*Crows of the World* Derek Goodwin 1986 Crows are familiar birds to almost everyone. They are a wide-ranging group whose activities often bring them into contact with man, frequently to their detriment.

However, they are a successful family, both in terms of numbers and species, which includes the Blue Jay and Magpie of North America, the Rook of England, the House Crow of India and the Little Raven of Australia. They exhibit great diversity in colour, size and patterns of behaviour. In this second edition, Derek Goodwin has retained the basic format of his earlier work, with all relevant aspects of their appearance, biology and behaviour being described, but he has added up-to-date information as appropriate, much of which was sent to him from readers of the first edition.

**Crow Call** Lois Lowry 2010-11-01 The two-time Newbery medalist has crafted "a loving representation of a relationship between parent and child" in post-WWII America (Publishers Weekly, starred review). This is the story of young Liz, her father, and their strained relationship. Dad has been away at WWII for longer than she can remember, and they begin their journey of reconnection through a hunting shirt, cherry pie, tender conversation, and the crow call. This allegorical story shows how, like the birds gathering above, the relationship between the girl and her father is graced with the chance to fly. "The memory of a treasured day spent with a special person will resonate with readers everywhere." -School Library Journal (starred

review) "Beautifully written, the piece reads much like a traditional short story . . . the details of [Ibatoulline's] renderings gracefully capture a moment in time that was lost. Relevant for families whose parents are returning from war, the text is also ripe for classroom discussion and for advanced readers."

-Kirkus Reviews

*The Hollow Tree Snowed-in Book* Albert Bigelow Paine 1910 The book contains the continued tales of the 'Coon, the 'Possum, and the Old Black Crow, who live in the Hollow Tree in the Deep Woods. Contains pen-and-ink illustrations of the stories. The general setting of this book is 'the story teller' who sits in a rocking chair in front of the old fireplace, with the 'Little Lady' sitting on his lap as he smokes a pipe and tells the

old stories of the Hollow Tree Folk. All the stories in this book are stories told by the various characters when there is a big snow storm and they get snowed in. To pass the time they tell stories.

Crow Blue Adriana Lisboa 2014-07-08 I was thirteen. Being thirteen is like being in the middle of nowhere. Which was accentuated by the fact that I was in the middle of nowhere. In a house that wasn't mine. In a city that wasn't mine, in a country that wasn't mine, with a one-man family that, in spite of the intersections and intentions (all very good), wasn't mine. When her mother dies, thirteen-year-old Vanja is left with no family and no sense of who she is, where she belongs, and what she should do. Determined to find her biological father in order to fill the void that has so suddenly appeared in her life, Vanja decides to leave Rio de Janeiro to live in Colorado with her stepfather, a former guerrilla notorious for his violent past. From there she goes in search of her biological father, tracing her mother's footsteps and gradually discovering the truth about herself. Rendered in lyrical and passionate prose, *Crow Blue* is a literary road trip through Brazil and America, and through dark decades of familial and political history.

*Hollow Kingdom* Kira Jane Buxton 2019-08-06 A finalist for the 2020 Thurber Prize for American Humor! "The Secret Life of Pets meets The Walking Dead" in this big-hearted, boundlessly beautiful romp through the Apocalypse, where a foul-mouthed crow is humanity's only chance to survive Seattle's zombie problem (Karen Joy Fowler, PEN/Faulkner Award-winning author). S.T., a domesticated crow, is a bird of simple pleasures: hanging out with his owner Big Jim, trading insults with Seattle's wild crows (i.e. "those idiots"), and enjoying the finest food humankind has to offer: Cheetos ®. But when Big Jim's eyeball falls out of his head, S.T. starts to think something's not quite right. His tried-and-true remedies—from beak-delivered beer to the slobbering affection of Big Jim's loyal but dim-witted dog, Dennis—fail to cure Big Jim's debilitating malady. S.T. is left with no choice but to abandon his old life and venture out into a wild and frightening new world with his trusty steed Dennis, where he suddenly discovers that the neighbors are devouring one other. Local wildlife is abuzz with rumors of Seattle's dangerous new predators. Humanity's extinction has seemingly arrived, and the only one determined to save it is a cowardly crow whose only knowledge of the world comes from TV. What could possibly go wrong? Includes a Reading Group Guide.
