The Grace Awakening Charles R. Swindoll 1992 Describes the enemies of spiritual grace in everyday life, and encourages readers to look beyond the frustration and guilt of trying to please others to find the gift of God's grace

Revival and Revivalism Iain Hamish Murray 1994 Murray analyses a crucial period in American religious history, with particular attention to the major theme of the nature of religious revival. He rejects the common identification of revival & revivalism, showing that the latter differed

from the former both in its origins & in its implications. Whereas in the earlier period, revival was understood as supernatural & heaven-sent, in the later period the ethos was much more man-centred & the methods employed much closer to the manipulative. The change in perspective can be summed up by saying that revival was first viewed as OEsent down, but later seen as OEworked up. A pivotal figure in the change & a major promoter of the new methods, was Charles Grandison Finney (1792-1875). Murray traces developments from the time of Samuel Davies (1763-61), through the age of the Second Great Awakening, to the

New York Awakening of 1857-8. In addition to Davies & Finney, major leaders whose names recur in these pages include Archibald Alexander (1772-1851) of Princeton Theological Seminary, Edward D. Griffin (1770-1837) & Asahel Nettleton (1783-1844). Arnold Dallimore's outstanding biography, scholarly, yet popularly written, of the leading preacher of the eighteenth-century evangelical revival. Whitefield (1714-70) is acknowledged to have made a greater impact on evangelical Christianity on both sides of the Atlantic than any other preacher of the eighteenth century. The first volume traces the early career of Whitefield to the end of 1740, at which point the twenty-six-year-old was already the most brilliant and popular preacher of the time, and had already, at age 24, commanded the largest congregations yet seen in America. The second volume traces the doctrinal conflict with John and Charles Wesley, Whitefield's visits to Scotland and Wales, as well as the American colonies, and the emergence of a Calvinistic branch of Methodism. Also provided are details of Whitefield's marriage, friendships, ceaseless labours and early death aged 55. The two-volume set casts new light on Whitefield's early life in Gloucester, religious conditions in England at the commencement of his preaching ministry, his influence on the Great Awakening of 1739-40 in America, his relationships with the Wesleys, his philanthropic endeavours and his impact on all classes of English society including the aristocracy.

The Blind Men and the Elephant 1963 Retells in verse the Indian fable of the blind men discovering different parts of an elephant and arguing about its appearance. The illustrations depict the blind arguers as mice.

The Power of Spoken Blessings Bill Gothard 2008-12-30 This book explores how verbal blessings can change and restore difficult relationships, highlighting the great power of the living God to work in our daily lives. The spoken blessing is a powerful spiritual weapon with enduring impact. By giving spoken blessings, we can see healing brought to aching souls and restoration brought to bruised relationships. Such wonders are accomplished by the power of God's Spirit through the agency of spoken blessings, just as Scripture affirms: "Death and life are

in the power of the tongue." Our words have the power to crush or to heal, to break bones or to plant a tree of life where none has grown before. And these dynamics of the spoken blessing may be truer today than ever. Mr. Gothard's timely message brings this awareness to us in a helpful and encouraging way. "Death and life are in the power of the tongue." Proverbs 18:21 What if spoken blessings could grant freedom from years of bitter hurts? What if they could break down the walls that divide husband from wife, parent from child, and friend from friend? Our words have lasting impact not only for harm, but also for great good. By speaking blessings, we can help bring healing to aching souls and restoration to bruised relationships. Let Bill Gothard share with you the secret of spoken blessings, and embark on a rich family tradition that brings harmony and closeness beyond anything you've previously experienced. Story Behind the Book While dealing with layer after layer of hurts, fears, and barriers that teenagers experience with their parents and God, I often heard cruel statements by a parent during a time of anger. Statements like "I wish you were never born" or "You'll never amount to anything" were like deadly poison affecting everything in that teenager's life. Such is the power of a verbal curse. However, more powerful have been the verbal blessings of a parent to a son or daughter. They have been like sources of refreshment and energy that have guided the goals and decisions of those who received them. With such lasting results from the life-and-death power of the tongue, it was essential to me that this book be written.

Nelson's New Illustrated Bible Commentary Thomas Nelson 1999-05-13 A comprehensive verse-by-verse commentary for lay Bible students, fully highlighted by articles, maps, charts, and illustrations—all in one volume. Clear and Comprehensive: Annotations by leading evangelical scholars don't dodge tough issues; alternative views are presented fairly, but commentators make their positions clear. Attractively Designed: Graphics appeal to the sound-bite generation and others who aren't traditional commentary readers. Interesting and Revealing: Hundreds of feature articles that provide additional information or new perspectives on a topic related to Bible background.

Visually Appealing: Maps, drawings, and photos illuminate the commentary and visualize important information.

To Train Up a Child Michael Pearl 1994-03 "Turning the hearts of the fathers to the children"--Cover.

Feet Of Clay Anthony Storr 2015-05-19 How do gurus get their power? Gurus are extraordinary individuals who attract fanatical followers and wield incredible and at times destructive control over them. In this remarkable study, Anthony Storr, the acclaimed author of *Solitude and Music and the Mind*, examines why we are so enthralled with these dogmatic figures who satisfy our need for certainty. Taking as his examples such diverse figures as Jesus, Sigmund Freud, Ignatius Loyola, and David Koresh, Storr traces the typical patterns—often involving psychotic illness—that shape the guru's development, and reveals how certain gurus become monsters while others become spiritual beacons.

Radical David Platt 2010-05-04 New York Times bestseller What is Jesus worth to you? It's easy for American Christians to forget how Jesus said his followers would actually live, what their new lifestyle would actually look like. They would, he said, leave behind security, money, convenience, even family for him. They would abandon everything for the gospel. They would take up their crosses daily... But who do you know who lives like that? Do you? In *Radical*, David Platt challenges you to consider with an open heart how we have manipulated the gospel to fit our cultural preferences. He shows what Jesus actually said about being

his disciple--then invites you to believe and obey what you have heard. And he tells the dramatic story of what is happening as a "successful" suburban church decides to get serious about the gospel according to Jesus. Finally, he urges you to join in The Radical Experiment -- a one-year journey in authentic discipleship that will transform how you live in a world that desperately needs the Good News Jesus came to bring.

Jones V. Brown 1994

Homeschool M. Gaither 2016-04-30 This is a lively account of one of the most important and overlooked themes in American education.

Beginning in the colonial period and working to the present, Gaither describes in rich detail how the home has been used as the base for education of all kinds. The last five chapters focus especially on the modern homeschooling movement and offer the most comprehensive and authoritative account of it ever written. Readers will learn how and why homeschooling emerged when it did, where it has been, and where it may be going. Please visit Gaither's blog here:

None of These Diseases S. I. McMillen MD 2000-03 Extraordinary medical benefits are available to those who follow the Bible's teachings. The authors deal with stress, sex, anger, circumcision, tobacco, and more.

The Secret Kingdom Pat Robertson 1992 With powerful insight. Pat Robertson reveals the secrets to success in your personal life, your family, your work, the church, national government, and international relations.

Not Quite Healed Cecil Murphey 2013 How are sexual abuse survivors to overcome the challenges they are sure to face? Finding strength in community with other survivors is one key to recovery. In *Not Quite Healed*, two survivors join forces to share insight and encouragement on the issues that challenge them most. After a candid discussion about each issue, the authors provide a self-affirming statement that men can study, memorize, and recite on their darkest days.

Five Proofs for the Existence of God Edward Feser 2017-08-18 Five Proofs of the Existence of God provides a detailed, updated exposition

and defense of five of the historically most important (but in recent years largely neglected) philosophical proofs of God's existence: the Aristotelian proof, the Neo-Platonic proof, the Augustinian proof, the Thomistic proof, and the Rationalist proof. Ê This book also offers a detailed treatment of each of the key divine attributes -- unity, simplicity, eternity, omnipotence, omniscience, perfect goodness, and so forth -- showing that they must be possessed by the God whose existence is demonstrated by the proofs.Ê Finally, it answers at length all of the objections that have been leveled against these proofs. Ê This book offers as ambitious and complete a defense of traditional natural theology as is currently in print.Ê Its aim is to vindicate the view of the greatest philosophers of the past -- thinkers like Aristotle, Plotinus, Augustine, Aquinas, Leibniz, and many others -- that the existence of God can be established with certainty by way of purely rational arguments.Ê It thereby serves as a refutation both of atheism and of the fideism which gives aid and comfort to atheism. Ê

Propaganda in Its Military and Legal Aspects United States. War Department. General Staff 1918

Let's Keep Doing This Brian Fawcett 2014-02 STAN PERSKY is a writer, commentator on the media, and a professor of philosophy at Capilano University in North Vancouver. Originally from Chicago, he settled in Vancouver after a tour as a merchant marine. He is the author of twenty-one books, which include *At the Lenin Shipyard: Poland and the Rise of the Solidarity Trade Union*; *Buddy's: Meditations on Desire*; *Then We Take Berlin: Stories from the Other Side of Europe*; and *Topic Sentence: A Writer's Education*. He has won the Hubert Evans Non-Fiction Prize of the BC Book Prizes (2006) and was awarded the Lieutenant Governor's Award for Literary Excellence in 2010. The contributors to this festschrift in honour of Stan Persky include Thomas Marquard, Alberto Manguel, Nadya Al-Wakeel, Myrna Kostash, Scott Watson, George Stanley, Slavenka Draculic, Hedwig Wingler-Tax, John Dixon, John Giorno, Pierre Coupey, John Ralston Saul, Don Akenson, Norbert Ruebsaat, David Farwell, Robin Blaser, Tom Sandborn, Brian Fawcett, Gerald Stanley, Daniel Gawthrop, Sharon Thesen, and George

Bowering. Their essays, poems, artwork, and commentaries address concerns familiar to Stan Persky, whose life as a public intellectual has led him to write poetry, award-winning works of creative non-fiction, and to be at the forefront of many of contemporary society's most significant battles: death and mortality, the plight of our First Nations peoples, gay liberation, desire, the alternative media, the philosophy of language, Plato, history, ideas and the act of thinking, and, above all else, friendship.

Breaking the Bondage of Legalism Neil T. Anderson 2003-07-01 Neil Anderson (author of the bestselling "The Bondage Breaker(TM)") and his coauthors expose the trauma of legalism--and show how Christ liberates us from trying to be "good enough for God." According to a recent poll, 57 percent of Christians strongly agree the Christian life is well summed-up as "trying hard to do what God commands." But biblically, making laws our "lord" estranges us from Christ! The authors reveal... "the chains of legalism: " shame, guilt, pride "the keys to liberty: " knowing who we are in Christ, resting in the Father's love "the life of freedom: " joyful friendship with God, obedience viewed properly Here's encouragement for defeated believers--and an appeal to the church to be free in Christ.

A Matter of Basic Principles Don Veinot 2003-08 This book puts the doctrinal teachings of the popular Bill Gothard under the scrutiny of the Bible and seeks to demonstrate how some of his teachings and principles can have a detrimental effect on people. The authors do not presume to judge Mr. Gothard's heart. They do not seek to personally attack Mr. Gothard. Rather, in the name of truth, they focus primary attention on his teachings and the effect of those teachings on people. Among other things, they demonstrate quite convincingly that Gothard wrongly defines grace and falls prey to legalism. They also take him to task for often citing biblical passages to argue points and principles that they do not prove. They insist on being biblical. - Foreword.

Let a Man examine himself, and so let him eat of that Bread and drink of that Cup 1853

Why Catholic Bibles Are Bigger Gary Michuta 2017-09-15 Some

differences between Catholicism and Protestantism can be tricky to grasp, but one of them just requires the ability to count: Catholic bibles have seventy-three books, whereas Protestant bibles have sixty-six - plus an appendix with the strange title Apocrypha. What's the story here? Protestants claim that the medieval Catholic Church added six extra books that had never been considered part of the Old Testament, either by Jews or early Christians. Catholics say that the Protestant Reformers removed those books, long considered part of Sacred Scripture, because they didn't like what they contained. In *Why Catholic Bibles Are Bigger*, Gary Michuta presents a revised and expanded version of his authoritative work on this key issue. Combing the historical record from pre-Christian times to the Patristic era to the Reformation and its aftermath, he traces the canon controversy through the writings and actions of its major players.

American Journalism 1690-1940 Frederic Hudson 2000 This set reprints three famous but now hard-to-obtain works that recount the development of American journalism from its beginnings in the seventeenth century up to 1940. Together these books outline nearly 300 years' worth of changes in production techniques, journalistic practices and distribution methods. Available as a collection, the three titles are also sold separately, either as two-volume sets priced at \$250.00/Y [Can. \$375.00/Y] or in their component volumes at \$125.00/Y [Can. \$188.00/Y]: *Journalism in the United States from 1690-1872* Frederic Hudson (1873) Two Volume Set: 840pp: 0 415 24142 1 Volume One: 420pp: 0 415 22889 1 Volume Two: 420pp: 0 415 22890 5 *The Daily Newspaper in America: The Evolution of a Social Instrument* Alfred McClung Lee (1937) Two Volume Set: 812pp: 0 415 24143 X Volume One: 406pp: 0 415 22891 3 Volume Two: 406pp: 0 415 22892 1 *American Journalism: A History of Newspapers in the United States through 250 years, 1690-1940* Frank Luther Mott (1941) Two Volume Set: 782pp: 0 415 24144 8 Volume One: 391pp: 0 415 22893 X Volume Two: 0 415 22894 8

Godless Dan Barker 2008-09 Uncover the truth about atheism in the book Oliver Sacks calls, "a revelation. . . I don't think anyone can match the (devastating!) clarity, intensity, and honesty which Dan Barker brings

to the journey—faith to reason, childhood to growing up, fantasy to reality, intoxication to sobriety." ADVANCE PRAISE FOR GODLESS "Valuable in the human story are the reflections of intelligent and ethical people who listen to the voice of reason and who allow it to vanquish bigotry and superstition. This book is a classic example."

—CHRISTOPHER HITCHENS author of *God is Not Great* "The most eloquent witness of internal delusion that I know—a triumphantly smiling refugee from the zany, surreal world of American fundamentalist Protestantism—is Dan Barker." —RICHARD DAWKINS author of *The God Delusion* "Godless was a revelation to me. I don't think anyone can match the (devastating!) clarity, intensity, and honesty which Dan Barker brings to the journey—faith to reason, childhood to growing up, fantasy to reality, intoxication to sobriety." —OLIVER SACKS authors of *Musicophilia* In *Godless*, Barker recounts his journey from evangelical preacher to atheist activist, and along the way explains precisely why it is not only okay to be an atheist, it is something in which to be proud." —MICHAEL SHERMER publisher of *Skeptic Magazine* "Godless is a fascinating memoir and a handbook for debunking theism. But most of all, it is a moving testimonial to one man's emotional and intellectual rigor in acclaiming critical thinking." —ROBERT SAPOLSKY author of *Why Zebras Don't Get Ulcers*

The Imperial Dictionary of the English Language John Ogilvie 1883 *Gothard* Wilfred Bockelman 1976 This book attempts to penetrate the public image and identify Bill Gothard and his ministry.

Exposing the Spiritual Roots of Disease Henry W. Wright 2019-10-15 A Thoroughly Biblical and Compelling Case for Healing from the Best-Selling Author of *A More Excellent Way* Over thirty years ago, Dr. Henry Wright experienced major success in praying for people to be healed from disease. But suddenly the healing stopped. He began asking God why people weren't being healed. Through a pursuit of God's Word and truth, he began a lifelong journey of learning the spiritual roots of disease and blockages to healing. In this journey, he discovered that about 80 percent of all disease has a spiritual root issue and is a direct result of a breakdown in our relationship with God, ourselves, or others.

Dr. Wright began teaching the biblical principles and truths he discovered and found great success in people's healing and recovery. He helped tens of thousands to experience wholeness in their lives. Every human being is a spirit with a soul living in a body. Therefore, this is not just about our physical health, although it greatly impacts our bodily well-being. It is about our identity in God and the freedom He desires to give us, extending from our spirits to our souls and bodies. In this book, Dr. Wright presents a thoroughly biblical and compelling case for healing. If you think you've read all you need to know about healing, it's time to take another look! The author clearly shows that disease is not a random occurrence and that science and medicine have their limitations in dealing with the spiritual roots of illnesses that inflict millions. We need healing for spirit, soul, and body. If you have recently been diagnosed with an illness or have been struggling with your health for years, there is hope and healing ahead. "I am so thankful about these physical healings. However, I'm even more thankful for the inner peace and faith that I have been experiencing. [They are] beyond description." —Sue from Maryland (healed of back pain, rheumatism, and high cholesterol) "His perfect will is that we don't get sick. But once we're sick, the provision has been made for healing. We just need to line up with the Word of God and be transparent, and everything takes care of the rest." —Claudio (he and his wife healed of infertility; their newborn son healed of serious health issues)

Sexual Abuse in Christian Homes and Churches Carolyn H. Heggen 2006-02-10 "As my father abused me he quoted Bible verses to show how bad I was. Each Sunday I'd go to church with my family and hear that God loved me and was watching over me. Then we'd go home and I'd get abused again and wonder why God didn't protect me from these people who went to church. --anonymous survivors This book by a psychotherapist specializing in sexual abuse confronts harsh realities. But Dr. Heggen also offers hope that confronting broken sexuality will bring healing--for survivors of abuse, for perpetrators, for the church.

Feminine Appeal Carolyn Mahaney 2012-06-30 A popular speaker and pastor's wife mines the treasures of Titus 2 to explore seven feminine

virtues that have transformed the lives of countless wives and mothers. *The Gospel Blimp (and Other Parables)* Joseph Bayly 2013-07 Here in one collection are Joe's wisest and funniest stories. These are stories about sinners, bumbler, fools, and hypocrites. In other words, they are stories about normal, everyday people. The kind you might find on the other side of a mirror.

The Power of Crying Out Bill Gothard 2011-11-09 "A prescription for explosive and effective prayer" —Pat Boone "The Power of Crying Out will bless and inspire you with a deeper understanding of God's grace and power. Bill Gothard's book has reawakened in me a strong desire to cry out to my Lord with passion and expectancy." —Dr. Gary Smalley, counselor and bestselling author When members of the early church cried out to God in urgent need, the place shook with the power of their supplication. In this compelling vision for modern-day supplication, Bill Gothard recognizes the key truth that only God's almighty power can rescue His children in times of distress. Using illustrations from Scripture and testimonies from everyday people, Gothard demonstrates the power of crying out—and how God can shake the world of those who cry out to Him today. His compelling teaching will revolutionize the way you pray—for all time!

A Christian Manifesto Francis A. Schaeffer 2021-05-25 In this repackaged edition of *A Christian Manifesto* by Francis Schaeffer, readers will be encouraged to think deeply about the implications of Western Culture's shifting morality and freedom as they seek to live out their faith in a post-Christian world.

The Light of Christ Thomas Joseph White 2017-09-15 The Light of Christ provides an accessible presentation of Catholicism that is grounded in traditional theology, but engaged with a host of contemporary questions or objections. Inspired by the theologies of Irenaeus, Thomas Aquinas and John Henry Newman, and rooted in a post-Vatican II context, Fr. Thomas Joseph White presents major doctrines of the Christian religion in a way that is comprehensible for non-specialists: knowledge of God, the mystery of the Trinity, the Incarnation and the atonement, the sacraments and the moral life,

eschatology and prayer. At the same time, *The Light of Christ* also addresses topics such as evolution, the modern historical study of Jesus and the Bible, and objections to Catholic moral teaching. Touching on the concerns of contemporary readers, Fr. White examines questions such as whether Christianity is compatible with the findings of the modern sciences, do historical Jesus studies disrupt or confirm the teaching of the faith, and does history confirm the antiquity of Catholic claims. This book serves as an excellent introduction for young professionals with no specialized background in theology who are interested in learning more about Catholicism, or as an introduction to Catholic theology. It will also serve as a helpful text for theology courses in a university context. As Fr. White states in the book's introduction: "This is a book that offers itself as a companion. I do not presume to argue the reader into the truths of the Catholic faith, though I will make arguments. My goal is to make explicit in a few broad strokes the shape of Catholicism. I hope to outline its inherent intelligibility or form as a mystery that is at once visible and invisible, ancient and contemporary, mystical and reasonable."

Rebuilder's Guide Bill Gothard 1982-02-01

Confronting Jezebel Steve Sampson 2012-05 Classic Text on Jezebel Spirit Now Completely Revised and Expanded The obsession for some people to control everything, and everyone, in their lives is as old as the biblical account of Queen Jezebel. In this newly revised and updated classic, Steve Sampson offers a biblical, balanced, and eye-opening approach to bringing the spirit of Jezebel--a demonic spirit of control--under the power of the Holy Spirit. By showing how the Jezebel spirit sows discord, confusion, rebellion, and even passivity, Sampson exposes the signs of the Jezebel spirit's presence as well as its strategies of destruction. Sampson also empowers Christians to break free from the cycles of control and manipulation by offering a clear and effective battle plan for those confronting this insidious and demonic influence, whether in their lives or inside themselves.

Disobedient Women Sarah Stankorb 2023-08-08 Journalist Sarah Stankorb outlines how access to the internet—its networks, freedom of expression, and resources for deeply researching and reporting on

powerful church figures—allowed women to begin dismantling the false authority of evangelical communities that had long demanded their submission. A generation of American Christian girls was taught submitting to men is God's will. They were taught not to question the men in their families or their pastors. They were told to remain sexually pure and trained to feel shame if a man was tempted. Some of these girls were abused and assaulted. Some made to shrink down so small they became a shadow of themselves. To question their leaders was to question God. All the while, their male leaders built fiefdoms from megachurches and sprawling ministries. They influenced politics and policy. To protect their church's influence, these men covered up and hid abuse. American Christian patriarchy, as it rose in political power and cultural sway over the past four decades, hurt many faithful believers. Millions of Americans abandoned churches they once loved. Yet among those who stayed (and a few who still loved the church they fled), a brave group of women spoke up. They built online megaphones, using the democratizing power of technology to create long-overdue change. In *Disobedient Women*, journalist Sarah Stankorb gives long-overdue recognition for these everyday women as leaders and as voices for a different sort of faith. Their work has driven journalists to help bring abuse stories to national attention. Stankorb weaves together the efforts of these courageous voices in order to present a full, layered portrait of the treatment of women and the fight for change within the modern American church. *Disobedient Women* is not just a look at the women who have used the internet to bring down the religious power structures that were meant to keep them quiet, but also a picture of the large-scale changes that are happening within evangelical culture regarding women's roles, ultimately underscoring the ways technology has created a place for women to challenge traditional institutions from within. *Allen's Indian Mail* H Allen and Co 2018-10-16 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work,

God's Big Picture Vaughan Roberts 2012-06-11 Sixty-six books written by forty people over nearly 2,000 years, in two languages and several different genres. The Bible is clearly no ordinary book. How can you begin to read and understand it as a whole? This excellent overview gives you the big picture, providing both the encouragement and the tools you need to read the Bible with confidence and understanding.

From Duty to Delight Eileen Scipione 2022-01-15 Tired of just doing your duty in the bedroom? This book is for you. Do you want to have all (and I mean all) that God designed for a wife's sexual pleasure? This book is very practical. Do you want calming tools to bring down your levels of fear and anxiety when intimate with your husband? This book gives step-by-step instructions for reducing fear and worry and even wrong attractions. Wonder how to strengthen your core muscles for better orgasms? There is a chapter for you. Ever consider what foods to eat for improved sexual responses? Again, a chapter by a registered dietitian spells it out. If you are single, widowed, or divorced, there is a chapter for you too. Just go straight to the last chapter, which guides you into greater spiritual and emotional intimacy with your Bridegroom, Jesus Christ. The topic of sexual intimacy is taboo in the church. Women who struggle with sexual dissatisfaction do not know where to get help. *From Duty to Delight: Sexual Intimacy for the Whole Woman* is a treasure trove of biblical knowledge and wisdom for the church. In this powerful and passionate book, biblical counselor Eileen Scipione takes us on a necessary and adventurous biblical journey to teach Christian women how to develop physically, emotionally, and spiritually into becoming more fulfilled sexual beings. Shannon Kay McCoy Eileen

Scipione offers a biblical approach to sexuality, openly discussing topics that seem off-limits to many. She unapologetically offers wisdom that many young women wished their mothers had openly discussed with them. Contrasting the cultural misconceptions of monogamous sexual union as drab and dull, she provides the beauty of biblical sexual intimacy filled with pleasure and purpose. Dr. Dale Johnson, Director of ACBC About The Author The author is a committed follower of Christ and an experienced biblical counselor. She was a pastor's wife for several years, and then her husband George helped launch CCEF. Eileen was a pioneer in the homeschooling movement in New Jersey and also in home birthing. She has five grown children and two grandchildren. She earned her BS in education for the visually impaired and also earned her ThM in biblical counseling at Reformed Presbyterian Theological Seminary. A conference and retreat speaker for many years, Eileen loves to use her gifts for those who want biblical and practical help for spiritual, emotional, and even physical challenges. Now a widow, she senses a call on her life to sharing the secrets of her own enriched and intimate marriage of forty-seven years.

Law and Grace Alva J. McClain 1991-12 The Christian life seems to be a confusing paradox. Evangelicals find themselves lost between law and grace, wondering where to go. This concise handbook fields this issue and wrestles it into a concise, understandable concept, useful to the average Christian.

Beyond Desolate Tammy Schultz 2012-07 Once upon a time in a faraway land, a long, long, time ago, a beautiful girl lived in a royal palace. And as many daughters of kings do, she waited for the day when her Prince Charming would arrive on the scene, recognize her beauty, and fall in love with her. Prince Charming never came. She didn't live happily ever after. Something devastating happened. Her brother raped her. Her brother. Like an unannounced tornado that touches down before unsuspecting city-dwellers have a chance to take cover, sexual abuse blindsides victims in its wake. Against the backdrop of torment, Jesus, a fellow-sufferer, speaks into our anguish and paves the road toward a life beyond desolate. *Beyond Desolate* proclaims hope into a world not

absent of ache, but a world where He bleeds with us and brings us a new song.
