Essentials of Early English Jeremy J. Smith 2006-05-19 This is a completely revised and updated edition of a highly successful textbook. It provides a practical and highly accessible introduction to the early stages of the English language: Old English, Middle English, and Early Modern English. Designed specifically as a handbook for students beginning the study of early English language, whether for linguistic or literary purposes, it presumes little or no prior knowledge of the history of English. Features of this second edition include: newly added Middle English and Early Modern English sample texts and accompanying notes a new section on historical methods web links and an updated annotated bibliography.

Troilus and Criseyde Allen J. Frantzen 1993 "If "variety distinguishes Chaucer's handling of his materials," as Allen J. Frantzen writes his preface to this volume, it also distinguishes Frantzen's handling of his materials - the contents and contexts of Troilus and Criseyde. Of the few available introductory studies on Chaucer's poem, fewer still accommodate the multiplicity of ideas at play both within the text and among the various interpretations of it that have fallen in and out of vogue since the work first appeared in medieval London." "Troilus and Criseyde's story of failed love amid the ruins of war often yields discussion of the traditions of courtly love and other nuances of medieval aristocratic and intellectual life. Frantzen, offering a complex analysis of the narrative that asks readers to grapple with its social, sexual, philosophical, and even comedic motifs, challenges many preconceived ideas about medieval culture and about Chaucer as its chief spokesman." "The device Frantzen uses to focus on the poem from so many perspectives is the frame. The textual frame delineates the reader's view of a narrative "exactly as a visual frame encloses a picture," Frantzen writes. "History has placed many frames around Troilus and Criseyde, and Chaucer has placed many frames within the poem as a means of structuring his complex plot. To concentrate on the frame is not to forget the text but is rather to ask how and where we see its edges, its openings, its points of contact with the world around it."" "In the early chapters of this volume Frantzen presents many of the almost innumerable and sometimes contradictory frames that Chaucer and history have provided: Troilus and Criseyde as tragedy, as comedy, as philosophy; as tale of the inevitable failure of romantic love, of betrayal, of morality, of Christian piety, of the evils of fallen womanhood, of the evils of men's victimization of women. For the balance of the study Frantzen offers his own close reading of the poem, regarding each of its five books from a distinct, though not exclusive, frame of reference: the narrator; Pandarus, Troilus's influential friend; love; war; and fate." "Unlike the buoyantly optimistic Canterbury Tales, Troilus and Criseyde offers a pessimistic view of the world. Yet it should not be viewed as secondary to its more popular successor, says Frantzen. This often dark, highly compressed story of human fallibility has been taken up by one generation of readers after another, each finding in it a relevant message. Frantzen encourages contemporary readers to join the long tradition of framing and reframing the poem, isolating the values they wish to attach to it: "To frame and reframe is to demystify a work and its critical tradition without degrading the history of either or arguing for or against the work's status as a 'classic.'"--BOOK JACKET.Title Summary

Literary Value and Social Identity in the Canterbury Tales Robert J. Meyer-Lee 2019-10-24 Introduction: Canterbury tales IV-V and literary value -- Clerk -- Merchant -- Squire -- Franklin.

The Canterbury tales of Chaucer Geoffrey Chaucer 1861

Fourteenth Century Verse & Prose Kenneth Sisam 1921

The Canterbury Tales Geoffrey Chaucer 1971 A group of pilgrims bound for Canterbury Cathedral agree to pass the weary miles by taking turns at storytelling - thus begins English literature's greatest collection of chivalric romances, bawdy tales, fables, legends, and other stories.& Translation into modern English verse by J. U. Nicholson.

An Introduction to Middle English Simon Horobin 2002 This authoritative survey offers a concise description of Middle English, the language of Chaucer, during the period from 1100 to 1500. Middle English is discussed in relation to both earlier and later stages in the history of English and in regard to other languages with which it came into contact. The book covers the principal features of Middle English spelling, pronunciation, grammar, and vocabulary and also introduces Middle English textual studies.

Introduction to the Study of English Literature Vida Dutton Scudder 1901

The Canterbury Tales of Chaucer Geoffrey Chaucer 1795

Historians on Chaucer Stephen Henry Rigby 2014 As literary scholars have long insisted, an interdisciplinary approach is vital if modern readers are to make sense of works of medieval literature. In particular, rather than reading the works of medieval authors as addressing us across the centuries about some timeless or ahistorical 'human condition', critics from a wide range of theoretical approaches have in recent years shown how the work of poets such as Chaucer constituted engagements with the power relations and social inequalities of their time. Yet, perhaps surprisingly, medieval historians have played little part in this 'historical turn' in the study of medieval literature. The aim of this volume is to allow historians who are experts in the fields of economic, social, political, religious, and intellectual history the chance to interpret one of the most famous works of Middle English literature, Geoffrey Chaucer's 'General Prologue' to the Canterbury Tales, in its contemporary context. Rather than resorting to traditional historical attempts to see Chaucer's descriptions of the Canterbury pilgrims as immediate reflections of historical reality or as portraits of real life people whom Chaucer knew, the contributors to this volume have sought to show what interpretive frameworks were available to Chaucer in order to make sense of reality and how he adapted his literary and ideological inheritance so as to engage with the controversies and conflicts of his own day. Beginning with a survey of recent debates about the social meaning of Chaucer's work, the volume then discusses each of the Canterbury pilgrims in turn. Historians on Chaucer should be of interest to all scholars and students of medieval culture whether they are specialists in literature or history.

The Canterbury Tales of Chaucer Completed in a Modern Version. [The Version is that of the Selected Tales Edited by John Ogle in 1741, with Additions by William Lipscomb.] Geoffrey Chaucer 1795

English Poems Walter Cochrane Bronson 1910

An Introduction to Middle English Simon Horobin 2002 This authoritative survey offers a concise description of Middle English, the language of Chaucer, during the period from 1100 to 1500. Middle English is discussed in relation to both earlier and later stages in the history of English and in regard to other languages with which it came into contact. The book covers the principal features of Middle English spelling, pronunciation, grammar, and vocabulary and also introduces Middle English textual studies.

A Comparative Estimate of Modern English Poets J. Devey 2023-07-12 Reprint of the original, first published in 1873.

Six has received rave reviews around the world for its modern take on the stories of the six wives of Henry VIII and it's finally opening on Broadway! From Tudor queens to pop princesses, the six wives take the mic to remix five hundred years of historical heartbeat into an exuberant celebration of 21st century girl power! Songs include: All You Wanna Do * Don't Lose Ur Head * Ex-Wives * Get Down * Haus of Holbein * Heart of Stone * I Don't Need Your Love * No Way * Six.

The Evolution of Pragmatic Markers in English Laurel J. Brinton 2017-08-31 Based on a rich set of historical data, this book traces the development of pragmatic markers in English, from hwæt in Old English and whilom in Middle English to whatever and I'm just saying in present-day English. Laurel J. Brinton carefully maps the syntactic origins and development of these forms, and critically examines postulated unilineal pathways, such as from adverb to conjunction to discourse marker, or from main clause to parenthetical. The book sets case studies within a larger examination of the development of pragmatic markers as instances of grammaticalization or pragmaticalization. The characteristics of pragmatic markers - as primarily oral, syntactically optional, sentence-external, grammatically indeterminate elements - are revised in the context of scholarship on pragmatic markers over the last thirty or more years.

The Canterbury Tales, The New Translation Gerald J. Davis 2016-06-18 The classic collection of beloved tales, both sacred and profane, of travelers in medieval England. Complete and Unabridged.

to forget a huge part of the history of Anglo-Saxon literature but also to ignore the specificities of Chaucer's style. Indeed, Chaucer's decision to write in Middle English, in a time when the hegemony of Latin and Old French was undisputed (especially at the court of Edward III and Richard II), was consistent with an intellectual movement that was trying to give back to European vernaculars the prestige necessary to a genuine cultural production, which eventually led to the emergence of romance and of the modern novel. As a result, if Chaucer cannot be thought of as the father of English poetry, he is, however, the father of English prose and one of the main artisans of what Mikhail Bakhtin called the polyphonic novel.

[Chaucer and Religion](#) Helen Phillips 2010 Chaucer's writings (the 'Canterbury Tales', lyrics and dream poems and Troilus) are here freshly examined in relation to the religions, the religious traditions and the religious controversies of his era.

Canterbury Tales, Rendered Into Modern English Geoffrey Chaucer 1934 "It is with much diffidence and after long hesitation that I offer to the public this version in modern English of the Tales of Canterbury -- not indeed that have felt myself less well equipped than another to perform the work, but that it may be called in question whether such a work, performed by anyone, is justifiable. For, after all is said, it remains a truth that Geoffrey Chaucer did not write in French, or in Latin, or in Gaelic, or in any other foreign language; he wrote in English. Why then (it may well be asked) should his lines need modernizing? For if they do, then it follows that a great deal of Shakespeare also may some day require the same treatment -- which God forbid! Moreover, it may be further alleged that the principal reason for reading Chaucer at all is Chaucer's English. Those who are interested in him will gladly master the language in which he wrote; those to whom this presents too great a task; or who take no delight

therein will have small joy of their reading. Why, then, should any man permit himself to change, however slightly, the work of this old master, merely that it may be read with ease? Yet it may be that such an argument is capable of being too rigorously conducted. It may be that many persons can delight in Chaucer's Tales who have not either time or opportunity wherein to master his spelling, his syntax and his pronunciation. It may be that it is as justifiable to render Chaucer into modern English as it is to translate Petronius from his crossroads Latin. Indeed it may be that there are those who, having tasted here the diluted flavor of his wine, will be prompted to re-fill their glasses with the unadulterated vintage. It is because I believe in the validity of the reason last adduced that I have permitted my version of the Tales to be put in print. I hope that I shall not be accused of seeking to better Chaucer, as others have (seemingly) sought to do. My unwavering desire has been to offer that which may prove provocative of further interest upon the part of the reader. With this apology, I set forth a diluted drink. May it arouse an enduring thirst for the older and more potent liquor."--J.U. Nicolson, from the Apologia.

The Canterbury Tales in Plain and Simple English (Translated) Geoffrey Chaucer 2012-12-21 Geoffrey Chaucer's "The Canterbury Tales" is epic in everyway; it have love, humor, history, religion--it has it all! Who wouldn't want to read this true classic? Unfortunately, reading it and understanding it can be two very different things because the English often just does not make sense to the modern reader. Let BookCaps help with this modern translation. If you have struggled in the past reading old English, then BookCaps can help you out. We all need refreshers every now and then. Whether you are a student trying to cram for that big final, or someone just trying to understand a book more, BookCaps can help. We are a small, but growing company, and are adding titles every month.
