[Grandmama's Pride](#) Becky Birtha
2016-11 Six-year-old Sarah Marie, her mother, and her little sister travel down south to visit Grandmama in the summer of 1956. Now that Sarah Marie can read, she notices Grandmama's town is filled with signs and rules that she's never understood before.
Wil

Bobby: A Story of Robert F. Kennedy

Deborah Wiles 2022-09-06 From two-time National Book Award finalist Deborah Wiles comes a compelling biography of Robert Kennedy. Americans claimed Robert Kennedy as one of their own. They called him Bobby. Lyrical and evocative text by Deborah Wiles (Countdown, Revolution, Anthem, and Kent State) brings the story of Robert F. Kennedy to life, with breathtaking illustrations by Tatyana Fazlalizadeh. Bobby is set in 1968, with a grandfather telling his grandchild about Kennedy's life. Bobby was the younger brother of President John F. Kennedy. He became an accomplished public servant and activist in his own right. Though his run for presidency was tragically cut short on June 5, 1968, Bobby proved the value of empathy and grit. The story concludes as his funeral train makes its solemn journey from New York to Washington, DC. Kennedy was perceived by many to be a rare unifying force in American politics. He was beloved by Americans of all races for his integrity and devotion to the civil rights cause. His life continues to inspire efforts for social change. Deborah Wiles's Bobby

will illuminate the importance of Robert Kennedy's life for children, parents, teachers, and librarians. Informative back matter is included. [The Sciences of the Artificial, third edition](#) Herbert A. Simon 1996-09-26 Continuing his exploration of the organization of complexity and the science of design, this new edition of Herbert Simon's classic work on artificial intelligence adds a chapter that sorts out the current themes and tools—chaos, adaptive systems, genetic algorithms—for analyzing complexity and complex systems. There are updates throughout the book as well. These take into account important advances in cognitive psychology and the science of design while confirming and extending the book's basic thesis: that a physical symbol system has the necessary and sufficient means for intelligent action. The chapter "Economic Reality" has also been revised to reflect a change in emphasis in Simon's thinking about the respective roles of organizations and markets in economic systems. [Freedom on the Menu](#) Carole Boston Weatherford 2007-12-27 There were signs all throughout town telling eight-year-old Connie where she could and could not go. But when Connie sees four young men take a stand for equal rights at a Woolworth's lunch counter in Greensboro, North Carolina, she realizes that things may soon change. This event sparks a movement throughout her town and region. And while Connie is too young to march or give a speech, she helps

her brother and sister make signs for the cause. Changes are coming to Connie's town, but Connie just wants to sit at the lunch counter and eat a banana split like everyone else.

Freedom Summer Deborah Wiles 2001 In 1964, Joe is pleased that a new law will allow his best friend John Henry, who is black, to share the town pool and other public places with him, but he is dismayed to find that prejudice still exists.

Zathura 2002 Publisher Description
Goin' Someplace Special Patricia C. McKissack 2014-03-18 Through moving prose and beautiful watercolors, award-winning author-illustrator duo collaborate to tell the poignant tale of a spirited young girl who comes face to face with segregation in her southern town. There's a place in this 1950s southern town where all are welcome, no matter what their skin color...and 'Tricia Ann knows exactly how to get there. To her, it's someplace special and she's bursting to go by herself. When her grandmother sees that she's ready to take such a big step, 'Tricia Ann hurries to catch the bus heading downtown. But unlike the white passengers, she must sit in the back behind the Jim Crow sign and wonder why life's so unfair. Still, for each hurtful sign seen and painful comment heard, there's a friend around the corner reminding 'Tricia Ann that she's not alone. And even her grandmother's words—"You are somebody, a human being—no better, no worse than anybody else in this world"—echo in her head, lifting her spirits and pushing her forward.

Integrating African American Literature in the Library and Classroom Dorothy Littlejohn Guthrie 2011-09-14 In this book, African American literature is illuminated through a project-based curriculum that incorporates national curriculum standards. It is important that the school curriculae be representative of the diversity of the American student population. Integrating African American Literature in the Library and Classroom is designed to help teachers and librarians achieve that goal. The book recommends and annotates more than 200 titles that

touch on African American life from slavery through the present time, most of them by black authors, and many of them winners of the Coretta Scott King, Caldecott, and/or Newbery awards. This guide offers cross-curricular lesson plans for grades K-12. Each chapter identifies areas in which instructional attention is most needed to help students develop a greater appreciation for diversity, perseverance, and ethnicity. Examples and ideas for activities are offered to reinforce related concepts. With this book, teachers and librarians will be better able to motivate and inform, helping students discover the richness of African American culture now and through time.

The Freedom Summer Murders Don Mitchell 2014-04-29 A gripping true story of murder and the fight for civil rights and social justice in 1960s Mississippi.

Wind Flyers Angela Johnson 2013-10-29 All he ever wanted to do was fly. Three-time Coretta Scott King Award-winning author Angela Johnson and New York Times bestselling illustrator Loren Long invite readers to ponder a band of undercelebrated World War II heroes -- the Tuskegee Airmen. With fleeting prose and transcendent imagery, this book by the masterful author/artist duo reveals how a boy's love of flight takes him on a journey from the dusty dirt roads of Alabama to the war-torn skies of Europe and into the hearts of those who are only now beginning to understand the part these brave souls played in the history of America.

Each Little Bird that Sings Deborah Wiles 2005 Comfort Snowberger is well acquainted with death since her family runs the funeral parlor in their small southern town, but even so the ten-year-old is unprepared for the series of heart-wrenching events that begins on the first day of Easter vacation with the sudden death of her beloved great-uncle Edisto.

Invisible in Austin Javier Auyero 2015-09-01 Austin, Texas, is renowned as a high-tech, fast-growing city for the young and creative, a cool place to live, and the scene of internationally famous events such as SXSW and Formula 1. But as in many

American cities, poverty and penury are booming along with wealth and material abundance in contemporary Austin. Rich and poor residents lead increasingly separate lives as growing socioeconomic inequality underscores residential, class, racial, and ethnic segregation. In *Invisible in Austin*, the award-winning sociologist Javier Auyero and a team of graduate students explore the lives of those working at the bottom of the social order: house cleaners, office-machine repairers, cab drivers, restaurant cooks and dishwashers, exotic dancers, musicians, and roofers, among others. Recounting their subjects' life stories with empathy and sociological insight, the authors show us how these lives are driven by a complex mix of individual and social forces. These poignant stories compel us to see how poor people who provide indispensable services for all city residents struggle daily with substandard housing, inadequate public services and schools, and environmental risks. Timely and essential reading, *Invisible in Austin* makes visible the growing gap between rich and poor that is reconfiguring the cityscape of one of America's most dynamic places, as low-wage workers are forced to the social and symbolic margins.

Ruby's Wish Shirin Yim 2013-10-08 Ruby is unlike most little girls in old China. Instead of aspiring to get married, Ruby is determined to attend university when she grows up, just like the boys in her family. Based upon the inspirational story of the author's grandmother and accompanied by richly detailed illustrations, *Ruby's Wish* is an engaging portrait of a young girl who strives for more and a family who rewards her hard work and courage.

Countdown Deborah Wiles 2010 Eleven-year-old Franny deals with the challenges of growing up against the backdrop of the Cuban Missile Crisis of 1962. Interspersed with the text are photographs, news items, and advertisements from the early sixties
The Fog Machine Susan Follett 2014-06-02 A cloth bag containing ten copies of the title and a folder

containing book sign out sheets.
We Are All Under One Wide Sky Deborah Wiles 2021-06-15 Children will learn to both celebrate diversity and embrace how much we all have in common. In *We Are All Under One Wide Sky*, Deborah Wiles beautifully weaves together images from the natural world in a lovely, lyrical poem. Andrea Stegmaier's fresh and captivating illustrations feature children from around the globe and celebrate different architecture, landscapes, and activities. By the end of the book, children will have internalized the message that although we are from different places, we are the same in so many ways. What we have in common is what is most important—family, laughter, love, nature, and friendship. We all share the same wide sky. *We Are All Under One Wide Sky* is a peace anthem with a timely and important message for children: to both celebrate diversity and embrace how much we all have in common.

Countdown Deborah Wiles 2016-04-26 Four starred reviews greeted this new, groundbreaking classic from Deborah Wiles! Franny Chapman just wants some peace. But that's hard to get when her best friend is feuding with her, her sister has disappeared, and her uncle is fighting an old war in his head. Her saintly younger brother is no help, and the cute boy across the street only complicates things. Worst of all, everyone is walking around just waiting for a bomb to fall. It's 1962, and it seems that the whole country is living in fear. When President Kennedy goes on television to say that Russia is sending nuclear missiles to Cuba, it only gets worse. Franny doesn't know how to deal with what's going on in the world--no more than she knows with how to deal with what's going on with her family and friends. But somehow she's got to make it.

Culture and Imperialism Edward W. Said 2012-10-24 A landmark work from the author of *Orientalism* that explores the long-overlooked connections between the Western imperial endeavor and the culture that both reflected and reinforced it. In the nineteenth and early

twentieth centuries, as the Western powers built empires that stretched from Australia to the West Indies, Western artists created masterpieces ranging from *Mansfield Park* to *Heart of Darkness* and *Aida*. Yet most cultural critics continue to see these phenomena as separate. Edward Said looks at these works alongside those of such writers as W. B. Yeats, Chinua Achebe, and Salman Rushdie to show how subject peoples produced their own vigorous cultures of opposition and resistance. Vast in scope and stunning in its erudition, *Culture and Imperialism* reopens the dialogue between literature and the life of its time.

Sit-In Andrea Pinkney 2010-02-03 It was February 1, 1960. They didn't need menus. Their order was simple. A doughnut and coffee, with cream on the side. This picture book is a celebration of the 50th anniversary of the momentous Woolworth's lunch counter sit-in, when four college students staged a peaceful protest that became a defining moment in the struggle for racial equality and the growing civil rights movement. Andrea Davis Pinkney uses poetic, powerful prose to tell the story of these four young men, who followed Dr. Martin Luther King Jr.'s words of peaceful protest and dared to sit at the "whites only" Woolworth's lunch counter. Brian Pinkney embraces a new artistic style, creating expressive paintings filled with emotion that mirror the hope, strength, and determination that fueled the dreams of not only these four young men, but also countless others.

Perfect Timing Patsi Trollinger 2011-02 See how one offer to ride a horse changed Isaac Murphy's life and gave him the chance to become one of the greatest jockeys of all time.

The Other Side Jacqueline Woodson 2001-01-15 Jacqueline Woodson is the 2018-2019 National Ambassador for Young People's Literature Clover's mom says it isn't safe to cross the fence that segregates their African-American side of town from the white side where Anna lives. But the two girls strike up a friendship, and get around the grown-ups' rules by sitting on top of the fence together.

With the addition of a brand-new author's note, this special edition celebrates the tenth anniversary of this classic book. As always, Woodson moves readers with her lyrical narrative, and E. B. Lewis's amazing talent shines in his gorgeous watercolor illustrations.

Revolution (The Sixties Trilogy #2) Deborah Wiles 2014-05-27 *A 2014 NATIONAL BOOK AWARD FINALIST* It's 1964, and Sunny's town is being invaded. Or at least that's what the adults of Greenwood, Mississippi, are saying. All Sunny knows is that people from up north are coming to help people register to vote. They're calling it Freedom Summer. Meanwhile, Sunny can't help but feel like her house is being invaded, too. She has a new stepmother, a new brother, and a new sister crowding her life, giving her little room to breathe. And things get even trickier when Sunny and her brother are caught sneaking into the local swimming pool -- where they bump into a mystery boy whose life is going to become tangled up in theirs. As she did in her groundbreaking documentary novel *COUNTDOWN*, award-winning author Deborah Wiles uses stories and images to tell the riveting story of a certain time and place -- and of kids who, in a world where everyone is choosing sides, must figure out how to stand up for themselves and fight for what's right.

Hanukkah Bear Eric A. Kimmel 2013-07-10 Bubba Brayna's legendary latkes lure an unexpected visitor into her home in this playful Hanukkah tale from a master storyteller. Bubba Brayna makes the best latkes in the village, and on the first night of Hanukkah, the scent of her cooking wakes a hungry, adorable bear from his hibernation. He lumbers into town to investigate, and Bubba Brayna—who does not see or hear very well—mistakes him for her rabbi. She welcomes the bear inside to play the dreidel game, light the menorah, and enjoy a scrumptious meal. However, after her well-fed guest leaves, there's a knock at the door—it's the rabbi, and all of Brayna's other friends, arriving for dinner. But there are no latkes

left—and together, they finally figure out who really ate them. Lively illustrations by Mike Wohnoutka, portraying the sprightly Bubba Brayna and her very hungry guest, accompany this instant family favorite, a humorous reworking of Eric A. Kimmel's earlier classic tale, *The Chanukkah Guest*. A traditional recipe for latkes is included in the back matter, along with interesting, digestible facts about the history and traditions of Hanukkah. A 2013 National Jewish Book Award Winner, this book is perfect for a holiday story time with children— either in the classroom or at home, as an introduction for young readers to the traditions and customs of Hanukkah, and as a classic to return to year after year.

White Socks Only Evelyn Coleman
1996-01-01 When Grandma was a little girl in Mississippi, she sneaked into town one day. It was a hot day—the kind of hot where a firecracker might light up by itself. But when this little girl saw the "Whites Only" sign on the water fountain, she had no idea what she would spark when she took off her shoes and—wearing her clean white socks—stepped up to drink. Bravery, defiance, and a touch of magic win out over hatred in this acclaimed story by Evelyn Coleman. Tyrone Geter's paintings richly evoke its heat, mood, and legendary spirit.

Revolution Deborah Wiles 2014
Struggling to adapt within her newly blended family in 1964 Mississippi, young Sunny witnesses increasingly scary community agitation when activists from the North arrive in town to help register African-Americans to vote.

Glory Be Augusta Scattergood
2012-08-01 A Mississippi town in 1964 gets riled when tempers flare at the segregated public pool. As much as Gloriana June Hemphill, or Glory as everyone knows her, wants to turn twelve, there are times when Glory wishes she could turn back the clock a year. Jesslyn, her sister and former confidante, no longer has the time of day for her now that she'll be entering high school. Then there's her best friend, Frankie. Things have always been so easy with Frankie, and

now suddenly they aren't. Maybe it's the new girl from the North that's got everyone out of sorts. Or maybe it's the debate about whether or not the town should keep the segregated public pool open. Augusta Scattergood has drawn on real-life events to create a memorable novel about family, friendship, and choices that aren't always easy.

Night Walk to the Sea Deborah Wiles
2020-09-15 This luminous picture book by an award-winning author and acclaimed illustrator is the perfect tool to discuss the importance of the natural world with young children, as well as introduce them to environmental activist Rachel Carson. "I'm not afraid!" shouts Roger when he hears thunder outside...but he is afraid. When the storm quiets, his aunt Rachel decides to take him on a walk to see the beauty of the natural world at night. Over his Godzilla pj's goes his rain slicker; onto his feet go his monster boots, and together he and Rachel head down the rocky path to the sea. On the way they discover many marvels—a screech owl calling to its mate, ghost crabs tunneling in the sand, and most incredibly, the luminous life that lights up the water. When they find a tiny firefly who has lost its way, they bring it home and release it back into the woods. At last, Rachel tucks Roger into bed, telling him he is "nature's brave protector." An afterword introducing young readers to Rachel Carson, and explaining bioluminescence, adds to the appeal of the book.

Seeds of Freedom Hester Bass
2020-10-06 "Unflinchingly honest and jubilantly hopeful, this is nonfiction storytelling at its best." — Publishers Weekly (starred review)
Mention the civil rights era in Alabama and most people recall images of terrible violence. But for the citizens of Huntsville, creativity, courage, and cooperation were the keys to working together to integrate their city and schools in peace. This engaging celebration of a lesser-known chapter in American and African-American history shows how racial discrimination, bullying, and unfairness can be faced successfully

with perseverance and ingenuity. The Book of the Cave of Treasures E. a. Budge Budge 2005-01-01 And in the days of Nimrod, the mighty man (or giant), a fire appeared which ascended from the earth, and Nimrod went down, and looked at it, and worshipped it, and he established priests to minister there, and to cast incense from it. From that day the Persians began to worship fire...-from "The Fourth Thousand Years" One of the most prolific and respected Egyptologists of the Victorian era, Budge here offers his translation of the 4th-century A.D. Syrian text commonly known as "the Cave of Treasures," a history of the world from the Creation to the crucifixion of Christ and considered by some to be an apocryphal book of the Bible. Budge's extensive notes, linking the work to other ancient writings, as well as the numerous illustrations, make this unusual work, first published in 1927, an excellent resource for students of ancient civilizations and comparative mythology. SIR E. A. WALLIS BUDGE (1857-1934) was curator of Egyptian and Assyrian antiquities at the British Museum from 1894 to 1924. Among his many works of translation and studies of ancient Egyptian religion and ritual is his best-known project, The Egyptian Book of the Dead.

The Aurora County All-Stars Deborah Wiles 2009-02 After the death of the old man to whom young star pitcher House Jackson has been reading, House uncovers some secrets which may allow the annual Fourth of July baseball game to proceed, despite the county's anniversary pageant.

White Water Michael S. Bandy 2011-08-23 After tasting the warm, rusty water from the fountain designated for African-Americans, a young boy questions why he cannot drink the cool, refreshing water from the "Whites Only" fountain. Based on a true experience co-author Michael S. Bandy had as a boy. 15,000 first printing.

Eat Pray Love Elizabeth Gilbert 2010-06-29 Traces the author's decision to quit her job and travel the world for a year after suffering

a midlife crisis and divorce, an endeavor that took her to three places in her quest to explore her own nature, experience fulfillment and learn the art of spiritual balance. (Biography & autobiography). Reissue. A best-selling book. Movie tie-in.

Kent State Deborah Wiles 2020-04-21 From two-time National Book Award finalist Deborah Wiles, a masterpiece exploration of one of the darkest moments in our history, when American troops killed four American students protesting the Vietnam War.

Love, Ruby Lavender Deborah Wiles 2001 Ruby Lavender has fun with her grandmother Miss Eula as they rescue chickens, paint a house pink and run their own secret post office. But what can Ruby do when Eula goes away?

The Elusive Quest for Growth William R. Easterly 2002-08-02 Why economists' attempts to help poorer countries improve their economic well-being have failed. Since the end of World War II, economists have tried to figure out how poor countries in the tropics could attain standards of living approaching those of countries in Europe and North America. Attempted remedies have included providing foreign aid, investing in machines, fostering education, controlling population growth, and making aid loans as well as forgiving those loans on condition of reforms. None of these solutions has delivered as promised. The problem is not the failure of economics, William Easterly argues, but the failure to apply economic principles to practical policy work. In this book Easterly shows how these solutions all violate the basic principle of economics, that people-private individuals and businesses, government officials, even aid donors-respond to incentives. Easterly first discusses the importance of growth. He then analyzes the development solutions that have failed. Finally, he suggests alternative approaches to the problem. Written in an accessible, at times irreverent, style, Easterly's book combines modern growth theory with anecdotes from his fieldwork for the World

Bank.

Anthem (The Sixties Trilogy #3)

Deborah Wiles 2019-10-01 From two-time National Book Award finalist Deborah Wiles, the remarkable story of two cousins who must take a road trip across America in 1969 in order to let a teen know he's been drafted to fight in Vietnam. Full of photos, music, and figures of the time, this is the masterful story of what it's like to be young and American in troubled times.

Love, Ruby Lavender Deborah Wiles 2002-08-01 Ruby Lavender used to have a good life. She and her grandmother, Miss Eula, were inseparable--they even drove the getaway car together for chickens rescued from the slaughterhouse! But this summer, Miss Eula will be in Hawaii, and Ruby's sure it'll be a lonely, empty, horrible season without her. What happens instead? Ruby makes a new friend, saves the school play, writes plenty of letters to her favorite (and only) grandmother . . . and finally stops blaming herself for her grandfather's death.

Riding to Washington Gwenyth Swain 2011-09-01 Janie is not exactly sure why her daddy is riding a bus from Indianapolis to Washington, D.C. She knows why she has to go--to stay out of her mother's way, especially with the twins now teething. But Daddy wants to hear a man named Dr. Martin Luther King Jr. speak and, to keep out of trouble, Janie is sent along. Riding the bus with them is a mishmash of people, black and white, young and old. They seem very different from Janie. As the bus travels across cities and farm fields to its historic destination, Janie sees firsthand the injustices that

many others are made to endure. She begins to realize that she's not so different from the other riders and that, as young as she is, her actions can affect change. Though fiction, *Riding to Washington* is a very personal story for Gwenyth Swain as both her father and grandfather rode to Washington, D.C., to participate in the 1963 civil rights march on the nation's capital. Ms. Swain's other books include *Chig* and *the Second Spread* and *I Wonder As I Wander*. She lives in St. Paul, Minnesota. Artist David Geister has entertained audiences for years with his costumed portrayals of historic characters from the nineteenth century, and his artwork reflects his interest in history and dramatic storytelling. *Riding to Washington* is his third title with Sleeping Bear Press. David lives in Minneapolis, Minnesota.

Wanda's Roses Pat Brisson 2020-09-08 This book about a child's simple faith is one that children will long remember--and adults will love to share. When Wanda discovers a thornbush growing in the empty lot at the corner of Fillmore and Hudson, she's quite sure it's a rosebush all ready to bloom. So she clears away the trash, checks on it every day, and brings water from the butcher shop across the street. But no roses appear. Wanda's neighbors and friends are all doubtful, but when she invites them to a tea party in her "rose garden" one day in June, they're in for a big surprise.

Fly Away Home Eve Bunting 1991 A homeless boy who lives in an airport with his father, moving from terminal to terminal trying not to be noticed, is given hope when a trapped bird finally finds his freedom. Full-color illustrations.
