Leviticus Louis Goldberg 1980

The Contemporary Torah David E. S. Stein 2010-01-01 This adaptation of the JPS translation of the Torah (1962) will appeal to readers who are interested in a historically based picture of social gender roles in the Bible as well as those who have become accustomed to gender-sensitive English in other aspects of their lives. Many contemporary Bible scholars contend that the Bible's original audience understood that the references to God as male simply reflected gendered social roles at the time. However, evidence for this implicit assumption is ambiguous. Accordingly, in preparing this new edition, the editors sought language that was more sensitive to gender nuances, to reflect more accurately the perceptions of the original Bible readers. In places where the ancient audience probably would not have construed gender as pertinent to the text's plain sense, the editors changed words into gender-neutral terms; where gender was probably understood to be at stake, they left the text as originally translated, or even introduced gendered language where none existed before. They made these changes regardless of whether words referred to God, angels, or human beings. For example, the phrase originally translated in the 1962 JPS Torah as "every man as he pleases" has been rendered here "each of us as we please" (Deut. 12:8). Similarly, "man and beast" now reads "human and beast" (Exod. 8:14), since the Hebrew word adam is meant to refer to all human beings, not only to males. Conversely, the phrase "the persons enrolled" has been changed to "the men enrolled" (Num. 26:7), to reflect the fact that only men were counted in census-taking at this time. In most cases, references to God are rendered in gender neutral language. A special case in point: the unpronounceable four-letter name for the Divine, the Tetragrammaton, is written in unvocalized Hebrew, conveying to the reader that the Name is something totally "other"-- beyond our speech and understanding. Readers can choose to substitute for this unpronounceable Name any of the numerous divine names offered by Jewish tradition, as generations have before our time. In some instances, however, male imagery depicting God is preserved because it reflects ancient society's view of gender roles. David Stein's preface provides an explanation of the methodology used, and a table delineates typical ways that God language is handled, with sample verses. Occasional notes applied to the Bible text explain how gender is treated; longer supplementary notes at the end of the volume comment on special topics related to this edition. In preparing this work, the editors undertook a thorough and comprehensive analysis of the Torah's gender ascriptions. The result is a carefully rendered alternative to the traditional JPS translation. The single most innovative aspect of the gender-sensitive translation offered in The Contemporary Torah is its treatment of the Hebrew word 'ish as a term of affiliation more than of gender. Scholars seeking a fuller explanation of that treatment are invited to read David E.S. Stein's articles in the Journal of Hebrew Scriptures (2008) and in Hebrew Studies (2008).

Messianic Jewish Manifesto David H. Stern 1988 A detailed discussion of the history, ideology, theology, and program for Messianic Judaism. Helps Christians understand God's plan for the Jewish people and their relationship in the Body. today.

Jewish New Testament David H. Stern 1989-09 Translated by David H. Stern Uses neutral terms and Hebrew names Highlights Jewish features and Jewish references Corrects mistranslations from an anti-Jewish theological bias 436 pp. The New Testament is a Jewish book, written by Jews, initially for Jews. Its central figure was a Jew. His followers were all Jews; yet no translation--except this one--really communicates its original, essential Jewishness. Uses neutral terms and Hebrew names. Highlights Jewish features and Jewish references. Corrects mistranslations from an anti-Jewish theological basis. Freshly

rendered into English using the Greek texts, this is a must for learning about first-century faith.

Restoring the Jewishness of the Gospel David H. Stern 1988 Learn about the Jewish roots of the Christian faith. In this insightful book, David H. Stern challenges conventional ideas and raises neglected questions: Are both the Jews and the "Church" the people of God? Is the Law of Moses still in force? **Holy Bible (NIV)** Various Authors, 2008-09-02 The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation.

The Jewish Annotated New Testament Amy-Jill Levine 2017-08-04 First published in 2011, The Jewish Annotated New Testament was a groundbreaking work, bringing the New Testament's Jewish background to the attention of students, clergy, and general readers. In this new edition, eighty Jewish scholars bring together unparalleled scholarship to shed new light on the text. This thoroughly revised and greatly expanded second edition brings even more helpful information and new insights to the study of the New Testament. · Introductions to each New Testament book, containing guidance for reading and specific information about how the book relates to the Judaism of the period, have been revised and augmented, and in some cases newly written. · Annotations on the text--some revised, some new to this edition--provide verse-by-verse commentary. · The thirty essays from the first edition are thoroughly updated, and there are twenty-four new essays, on topics such as "Mary in Jewish Tradition," "Christology," and "Messianic Judaism." · For Christian readers The Jewish Annotated New Testament offers a window into the first-century world of Judaism from which the New Testament springs. There are explanations of Jewish concepts such as food laws and rabbinic argumentation. It also provides a much-needed corrective to many centuries of Christian misunderstandings of the Jewish religion. · For Jewish readers, this volume provides the chance to encounter the New Testament--a text of vast importance in Western European and American culture--with no religious agenda and with guidance from Jewish experts in theology, history, and Jewish and Christian thought. It also explains Christian practices, such as the Eucharist. The Jewish Annotated New Testament, Second Edition is an essential volume that places the New Testament writings in a context that will enlighten readers of any faith or none.

Isaiah: 1-39 Walter Brueggemann 1998-01-01 Enthält: Vol. 1: Isaiah 1-39; Vol. 2: Isaiah 40-66.

Answering Jewish Objections to Jesus Michael L. Brown 2000-02 An honest, fair, and thorough discussion of the issues raised in Jewish Christian apologetics, covering thirty-five objections on general and historical themes.

The Bible, the Talmud, and the New Testament Elijah Zvi Soloveitchik 2019-07-05 Born in Slutzk, Russia, in 1805, Elijah Zvi Soloveitchik is a largely forgotten member of the prestigious Soloveitchik rabbinic dynasty. Before Hayyim Soloveitchik developed the standard Brisker method of Talmudic study, or Joseph Dov Soloveitchik helped to found American Modern Orthodox Judaism, Elijah Soloveitchik wrote Qol Qore, a rabbinic commentary on the Gospels of Matthew and Mark. Qol Qore drew on classic rabbinic literature, and particularly on the works of Moses Maimonides, to argue for the compatibility of Christianity with Judaism. To this day, it remains the only rabbinic work to embrace the compatibility of Orthodox Judaism and the Christian Bible. In The Bible, the Talmud, and the New Testament, Shaul Magid presents the first-ever English translation of Qol Qore. In his contextualizing introduction, Magid explains that Qol Qore offers a window onto the turbulent historical context of nineteenth-century European Jewry. With violent anti-Semitic activity on the rise in Europe, Elijah Soloveitchik was unique in believing that the roots

of anti-Semitism were theological, based on a misunderstanding of the New Testament by both Jews and Christians. His hope was that the Qol Qore, written in Hebrew and translated into French, German, and Polish, would reach Jewish and Christian audiences alike, urging each to consider the validity of the other's religious principles. In an era characterized by fractious debates between Jewish communities, Elijah Soloveitchik represents a voice that called for radical unity amongst Jews and Christians alike.

Jewish New Testament Commentary David H. Stern 2023-01-31 This updated companion volume to the Jewish New Testament enhances Bible study. Passages and expressions are explained in their original cultural context, the way 1st century Jewish writers meant for them to be understood! Over fifteen years of research and study went into the JNTC to make the New Testament more meaningful!

Jesus Never Said Anything New Matt Rosenberg 2021-02-14 Was Jesus a radical Innovator--or a divine Restorer? When Jesus, known to His people as Yeshua, came on the scene in first-century Israel, His hearers weren't surprised by His message, but by His authority. They didn't see Him as a revolutionary teacher, but as a reformer of the man-made "commandments" that had been added to the Torah--like all of the prophets who came before Him to correct the Jewish people and draw them back to God. His claims to be the Messiah created a divide among the Jewish people, between those who accepted and those who rejected His divinity. Too many modern Christians believe Jesus came to end Judaism and begin something new, called Christianity. But this misses the point by divorcing Yeshua's message from its context in the Jewish faith. Rabbi Matt Rosenberg of Restoration in Seattle, Washington, is a leader in the Messianic movement and has a passion for helping Jew and Gentile alike understand the message of Yeshua. As a second-generation Messianic rabbi with a Gentile mother, Matt understands the struggles, questions, and general "messiness" that accompany merging Jewish traditions and Christian customs with the scriptural and historical Yeshua. In this thoughtfully researched and lovingly presented book, Rabbi Rosenberg explains how to: Understand the Jewishness of Jesus and how it impacts believers then and now Appreciate the Bible as one book, not two separate testaments Mend the misunderstandings between Jewish and Gentile believers Ask sincere questions and avoid clichéd answers in an honest search for truth Integrate the Jewish influence on the ordinances of communion and baptism Jewish and Gentile believers alike will glean deeper understanding from Jesus Never Said Anything New, as Rabbi Rosenberg builds the case for why the Jewishness of Jesus is as relevant for Christians and Jews today as it was two thousand years ago. Discovering Yeshua apart from all of the trappings of Western culture will build your faith and challenge your walk with the unchanging God of Abraham, Isaac, and Jacob!

Job James A. Wharton 1999-01-01 Job is the quintessential study when it comes to questions of faith in the face of adversity and the universal human quest for meaning and order in a world that consistently mocks both. James Wharton concludes that the function of Job never has been to provide answers but to keep the questions urgent and contemporary for all who set out to honor and serve God. Books in the Westminster Bible Companion series assist laity in their study of the Bible as a guide to Christian faith and practice. Each volume explains the biblical book in its original historical context and explores its significance for faithful living today. These books are ideal for individual study and for Bible study classes and groups.

A Commentary on the New Testament from the Talmud and Hebraica John Lightfoot 2013-01-13 This commentary on the New Testament by John Lightfoot is a unique addition to the studious Christian's library. With the Gospels written within a first century Jewish context, some of the meaning, nuance and hidden reference is lost upon the modern reader. Within these pages, Lightfoot uses the Talmud (a main text of history, tradition, ethics and scriptural commentary in Judaism) and other Judaic sources, to bring cultural background and historical flavor to the familiar verses of the Gospels, giving them new life and new insight. Though the author passed away before the full completion of this epic work, "A Commentary of the New Testament from the Talmud and Hebraica" proves to be an invaluable tool for bringing fresh light upon those obscure years of the first century. [This edition contains the entirety of the verse-by-verse commentary of the Gospels from the original work, but omits the "Chorographical Details," being non-commentary notes about the regions and districts of Israel.]

Messianic Judaism David H. Stern 2007 "A revision of Messianic Jewish manifesto."

Outside the Bible Louis H. Feldman 2013-01-01 "The Hebrew Bible is only part of ancient Israel's writings. Another collection of Jewish works has survived from late- and post-biblical times, a great library

Jewish New Testament Commentary A Companion Volume To The Jewis Pdf Pdf upload
Arnold x Robertson

that bears witness to the rich spiritual life of Jews in that period. This library consists of the most varied sorts of texts: apocalyptic visions and prophecies, folktales and legends, collections of wise sayings, laws and rules of conduct, commentaries on Scripture, ancient prayers, and much, much more. While specialists have studied individual texts or subsections of this library, *Outside the Bible* seeks for the first time to bring together all of its major components into a single collection, gathering portions of the Dead Sea Scrolls, the Septuagint, the biblical apocrypha, and pseudepigrapha, and the writings of Philo of Alexandria and Josephus. The editors have brought together these diverse works in order to highlight what has often been neglected; their common Jewish background. For this reason the commentaries that accompany the texts devote special attention to their references to Hebrew Scripture and to issues of halakhah (Jewish law), their allusions to motifs and themes known from later Rabbinic writings in Talmud and Midrash, their evocation of recent or distant events in Jewish history, and their references to other texts in this collection. The work of more than seventy-one contributing experts in a range of fields, *Outside the Bible* offers new insights into the development of Judaism and early Christianity. This three-volume set of translations, introductions, and detailed commentaries is a must for scholars, students, and anyone interested in this great body of ancient Jewish writings. The collection includes a general introduction and opening essays, new and revised translations, and detailed introductions, commentaries, and notes that place each text in its historical and cultural context. A timeline, tables, and a general index complete the set. "--

Etz Hayim David L. Lieber 2004 JPS is pleased to make available a new, more compact edition of the landmark publication, *Etz Hayim: A Torah Commentary*. This book, a publication of the Conservative movement, was produced through a joint venture of the Rabbinical Assembly, the United Synagogue of Conservative Judaism, and The Jewish Publication Society. This new, smaller edition is a convenient alternative to the standard hardcover edition and is ideal for personal study and travel. It contains all the material in the original, excerpt for the essays. The Bible text, translations, and commentaries as well as the blessings, artwork, maps, glossary and other reference tools for the worshiper and student of Torah reader are included. The sturdy, coated paper cover is designed to stand up well, even with heavy use.

The Acts of the Apostles P.D. James 1999-01-01 Acts is the sequel to Luke's gospel and tells the story of Jesus's followers during the 30 years after his death. It describes how the 12 apostles, formerly Jesus's disciples, spread the message of Christianity throughout the Mediterranean against a background of persecution. With an introduction by P.D. James

Jewish New Testament Commentary David H. Stern 1992 The New Testament is a Jewish book, written by Jews, initially for Jews. Its central figure was a Jew. His followers were all Jews; yet no translation--except this one--really communicates its original, essential Jewishness. Uses neutral terms and Hebrew names. Highlights Jewish features and Jewish references. Corrects mistranslations from an anti-Jewish theological basis. Freshly rendered into English using the Greek texts, this is a must for learning about first-century faith.

A Companion to the Book of Enoch: A Reader's Commentary, Vol I: The Book of the Watchers (1 Enoch 1-36) Michael Heiser 2020-03-15 The Book of Enoch was read and revered across the spectrum of Second Temple Judaism--those forms of Judaism that thrived in the "Intertestamental" period (ca. 500 B.C. to 100 A. D.). The book is more properly referred to as 1 Enoch in order to distinguish it from other books that bore the name Enoch which were composed later than this period (e.g., 2 Enoch, 3 Enoch). Though 1 Enoch was and is not considered canonical Scripture by the majority of Jewish and Christian authorities in antiquity, the book had a very wide readership, including the authors of New Testament books. This fact is well known to scholars who work in the original languages of both the New Testament and 1 Enoch. The content of 1 Enoch can be found in a number of passages in the New Testament as well as certain of its theological conceptions. Though the scholarly literature on 1 Enoch is plentiful, no commentary for the interested lay person exists--until now. *A Companion to the Book of Enoch: A Reader's Commentary, Volume 1: The Book of the Watchers (1 Enoch 1-36)* was written to fill this void and help students of the Bible understand and appreciate this important and influential ancient book. This "reader's commentary" does not require original language facility on the part of its user. Rather, the purpose of a Reader's Commentary is to help readers of 1 Enoch comprehend what the book's content with greater insight and clarity. Consequently, this Reader's Commentary on 1 Enoch is not written for scholars. Anyone who has decided to devote the time to

reading 1 Enoch, perhaps for the first time, will find this resource eminently useful. A Companion to the Book of Enoch: A Reader's Commentary is based on the translation of 1 Enoch by R. H. Charles (1917). Important original language insights and differences in manuscripts of 1 Enoch are noted and explained as are theological concepts.

A Companion to the New Testament Matthew L. Skinner 2020-11-15 A Companion to the New Testament draws readers deep inside the New Testament by providing a basic orientation to its literary contours and its ways of talking about theological matters. Designed especially for students learning to navigate the Bible as Christian Scripture, the Companion serves as an accessible, reliable, and engaging guide to each New Testament book's contents. It explores these books' capacity for informing Christian faith and life--among ancient audiences and also within Christian communities through time. Individual chapters offer thorough overviews of each New Testament book, helping readers consider its historical setting, cultural assumptions, literary dynamics, and theological points of view. The Companion consistently illustrates how social conditions and community identities left their marks on the particular theological rhetoric of the New Testament. Author Matthew Skinner draws on his extensive teaching experience to orient readers to theological convictions and social realities reflected in Scripture. He pays special attention to the New Testament's use of the Old Testament, the Roman Empire's influence on Christian ideas and practices, the place of women in the early church's life and teachings, the influence of Jewish apocalyptic themes on the New Testament, and ways that certain New Testament emphases have shaped basic Christian beliefs. This first volume of the Companion explains that the Gospels are the results of the early churches' efforts to preserve memories about the life and teaching of Jesus, his character, and his enduring significance. Readers discover that Jesus' followers told their stories about him because of their desire to give testimony to him as the Christ and the agent of divine salvation. Likewise, the Companion's treatment of Acts underscores that book's understanding of God as active in the world, a God who continues the ministry Jesus began but does so now in and around the churches formed by Jesus' followers. The earliest churches' narratives about their Lord and their origins were theological narratives--stories meant to communicate believers' convictions about God and God's commitment to the world.

The Complete Jewish Study Bible Rabbi Barry Rubin 2016-08 Christians and Messianic Jews who are interested in the rich spiritual traditions of their faith will be thrilled with this brand new study Bible. The Complete Jewish Study Bible pairs the updated text of the Complete Jewish Bible translation with extra study material, to help readers understand and connect with the Jewish roots of the Christian faith. The Complete Jewish Bible shows that the word of God, from Genesis to Revelation, is a unified Jewish book meant for everyone Jew and non-Jew alike. Translated by David H. Stern with new, updated introductions by Rabbi Barry Rubin, it has been a best-seller for over twenty years. This translation, combined with beautiful, modern design and helpful features, makes this an exquisite, one-of-a-kind Bible. Unique to The Complete Jewish Study Bible are a number of helpful articles and notes to aid the reader in understanding the Jewish context for the Scriptures, both in the Tanakh (the Old Testament) and the Brit Hadashah (the New Testament). Features include: - Twenty-five contributors (both Jewish and Christian), including John Fischer, Patrice Fischer, Arnold G. Fruchtenbaum, Walter C. Kaiser, Jr., Rabbi Russell Resnik, and more - Thirty-four topical articles ranging from topics such as the menorah (or candelabra of God) and repentance (t shuvah) in the Bible, to Yeshua's Sermon on the Mount and the Noachide Laws (the laws given by God to Noah and subsequent generations) and their applicability to Gentiles - In addition to these topical articles and detailed study notes, there are twelve tracks or themes running throughout the Bible with 117 articles, covering topics such as Jewish Customs, the Names of God, Shabbat, and the Torah - New Bible book introductions, written from a Jewish perspective - Bottom-of-page notes to help readers understand the deeper meanings behind the Jewish text - Sabbath and Holy Day Scripture readings - Offers the original Hebrew names for people, places, and concepts "

Ephesians Zondervan, 2011-01-04 Designed for the pastor and Bible teacher, this series brings together commentary features rarely gathered together in one volume. Written by notable evangelical scholars, each volume in the Zondervan Exegetical Commentary on the New Testament series treats the literary context and structure of the passage in the original Greek. The series consistently provides the main point, an exegetical outline, verse-by-verse commentary, and theology in application in each section of every

commentary. Critical scholarship informs each step but does not dominate the commentary, allowing readers to concentrate on the biblical author's message as it unfolds. While primarily designed for those with a basic knowledge of biblical Greek, all who strive to understand and teach the New Testament will find these books beneficial. The ZECNT series covers the entire New Testament in twenty volumes; Clinton E. Arnold serves as general editor. In this volume, Clinton Arnold offer pastors, students, and teachers a focused resource for reading Ephesians. Through the use of graphic representations of translations, succinct summaries of main ideas, exegetical outlines and other features, Arnold present Paul's epistle to the Ephesians with precision and accuracy. Because of this series' focus on the textual structure of the scriptures, readers will better understand the literary elements of Ephesians, comprehend the author's revolutionary goals, and ultimately discovering their vital claims upon the church today.

The Nach Yomi Companion Rabbi Jack Abramowitz 2009-04-17 The Nach Yomi Companion comprises the daily synopses that have appeared online as part of the Orthodox Union's Nach Yomi (www.ouradio.org/nach). Each and every chapter of the Books of the Prophets, from Joshua through The Twelve Prophets, is clearly summarized, incorporating the thoughts of Chazal, Rashi, the Radak and others. With this handy volume, written in clear and engaging language, readers can get an overview of the Prophets, decipher troubling passages, or prepare themselves for further, more in-depth study.

The Synoptic Gospels Set Free Daniel J. Harrington 2009 Presents the Gospels of Matthew, Mark, and Luke in an interpretative context that frees them from Anti-Judaism and Anti-Semitism

Essays on Ethics Jonathan Sacks 2016 Why was Abraham ordered to sacrifice his son? Was Jacob right in stealing the blessings? Why were we commanded to destroy Amalek? What was Moses' sin in hitting the rock? And how did the Ten Commandments change the Jewish people, and humankind, for good? Essays on Ethics is the second companion volume to Rabbi Jonathan Sacks's celebrated series Covenant & Conversation. Believing the Hebrew Bible to be the ultimate blueprint for Western morality, Rabbi Sacks embarks upon an ethical exploration of the weekly Torah portion, uncovering its message of truth and justice, dignity and compassion, forgiveness and love.

The Gospel of Mattityahu (Matthew) from a Jewish Perspective Bruce R. Booker 2010-04-04 These are the Handouts for the Course: The Gospel of Mattityahu (Matthew) from a Jewish Perspective. The MP3 CD audio, the Syllabus and the Slides are required to complete the course of study. In addition the books: The Gospel of Matthew: A Socio-Rhetorical Commentary (Paperback) Craig S. Keener and Jewish New Testament Commentary: A Companion Volume to the Jewish New Testament (Paperback) by David H. Stern are required.

Hebrew for the Rest of Us Lee M. Fields 2009-12-15 This is a companion volume to Greek for the Rest of Us by William D. Mounce. This book is a guide for English-only readers to understand the language of the Old Testament just enough to work with the Old Testament in more detail and to understand the scholarly literature on the Hebrew Bible. Its specific aims are to aid students to learn (1) why translations differ, (2) how to do Hebrew word studies, (3) what the basics of Hebrew exegesis are, and (4) how to read more advanced Old Testament commentaries with greater understanding. Hebrew for the Rest of Us is set up in a workbook format.

The Gospel According to John 1999 The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

Understanding the Difficult Words of Jesus David Bivin 1994-10-01 Understanding the Difficult Words of Jesus This book will stir the pot of biblical scholarship for years to come. It will force many to rethink the origin of the Gospels and the Jewishness of Jesus. Some may disagree with Bivin and Blizzard at certain points. No one, however, can ignore the soundness of their conclusion: Jesus is a Hebrew Lord whose teachings are Hebraic through and through. Marvin R. Wilson, Ockenga Professor of Biblical Studies, Gordon College I am delighted that this book shares with the English-speaking public information that is

well attested and well known to Israeli scholars namely, that Jesus teaching was originally transmitted in Hebrew and therefore can be fully understood only if we know its Hebraic background. David Flusser, Professor of the History of Religion, Hebrew University of Jerusalem Generations of New Testament scholars trained only in the Classical world have not always been able to perceive and interpret the Jewish background of the Gospels. Understanding the Difficult Words of Jesus serves to introduce ministers and laypersons to this very important subject. William Sanford La Sor, Emeritus Professor of Old Testament, Fuller Theological Seminar I am greatly impressed with the work Bivin and Blizzard reflect in their book. They are stressing something of vital importance in hermeneutics, too long ignored by standard biblical scholarship. W.T. Purkiser, Emeritus Professor, Point Loma College I am impressed with the way the authors have made use of archaeological finds in dealing with the question of what language was spoken in first-century Israel. Amihai Mazar, Senior Lecturer, Institute of Archaeology, Hebrew University of Jerusalem

Complete Jewish Bible David H. Stern 2001-06-01 Presenting the Word of God as a unified Jewish book, the Complete Jewish Bible is a translation for Jews and non-Jews alike. Names and key terms are presented in easy-to-understand transliterated Hebrew enabling the reader to pronounce them the way Yeshua (Jesus) did!

Dictionary of New Testament Background CRAIG A EVANS 2020-05-21 The 'Dictionary of New Testament Background' joins the 'Dictionary of Jesus and the Gospels', the 'Dictionary of Paul and his Letters' and the 'Dictionary of the Later New Testament and its Developments' as the fourth in a landmark series of reference works on the Bible. In a time when our knowledge of the ancient Mediterranean world has grown, this volume sets out for readers the wealth of Jewish and Greco-Roman background that should inform our reading and understanding of the New Testament and early Christianity. 'The Dictionary of New Testament Background', takes full advantage of the flourishing study of the Dead Sea Scrolls and offers individual articles focused on the most important scrolls. In addition, the Dictionary encompasses the fullness of second-temple Jewish writings, whether pseudepigraphic, rabbinic, parables, proverbs, histories or inscriptions. Articles abound on aspects of Jewish life and thought, including family, purity, liturgy and messianism. The full scope of Greco-Roman culture is displayed in articles ranging across language and rhetoric, literacy and book benefactors, travel and trade, intellectual movements and ideas, and ancient geographical perspectives. No other reference work presents so much in one place for students of the New Testament. Here an entire library of scholarship is made available in summary form. The Dictionary of New Testament Background can stand alone, or work in concert with one or more of its companion volumes in the series. Written by acknowledged experts in their fields, this wealth of knowledge of the New Testament era is carefully aimed at the needs of contemporary students of the New Testament. In addition, its full bibliographies and cross-references to other volumes in the series will make it the first book to reach for in any investigation of the New Testament in its ancient setting.

The Cambridge Companion to the Hebrew Bible/Old Testament Stephen B. Chapman 2016-07-11 This Companion offers a concise and engaging introduction to the Hebrew Bible or Old Testament. Providing an up-to-date 'snapshot' of scholarship, it includes essays, specially commissioned for this volume, by twenty-three leading scholars. The volume examines a range of topics, including the historical and religious contexts for the contents of the biblical canon, and critical approaches and methods, as well as newer topics such as the Hebrew Bible in Islam, Western art and literature, and contemporary politics. This Companion is an excellent resource for students at university and graduate level, as well as for laypeople and scholars in other fields who would like to gain an understanding of the current state of the academic

discussion. The book does not presume prior knowledge, nor does it engage in highly technical discussions, but it does go into greater detail than a typical introductory textbook.

Abraham Walter C Kaiser 2020-09 Abraham is referred to in Scripture as the "Father of many nations." In fact, the Ishmaelites, the Edomites, the offspring of Keturah, and all the Israelites come from him! There are two other nations, viz., the Moabites and Ammonites, that come from his nephew Lot, a man whose life and times were closely related to those of Abraham. This makes Abraham, therefore, somewhat of unique character, for even though Abraham takes a most central position in the book of Genesis, he is not the ancestor of just one single national group. As a consequence, most of the story about Abraham must be gathered from a number of stories in this book of Genesis instead of a single "Abrahamic source." The material that covers the life and work of Abraham emphasizes the Covenant between God and Abraham and the most significant part of that document, the promise of a son and heir of all Abram has been blessed with. It is this emphasis that makes its resemblance to the gospel in the New Testament so special and noteworthy!

The Book of Acts Steven Ger 2018 Steven Ger's Commentary of the Book of Acts makes the early church come to life and will instruct and encourage you to be a witness for Jesus Christ in your home and community.

Lessons in Leadership Jonathan Sacks 2015 In this companion volume to his celebrated series Covenant & Conversation, Rabbi Jonathan Sacks mines the weekly Torah portions for insights into the nature of power, authority, and leadership. Based on the understanding that no man is born a leader, the book explores the principles, and perils, of becoming one. Profound, eloquent, and deeply inspiring, Lessons in Leadership reveals the biblical secrets of influence, as relevant now as they were three thousand years ago. ?Ets ?ayim Jacob Blumenthal 2005 "The Rabbinical Assembly; the United Synagogue of Conservative Judaism."

The Jewish Bible Julie Pelc 2010-01-01 This guide to the Jewish Bible explains what the Jewish Bible is, how it developed, its structure and differences between it and Christian Bibles. It also includes short histories of Bible translations and commentaries, a guide to characters and places, plus an introduction to Biblical poetry, storytelling, law and Bible study.

The Cambridge Companion to the Hebrew Bible/Old Testament Stephen B. Chapman 2016-07-12 This volume features an impressive array of leading biblical scholars and presents an illuminating and lively cross-section of this traditional field of study. Treating core topics and changing methodologies within twenty-three comprehensive chapters, this Companion provides an outstanding introduction to the historical origins and literary character of the canonical literature.

Joshua Michael Hattin 2015-01-13 The Book of Joshua enumerates the great challenges faced by the ancient Israelites as they enter and settle their promised land, a lengthy process that ultimately takes hundreds of years. Exhausted from their forty-year journey in the desert, the people must overcome earlier failures, confront hostile coalitions on the battlefield, struggle with the inimical cultural values pervasive in Canaan, and make the difficult transition from a nomadic to a settled way of life. Difficult as this may sound, there is yet one burning issue that overshadows the whole enterprise: What are the hallmarks of successful leadership? In Joshua: The Challenge of the Promised Land, Michael Hattin brings to life the biblical Book of Joshua, highlighting how the many complex issues faced by the people as they fought to possess their new land mirror and shed light on today's reality. Hattin approaches the text as literary narrative, considering it from the perspectives of rabbinic midrash, medieval commentary
