delhi or Mumbai. Homesick yuppies reconnect with their hometowns, old lovers reconcile against all odds, and parents learn to get along with their grown-up children. A mother-in-law uses questionable tactics to bond with her distant daughter-in-law, a war widow learns to stand up to family, and a life-threatening mountain slope brings two strangers together. These are fresh, untamed voices aided and abetted by a master storyteller.

**Chander and Sudha** Dharamvir Bharati 2016-06-08 In the idyllic university town, young women daydreamed as they lay on the grass and gazed up at the clouds. Young men took morning walks at Alfred Park. Hot summer afternoons were for drinking sherbet and eating watermelons, and evenings were meant for reading poetry. It was also a time of stifling social mores, and love was an unattainable ideal seldom realized. Allahabad of the 1940s is the serene backdrop to the turbulence of Chander's love for his professor's daughter Sudha. Driven by his passionate belief in the transcending purity of their love, Chander persuades Sudha to marry another man, to devastating consequences. Unhinged by his separation from Sudha and consumed by a restless desire to make sense of love—Is it really about sex? Is the purity of love a lie?—Chander spirals into a destructive affair with the seductive Pammi. Immensely popular since its publication more half a century ago, Chander & Sudha continues to seduce readers with its potent mix of tender passion and heartbreaking tragedy.

**Lot No. 249** Arthur Conan Doyle 2021-02-26 Smith, a University of Oxford athlete, witnesses strange things. Edward, a student in Egyptology, collects ancient artefacts, a mummy as well. Not only does he collect them, but Smith suspects that Edward is trying to reanimate the mummy. His suspicions grow bigger when he sees the mummy disappear and then reappear. Will Smith confront Edward and what will follow after that? Is it actually possible to reanimate an artefact or it is simply fruit of imagination? Who will make it out alive – Smith, Edward, or the mummy? "Lot No. 249" holds the answers. Sir Arthur Conan Doyle (1859-1930) was born in Scotland and studied medicine at the University of Edinburgh. After his studies, he worked as a ship's surgeon on various boats. During the Second Boer War, he was an army doctor in South Africa. When he came back to the United Kingdom, he opened his own practice and started writing crime books. He is best known for his thrilling stories about the adventures of Sherlock Holmes. He published four novels and more than 50 short-stories starring the detective and Dr Watson, and they play an important role in the history of crime fiction. Other than the Sherlock Holmes series, Doyle wrote around thirty more books, in genres such as science-fiction, fantasy, historical novels, but also poetry, plays, and non-fiction.

**Neglected Poems** Gulzar 2012-01-19 Gulzar is regarded as one of India's foremost Urdu poets today, renowned for his unusual perspectives on life, his keen understanding of the complexities of human relationships, and his striking imagery. After Selected Poems, a collection of some of his best poetry translated by Pavan K. Varma was extremely well received, Gulzar has chosen to present his next sixty poems in an inimitable way: labelling them Neglected Poems. 'Neglected' only in name, these poems represent Gulzar at his creative and imaginative best, as he meditates on nature (the mountains, the moon, a sparrow), delves into human psychology (when a relationship ends one is amazed to notice that 'everything goes on exactly as it used to'), explores great cities like Mumbai, Chennai, Kolkata, Delhi and New York ('In your town, my friend, how is it that there are no homes for ants?'), and confronts the most telling moments of everyday life.

*Like It Happened Yesterday* Ravinder Singh 2013-06-15 Has anyone ever asked you—What were the best days of your life? That one period of your life you always wanted to go back to? And live that life . . . one more time? When asked this, I closed my eyes and went back in my own past. And I thought . . . . . of the days, when life's most complex choices had a simple solution of Akkad Bakkad Bambeey Bo! . . . of the seasons when rains were celebrated by making paper boats. . . . of the times when waiting at the railway crossing meant counting the bogies of the train passing by. When I opened my eyes, it seems Like it Happened Yesterday! Like it was yesterday that I broke my first tooth and fell in love for the first time. Like it was yesterday, when I was about to lose my friend, and suddenly he became my best friend. I look back and it becomes a journey full of adventure. It makes me laugh, it makes me cry and I know I'm here because I was . . . Come, hold my hand,

and take this trip with me. It will be yesterday for you, once again!

***Dream Chasing*** S.B. Misra 2011-02-01 In Deora, a remote village near Lucknow in Uttar Pradesh, Shiva Balak walked 24 kilometres to and back from his school each day, only to be left wondering why there were no schools in his own village. A brilliant student, he struggled through extreme hardships, and achieved laurels by winning a scholarship to fund his post-graduate degree in geology in Canada. This book chronicles the journey of an extraordinary Indian who has the courage to be ordinary. I went to his village and came away humbled. Dr Misra turned his back on what the affluent West had to offer him, and returned to his country to serve the people of rural India. His is an underdog story of a young scientist from an Indian village whose credit as a discoverer was snatched by his Western colleagues . who had to honour him decades later. This book is a must read for every Indian.' - Mahesh Bhatt, Filmmaker S.B. Misra became a star in the scientific community when he discovered 565-million-year-old fossils that were the oldest records of multicellular life on earth. However, he pondered over the long walk to school each day, which thousands of children were still making in his rural backyard. Abandoning a promising world of fame and recognition, he returned to India to realize his dream - a dream of education for young children in his village. This is an inspiring story of an ordinary Indian in rural India, where class barriers and gender discrimination still exist. This is a story of courage, determination, faith and the will to dream big and fulfill those dreams in the face of adversity.

***The Scent Keeper*** Erica Bauermeister 2019-05-21 Erica Bauermeister, the national bestselling author of *The School of Essential Ingredients*, presents a moving and evocative coming-of-age novel about childhood stories, families lost and found, and how a fragrance conjures memories capable of shaping the course of our lives. Emmeline lives an enchanted childhood on a remote island with her father, who teaches her about the natural world through her senses. What he won't explain are the mysterious scents stored in the drawers that line the walls of their cabin, or the origin of the machine that creates them. As Emmeline grows, however, so too does her curiosity, until one day the unforeseen happens, and Emmeline is vaulted out into the real world--a place of love, betrayal, ambition, and revenge. To understand her past, Emmeline must unlock the clues to her identity, a quest that challenges the limits of her heart and imagination. Lyrical and immersive, *The Scent Keeper* explores the provocative beauty of scent, the way it can reveal hidden truths, lead us to the person we seek, and even help us find our way back home.

***Gandhi, CEO*** Alan Axelrod 2012-02 Gandhi, a CEO? Absolutely—and an incomparable example for our uncertain times, when we need leaders we can trust and admire. Not only was he a moral and intensely spiritual man, but also a supremely practical manager and a powerful agent for change, able to nurture the rebirth of an entire nation. Alan Axelrod looks at this much-studied figure in a way nobody has before, employing his fluid, engaging, and conversational style to bring each lesson to life through quotes and vivid examples from Gandhi's life. New in paperback.

***End of the Line*** Neelesh Misra 2001 Relying on access to exclusive information, AP correspondent Neelesh Misra pieces together the jigsaw of sometimes conflicting accounts of the murders of the Neplase royal family on June 1, 2001. A wider national tragedy stands revealed: a nation with one foot in the 16th century and the

other, uncomfortably, in the 21st; and of a king whose grand plans for making that transition a smooth one would, in more ways than one, be brutally thwarted.

***The Women's Courtyard*** Khadija Mastoor 2018-09-10 Aliya lives a life confined to the inner courtyard of her home with her older sister and irritable mother, while the men of the family throw themselves into the political movements of the day. She is tormented by the petty squabbles of the household and dreams of educating herself and venturing into the wider world. But Aliya must endure many trials before she achieves her goals, though at what personal cost? Set in the 1940s, with Partition looming on the horizon, *The Women's Courtyard* cleverly brings into focus the claustrophobic lives of women whose entire existence was circumscribed by the four walls of their homes, and for whom the outside world remained an inaccessible dream. Daisy Rockwell's elegant and nuanced translation captures the poignance and power of Khadija Mastur's inimitable voice.

***Dream Beyond Shadows: No Ordinary Tourist*** Kartikeya Latha 2019-12-21 If you are holding this book, there's a chance you may be at a crossroads in your life, as once the author of this book was. Feeling stuck and overwhelmed by society's pressures, how can we learn, in today's fast paced and results driven world, to truly dream beyond shadows? Having touched the hearts of readers across the globe, *Dream Beyond Shadows* has now been published in its second edition, to celebrate the raw and compelling art of storytelling inscribed in its pages. This book chronicles a turning point in the author's life, a moment when he decided to turn against the current of his life and move in the opposite direction of social expectations and his own conditioned fears. It's the story of an adventure that leaves behind the hustle and bustle of New York City, winds along the Ayahuasca vine through the tribal magic of shamanic ceremonies in the Amazon jungle, into the Incan legacy of Peru's Sacred Valley and the sublime energy of the megalithic Machu Picchu. The author wrote this book to share that it's possible for anyone to break away from time-bound limitations and relinquish the grip of the past. We can all take that first step, to embrace this extraordinary life in all its darkness and beauty—beyond the land of shadows. ***Only The Good Die Young*** Akash Verma 2021-02-15 Sometimes when you're desperate to leave the past behind, the past is eager to catch up! Anuradha leaves Gurgaon when Dhruv chooses his family over her. She thinks that chapter of her life has ended, and starts afresh in Mumbai. But strangely, it seems her past is trying to catch up. Dhruv suddenly comes back into her life. Even as they try to figure out their relationship, horrible things start happening to people they know. Together, Anuradha and Dhruv need to find out who it is that cannot bear to see them together. Who is carrying out these shocking crimes? Are they really soulmates cursed to stay apart, or is there some karmic debt they have to repay? Taut and thrilling, *Only the Good Die Young* is unputdownable.
