In a Garden Burning Gold Rory Power 2022-04-05 "Fresh and original . . . full of lush writing and detailed worldbuilding . . . [with a] rich fantasy landscape and an almost Shakespearean feel."–Paste Twins imbued with incredible magic and near-immortality will do anything to keep their family in power—even if it tears the family apart—in the first book of a mythic epic fantasy duology from the New York Times bestselling author of Wilder Girls. ONE OF THE MOST ANTICIPATED BOOKS OF 2022–BookPage Rhea and Lexos were born into a family unlike any other. Together with their siblings, they control the seasons, the tides, and the stars, and help their father rule their kingdom. Thanks to their magic, the family has ruled for an eternity, and plan to rule for an eternity more. But Rhea and Lexos are special: They are twins, bonded down to the bone, and for the past hundred years, that bond has protected them as their father becomes an unpredictable tyrant—and his worsening temper threatens the family's grip on power. Now, with rival nations ready to attack, and a rebel movement within their own borders, Rhea and Lexos must fight to keep the kingdom—and the family—together, even as treachery, deceit, and drama threaten to strand the twins on opposite sides of the battlefield. In a Garden Burning Gold is a vividly written, atmospheric saga that explores the limits of power and the bonds of family—and how far both can be bent before they break.

The Secret Garden Frances Hodgson Burnett 2019-01-15 This book tells the classic story of Mary, who after losing her parents comes to live with her uncle in an English great house. When she gets there, she makes two friends: Dickon, a boy who talks with nature, and Colin, a poor boy who despite being a lord lives in isolation because of an illness. This friendship will lead to the discovery of a great secret: a forbidden garden, surrounded by walls and locked with a missing key, whose mystery goes back to a hidden accident. Decided to bring this garden back to life, Mary will join forces with her friends and walk into a path known today as a beautiful metaphor for the journey of self-awareness and awakening to the world. Written in 1911 by Frances Hodgson Burnett, a great author recognized for her success and independence, this work inspired various plays and movies and remains as vivid as the life brought out of it.

The Torture Garden Octave Mirbeau 2022-11-13 Clara is a sadist and hysteric, who delights in witnessing playings, crucifixions and numerous tortures, all done in beautifully laid out and groomed gardens, and explaining the beauty of torture to her companion—the narrator. Her hysterical orgasm and resulting exhaustion is a curious exploration of pain and pleasure and made this novel a truelyerotic BDSM masterpiece! Excerpt: "One evening some friends were gathered at the home of one of our most celebrated writers. Having dined sumptuously, they were discussing murder—apropos of what, I no longer remember probably apropos of nothing. Only men were present: moralists, poets, philosophers and doctors—thus everyone could speak freely, according to his whim, his hobby or his idiosyncrasies, without fear of suddenly seeing that expression of horror and fear which the least startling idea traces upon the horrified face of a notary. I—say notary, much as I might have said lawyer or porter, not disdainfully, of course, but in order to define the average French mind..."

The Secret Garden Frances Eliza Hodgson Burnett 2018-09-07 Mary Lennox was horrid. Selfish and spoilt, she was sent to stay with her hunchback uncle in Yorkshire. She hated it. But when she finds the way into a secret garden and begins to tend to it, a change comes over her and her life. She meets and befriends a local boy, the talented Dickon, and comes across her sickly cousin Colin who had been kept hidden from her. Between them, the three children work astonishing magic in themselves and those around them. The Secret Garden is one of the best-loved stories of all time.

The Secret Garden Annotated Frances Hodgson Burnett 2022-02-19 The Secret Garden is a novel by Frances Hodgson Burnett first published in book form in 1911, after serialization in The American Magazine (November 1910 - August 1911). Set in England, it is one of Burnett's most popular novels and seen as a classic of English children's literature. Several stage and film adaptations have been made. The American edition was published by the Frederick A. Stokes Company with illustrations by Maria Louise Kirk (signed as M. L. Kirk), and the British edition by Heinemann with illustrations by Charles Heath Robinson.

The Secret Garden Illustrated Frances Hodgson Burnett 2020-12-02 The Secret Garden is a novel by Frances Hodgson Burnett first published in book form in 1911, after serialization in The American Magazine (November 1910 - August 1911). Set in England, it is one of Burnett's most popular novels and seen as a classic of English children's literature. At the turn of the 20th century, Mary Lennox is a sickly, neglected, unloved 10-year-old girl, born in British India to wealthy British parents who never wanted her and made an effort to ignore the girl. She is cared for primarily by native servants, who allow her to become spoiled and self-centred. After a cholera epidemic kills Mary's parents and the few surviving servants flee the house, Mary awakes to find herself alone.

Shrewdunnit Conor Mark Jameson 2014-04-01 Conor Mark Jameson has spent most of his life exploring the natural environment and communicating his enthusiasm for it to family, friends and, more recently, readers of a range of newspapers and magazines. Shrewdunnit brings together the best of these dispatches, alongside unpublished essays, in a poetic and evocative journal that inspires and delights. Jameson's prose is fresh and in places irreverent, with a hint of mischief and a dash of wit. From his back door to the peaks of New Zealand and the swamp forests of the Peruvian Amazon, he carries on the biogumentary style he perfected in his earlier books showing – never telling – how to bring nature and conservation home. He may just have invented a genre. Praise for Silent Spring Revisited “A vividly told, beautifully written account of the environmentalist movement of the last fifty years and his own involvement in it ... the author takes his place among the pre-eminent nature writers of our times. His clear, vivid writing skillfully weaves political and cultural history, personal observation and passionate advocacy for the conservation of our diminishing wildlife to create a book that will endure in the annals of natural history." Marie Winn “If Nick Hornby loved nature, he might write a book like this.” Martin Harper, RSPB Director of Conservation “A lively read... what makes Jameson’s work especially enjoyable is the personal slant...” Matt Merritt, Editor, Birdwatching “A fine writer, who brings together an artist’s sensibility with a conservationist’s sense of reality... a vital read.” John Fanshawe, Birdwatch Praise for Looking for the Goshawk “Conor’s cultured writing and enthusiasm for the natural world and the people, like him, who care about it, will carry you along through the chapters.” Mark Avery "Equally stirring as his Silent Spring Revisited... a passionate detective story... descriptive, at times poetic prose..." Peter Goodfellow, Devon Birds

The Ash Garden Dennis Bock 2003-01-07 Emiko Amai is six years old in August 1945 when the Hiroshima bomb burns away half of her face. To Anton, a young German physicist involved in the Manhattan Project, that same bomb represents the pinnacle of scientific elegance. And for his Austrian wife Sophie, a Jewish refugee, it marks the start of an irreparable fissure in their new marriage. Fifty years later, seemingly far removed from the day that defined their lives, Emiko visits Anton and Sophie, and in Dennis Bock's powerfully imagined narrative, their histories converge.

Midnight in the Garden of Good and Evil John Berendt 2010-05-12 NATIONAL BESTSELLER • “Elegant and wicked... [This] might be the first true-crime book that makes the reader want to book a bed and breakfast for an extended weekend at the scene of the crime.” –The New York Times Book Review Shots rang out in Savannah's grandest mansion in the misty,early morning hours of May 2, 1981. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. John Berendt's sharply observed, suspenseful, and witty narrative reads like a thoroughly engrossing novel, and yet it is a work of nonfiction. Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman's Card Club; the turbulent young redneck gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the "soul of pampered self-absorption"; the uproariously funny black drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young blacks dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. Midnight in the Garden of Good and Evil is a sublime and seductive reading experience. Brilliantly conceived and masterfully written, this enormously engaging portrait of a most beguiling Southern city has become a modern classic.

The Ash Family Molly Dektar 2020-04-07 When a young woman leaves her family to join a secret off-the-grid community headed by an enigmatic leader, she discovers that belonging comes with a deadly cost, in this “stunning debut,” (The New Yorker) “perfect for fans of Philip Roth’s American Pastoral and the film Martha Marcy May Marlene” (Booklist, starred review). At nineteen, Berie encounters a seductive and mysterious man at a bus station near her home in North Carolina. Shut off from the people around her, she finds herself compelled by his promise of a new life. He ferries her into a place of order and chaos: the Ash Family farm. There, she joins a community living off the fertile land of the mountains, bound together by high ideals and through relationships she can’t untangle. Berie—now renamed Harmony—renounces her old life and settles into her new one on the farm. She begins to make friends. And then they start to disappear. “An excellent debut, Molly Dektar probes life in a cult with a masterful hand, excavating the troubled mind of a young woman,” (Publishers Weekly). The Ash Family explores what we will sacrifice in the search for happiness, and the beautiful and grotesque power of the human spirit as it seeks its ultimate place of belonging. “A captivating and haunting tale” (New York Journal of Books).

The Secret Garden Frances Hodgson Burnett 2012-08-21 The Secret Garden is one of Burnett's most popular novel, as it has warmed the heart of generations with the story of one little orphan. Losing her British parents to a cholera outbreak in India the selfish, spoilt and angry Mary Lennox is uprooted from her life and the servants that has raised her to be sent to live with her uncle in Yorkshire. Being her normal sour self she is unsure of the manor and the surrounding gardens. As time goes on she discovers a new outlook on the world thanks to her new home and the power of a healing garden.
